ACCESSORIES FOR BMW R NINE T DERIVATIVES

HP PARTS

HP SPORT SILENCER

Available for:

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Racer
- R nineT Urban G/S

A top-class feature: made entirely of titanium, with a carbon end cap and a laser-etched HP logo. High-quality sounds turns every ride into a thrilling experience. Choose from two positions (standard and raised) and in two colour variants (titanium and black).

Note the differences in national-market versions. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

1 HP sport silencer

Part nr.: 77 11 8 564 693
Price: **4126** RON

2 HP sport silencer, black

Part nr.: 77 11 2 455 702
Price: **4126** RON

HP CARBON BOLT - ON PARTS

Available for:

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Racer
- R nineT Urban G/S

Superlative performance is a given with these HP parts. They're elegant, exclusive and durable – each one a masterpiece in its own right. And if perfection's what you're after, you've hit the jackpot here because they're made of carbon, the ultimate light-weight material. An unbeatable combination of stylish looks and technical expertise.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

- 1** Only available for the BMW R nineT
- 2** Not available for the BMW R nineT & R nineT Urban G/S
- 3** Not available for the BMW R nineT Scrambler
- 8** Not available for the BMW R nineT Scrambler & R nineT Urban G/S
Only for one-up; the rear bag, tail-hump cover and passenger comfort seat cannot be fitted at the same time.

Padding for tail-hump cover (not shown)

HP PASSENGER FOOTRESTS

Available for:

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Racer
- R nineT Urban G/S

The HP passenger footrests are milled from an anodised aluminium alloy and give the bike an even sportier appearance. Their design makes them very light, but also extremely dimensionally stable so that they provide secure support for the foot at all times.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

1 HP passenger footrests

Part nr.: 77 25 8 358 688
Price: **485 RON**

Price: **380** RON

REAR BAG / REAR BAG, LEATHER EDITION

Available for:

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Racer
- R nineT Urban G/S

The waterproof rear bag made of black canvas has style and offers plenty of room for luggage with its 40-litre volume. Two side patch pockets, colour-contrasting straps and brushed metal buckles are a perfect match for the classic design of the Heritage models. Available in two material/colour combinations.

Not for use with luggage rack, Scrambler single seat bench, comfort passenger seat, side bag(s) or tail-hump cover. For information on speed and payload restrictions, please refer to the instruction/operating instructions.

1 Rear bag, 40l

Part nr: 77 49 8 545 097
Price: **1251** RON

2 Rear bag, leather edition, 40l

Part nr: 77 49 2 451 076
Price: **1564** RON

SIDE BAGS / SIDE BAGS, LEATHER EDITION

Available for:

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Racer
- R nineT Urban G/S

The waterproof side bags in retro style look extremely casual and with their 14-litre (right) and 9-litre (left) capacity offer plenty of storage space for luggage. Under the water-repellent outer fabric made of black canvas, the bag contents stay dry in a waterproof, removable inside pocket with a roll closure. Available in two material/colour combinations.

Not available in conjunction with the rear bag. For information on speed and load limitations, please refer to the operating instructions.

1 & 3 Only available in conjunction with a low positioned silencer. Not available for the BMW R nineT Scrambler.

1 Left side bag, 9l

Part nr: 77 40 2 451 059
Price: **1274** RON

2 Right side bag, 14l

Part nr: 77 40 2 451 060
Price: **1274** RON

3 Left side bag, leather edition, 9l

Part nr: 77 40 2 451 052
Price: **1019** RON

4 Right side bag, leather edition, 14l

Part nr: 77 40 2 451 048
Price: **1019** RON

LUGGAGE RACK Part nr: 77 44 8 394 221
Price: **1048** RON

Available for:

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Urban G/S

The classic stainless steel luggage rack is the ideal choice for solo riders who, instead of a passenger, want to take more luggage with them.

Only for one-up. Only available in conjunction with the single seat for luggage rack. Not available in conjunction with the rear bag. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer. The illustrated single seat is not included in the scope of delivery.

Original BMW Motorrad accessories are available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

DESIGN

OPTION 719 CLASSIC MILLED PARTS

Available for:

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Racer
- R nineT Urban G/S

The exclusive Option 719 Classic milled parts set design accents with high-quality components in a silver look. The milled special parts made of anodised aluminium show great attention to detail and create exclusivity. The Option 719 branding also underlines the quality impression of the bike. All milled parts are perfectly matched to each other and harmonise optimally with the vehicle design. In a complex manufacturing process, components such as hand levers and footrests are milled from solid metal. The cylinder head covers, the front engine housing cover and the mirrors are made from a forging blank. All parts are manufactured according to strict BMW quality guidelines. They therefore meet the highest standards and are characterised by a perfect fit.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

1 Option 719 Classic oil filler plug

Part nr.: 11 12 8 396 740
Price: **308 RON**

OPTION 719 CLUB SPORT MILLED PARTS

Available for:

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Racer
- R nineT Urban G/S

The Option 719 Club Sport milled parts with their interplay of black and gold anodising give your motorcycle a dark character with a sophisticated appearance. The individual parts are elaborately manufactured from aluminium forged blanks. They impress with design-defining milling contours worked out with great attention to detail. The Option 719 insignia, also milled, underlines the exclusivity and contributes to the overall aesthetics. The anodised coating not only gives the milled parts their characteristic colour but also serves as surface protection. All milled parts are manufactured to the highest BMW Motorrad standards in top quality.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

1 Option 719 Club Sport oil filler plug

Part nr.: 11 12 8 394 849

BMW MOTORRAD MACHINED PARTS

Available for:

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Racer
- R nineT Urban G/S

Each unique, lovingly crafted BMW Motorrad Machined Part is designed to make the BMW R nineT even more stunning. The designs are the result of close collaboration with Roland Sands, the Californian designer, trendsetter and customization expert. All BMW Motorrad Machined Parts also feature the "by Roland Sands Design" signature logo. The high-quality surfaces of these aluminium parts boast bold contrasts in Glossy Black and are produced in a series of complex processing steps, some of which are performed manually. All BMW Motorrad Machined Parts can be combined with the full range of Original BMW Motorcycle Equipment, allowing you to transform the BMW R nineT into your own ultra-personalized ride.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

MILLED FOOTREST SYSTEM

Left Part nr.: 77 25 8 394 587
Price: **1505** RON
Right Part nr.: 77 25 8 394 588
Price: **1505** RON

Available for:

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Urban G/S

The CNC-milled footrest system enhances the dynamic look of the motorcycle. The ribbed tread surface provides a secure base for the rider's feet, ensuring optimum control of the bike. Numerous adjustment options meet a rider's every wish when it comes to ergonomics and sporty character.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

MILLED HANDBRAKE LEVER/CLUTCH LEVER

Brake Part nr.: 77 22 8 355 204
Price: **689** RON

Price: **689** RON

Available for:

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Racer
- R nineT Urban G/S

The ergonomically optimised hand levers made of black anodised aluminium are adjustable and underline the individuality of the bike.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

CHROME-PLATED EXHAUST MANIFOLD

Part nr.: 18 51 8 561 883
Price: **6008** RON

Available for:

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Racer
- R nineT Urban G/S

The chrome-plated exhaust manifold gives the standard silencer or the HP sports silencer a special touch.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

R NINET SILENCER

Part nr.: 18 51 8 356 969
Price: **7029** RON

Available for:

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Racer
- R nineT Urban G/S

The R nineT's double-flow rear silencer can also be used to customise the appearance of other Heritage models.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

SCRAMBLER SILENCER

Part nr.: 18 51 8 561 336
Price: **7029** RON

Available for:

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Racer
- R nineT Urban G/S

The Scrambler's double-flow standard silencer can also be used to visually upgrade other Heritage models.

Note the differences in national-market versions. Not available in conjunction with the passenger frame. Only in conjunction with the Scrambler silencer bracket (without passenger frame). To be fitted and/or enabled in a specialist workshop, and ideally at your authorised BMW Motorrad Retailer.

SILENCER BRACKET

Part nr.: 77 11 8 358 245
Price: **609** RON

Available for:

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Racer
- R nineT Urban G/S

The holder is for attaching the Scrambler rear silencer with the passenger frame removed.

REV COUNTER INCL. ON-BOARD COMPUTER

Part nr.: 62 11 8 564 506
Price: **1564** RON

Available for:

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Racer

The rev counter with gear indicator and on-board computer perfectly complements the standard speedometer and provides a lot of useful additional information.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

INSTRUMENT CLUSTER HOUSING, MATT, CHROME-PLATED

Part nr.: 77 52 8 564 588
Price: **399** RON

Available for:

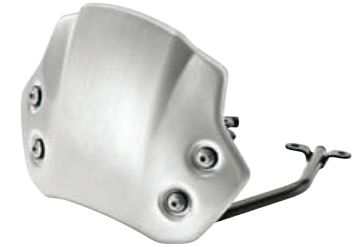

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Racer
- R nineT Urban G/S

The matt chrome housing for the instrument cluster adds an attractive highlight in the cockpit area.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

WINDSCREEN ALUMINIUM HAND-BRUSHED

Part nr.: 77 33 8 559 576
Price: **1038** RON

Available for:

- R nineT
- R nineT Pure
- R nineT Scrambler

The high-quality windscreen aluminium, hand-brushed impressively emphasises the bike's classic Roadster design with its retro look.

Please note the specifications for different countries.

SCRAMBLER WINDSCREEN ALPINE WHITE

Part nr.: 77 33 8 559 460
Price: **490** RON

Available for:

- R nineT
- R nineT Pure
- R nineT Scrambler

The windscreen in the design of a classic start-number carrier has style and offers protection from oncoming wind.

Please note the specifications for different countries.

ALUMINIUM RADIATOR GRILLE, HAND-BRUSHED

Part nr.: 77 12 8 396 268
Price: **1050** RON

Available for:

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Racer
- R nineT Urban G/S

The hand-brushed aluminium radiator cowls ensure a harmonious and high-quality appearance in the side view while fully maintaining the cooling capacity.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

ALUMINIUM TAIL - HUMP COVER

Part nr.: 77 34 8 565 828
Price: **1845** RON

Available for:

- R nineT
- R nineT Pure
- R nineT Racer

The aluminium tail-hump cover is fitted in place of the passenger seat, and includes a small, spray-water protected storage compartment. The high-quality backrest pad ensures enhanced rider comfort and finishes the look visually.

Available as an aluminium tail-hump cover and hand-brushed aluminium tail-hump cover.

Only for one-up.

CYLINDER HEAD COVERS

Available for:

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Racer
- R nineT Urban G/S

It is now possible to make even more customisations thanks to the cylinder head covers with different designs.

Whichever you choose, these variants in Black, Silver and Chrome will give your motorcycle that extra-special something.

To be fitted and/or enabled in a specialist workshop, and ideally at your authorised BMW Motorrad Retailer.

Price: **4671** RON

HANDLEBAR END COVER

Part nr.: 32 71 8 543 341
Price: **158** RON

Available for:

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Racer
- R nineT Urban G/S

The covers for the handlebar ends of the BMW R nineT in silver are a visual highlight and emphasise the individual character of the motorcycle.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

START-NUMBER CARRIERS, ALPINE WHITE

Part nr.: 77 31 8 394 219
Price: **1024** RON

Available for:

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Racer
- R nineT Urban G/S

The start-number carriers in Alpine white are placed under the seat and can be glued on individually for the ultimate Café Racer look.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

CLASSIC EMBLEM

Part nr.: 46 51 8 544 485
Price: **105 RON**

Available for:

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Urban G/S

The Classic emblem is reminiscent of the good old days and perfects the Heritage look.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

KNEE PADS

Part nr.: 77 31 8 546 308
Price: **196 RON**

Available for:

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Racer
- R nineT Urban G/S

The ergonomically shaped knee pads made of black rubber protect the tank against scratches on both sides.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

MAIN FRAME SCREW COVER

Part nr.: 77 25 8 536 857
Price: **140 RON**

Available for:

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Racer
- R nineT Urban G/S

The cover of the main frame screw connection is the elegant solution when the passenger frame is removed. To this end, the open main frame screw is covered with an aluminium double sleeve.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

LED INDICATORS

Part nr.: 77 51 2 465 283; Price: **425 RON**

Available for:

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Racer
- R nineT Urban G/S

A shining example: The beautifully designed LED indicators with white turn indicator glass convince with their slim design and modern lighting technology. They respond much faster than incandescent lamps and are virtually wear-free. This provides a clear safety advantage in road traffic.

Please note the specifications for different countries. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

DOUBLE INSTRUMENT CLUSTER HOLDER (NOT SHOWN)

Available for:

- R nineT Pure
- R nineT Scrambler

The black or matt, chrome-plated holder for the double instrument cluster allows the installation of a rotational-speed sensor.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Chrome-plated
Part nr.: 77 53 8 389 482
Price: **921 RON**
Black
Part nr.: 77 53 8 389 483
Price: **561 RON**

TINTED WINDSCREEN (NOT SHOWN)

Part nr.: 77 33 8 404 247
Price: **842 RON**

Available for:

- R nineT Racer

The tinted windscreen emphasises the sporty look of the motorcycle. The special coating also permanently prevents scratches. The dimensions and shape are identical to the standard windscreen.

Please note the specifications for different countries.

HAND-BRUSHED ALUMINIUM TRIANGULAR FRAME COVER (NOT SHOWN)

Part nr.: 77 31 8 394 222; Price: **1492 RON**

Available for:

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Racer
- R nineT Urban G/S

The hand-brushed aluminium triangular frame cover conceals the plastic intake silencer thus enhancing the bike's look.

GRANITE GREY IGNITION STEERING LOCK COVER (NOT SHOWN)

Part nr.: 77 31 8 558 012; Price: **309 RON**

Available for:

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Racer
- R nineT Urban G/S

The cover for the ignition steering lock in Granite grey adds a colour highlight.

CUSTOM MIRROR, CHROME-PLATED

Part nr.: 71 60 9 443 674; Price: **535 RON**

Available for:

- R nineT Pure

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

ERGONOMICS & COMFORT

URBAN SEAT, ESPRESSO BLACK, LOWPart nr.: 52 53 9 444 629
Price: **1747**RON**Available for:**

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Urban G/S

The Scrambler seat in Espresso black offers maximum seating comfort. In addition, the high-quality seat with attractive cross stitching and leather appearance gives the Heritage models an individual look.

**URBAN SINGLE SEAT, ESPRESSO BLACK**Part nr.: 77 34 9 444 631
Price: **1456** RON**Available for:**

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Urban G/S

The classic Scrambler single seat bench in Espresso black is the stylish solution for everyone who prefers to ride solo.

The single seat benches are all waterproof and finished to the highest quality. The focus of the design is to provide an authentic look and feel, which is why clothing such as dark jeans may stain the seat. Stains of this kind and other discolourations are considered a desirable patina, and do not constitute defects. Only in conjunction with rear end trim for Scrambler single seat bench.

**URBAN SEAT, ESPRESSO BLACK**Part nr.: 52 53 9 446 511
Price: **1747** RON**Available for:**

- R nineT Pure
- R nineT Scrambler
- R nineT Urban G/S

**SCRAMBLER SINGLE SEAT BENCH, SADDLE BROWN**Part nr.: 77 34 8 564 907
Price: **1456** RON**Available for:**

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Urban G/S

The classic Scrambler single seat bench in Saddle brown is the stylish solution for everyone who prefers to ride solo.

The single seat benches are all waterproof and finished to the highest quality. The focus of the design is to provide an authentic look and feel, which is why clothing such as dark jeans may stain the seat. Stains of this kind and other discolourations are considered a desirable patina, and do not constitute defects. Only in conjunction with rear end trim for Scrambler single seat bench.

SCRAMBLER SEAT, HIGH, SADDLE BROWNPart nr.: 52 53 8 560 248
Price: **1747** RON**Available for:**

- R nineT Scrambler

This 30 mm higher version of the Scrambler seat is particularly suitable for tall riders.

The single seat benches are all waterproof and finished to the highest quality. The focus of the design is to provide an authentic look and feel, which is why clothing such as dark jeans may stain the seat. Stains of this kind and other discolourations are considered a desirable patina, and do not constitute defects.

SCRAMBLER SINGLE SEAT REAR SECTIONPart nr.: 77 34 8 560 267
Price: **670** RON**Available for:**

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Urban G/S

The rear section for the Scrambler single seat stylishly complements the look of the bike with a shorter seat for one-up riding. The black rear section is made from plastic and fits perfectly on the Scrambler single seat.

PASSENGER COMFORT SEAT, BLACKPart nr.: 77 34 8 537 714
Price: **1081** RON**Available for:**

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Racer
- R nineT Urban G/S

The wider comfort rear seat with enhanced padding offers the passenger a noticeable increase in seating comfort.

SINGLE SEAT FOR LUGGAGE RACK IN RED OR SADDLE BROWN

Available for:

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Urban G/S

The sporty single seat is a shorter seat for the luggage rack option. Perfect for anyone who likes to enjoy the riding wind alone.

The single seat benches are all waterproof and finished to the highest quality. The focus of the design is to provide an authentic look and feel, which is why clothing such as dark jeans may stain the seat. Stains of this kind and other discolourations are considered a desirable patina, and do not constitute defects.

1 Red

Part nr.: 77 34 9 899 321
Price: **1238** RON

2 Brown

Part nr.: 77 34 8 388 471
Price: **1456** RON

R NINET RIDER'S SEAT, BLACK

Part nr.: 52 53 8 531 151
Price: **1238** RON

Available for:

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Urban G/S

The BMW R nineT rider's seat in classic black impresses with its attractive design. The high-quality leather-look seat surface and the attractive decorative double stitching in white emphasise the classic look.

R NINET PASSENGER SEAT, BLACK

Part nr.: 52 53 8 531 156
Price: **983** RON

Available for:

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Racer
- R nineT Urban G/S

The R nineT passenger seat in black ensures a high level of comfort on long journeys with a passenger. It also underlines the dynamic look of the motorcycle.

CUSTOM RIDER'S SEAT, BLACK

Part nr.: 77 34 8 546 218; Price: **1485** RON

Available for:

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Racer
- R nineT Urban G/S

The Custom rider's seat in classic black with its discreet cross stitching and details in an Alcantara look sets individual accents. Its exclusive design, the high-quality seat surface, the white double decorative stitching and the embroidered BMW R nineT inscription in gold further enhance the look of the motorcycle.

Not available in conjunction with high-positioned Sports silencer (long crossover pipe).

FORK BRIDGE WITH STUB HANDLEBARS

Part nr.: 77 22 8 396 340
Price: **3951** RON

Available for:

- R nineT

The fork bridge with fixed stub handlebars allows for a clearly front-wheel-oriented seating position for a Café Racer riding style.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

LOW URBAN G/S SEAT, RED

Part nr.: 52 53 9 899 218; Price: **1747** RON

Available for:

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Urban G/S

The lower Urban G/S seat in red makes it easier to get on and off and improves ground accessibility. The reduced seat height provides a safe feeling for the rider as it makes it easier to manoeuvre and control the bike. The adapted padding ensures that seating comfort is maintained even over long distances.

ADJUSTABLE STUB HANDLEBARS

Part nr.: 77 22 6 897 725
Price: **On Request**

Available for:

- R nineT

Stub handlebars let you really lean into the front wheel and give your BMW an even more dynamic look.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

**FORK BRIDGE
(NOT SHOWN)**

 Part nr.: 77 22 8 405 213
 Price: **2891** RON

Available for:
 • R nineT Pure

The fork bridge with fixed stub handlebars allows for a front-wheel-oriented seating position for sporty riding. The scope of delivery includes the complete mounting kit including brake and clutch line, tank pad and steering angle limiter. An individual TÜV inspection is not necessary, the vehicle warranty remains fully valid.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

**FORK BRIDGE WITH STUB HANDLEBARS
AND ROTATIONAL-SPEED SENSOR, TOP**

 Part nr.: 77 22 8 394 377
 Price: **4465** RON

Available for:
 • R nineT Pure

The fork bridge with fixed stub handlebars and rotational-speed sensor allows for a clearly front-wheel-oriented seating position for a Café Racer riding style.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

**HEATED GRIPS AND SWITCHES
(NOT SHOWN)**

 Part nr.: 61 31 8 565 847; **450** RON
 61 31 8 566 508; **630** RON
 61 31 8 567 718; **853** RON

Available for:
 • R nineT
 • R nineT Pure
 • R nineT Scrambler
 • R nineT Racer
 • R nineT Urban G/S

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

**STEERING LOCK LIMITER
(NOT SHOWN)**

 Part nr.: 77 22 8 565 125; Price: **104** RON

Available for:
 • R nineT Pure

The steering lock limiter prevents the stub handlebars from coming into contact with the fuel tank at the maximum steering angle.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

NAVIGATION & COMMUNICATION

BMW MOTORRAD NAVIGATOR VI

 Part nr.: 77 52 8 356 005
 Price: **3737** RON

Available for:

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Racer
- R nineT Urban G/S

The multifunctional BMW Motorrad Navigator VI without pre-installed maps makes route planning child's play. The system with 4 GB flash memory and five-inch touch screen always gives the right directions, and the waterproof display is easy to read even in direct sunlight owing to the circular polarisation filter. The high-resolution screen provides all the essential information and ensures that you can see the big picture required in every situation. Numerous additional functions make planning and touring an exciting experience. Plan your routes according to your personal preferences and enjoy driving on winding and quiet side roads. The rider can also preset route guidance to avoid certain roads, e.g. A-roads. The "round trip" option is a good choice on unfamiliar terrain as it will reliably lead you back to the starting point. The Bluetooth connection to the BMW Motorrad communication system and the optional Smartphone Link app enable multimedia on the go: navigation announcements, telephone calls and music streaming as well as the retrieval of weather forecasts or traffic jam information are no problem. Navigation preparation adds further functions such as "My Motorcycle", and the multi-controller on the handlebars offers an alternative control option. The desired map material can simply be installed on the Navigator using an SD card.

Please note the specifications for different countries.

BMW MOTORRAD SMARTPHONE CRADLE

 Part nr.: 77 52 8 563 125
 Price: **1048** RON

Available for:

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Racer
- R nineT Urban G/S

BMW Motorrad's robust Smartphone Cradle provides a safe and protected place for your smartphone. This means that useful functions such as navigation instructions and online information can also be used while you are on the move. Thanks to the handy charging function, your smartphone is always ready for action even on extended bike tours.

Only in combination with bracket for BMW Motorrad navigation devices.

Original BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

SAFETY

ALUMINIUM CYLINDER - HEAD COVER GUARD

Part nr.: 77 12 8 357 955
Price: **1095 RON**

Available for:

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Racer
- R nineT Urban G/S

The cylinder-head cover guard, made of anodised aluminium, protects the cylinder head against damage and makes the look of the motorcycle more striking.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

PLASTIC CYLINDER - HEAD COVER GUARD

Part nr.: 71 607 719 449
Price: **584 RON**

Available for:

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Racer
- R nineT Urban G/S

The glass-fibre reinforced plastic cylinder-head cover plate protects the cylinder head from damage and emphasises the design of the boxer engine.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

ALUMINIUM ENGINE GUARD

Part nr.: 11 11 7 717 743; Price: **516 RON**

Available for:

- R nineT Scrambler
- R nineT Urban G/S

The robust aluminium engine guard effectively protects the lower area against stone chips and damage, for example, when bottoming out. Nothing stands in the way of an off-road excursion. Street riders will also appreciate the discreet off-road look.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

HIGH - END STEERING DAMPER SET

Part nr.: 77 24 8 394 218; Price: **2076 RON**

Available for:

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Racer
- R nineT Urban G/S

Maximum control and safety not only on fast tracks: the HP steering damper with gold-coloured surface is a genuine high-end product. It responds sensitively and, with 12 clicks, offers a wide adjustment range to suit different track conditions and individual operating conditions.

HAND PROTECTORS

Left

Part nr.: 77 32 8 396 075
Price: **415 RON**

Right

Part nr.: 77 32 8 396 076
Price: **415 RON**

Available for:

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Urban G/S

The robust hand protector gives the motorcycle a sporty look and reliably protects the hands from wind, weather, branches and flying stones.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

PROTECTIVE GRILLE FOR HEADLIGHT

Part nr.: 77 51 8 393 225
Price: **479 RON**

Available for:

- R nineT
- R nineT Pure
- R nineT Scrambler

The perfect addition whenever the rider goes off-road: The protective grille for the headlight prevents damage from stone chips or branches when riding off public roads. The grille made of black painted sheet steel is intended exclusively for off-road use.

Please note the specifications for different countries.

SAFETY SCREW FOR OIL FILLER CAP

Part nr.: 71 60 7 696 117
Price: **179 RON**

Available for:

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Racer
- R nineT Urban G/S

The safety screw for the oil filler cap protects against theft and foreign substances in the oil. It also gives an individual look.

ENGINE PROTECTION BAR (NOT SHOWN)

Part nr.: 77 14 8 394 379
Price: **2038 RON**

Available for:

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Urban G/S

The two-piece engine protection bar, made of electrically polished stainless steel, reliably protects the cylinder area against damage without restricting the rider's freedom to lean the bike. The robust tube construction to prevent major fall damage can be perfectly combined with the plastic cylinder-head cover guard.

ANTI - THEFT ALARM RETROFIT SET (NOT SHOWN)

Part nr.: 77 53 9 443 591
Price: **1408 RON**

Available for:

- R nineT
- R nineT Pure
- R nineT Scrambler
- R nineT Racer
- R nineT Urban G/S

If the anti-theft alarm system is moved or struck violently, the system responds with a clearly audible signal and a hazard warning indicator lamp.

STORAGE

TANK BAG BLACK NEW

Part nr.: 71 60 7 696 117
Price: **908** RON

Available for:

- R 18
- R 18 Classic

The compact tank bag made of waxed canvas has a volume of 7 litres and has practical features such as a waterproof rain hood with transparent window. It is mounted by means of adhesive magnets. Genuine leather appliqué and metal zips underline the Heritage look.

TANK BAG BLACK, SMALL NEW

Part nr.: 77 14 8 394 379
Price: **557** RON

Available for:

- R 18
- R 18 Classic

The practical tank bag made of waxed canvas has a waterproof, removable liner that holds all kinds of small items such as mobile phones, sunglasses or wallets. Genuine leather appliqué and metal zips create the classic appearance and underline the Heritage look.

WINDSCREEN BAG BLACK, (NOT SHOWN) NEW

Part nr.: 77 53 9 443 591; Price: **507** RON

Available for:

- R 18
- R 18 Classic

The waxed canvas bag attaches to the windscreen holder for quick access to the contents. The waterproof and removable liner keeps items such as smartphones, sunglasses or wallets clean and dry. Genuine leather appliqué and metal zip underline the Heritage look.

REAR BAG BLACK, 27L NEW

Part nr.: 77 49 2 471 302; Price: **1556** RON

Available for:

- R 18
- R 18 Classic

The large rear bag made of waxed canvas offers plenty of room for luggage with its 27-litre volume. Various inside and outside compartments as well as a waterproof, removable liner are among the practical features. Genuine leather appliqué and metal buckles underline the exclusive Heritage look.

FRAME BAG BLACK, RIGHT NEW

Part nr.: 77 49 2 465 631; Price: **677** RON

Available for:

- R 18
- R 18 Classic

The practical frame bag made of waxed canvas provides stowage space without restricting freedom of movement. The waterproof liner keeps smaller items safe and within easy reach, even when on the move. Genuine leather appliqué and metal zips create the classic appearance and underline the Heritage look.

SIDE BAG BLACK, 16 L NEW

ENGINE PROTECTION BAR, CHROME - PLATED NEW

Part nr.: 77 14 9 446 054
Price: **1980** RON

Available for:

- R 18
- R 18 Classic

Safety in a classic custom look: the robust engine protection bars made of chrome-plated stainless steel reliably protect the cylinders of the boxer engine from damage in the event of an incident. They are attached to special mounting points in order to also protect the frame from damage.

FRONT - WHEEL COVER 21" WHEEL (NOT SHOWN) NEW

Part nr.: 77 21 1 540 305
Price: **On Request**

Available for:

- R 18
- R 18 Classic

The slim front-wheel cover made of primed sheet steel fits snugly against the tyre. The high-quality cover for the 21-inch wheel can be painted in the vehicle colour or according to individual customer requirements.

Only available in conjunction with 21" front wheel. Part is only primed and still needs to be painted.

BOBBER STYLE REAR - WHEEL COVER (NOT SHOWN) NEW

Part nr.: 77 31 2 469 290 ; Price: **4812** RON

Available for:

- R 18

The Bobber style rear-wheel cover includes a flat metal rear-wheel cover including a retaining bracket for the turn indicators. Like the historical models of the 1940s, the self-supporting rear-wheel cover is mounted very close to the rear tyre and ensures the typical Bobber look.

Only in conjunction with set of side number plate carriers and set of black Hommage solo seats. Part is only primed and still needs to be painted.

NUMBER PLATE CARRIER BLACK, ON SIDE

Available for:

- R 18

The high-quality number plate carrier underlines the cool custom look and gives a clear view of the rear tyre. The carrier has an LED number plate light and is mounted on the left side of the vehicle. The almost invisible mounting in the area of the swinging arm looks particularly attractive.

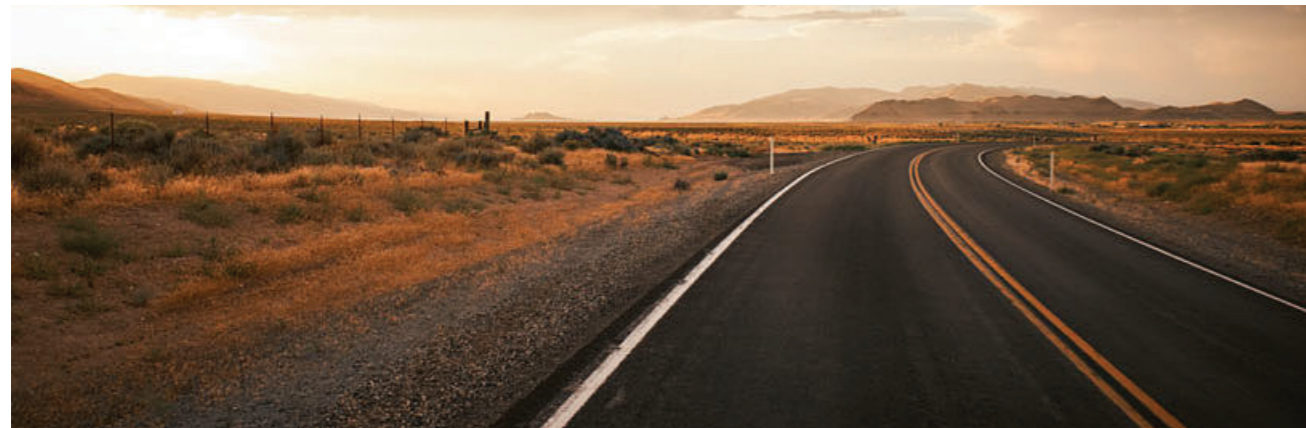

Not in conjunction with left side bag set and left side bag holder set. Not in conjunction with brown saddlebag set.

1 Number plate carrier, on side, chrome - plated (not shown) NEW

Part nr.: 77 51 2 469 308
Price: **1975** RON

2 Number plate carrier, on side, black (not shown) NEW

Part nr.: 77 51 2 469 307
Price: **1975** RON

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

TAPERED REAR SILENCER

Available for:

- R 18

Sound and vision in perfection: the Tapered rear silencers made completely of stainless steel are characterised by the typical boxer sound and a cool custom look. The short slip-on silencers have a heat-resistant ceramic coating in black or high-quality chrome-plated and underline the Cruiser's exclusive high-end look.

1 Tapered rear silencer, chrome - plated NEW

Part nr.: 77 11 9 444 950
Price: **6582** RON

2 Tapered rear silencer, black NEW

Part nr.: 77 11 9 444 948
Price: **6582** RON

ROUND REAR SILENCER

Available for:

- R 18 Classic

Sound and vision in perfection: the Round rear silencers made completely of stainless steel are characterised by the typical boxer sound and a cool custom look. The extra-long slip-on silencers have a heat-resistant ceramic coating in black or high-quality chrome-plated and underline the Cruiser's exclusive high-end look.

3 Round rear silencer, chrome - plated NEW

Part nr.: 77 11 9 444 954
Price: **6582** RON

4 Round rear silencer, black NEW

Price: **6153** RON

Original BMW Motorrad accessories are available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

REAR SILENCER END CAP, BLACK

Part nr.: 77 11 2 469 287; Price: 1841 RON

Available for:

- R 18 Classic

The black end caps for the rear silencers are made of aluminium and add striking design highlights. An extremely heat-resistant ceramic coating provides protection against discolouration, while the elaborate visual milling with BMW Motorrad and Roland Sands Design inscriptions also enhances the attractive look of the rear silencers.

Only in conjunction with standard silencer

NEW

FRONT SPOKED WHEEL, BLACK

Part nr.: 36 31 8 414 955; Price: 4338 RON

Available for:

ERGONOMICS AND COMFORT

HOMMAGE SINGLE SEAT (NOT SHOWN) NEW

Part nr.: 77 34 2 469 411; Price: **1960** RON

Available for:

- R 18
- R 18 Classic

Hovering over the tarmac: the puristic Hommage single seat is a real eye-catcher and is reminiscent of historic BMW motorcycles like the R 5 or R 32. At the same time, the designer piece has a contemporary functionality and is characterised by robustness and durability despite its refined appearance.

Only in conjunction with Bobber style modification set or with Hommage Seat Vintage Mounting Bracket set.

CROSS COUNTRY SEAT, BLACK NEW

Part nr.: 77 34 2 469 396; Price: **3640** RON

Available for:

- R 18
- R 18 Classic

The black Cross Country seat offers excellent sitting comfort even on long trips. It has a high-quality finish and can be supplemented with an optional backrest for the rider. The co-branding of BMW Motorrad and Mustang Made in USA underlines the exclusive impression of quality.

WEEKENDER SEAT, BLACK NEW

Part nr.: 77 34 2 469 404; Price: **3360** RON

Available for:

- R 18
- R 18 Classic

The black Weekender seat offers a high level of touring comfort for rider and passenger because it is particularly wide and lavishly padded. The optional backrest for the rider, which is easy to attach, is a convenient extra. The exclusive co-branding of BMW Motorrad and Mustang Made in USA is standard.

CUSTOM SINGLE SEAT BENCH, BLACK OR BROWN

Available for:

- R 18
- R 18 Classic

The Custom single seat bench sets individual accents with attractive cross-stitching and embroidered BMW logo on the seat. The single seat at standard seat height provides the biker with a sporty and casual appearance. The co-branding of BMW Motorrad and Roland Sands Design underlines the high quality impression.

1 Custom single seat bench, black NEW

Part nr.: 77 34 2 465 314
Price: **1960** RON

2 Custom single seat bench, brown NEW

Part nr.: 77 34 2 465 313
Price: **1960** RON

DAY RIDER SEAT, BLACK OR BROWN

Available for:

- R 18
- R 18 Classic

The Day Rider seat with its attractive longitudinal stitching sets strong accents. It is recommended as a high-quality comfort version for riders and passengers who love touring. The two-piece design means the Day Rider can also be used as a single seat and can be supplemented with an optional backrest for the rider.

1 Day Rider seat, black NEW

Part nr.: 77 34 2 469 400
Price: **3080** RON

2 Day Rider seat, brown NEW

Part nr.: 77 34 2 469 401
Price: **3080** RON

CUSTOM FASTBACK SEAT, BLACK OR BROWN

Available for:

- R 18
- R 18 Classic

The Custom Fastback seat sets strong accents with attractive cross-stitching and exclusive inlay. The single-piece design and low seating position give the bike a sporty, casual appearance. The co-branding of BMW Motorrad and Roland Sands Design underlines the high quality impression.

1 Custom Fastback seat, black NEW

Part nr.: 77 34 5 A17 F80
Price: **2240** RON

2 Custom Fastback seat, brown NEW

Part nr.: 77 34 5 A17 F79
Price: **2240** RON

RIDER BACKREST

Available for:

- R 18
- R 18 Classic

It couldn't be more comfortable: the functional rider's backrest can be easily inserted into the seat and the tilt can be adjusted to suit different physiques. This provides pleasant lumbar support for the biker when casually cruising or accelerating. The backrest can also be folded down to make uphill and downhill riding easier.

- 1 Only in conjunction with Day Rider seat, brown.
- 2 Only in conjunction with Day Rider seat, black.
- 3 Only in conjunction with Cross Country seat, black or Weekender seat, black.

1 Rider backrest, brown

NEW

Part nr.: 77 30 2 463 896
Price: 1023 RON

2 Day Rider rider's backrest, black

Price: 1023 RON

PASSENGER BACKREST

Available for:

- R 18
- R 18 Classic

The chrome-plated passenger backrest in the typical custom style gives the passenger more support. The backrest pad matches the respective seat and helps the passenger to enjoy both short trips and extended tours in an even more relaxed fashion.

- 1 Only available in conjunction with Day Rider seat, brown.
- 2 Only available in conjunction with Day Rider seat, black.
- 3 Only available in conjunction with Cross Country seat, black or Weekender seat, black.

1 Passenger backrest, brown (not shown)

NEW

Part nr.: 77 34 2 469 373
Price: 665 RON

2 Passenger backrest, black (not shown)

NEW

Part nr.: 77 34 2 469 372
Price: 665 RON

3 Tour passenger backrest, black (not shown)

NEW

Part nr.: 77 34 2 469 374
Price: 665 RON

PASSENGER BACKREST HOLDER, CHROME-PLATED (NOT SHOWN)

NEW

Part nr.: 77 34 2 469 371
Price: 1381 RON

Available for:

- R 18
- R 18 Classic

The chrome-plated holder for the passenger backrest in the typical custom style gives the passenger more support. The additional backrest pad in the colour of the seat further increases comfort and helps the passenger to enjoy both short trips and extended tours in an even more relaxed fashion.

Only in conjunction with passenger backrest set.
Not in conjunction with the passenger seat luggage rack set.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

HAND LEVER

Available for:

- R 18
- R 18 Classic

The hand levers are milled from an anodised aluminium alloy and add attractive design highlights. The grip width of the brake and clutch levers can be adjusted and adapted to individual requirements. The high-quality milled look and the slim design also add value to the bike.

1 2-Tone-Black hand lever, adjustable

NEW

Part nr.: 77 22 8 391 970
Price: 1516 RON

2 Machined hand lever, adjustable

NEW

Part nr.: 77 22 8 391 971
Price: 1516 RON

Original BMW Motorrad accessories are available from your authorised BMW Motorrad Retailer.
Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

HANDLEBAR RISERS

Available for:

- R 18
- R 18 Classic

The bike's ergonomics and styling can be modified with the forged aluminium handlebar risers. In the 4" variant, the high-quality milled part is approx. 10cm high, meaning that the handlebar is positioned higher and 2.5 cm closer to the rider than in the standard version. This handlebar position provides additional comfort for tall riders. In the 1.5" variant, the high-quality milled part is approx. 2.5cm high, meaning that the handlebar is positioned slightly lower than in the standard version. The flat silhouette also emphasises the bike's dynamic look.

- 3-4** Only available for the R 18
- 1-3** Only in conjunction with the standard handlebar or Apehanger 6.5" handlebar.
- 4-6** Not in conjunction with the windscreen.

WINDSCREEN HOLDER WITH LED ADDITIONAL HEADLIGHT (NOT SHOWN) NEW

Available for:
• R 18

Chrome-plated
Part nr.: 77 33 9 480 728
Price: **On Request**

Black
Part nr.: 77 33 9 446 384
Price: **On Request**

Stylish and variable: the windscreen holder is attached to the fork and can be removed in a few easy steps. Various windscreens can be installed on the holder by means of a screw connection. The mounting kit also includes two LED additional headlights including mounting material. The windscreen holder is available in black and chrome-plated.

Not in conjunction with 1.5" handlebar risers

WINDSCREENS

Available for:
• R 18
• R 18 Classic

The windscreen provides protection from the elements for the rider, thus increasing touring comfort.

The medium windscreen is slightly shorter than the standard windscreen and combines a sporty look with medium protection from the elements.

The low windscreen is significantly shorter than the standard windscreen and highlights the bike's sporty look.

The masked windscreen (not shown) is printed in black at the bottom and underlines the cool custom look.

1 Only available for the R 18

Not in conjunction with 1.5" handlebar risers

RIDER'S FOOTBOARD

Available for:
• R 18
• R 18 Classic

The rider's footboards made of forged and milled aluminium are the stylish solution when it comes to casually relaxed cruising. The large contact surface, the non-slip and vibration-resistant rubber insert and the matching gearshift and brake levers make every ride a comfortable experience.

Only available in conjunction with engine protection bar.

RIDER'S LEG REST, CHROME-PLATED (NOT SHOWN) NEW

Part nr.: 77 25 2 469 391; Price: **2032.25** RON

Available for:
• R 18
• R 18 Classic

The rider's leg rest made of chrome-plated metal gives long-distance bikers the opportunity to casually stretch their legs over the cylinders. This option ensures maximum relaxation—especially on longer trips. The support is attached to the optional engine protection bar and is isolated from vibrations from the boxer.

Only available in conjunction with engine protection bar.

1 2-Tone-Black rider's footboard NEW

Part nr.: 77 25 8 386 742
Price: **4073** RON

NAVIGATION & COMMUNICATION

BMW MOTORRAD USB CABLE

Part nr.: 77 52 5 A1C B60
Price: **136** RON

NEW

Available for:

- R 18
- R 18 Classic

The three BMW Motorrad USB cables in the set provide a connection for any standard device. The special connectors with an extended shaft are easy to handle. The cables, each with a length of 1.8 m, can be individually adjusted and compactly stowed away using a Velcro strap.

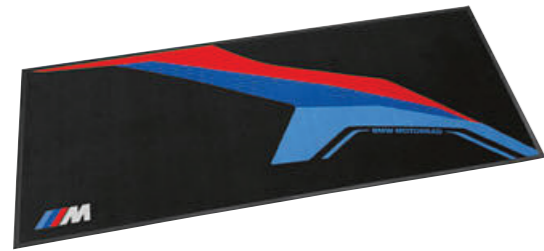

MAINTENANCE & TECHNOLOGY

MOTORCYCLE MAT

Part nr.: 77 02 5 A18 9C0
Price: 665 RON

NEW

Available for:

- R 18
- R 18 Classic

An exclusive place for the bike: the motorcycle mat not only impresses with its attractive design, it also reliably protects the floor from dirt, oil and petrol stains. A further advantage is the anti-slip and fire-retardant material composition. The practical underlay measures a compact 250 x 105 cm.

ADVANTEC PROTECT ORIGINAL BMW FUEL ADDITIVE

Part nr.: 83 19 2 460 609
Price: 51 RON

NEW

Available for:

- R 18
- R 18 Classic

The ADVANTEC Protect Original BMW Fuel Additive protects the fuel from ageing and prevents corrosion in the combustion chamber and on all parts carrying fuel. The cleaning effect also removes deposits that can impair engine output. The additive can be used as an immediate or preventive measure.

Note the differences in national -market versions.

M ENGINE PROTECTORS

The M engine protector from BMW Motorrad is made of aluminium and equipped with a replaceable plastic slip pad. It protects the engine from direct grinding on the asphalt in extreme cornering situations and thus reliably prevents the engine components from being ground to the core as well as the engine from being damaged as a result.

Price: **1800 RON**

USEFUL GEAR FOR THE RACETRACK

When riders prepare their bikes for the race track, mirrors are needed just as little as licence plate holders. The body openings resulting from their removal are perfectly sealed by the high-quality covers in the M cover kit from BMW Motorrad. Thus the front trim panel is

mounted optimally again.

The M data logger from BMW Motorrad was specially developed for optimising performance on the race track. It stores in detail all the important riding data from speed to lean angle on 32 data

channels. The data can be transferred to the PC and analysed using the corresponding software.

1 M cover kit

Part nr.: 77 31 8 404 052
Price: **280 RON**

2 M data logger

Part nr.: 71 60 7 921 848
Price: **On Request**

USEFUL GEAR (ON AND OFF THE TRACK)

The M remote adjuster for the handbrake was developed for the race track and allows easy remote adjustment of the braking pressure while riding.

particularly non-slip upper material and firm foam, it gives the rider optimum grip in the chase for the all-important tenths of a second.

The M seat was specially designed for the race track and enables fatigue-free riding thanks to maximum feedback. With its

To be fitted and/or enabled in a specialist workshop, and ideally at your authorised BMW Motorrad Retailer.

- 1 Seat height 824 mm, inner leg curve 1,827 mm

M OIL FILLER NECK

 Part nr.: 77 319 457 024
 Price: **On Request**

The M oil filler neck milled from black anodised aluminium has a white laser-etched M logo and highlights the sporty design with its look. The sealing cap has three bore holes which ensure an anti-twist protection for the race track.

M CARBON WHEELS

The ultimate high-tech feature. The M carbon rear wheels give the motorbike maximum riding dynamics and handling comfort on the road. The ultra-light carbon rims are each more than 2.5 kg lighter than the standard wheels, have significantly lower gyroscopic forces and make it easier and quicker to quick-turn the bike from one side to the other.

1 M carbon wheel, front

 Part nr.: 36 31 8 356 868
 Price: **9929 RON**

2 M carbon wheel, rear

 Part nr.: 36 31 8 356 869
 Price: **11097 RON**

M ASSEMBLY STAND MOUNTING

 Part nr.: 77 25 9 457 043; Price: **192 RON**

The M assembly stand mounting enables use of the rear sport assembly stand. The high-quality swinging arm adapters are simply mounted on the rear of the swinging arm and can also remain on the motorcycle while riding. With their M look, they fit perfectly into the sporty design of the bike.

M FORGED WHEELS

The forged aluminium wheels are black anodised and available in the wheel size 120/70 ZR 17 at the front and 200/55 ZR 17 at the rear. With 5 mm brake discs, they offer maximum braking performance and ensure a noticeable improvement in riding performance due to their low oscillating mass – on the racetrack as well as in road traffic.

1 M forged wheel, front

 Part nr.: 36 31 8 389 048
 Price: **4932 RON**

2 M forged wheel, rear

 Part nr.: 36 31 8 389 049
 Price: **5293 RON**

M FORK CLAMP FOR STUB HANDLEBARS (NOT SHOWN)

 Part nr.: 31 42 8 388 983/4; Price: L: **312 RON** R: **324 RON**

The high-quality M fork clamps from BMW Motorrad make it possible to mount stub handlebars. The clamps are milled from a high-strength aluminium alloy and therefore especially lightweight while remaining absolutely dimensionally stable. An anodised finish ensures optimal corrosion protection in wind and weather.

M LITHIUM ION BATTERY (NOT SHOWN)

 Part nr.: 61 21 8 563 911; Price: **1090 RON**

High battery power and low weight – the high-quality M battery featuring the latest lithium-ion technology weighs only 1,288 g, a full 2,000 g lighter than the standard battery. The perfect starting aid for ambitious Superbike riders who want to invest in every single gram on their motorcycle.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

STORAGE

TANK BAG, 10 L

 Part nr.: 77 45 2 463 723
 Price: **1211 RON**

The 10-litre tank bag from BMW Motorrad with belt attachment integrates perfectly into the bike's racing design. It does not slip and thanks to its volume that can be expanded from 6 to 10 litres, it has sufficient storage space in its waterproof, removable liner for the most important travel items.

TANK BAG, 1.5 L

 Part nr.: 77 45 2 463 725
 Price: **484 RON**

The BMW Motorrad 1.5-litre tank bag can be attached to fit on the tank cover with Tenax quick-release fasteners and integrates perfectly into the bike's racing design. It does not slip and offers 1.5 litres of storage space in its waterproof, removable liner for the most important travel items.

BAG FOR PASSENGER SEAT, 10 L

 Part nr.: 77 45 2 463 724
 Price: **721 RON**

The 10-litre BMW Motorrad passenger seat bag is perfectly adapted to the bike's racing design. It can be fitted precisely on the passenger seat without special brackets, remains dimensionally stable and the volume can be extended from 7 to 10 litres for more luggage – well protected in the waterproof liner.

Not with a seat hump. Use only with passenger seat.

REAR BAG, 20 L

 Part nr.: 77 49 2 463 726; Price: **1241 RON**

The 20-litre BMW Motorrad rear bag is perfectly adapted to the bike's racing design. It can be fitted precisely on the passenger seat without special brackets and remains dimensionally stable. The luggage remains well protected in the waterproof removable liner even in wind and weather.

Not with a seat hump. Use only with passenger seat.

SADDLEBAG, 21 L

 Part nr.: 77 40 2 463 727; Price: **1951 RON**

The saddlebags from BMW Motorrad fit perfectly into the sporty design of the bike. They can carry quite a bit of luggage in their waterproof liner. If required, the black bags including spacers can be removed quickly and easily thanks to the Quick-Lock fasteners.

Not with a seat hump. Use only with passenger seat.

Original BMW Motorrad accessories are available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

DESIGN

TANK PADPart nr.: 77 31 2 464 421; Price: **230 RON**

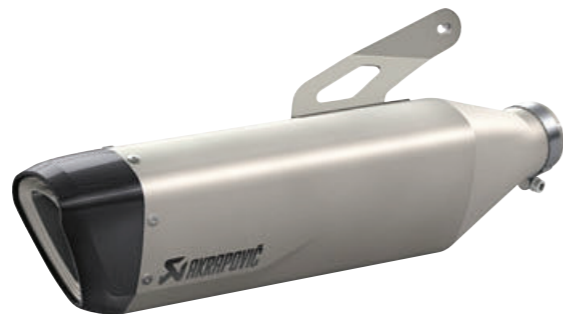

The self-adhesive tank pad absolutely reliably protects the fuel tank from scratches on the paintwork and impressively emphasises the bike's racing look with its dynamic form. It is heat, moisture and water resistant and has a strong, UV-resistant protective layer.

**STICKER SET RR**Part nr.: 77 31 2 473 443; Price: **1125 RON**

The decorative sticker set of the S 1000 RR is perfectly tailored to the motorcycle and adds to the unique look. The colours white, yellow, black and silver grey for trim panel and rims match perfectly with the base coat in Racing red.

**SPORTS SILENCER**Part nr.: 77 11 1 541 246 ; Price: **5498 RON**

A top-class feature for top quality sound. The sport silencer is made of high-quality materials and is characterised by a throaty sound and an attractive sporty appearance. The sport silencer is manufactured entirely from titanium. This slip-on silencer developed with Akrapovič is also equipped with a carbon end cap. In addition to the visual and acoustic appeal, the use of exclusive materials results in a weight advantage over the standard silencer. Power and torque are the same as the standard configuration. The side face of the sport silencer has a lasered Akrapovič inscription.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

ERGONOMICS & COMFORT

TINTED WINDSCREENPart nr.: 77 33 8 406 917; Price: **1240 RON**

The tinted windscreen emphasises the sporty look of the motorcycle. The scratch-resistant coating ensures long-term unimpeded visibility.

**HIGH WINDSCREEN**Part nr.: 77 33 8 404 137; Price: **1078 RON**

The BMW Motorrad high windscreen has the typical racing dome shape and is approx. 53mm higher than the standard windscreen. It provides the rider with significantly better wind protection when riding in a horizontal position and, by reducing air resistance, also enables a noticeable increase in top speed.

**HIGH WINDSCREEN, TINTED**Part nr.: 77 33 8 404 138; Price: **1240 RON**

The dome shaped, tinted high windscreen from BMW Motorrad increases wind protection and top speed in equal measure.

**PASSENGER SEAT**

Part nr.: 52 53 8 569 758

Price: **1290 RON**

The standard black passenger seat offers pleasant seating and fatigue-free comfort for the passenger even on longer tours.

**PRO RIDING MODES RETROFIT SET (NOT SHOWN)**Part nr.: 77 53 8 395 840 Price: **1149 RON**

Pro riding modes make the bike fully race-ready with three additional RACE Pro modes and many racing extras. In addition to the individually configurable modes, they include three additional Core Ride Screens and extras such as Launch Control, Pit Lane Limiter, Hill Start Control Pro, Dynamic Brake Control and DTC Shift with Slide Control.

HEATED GRIPS AND SWITCHES (NOT SHOWN)Part nr.: 61 31 8 552 120; Price: **1235 RON**

No more cold hands: this is ensured by the electric heated grips with multi-stage control. They increase comfort and at the same time bring more safety, because with warm hands and more feeling in their fingers, the rider simply has better control of the motorcycle – on cold days as well as when riding in the rain.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Original BMW Motorrad accessories are available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

**ACTIVATION CODE FOR
SHIFT ASSISTANT PRO
(NOT SHOWN)**

Part nr.: 77 15 8 395 839; Price: **230 RON**
The shift assistant Pro allows shifting up and down in almost all load ranges and engine speed ranges without clutch control. The assistant thus ensures noticeably reduced shifting times, a relief of the clutch hand and thus more comfort, dynamics and riding pleasure.

SAFETY

**PROTECTIVE GLASS FOR
6.5-INCH TFT DISPLAY**

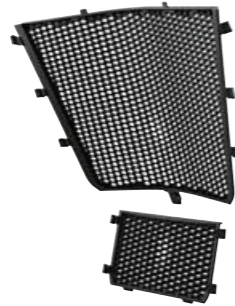

Part nr.: 77 52 2 462 777
Price: **210 RON**

The protective glass reliably protects the 6.5-inch TFT display from damage. The hardened glass has an anti-glare and anti-reflective surface, so that the TFT display can be read easily. With BMW Motorrad inscription.

RADIATOR GRILLE

Part nr.: 77 31 8 414 688
Price: **220 RON**

The BMW Motorrad radiator grille reliably protects the radiator on the race track from tyre abrasion and damage due to stone chips. The two-piece polyamide grille fits the upper water cooler and the lower oil cooler exactly and its design matches the aerodynamics of the motorcycle perfectly.

**TYRE PRESSURE CONTROL
RETROFIT SET
(NOT SHOWN)**

The tyre pressure control with all its functions can be retrofitted by installing the control unit. Tyre pressure control provides reliable information about the current tyre pressure and warns the rider about pressure loss at an early stage. The corresponding notifications and instructions are provided by the on-board computer in the cockpit.

To be fitted and/or enabled in a specialist workshop, and ideally at your authorised BMW Motorrad Retailer.

Part nr.: 65 75 8 546 222
Price: **1276 RON**

**CRUISE CONTROL
RETROFITTING
(NOT SHOWN)**

Part nr.: 61 31 8 394 467; Price: **2076 RON**
The electronic cruise control can be activated from 30km/h and keeps the driving speed constant. This makes it possible to enjoy longer motorway stretches in a relaxed style. The function is deactivated on braking, and the selected speed is automatically adopted after activating the resume button.

**ANTI-THEFT ALARM SYSTEM
RETROFIT SET
(NOT SHOWN)**

Part nr.: 77 53 8 554 348; Price: **1441 RON**
The anti-theft alarm system reacts to changes in position and vibrations with an acoustic signal and flashing warning lights system. Thanks to the warning, passers-by quickly become aware. The anti-theft alarm system is activated automatically when the ignition is switched off; an additional remote control is not required.

Note the differences in national-market versions.
To be fitted and/or enabled in a specialist workshop, and ideally at your authorised BMW Motorrad Retailer.

USEFUL GEAR FOR THE RACETRACK / M DATA LOGGER INCL. GPS LAP TRIGGER NEW
Part nr.: 71 60 7 921 848; Price: **On Request**

The M data logger enables the automatic recording of lap times thanks to predefined start/finish lines on more than 300 racetracks worldwide. In addition, 80 riding parameters are recorded and stored on a USB stick. This allows you to analyse and optimise your personal best time curve by curve.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

DESIGN

TANK PAD

Part nr.: 77 31 2 464 421; Price: **230 RON**

The self-adhesive tank pad absolutely reliably protects the fuel tank from scratches on the paintwork and impressively emphasises the bike's racing look with its dynamic form. It is heat, moisture and water resistant and has a strong, UV-resistant protective layer.

Original BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

ERGONOMICS & COMFORT

KNEE PADS FOR TANK (NOT SHOWN)

NEW

Part nr.: 77 31 2 473 442; Price: **370 RON**

The adhesive M knee pads for the tank from BMW Motorrad improve the rider's grip on the bike and ensure better control of the bike when accelerating, braking and leaning. At the same time, they effectively protect the fairing parts and the paintwork on the side surfaces of the tank from abrasion by motorcycle clothing.

WINDSCREENS

The tinted windscreen emphasises the sporty look of the motorcycle. The scratch-resistant coating ensures long-term unimpeded visibility. The dimensions and shape are identical to those of the standard version, which means that the windscreen also offers good wind and weather protection.

The BMW Motorrad tinted high windscreen has the typical racing dome shape and is approx. 53 mm higher than the standard windscreen. It provides the rider with significantly better wind protection when riding in a horizontal position and, by reducing air resistance, also enables a noticeable increase in top speed.

BMW Motorrad recommends it is fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer. Note the differences in national-market versions.

NAVIGATION & COMMUNICATION

BMW MOTORRAD USB CABLE

NEW

Part nr.: 77 52 5 A1C B60; Price: **136 RON**

The three BMW Motorrad USB cables in the set provide a connection for any standard device. The special connectors with an extended shaft are easy to handle. The cables, each with a length of 1.8 m, can be individually adjusted and compactly stowed away using a Velcro strap.

Caution: Only for charging. No multimedia functions

SAFETY

ANTI-THEFT ALARM SYSTEM RETROFIT SET (NOT SHOWN)

Part nr.: 77 53 9 443 591; Price: **1408 RON**

Strong protection from theft: If the motorcycle is moved or struck violently, the anti-theft alarm system responds with a clearly audible signal and a flashing warning light. The acoustic and optical warning will draw the attention of passers-by quickly. The alarm system is activated automatically when the ignition is switched off.

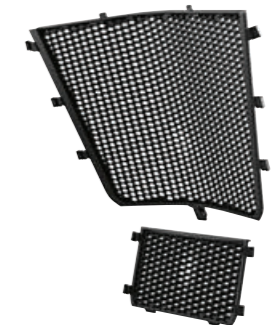

BMW Motorrad recommends it is fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer. Also available as optional equipment. Please note the specifications for different countries.

RADIATOR GRILLE

Part nr.: 77 31 8 414 688
 Price: **220 RON**

The BMW Motorrad radiator grille reliably protects the radiator on the race track from tyre abrasion and damage due to stone chips. The two-piece polyamide grille fits the upper water cooler and the lower oil cooler exactly and its design matches the aerodynamics of the motorcycle perfectly.

BMW Motorrad recommends it is fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer. Also available as optional equipment. Note the differences in national-market versions.

Original BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

MAINTENANCE & TECHNOLOGY

SPORT AUXILIARY STAND

Easy to set up, this sturdy auxiliary stand holds your BMW securely in place, making maintenance easier to carry out.

Figure shows auxiliary stand on the S 1000 XR.

1 Sport auxiliary stand, front

Part nr.: 77 02 8 551 859

HP SPORTS SILENCER

Part nr.: 77 11 9 444 595
Price: **5404** RON

Made entirely out of titanium and stainless steel and to an exceptional level of craftsmanship, this slip-on silencer delivers a powerful rumble. It's also remarkably lightweight.

To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad dealership. Installation instructions are available from your authorised BMW Motorrad Retailer.

HP HAND LEVER, ADJUSTABLE

Part nr.: 77 23 2 462 953
Price: **1240** RON

The CNC-milled HP hand levers made of anodised aluminium combine functionality and aesthetics. The grip width can be adjusted in five steps (brake lever) or three steps (clutch lever) using a setting screw and thus adapted to individual requirements. The look with HP logo also emphasises the bike's sportiness.

HP COVERS FOR EXPANSION TANKS

Part nr.: 77 22 2 462 947
Price: **878** RON

The HP cover for expansion tanks made of anodised aluminium also adds to the bike's sporty character. The high-quality milled cover with HP branding emphasises the high-performance claim and also provides for an attractive customisation of the bike.

HP RIDER FOOTRESTS, ADJUSTABLE

Part nr.: 77 25 2 462 962
Price: **1337** RON

The HP rider footrests are adjustable in three positions and offer a high level of comfort in addition to ergonomic qualities. The high-quality milled parts made of anodised aluminium can be adapted to a sporty riding style or different rider statures and thus ensure even better control, for example in an inclined position.

HP FOOT LEVER, ADJUSTABLE

Part nr.: 77 25 2 462 965
Price: **1511** RON

The milled HP foot levers made of anodised aluminium are adjustable and come in sporty black/blue/silver. Adjusted to match, the foot levers can also be operated better and more sensitively when riding on large inclines. The exclusive look with HP logo also emphasises the bike's performance-based character.

HP ENGINE HOUSING COVER, FRONT

Part nr.: 77 12 2 462 938
Price: **3048** RON

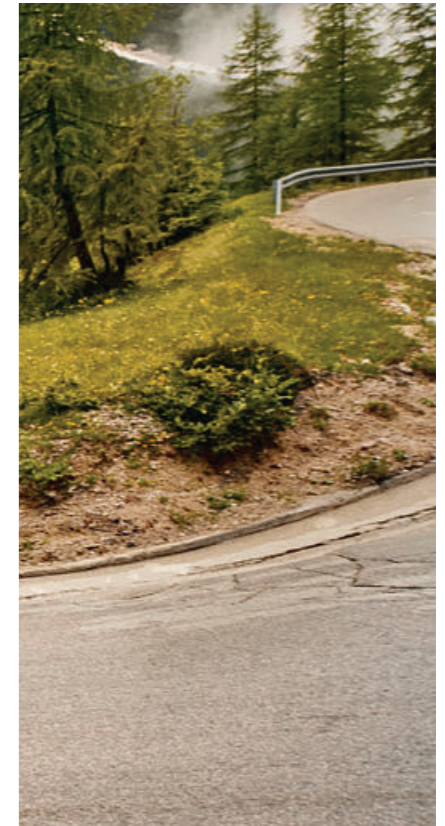

The HP engine housing cover made of anodised aluminium also adds to the bike's sporty character. The high-quality milled cover and HP branding emphasise the high-performance standard and also guarantee an attractive customisation of the bike.

HP CYLINDER HEAD COVERS

Part nr.: 77 12 2 462 935
Price: **6096** RON

The HP cylinder head covers made of anodised aluminium give the boxer engine an attractive appearance. The high-quality milled covers and HP branding highlight the motorcycle's sporty character. The HP oil filler plug perfectly matches the cylinder head covers.

STORAGE

TOURING CASES

With a volume of 32 litres, the high-quality hard shell touring case for installation on the left offers ample space for luggage or the motorcycle helmet. The splashproof case with painted lid can be locked and is the perfect travel companion for short or longer tours.

With a volume of 31 litres, the high-quality hard shell touring case for installation on the right offers ample space for luggage. The splashproof case with painted lid can be locked and is the perfect travel companion for short or longer tours.

Please refer to the operating instructions for information on speed and load limitations.

CASE HOLDERS

The touring case can be easily and securely attached to the sturdy black powder-coated steel case holder.

SMALL TOPCASE (30 L) WITH BACKREST PAD

Part nr.: 77 43 8 543 246; Price: **1327** RON

The waterproof topcase has a capacity of 30l and a maximum load of 5kg—perfect for a helmet, for example. The lid has a smooth painted finish and a soft-close mechanism.

Only in conjunction with luggage carrier, topcase carrier and matching outer shell.

For information on speed and load limitations, please refer to the operating instructions.

For more detailed information, contact your authorised BMW Motorrad Retailer or go online at bmw-motorrad.com.

1 Asphalt grey metallic matt

Part nr.: 77 43 8 409 433
Price: **551** RON

2 Black storm metallic

Part nr.: 77 43 8 414 337
Price: **551** RON

3 Light white

Part nr.: 77 43 9 457 027
Price: **525** RON

4 Backrest pad for small topcase

Part nr.: 77 44 8 549 3345
Price: **332** RON

LINER FOR TOPCASE

Part nr.: 77 43 8 549 130
Price: **337** RON

Makes loading and unloading a topcase even easier. The liner comes with a practical carry handle and can be folded flat when not in use.

LUGGAGE CARRIER

Part nr.: 46 54 8 534 258
Price: **685** RON

The sturdy, stylish luggage carrier is ideal for reliably securing the topcase or other large items of luggage. It acts as a full grip for the passenger and is also ideal for use as a pushing aid when manoeuvring.

SMALL TANK BAG, 5-9L

Part nr.: 77 45 8 556 293
Price: **1007** RON

The small tank bag made of durable PU-coated polyester fabric is the ideal companion for short trips. The waterproof main compartment with liner, the exterior pocket, the volume that can be expanded from 5 to 9 litres, the carry handle and the removable shoulder strap are functional features that meet all your everyday needs.

BAG FOR PASSENGER SEAT, 16 L

Part nr.: 77 45 8 557 768; Price: **721** RON

With a volume of 16 litres, this durable bag for the passenger seat offers enough storage space for the daily ride to work or for day trips. The three-sided zip fastener allows quick access, while the functional carrying handle facilitates transport.

DESIGN

OPTION 719 CLASSIC WHEEL

The high-quality Option 719 Classic wheel comes in an attractive bicolour look with elaborate contrast milling. The special workmanship of the cast wheel surface gives the machine an exclusive, high-quality character.

REAR - WHEEL COVER

Part nr.: 77 22 9 898 516
Price: **693** RON

The milled aluminium rear-wheel cover emphasises the dynamic design of the bike. The black anodised covers with BMW Motorrad inscription and a diameter of 62mm enhance the motorcycle visually and technically.

OPTION 719 CLASSIC COVERS FOR EXPANSION TANKS

Part nr.: 77 22 2 462 945
Price: **878** RON

The Option 719 Classic covers for expansion tanks set an elegant, design highlight with their silver-coloured appearance. The milled cover made of anodised aluminium bears the inscription "Option 719". Together with the other special parts of Option 719 an exclusive customisation effect is created.

OPTION 719 CLASSIC RIDER FOOTRESTS, ADJUSTABLE

Part nr.: 77 25 2 462 960
Price: **1337** RON

The Classic aluminium rider footrests are adjustable in three positions and offer a high level of comfort in addition to ergonomic qualities. The high-quality milled parts of the exclusive Option 719 can be adapted to a sporty riding style or different rider statures and thus ensure even better control, for example in an inclined position.

OPTION 719 CLASSIC ENGINE HOUSING COVER, FRONT

Part nr.: 77 12 2 462 936
Price: **3048** RON

The Option 719 Classic engine housing cover sets an elegant, design highlight with its silver-coloured look. The high-quality milled cover made of anodised aluminium bears the Option 719 inscription. Together with the other special parts of Option 719 an exclusive customisation effect is created.

To be fitted and/or enabled in a specialist workshop, and ideally at your authorised BMW Motorrad Retailer.

OPTION 719 CLASSIC FOOT LEVER, ADJUSTABLE

Part nr.: 77 25 2 462 963
Price: **1511** RON

The exclusive Option 719 Classic milled aluminium foot levers are adjustable and emphasise the classic, high-quality character of the motorcycle. Adjusted to match, the foot levers can also be operated more sensitively when riding on large inclines. The high-quality milled parts with Option 719 branding add value to the bike.

OPTION 719 CLASSIC HAND LEVER, ADJUSTABLE

Part nr.: 77 23 2 462 951
Price: **1240** RON

The Classic hand levers of the exclusive Option 719 are milled from an anodised aluminium alloy. The grip width can be adjusted in five steps (brake lever) or three steps (clutch lever) using a setting screw and thus adapted to individual requirements. The high-quality Billet package parts with Option 719 branding add value to the bike.

To be fitted and/or enabled in a specialist workshop, and ideally at your authorised BMW Motorrad Retailer.

OPTION 719 CLASSIC CYLINDER HEAD COVERS

Part nr.: 77 12 2 462 913
Price: **5941** RON

The Classic cylinder head covers of the exclusive Option 719 add design highlights with their silver-coloured look. The high-quality milled covers made of anodised aluminium bring the boxer engine into the spotlight. The exclusive special parts bear the inscription "Option 719" and emphasise the high-quality character of the bike.

To be fitted and/or enabled in a specialist workshop, and ideally at your authorised BMW Motorrad Retailer.

OPTION 719 CLASSIC OIL FILLER PLUG

 Part nr.: 11 12 8 396 740
 Price: **308 RON**

The safety screw for the oil filler neck is locked using a special Allen key, preventing theft of the cover. At the same time, unauthorised access and contamination of the oil by foreign substances is prevented. The high-quality aluminium lock has a BMW Boxer inscription.

LED INDICATORS

 Part nr.: 63 13 8 522 499
 Price: **256 RON**

A shining example: The beautifully designed LED indicators with white turn indicator glass convince with their slim design and modern lighting technology. They respond much faster than incandescent lamps and are virtually wear-free. This provides a clear safety advantage in road traffic.

Note the differences in national-market versions. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

CHROME-PLATED EXHAUST MANIFOLD

 Part nr.: 18 51 8 559 520
 Price: **6956 RON**

The chrome-plated exhaust manifold further enhances the motorcycle's appearance. This elegant manifold can be combined with the standard silencer or the HP sports silencer.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

ERGONOMICS & COMFORT

RIDER AND PASSENGER SEATS

The rider's seat in classic black has a seat height of 790 mm and an inner leg curve of 1,780 mm. 30 mm lower than the standard version, this black rider's seat makes climbing on and off easier and keeps the ground within easy reach. The rider's seat in black is 30 mm higher and offers particularly tall riders noticeably better seating comfort. Thanks to a broader seat area and additional padding, the Comfort passenger seat provides noticeably greater seating comfort.

1 High rider's seat, black

 Part nr.: 52 53 8 534 318
 Price: **1533 RON**

2 Low rider's seat, black

 Part nr.: 52 53 8 534 317
 Price: **1533 RON**

3 Rider's seat, black

 Part nr.: 52 53 8 534 316
 Price: **1533 RON**

4 Comfort passenger seat, black

 Part nr.: 52 53 8 534 320
 Price: **1290 RON**

5 Passenger seat, black

 Part nr.: 52 53 8 534 319
 Price: **1173 RON**

SPORT RIDER'S SEAT, BLACK

 Part nr.: 77 34 8 555 886
 Price: **1533 RON**

The Sport rider's seat in black is higher and narrower than the standard seat and supports a sporty riding style thanks to its active seat position. With a seat height of 840 mm and an inner leg curve of 1,875 mm, it is particularly suitable for tall riders.

Original BMW Motorrad accessories are available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

CENTRE STAND

Part nr.: 46 52 8 532 725
Price: **1292** RON

The stable centre stand ensures a safe stand for the motorcycle even on slopes and offers advantages, for example, when refuelling, mounting cases and topcases or checking tyre pressure. The motorcycle also takes up less space when parked upright.

TINTED WINDSCREEN

Part nr.: 46 63 8 403 972
Price: **1550** RON

The tinted windscreen emphasises the sporty character of the bike. The scratch-resistant coating ensures long-term unimpeded visibility. Same design and size as the standard windscreen.

ENDURO FOOTREST

Left Part nr.: 46 71 8 529 843
Price: **487** RON
Right Part nr.: 46 71 8 529 844
Price: **487** RON

The Enduro footrest has a wider and longer tread area and therefore offers more support and non-slip footing. This enables better vehicle control when riding off-road in a standing position without restricting the operability of the gearshift lever.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

SHIFT ASSISTANT PRO

Part nr.: 23 41 8 536 884
Price: **2200** RON

The shift assistant Pro allows shifting up and down in almost all load ranges and engine speed ranges without actuating the clutch or throttle. The assistant thus ensures noticeably reduced shifting times, a relief of the clutch hand and thus greater comfort and dynamics.

RETROFIT SET FOR HEATED GRIPS FOR VEHICLES WITH / WITHOUT CRUISE CONTROL (NOT SHOWN)

Part nr.: 61 31 8 552 124; Price: **1235** RON

No more cold hands: This is ensured by the electric heating grips with multi-stage control. This increases comfort and provides more safety, because with warm hands and more feeling in the fingers, the vehicle can simply be controlled better. The heated grips are conveniently operated via a multifunction switch on the handlebars.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

PRO RIDING MODES RETROFIT SET (NOT SHOWN)

Part nr.: 77 53 8 395 840
Price: **1149** RON

The Pro riding modes can be retrofitted using an enabling code. Riders of older motorcycles therefore do not have to do without modern safety features. Depending on the year of manufacture, retrofitting is possible with the Pro, Pro with DTC or Pro with ABS Pro, DTC and HSC modes.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

CRUISE CONTROL RETROFIT SET (NOT SHOWN)

Part nr.: 61 31 8 522 472; Price: **1235** RON

The electronic cruise control can be activated from 30 km/h and keeps the driving speed constant. This makes it possible to enjoy longer motorway stretches in a relaxed style. The function is deactivated on braking, and the selected speed is automatically adopted after activating the resume button.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

HILL START CONTROL RETROFIT SET (NOT SHOWN)

Part nr.: 77 23 8 536 874; Price: **1149** RON

Park or pull away on up or down gradients, even with a passenger and heaps of luggage on board. Also available as optional equipment.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer. For more detailed information, contact your authorised BMW Motorrad Retailer or go online at bmw-motorrad.com

NAVIGATION & COMMUNICATION

BMW MOTORRAD NAVIGATOR VI

With the multifunctional Navigator VI, route planning becomes child's play. The system with 16GB flash memory and a five-inch touch screen always shows the right way. Thanks to the circular polarisation filter (CPOL), the waterproof display is easy to read even in direct sunlight. The high-resolution screen in a casing similar to a smartphone provides all the essential information and ensures that you can see the big picture required in every situation. Numerous additional functions make planning and touring an exciting experience. Plan your routes can be created according to your personal preferences and enjoy driving on winding and quiet side roads. In unknown terrain, the "round trip" option is a good choice as it reliably guides the rider at the end of the tour back to the starting point. The Bluetooth

connection to the BMW Motorrad communication system and the optional Smartphone Link app enable multimedia on the go: navigation announcements, telephone calls and music streaming as well as the retrieval of weather forecasts or traffic jam information are no problem. Navigation preparation adds further functions such as "My Motorcycle", and the multi-controller on the handlebars offers an alternative control option. Choose the pre-installed map data, and you will always be up to date with lifelong, free map updates.

Note the differences in national-market versions. Only available in conjunction with OE navigation preparation.

1 BMW Motorrad Navigator VI

Part nr.: 77 52 8 355 994
Price: **4204** RON

2 Navigation preparation retrofit set (not shown)

Part nr.: 77 52 8 555 507
Price: **1230** RON

SAFETY

LED AUXILIARY HEADLIGHTS

Part nr.: 63 17 8 556 937
Price: **561 RON**

The powerful LED auxiliary headlights ensure the required vision in poor visibility conditions.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer. The additional headlights are approved for use as fog lights, and may only be used in poor weather conditions. Country-specific road traffic regulations apply.

ENGINE PROTECTION BAR

The robust engine protection bar, made of polished stainless steel, reliably protects the cylinder area against damage without restricting the rider's freedom to lean the machine. The robust tube construction will even take hard knocks and prevent major fall damage on asphalt.

Left Part nr.: 77 14 8 389 433
Price: **886 RON**
Right Part nr.: 77 14 8 389 434
Price: **886 RON**

CYLINDER - HEAD COVER GUARD

Part nr.: 77 14 8 406 187
Price: **1095 RON**

The stainless steel cylinder-head cover guard provides excellent protection for the cylinder head cover, preventing scratches and damage caused by flying stones. It has been perfectly matched to the vehicle, is equipped with a large rubber bumper and optimally emphasises the design and contours of the boxer engine.

SAFETY SCREW FOR OIL FILLER NECK

Part nr.: 71 60 7 696 117
Price: **179 RON**

Black
Part nr.: 71 60 8 406 750
Price: **179 RON**

The safety screw for the oil filler neck is locked using a special Allen key, preventing theft of the cover. At the same time, unauthorised access and contamination of the oil by foreign substances is prevented. The high-quality aluminium lock has a BMW Boxer inscription.

PROTECTIVE GLASS FOR 6.5-INCH TFT DISPLAY

Part nr.: 77 52 2 462 777
Price: **210 RON**

The protective glass reliably protects the 6.5-inch TFT display from dirt, flying stones and damage. The hardened glass has an anti-glare and anti-reflective surface, so that the TFT display can be read easily. With BMW Motorrad inscription.

DAYTIME RUNNING LIGHT RETROFIT SET (NOT SHOWN)

Part nr.: 63 12 8 532 001
Price: **On Request**

Available at BMW Motorrad dealers.

ABS PRO RETROFIT SET (NOT SHOWN)

To be fitted and/or enabled in a specialist workshop, and ideally at your authorised BMW Motorrad Retailer.

ANTI-THEFT ALARM RETROFIT SET (NOT SHOWN)

Part nr.: 77 53 9 443 591; Price: **1408 RON**
Strong protection from theft: If the anti-theft alarm system is moved or struck violently, the system responds with a clearly audible signal and a hazard warning indicator lamp. The acoustic and optical warning will draw the attention of passers-by quickly. The alarm system is activated automatically when the ignition is switched off.

Note the differences in national-market versions. To be fitted and/or enabled in a specialist workshop, and ideally at your authorised BMW Motorrad Retailer.

TYRE PRESSURE CONTROL RETROFIT SET (NOT SHOWN)

Part nr.: 77 23 8 546 512; Price: **1624 RON**
The tyre pressure control with all its functions can be retrofitted by installing the control unit. TPC provides reliable information about the current tyre pressure and warns the rider about pressure loss at an early stage. The corresponding notifications and instructions are provided by the on-board computer in the cockpit.

To be fitted and/or enabled in a specialist workshop, and ideally at your authorised BMW Motorrad Retailer.

MAINTENANCE & TECHNOLOGY

POWER SOCKET

Part nr.: 61 34 7 714 741
Price: **188 RON**

Electronic devices can be connected to the vehicle electrical system via the 12V power socket. One example of this is the BMW USB charger, which can be used to charge and operate mobile phones and MP3 players with an appropriate interface while riding.

To be fitted and/or enabled in a specialist workshop, and ideally at your authorised BMW Motorrad Retailer.

ACCESSORIES FOR BMW C 400 X

STORAGE

SMALL TOPCASE, 30 L

Part nr.: 77 43 8 543 246
Price: **1327** RON

This waterproof plastic topcase with the BMW badge offers enough space for a helmet with its volume of 30 litres. The lid, which is available in Granite grey metallic matt and Racing red, and the soft-close hinges, which allow the lid to be lowered gently, underline the high-quality impression.

Only available in conjunction with the luggage carrier and topcase carrier.
For information on speed and load limitations, please refer to the operating instructions.
For more detailed information, contact your authorised BMW Motorrad Retailer or go online at bmw-motorrad.com.

1 Small topcase, 30l, Granite grey metallic matt

Part nr.: 77 43 8 553 127
Price: **551** RON

2 Small topcase, 30l, Racing red

Part nr.: 77 43 8 555 607
Price: **525** RON

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

BACKREST PAD FOR SMALL TOPCASE

Part nr.: 77 44 8 549 334
Price: **332** RON

Thanks to the comfortable backrest pad for the small topcase, the passenger can enjoy improved comfort both on short trips and on long tours.

LIGHT TOPCASE, 29 L

Part nr.: 77 43 8 566 126
Price: **663** RON

With a volume of 29 litres, the light topcase offers enough space for a helmet and convinces in everyday life as well as on short tours. The black plastic topcase is lockable, has a large reflector on the rear side and a BMW badge on the lid. The maximum load is 3 kg.

Only available in conjunction with luggage carrier. For information on speed and load limitations, please refer to the operating instructions.

LINER FOR LIGHT TOPCASE (29 L) AND TOPCASE (30 L)

Part nr.: 77 43 8 549 130
Price: **337** RON

The matching tailored liner for the topcase gets the luggage organised and facilitates loading and unloading. The carry handle and shoulder strap make the bag easy to access and transport. The practical details include the outside pocket and the three-sided zip.

LUGGAGE CARRIER

Part nr.: 77 44 8 566 817
Price: **738** RON

The sturdy, stylish luggage carrier is ideal for reliably securing the topcase or other large items of luggage. In addition, it serves as a convenient handle for the passenger and is also ideal for using as a pushing aid when manoeuvring.

Original BMW Motorrad accessories are available from your authorised BMW Motorrad Retailer.
Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

ERGONOMICS & COMFORT

HIGH WINDSCREEN

Part nr.: 77 52 8 566 810
 Price: **764** RON

The scratch-resistant BMW Motorrad high windscreen is higher than the standard windscreen and offers maximum wind and weather protection for rider and passenger. Its aerodynamically optimised shape reduces air turbulence and riding noise to a minimum, even at high speeds. Optimum wind protection for long journeys.

LOW SEAT

Part nr.: 77 34 8 396 502
 Price: **1578** RON

Thanks to its low height of just 760 mm, mounting the motorcycle with the low seat is rendered child's play. And even after an entire day on the road, it is still easy to dismount the bike thanks to the low seat. The improved ground accessibility ensures additional riding comfort.

Low seat

Seat height: 760 mm; step length: 1,730 mm

Available at BMW Motorrad dealers.

HEATED GRIPS AND SWITCHES (NOT SHOWN)

Keep your hands warm with heated grips that come with two settings.

For more detailed information, contact your authorised BMW Motorrad Retailer or go online at bmw-motorrad.com. To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad dealership.

SCOOTER CANOPY

Part nr.: 77 31 2 455 415
 Price: **942** RON

Always stay nice and clean. And dry. The waterproof BMW Motorrad Scooter leg cover reliably protects the legs and lower body from water, wind and dirt while riding. Thanks to the patented anti-flutter system, the protective hood also closely fits the Scooter and leg at high speeds. Thus it is fun accelerating even when it rains.

NAVIGATION & COMMUNICATION

BMW MOTORRAD NAVIGATOR VI

Part nr.: 77 52 8 355 749; Price: **4683** RON

With the multifunctional Navigator VI, route planning becomes child's play. The system with 16GB flash memory and a five-inch touch screen always shows the right way, and the waterproof display is easy to read even in direct sunlight. The high-resolution screen provides all the essential information and ensures that you can see the big picture required in every situation. Numerous additional functions make planning and touring an exciting experience. Plan your routes can be created according to your personal preferences and enjoy driving on winding and quiet side roads. The "round trip" option is a good choice on unfamiliar terrain as it will reliably lead you back to the starting point. The Bluetooth connection to the BMW Motorrad communication system and the optional Smartphone Link app enable multimedia on the go: navigation announcements, telephone calls and music streaming as well as the retrieval of weather forecasts or traffic jam information are no problem. Operation is via the stable Mount Cradle; the four buttons can also be accurately controlled while wearing gloves. Choose the pre-installed map data, and you will always be up to date thanks to lifelong, free map updates.

Please note the specifications for different countries.

Only available in conjunction with OE navigation preparation or for vehicles without navigation preparation only with 4-button Mount Cradle and holder.

BMW MOTORRAD SMARTPHONE CRADLE

Part nr.: 77 52 8 563 125; Price: **1048** RON

BMW Motorrad's robust Smartphone Cradle provides a safe and protected place for your smartphone. This means that useful functions such as navigation instructions and online information can also be used while you are on the move. Thanks to the handy charging function, your smartphone is always ready for action even on extended bike tours.

Only in combination with bracket for BMW Motorrad navigation devices.

BRACKET FOR BMW MOTORRAD NAVIGATION DEVICES

Part nr.: 77 52 9 898 252; Price: **409** RON

The functional bracket for the navigation systems and the smartphone cradle from BMW Motorrad is securely attached to the handlebar clamp. This ensures that it can be positioned in the rider's direct field of vision. In addition, the bracket complements perfectly the cockpit area.

SAFETY

LED ADDITIONAL HEADLIGHTS

Part nr.: 63 17 8 556 937
Price: **561** RON

The powerful LED additional headlights extend the illumination to ensure the required vision in poor visibility conditions—perfectly complementing the headlight. LED technology ensures virtually wear-free operation.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer. The additional headlights are approved for use as fog lights, and may only be used in poor weather conditions. Country-specific road traffic regulations apply. Only available in conjunction with front fairing protection bar.

FRONT FAIRING PROTECTION BAR

Part nr.: 77 14 8 406 232
Price: **1107** RON

The high-quality BMW Motorrad fairing protection bar effectively prevents paintwork damage during daily riding without compromising the lean angle. It is made of sturdy stainless steel, electropolished for corrosion protection, and weighs just 3.4 kg. The Scooter is therefore well protected and looks even more robust.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

ANTI-THEFT ALARM RETROFIT SET (NOT SHOWN)

Part nr.: 77 53 9 443 591; Price: **1408** RON

Strong protection from theft: If the motorcycle is moved or struck violently, the anti-theft alarm system responds with a clearly audible signal and a flashing warning light. The acoustic and optical warning will draw the attention of passers-by quickly. The alarm system is activated automatically when the ignition is switched off.

Note the differences in national-market versions. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

PROTECTIVE GLASS FOR 6.5-INCH TFT DISPLAY

Part nr.: 77 52 2 462 777
Price: **210** RON

The protective glass reliably protects the 6.5-inch TFT display from dirt, flying stones and damage. The hardened glass has an anti-glare and anti-reflective surface, so that the TFT display can be read easily. With BMW Motorrad inscription.

MAINTENANCE & TECHNOLOGY

VEHICLE COVER

Part nr.: 77 02 8 527 017
Price: **503** RON

Snug and waterproof yet breathable, this cover protects your maxi-scooter from rain, dirt and more. Made of tear-resistant, UV-resistant material.

ACCESSORIES FOR BMW C 400 GT

STORAGE

SMALL TOPCASE, 30 L

Part nr.: 77 43 8 543 246
Price: **1327** RON

This waterproof plastic topcase with the BMW badge offers enough space for a helmet with its volume of 30 litres. The lid, which is available in Granite grey metallic matt and Racing red, and the soft-close hinges, which allow the lid to be lowered gently, underline the high-quality impression.

Only available in conjunction with the luggage carrier and topcase carrier.
For information on speed and load limitations, please refer to the operating instructions.
For more detailed information, contact your authorised BMW Motorrad Retailer or go online at bmw-motorrad.com.

1 Small topcase, 30l, Granite grey metallic matt

Part nr.: 77 43 8 553 127
Price: **551** RON

2 Small topcase, 30l, Racing red

Part nr.: 77 43 8 555 607
Price: **525** RON

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

BACKREST PAD FOR SMALL TOPCASE

Part nr.: 77 44 8 549 334
Price: **332** RON

Thanks to the comfortable backrest pad for the small topcase, the passenger can enjoy improved comfort both on short trips and on long tours.

LIGHT TOPCASE, 29 L

Part nr.: 77 43 8 566 126
Price: **663** RON

With a volume of 29 litres, the light topcase offers enough space for a helmet and convinces in everyday life as well as on short tours. The black plastic topcase is lockable, has a large reflector on the rear side and a BMW badge on the lid. The maximum payload is 3 kg.

Only available in conjunction with luggage carrier.
For information on speed and load limitations, please refer to the operating instructions.

LINER FOR LIGHT TOPCASE (29 L) AND TOPCASE (30 L)

Part nr.: 77 43 8 549 130
Price: **337** RON

The matching tailored liner for the topcase gets the luggage organised and facilitates loading and unloading. The carry handle and shoulder strap make the bag easy to access and transport. Practical details include the external patch pocket and the three-sided all-round zip.

LUGGAGE CARRIER

Part nr.: 77 44 8 566 817
Price: **738** RON

The sturdy, stylish luggage carrier is ideal for reliably securing the topcase or other large items of luggage. In addition, it serves as a convenient handle for the passenger and is also ideal for using as a pushing aid when manoeuvring.

For more detailed information, contact your authorised BMW Motorrad Retailer or go online at bmw-motorrad.com.
To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad dealership.

Original BMW Motorrad accessories are available from your authorised BMW Motorrad Retailer.
Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

ERGONOMICS & COMFORT

HIGH WINDSCREEN

Part nr.: 77 52 8 394 700
Price: **833** RON

The scratch-resistant BMW Motorrad high windscreen is higher than the standard windscreen and offers maximum wind and weather protection for rider and passenger. Its aerodynamically optimised shape reduces air turbulence and riding noise to a minimum, even at high speeds. Optimum wind protection for long journeys.

LOW SEAT

Part nr.: 77 34 8 405 593
Price: **1578** RON

15 mm lower than the standard version, this low seat makes climbing on off easier and keeps the ground within easy reach. Many riders feel safer thanks to the reduced seat height, because they can manoeuvre and control their motorcycle more easily. The high-quality surface material in black corresponds to the standard equipment.

Low seat

Seat height: 760 mm; step length: 1,730 mm

SCOOTER CANOPY

Part nr.: 77 31 2 455 414
Price: **942** RON

Always stay nice and clean. And dry. The waterproof BMW Motorrad Scooter leg cover reliably protects the legs and lower body from water, wind and dirt while riding. Thanks to the patented anti-flutter system, the protective hood also closely fits the Scooter and leg at high speeds. Thus it is fun accelerating even when it rains.

Available at BMW Motorrad dealers.

HEATED GRIPS AND SWITCHES (NOT SHOWN)

Warm hands feel good, with heated grips that come with two settings.

For more detailed information, contact your authorised BMW Motorrad Retailer or go online at bmw-motorrad.com.
To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad dealership.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

NAVIGATION & COMMUNICATION

BMW MOTORRAD NAVIGATOR VI

Part nr.: 77 52 8 355 749
Price: **4683** RON

With the multifunctional Navigator VI, route planning becomes child's play. The system with 16GB flash memory and a five-inch touch screen always shows the right way, and the waterproof display is easy to read even in direct sunlight. The high-resolution screen provides all the essential information and ensures that you can see the big picture required in every situation. Numerous additional functions make planning and touring an exciting experience. Plan your routes can be created according to your personal preferences and enjoy driving on winding and quiet side roads. In unknown terrain, the "round trip" option is a good choice as it reliably guides the rider at the end of the tour back to the starting point. The Bluetooth connection to the BMW Motorrad communication system and the optional Smartphone Link app enable multimedia on the go: navigation announcements, telephone calls and music streaming as well as the retrieval of weather forecasts or traffic jam information are no problem. Operation is via the stable Mount Cradle; the four buttons can also be accurately controlled while wearing gloves. Choose the pre-installed map data, and you will always be up to date thanks to lifelong, free map updates.

BMW Motorrad navigation devices and the BMW Motorrad smartphone cradle can only be mounted using the BMW Motorrad navigation device bracket. For more detailed information, contact your authorised BMW Motorrad Retailer or go online at bmw-motorrad.com.
Only in combination with bracket for navigation systems.
Please note the specifications for different countries.

BMW MOTORRAD SMARTPHONE CRADLE

Part nr.: 77 52 8 563 125
Price: **1048** RON

BMW Motorrad's robust Smartphone Cradle provides a safe and protected place for your smartphone. This means that useful functions such as navigation instructions and online information can also be used while you are on the move. Thanks to the handy charging function, your smartphone is always ready for action even on extended bike tours.

Only in combination with bracket for BMW Motorrad navigation devices.

BRACKET FOR BMW MOTORRAD NAVIGATION DEVICES

Part nr.: 77 52 9 898 252
Price: **409** RON

The functional bracket for the navigation systems and the smartphone cradle from BMW Motorrad is securely attached to the handlebar clamp. This ensures that it can be positioned in the rider's direct field of vision. In addition, the bracket complements perfectly the cockpit area.

Original BMW Motorrad accessories are available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

SAFETY

ANTI-THEFT ALARM RETROFIT SET (NOT SHOWN)

Part nr.: 77 53 9 443 591; Price: **1408** RON

Strong protection from theft: If the motorcycle is moved or struck violently, the anti-theft alarm system responds with a clearly audible signal and a flashing warning light. The acoustic and optical warning will draw the attention of passers-by quickly. The alarm system is activated automatically when the ignition is switched off.

Note the differences in national-market versions.
To be fitted and/or enabled in a specialist workshop,
ideally at your authorised BMW Motorrad Retailer.

PROTECTIVE GLASS FOR 6.5-INCH TFT DISPLAY

Part nr.: 77 52 2 462 777

Price: **210** RON

The protective glass reliably protects the 6.5-inch TFT display from dirt, flying stones and damage. The hardened glass has an anti-glare and anti-reflective surface, so that the TFT display can be read easily. With BMW Motorrad inscription.

MAINTENANCE & TECHNOLOGY

COVER

Part nr.: 77 02 8 527 017

Price: **503** RON

Snug and waterproof yet breathable, this cover protects your maxi-scooter from rain, dirt and more. Made of tear-resistant, UV-resistant material.

ACCESSORIES FOR BMW C 650 GT

STORAGE

TOPCASE, 35 L

Part nr.: 77 43 8 542 047
Price: **1327** RON

The waterproof topcase is available with lid trims in the same colour as the Maxi-Scooter itself. The optional backrest pad offers additional comfort for the passenger.

Available in colours: Black storm metallic, Frozen bronze metallic and Light white.

Only available in conjunction with luggage carrier.
Not in combination with backrest for passenger.
For information on speed and load limitations, please refer to the operating instructions.

LUGGAGE CARRIER

Part nr.: 77 44 8 566 025
Price: **671** RON

The sturdy, stylish luggage carrier is ideal for securing the topcase or other large items of luggage. With padding and artificial leather in black, the backrest for the passenger can be used in conjunction with the luggage carrier (without topcase).

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

BACKREST PAD FOR TOPCASE, 35 L

Part nr.: 77 44 8 527 002
Price: **332** RON

The comfortable backrest pad for the 35l topcase offers the passenger more comfort both on short trips and on long tours.

PARTITION NET FOR LUGGAGE COMPARTMENT

Part nr.: 77 49 8 527 034
Price: **219** RON

Divides the storage compartment below the seat into two sections when required, e.g. for transporting small items. It can be installed and removed quickly, and is easy to tuck away when not in use.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

CENTRE TUNNEL BAG

Part nr.: 77 45 8 527 014
Price: **564** RON

Fits the Maxi-Scooter perfectly, and offers a 12l capacity, waterproof main compartment. It has a detachable shoulder strap and a top pocket for small items. Can be attached and removed quickly and easily.

Original BMW Motorrad accessories are available from your authorised BMW Motorrad Retailer.
Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

DESIGN

CHROME PARTS

The chrome-plated footrest inserts and handlebar weights add a classy, personal touch to the scooter.

Use of the chrome-plated handlebar weight is restricted when the Scooter lock is fitted (Scooter lock fastener takes the place of the left handlebar weight).

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

1 Chrome-plated footrest insert

ERGONOMICS & COMFORT

Available at BMW Motorrad dealers.

HEATED SEAT AND HEATED GRIPS

There are separate multilevel controls for the seat heating for both the rider and passenger and the three-step heated grips for the rider ensure unrestricted riding pleasure even in cooler weather.

To be fitted and/or enabled in a specialist workshop, and ideally at your authorised BMW Motorrad Retailer.

LOW SEAT

Part nr.: 52 53 8 555 450
Price: **1987** RON

15 mm lower than the standard version, this low seat makes climbing on off easier and keeps the ground within easy reach.

Low seat

Seat height: 785 mm,
inner leg curve: 1,855 mm

EXCLUSIVE SEAT

Part nr.: 77 34 8 527 042
Price: **3228** RON

The two-tone colour scheme in black/grey, textured surface and decorative stitching in Quartz grey make the heated Exclusive seat a real highlight.

Exclusive seat

Seat height: 805 mm,
inner leg curve: 1,910 mm

To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad Retailer. Seat heating function retrofittable on vehicles that do not have option code 518 "seat heating"; new multifunction switch and adapter cable required.

SCOOTER CANOPY

Part nr.: 77 31 8 527 012
Price: **839** RON

Always stay nice and clean. And dry. The waterproof BMW Motorrad Scooter leg cover reliably protects the legs and lower body from water, wind and dirt while riding.

Thanks to the patented anti-flutter system, the protective hood also closely fits the Scooter and leg at high speeds. Thus it is fun accelerating even when it rains.

Recommended maximum speed 130 km/h. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

WIND DEFLECTORS

Part nr.: 77 31 8 527 006
Price: **671** RON

The black wind deflectors are firmly attached to the trim panel and effectively protect the hands from wind and weather.

Original BMW Motorrad accessories are available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

COVER

Part nr.: 77 02 8 527 017
Price: **503** RON

Snug and waterproof yet breathable, this cover protects your maxi-scooter from rain, dirt and more. Made of tear-resistant, UV-resistant material.

BACKREST FOR PASSENGER

Part nr.: 77 34 8 527 046
Price: **839** RON

With padding and artificial leather in black, the backrest delivers greater comfort for the passenger, and can be used in conjunction with the luggage carrier (without topcase).

To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad dealership.
Topcase and backrest for passenger cannot be fitted together.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

NAVIGATION & COMMUNICATION

BMW MOTORRAD NAVIGATION SYSTEMS

The multifunctional BMW Motorrad Navigator VI without pre-installed maps makes route planning child's play. The system with 4GB flash memory and five-inch touch screen always gives the right directions, and the waterproof display is easy to read even in direct sunlight owing to the circular polarisation filter. The high-resolution screen provides all the essential information and ensures that you can see the big picture required in every situation. Numerous additional functions make planning and touring an exciting experience. Plan your routes can be created according to your personal preferences and enjoy driving on winding and quiet side roads. The rider can also preset route guidance to avoid certain roads, e.g. A-roads. The "round trip" option is a good choice on unfamiliar terrain as it will reliably lead you back to the starting point. The Bluetooth connection to the BMW Motorrad communication system and the optional

Smartphone Link app enable multimedia on the go: navigation announcements, telephone calls and music streaming as well as the retrieval of weather forecasts or traffic jam information are no problem. Navigation preparation adds further functions such as "My Motorcycle", and the multi-controller on the handlebars offers an alternative control option. The desired map material can simply be installed on the Navigator using an SD card.

BMW Motorrad navigation devices and the BMW Motorrad smartphone cradle can only be mounted using the BMW Motorrad navigation device bracket. For more detailed information, contact your authorised BMW Motorrad Retailer or go online at bmw-motorrad.com.

Part nr.: 77 52 8 356 870
Price: **391** RON

BMW MOTORRAD SMARTPHONE CRADLE

Part nr.: 77 52 8 563 125; Price: **1048** RON

BMW Motorrad's robust Smartphone Cradle provides a safe and protected place for your smartphone. This means that useful functions such as navigation instructions and online information can also be used while you are on the move. Thanks to the handy charging function, your smartphone is always ready for action even on extended bike tours.

Only in combination with bracket for BMW Motorrad navigation devices.

Original BMW Motorrad accessories are available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

SAFETY

SCOOTER LOCK

Part nr.: 77 25 8 527 047
Price: **978 RON**

The Scooter lock is a quick and effective solution for theft protection. With the sheathed chain made of ultra-hard steel, the handlebar end of the Maxi-Scooter can be fixed to the swinging arm or a fixed object in no time at all. When not in use, the lock can be stowed under the seat in the storage bag provided.

Use of chrome-plated handlebar weight is restricted (scooter lock fastener takes the place of left handlebar weight). To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

ASPHERICAL MIRROR

Left Part nr.: 77 31 8 527 285
Price: **321 RON**
Right Part nr.: 77 31 8 527 286
Price: **321 RON**

The aspherical mirror glass with its curved surface enlarges the field of view and almost completely eliminates the blind spot.

To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad dealership.

CRASH PADS

Part nr.: 77 03 8 555 385
Price: **770 RON**

The drop-protection pads made of robust plastic protect the Scooter from damage in the case of a fall. The abrasion-resistant pads are screwed to the trim panel at the front and the footboards at the rear, and offer effective protection if the bike should fall over or in the event of a fall at low speed.

For more detailed information, contact your authorised BMW Motorrad Retailer or go online at bmw-motorrad.com. To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad dealership. Model shown: BMW C 650 GT, 2015.

ANTI-THEFT ALARM SYSTEM (NOT SHOWN)

Part nr.: 77 53 9 443 591; Price: **1408 RON**

Strong protection from theft: If the motorcycle is moved or struck violently, the anti-theft alarm system responds with a clearly audible signal and a flashing warning light. The acoustic and optical warning will draw the attention of passers-by quickly. The alarm system is activated automatically when the ignition is switched off.

To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad dealership. Also available as an equipment option.

TYRE PRESSURE CONTROL RETROFIT SET (NOT SHOWN)

Part nr.: 65 75 8 546 222; Price: **1276 RON**

The tyre pressure control with all its functions can be retrofitted by installing the control unit.

Tyre pressure control provides reliable information about the current tyre pressure and warns the rider about pressure loss at an early stage. The corresponding notifications and instructions are provided by the on-board computer in the cockpit.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

ACCESSORIES FOR BMW C 650 SPORT

STORAGE

TOPCASE, 35 L Part nr.: 77 43 8 542 047
Price: **1327 RON**

BMW Motorrad's robust Smartphone Cradle provides a safe and protected place for your smartphone. This means that useful functions such as navigation instructions and online information can also be used while you are on the move. Thanks to the handy charging function, your smartphone is always ready for action even on extended bike tours.

Only in combination with bracket for BMW Motorrad navigation devices.

MOBILE PHONE ADAPTER FOR STORAGE COMPARTMENT

Part nr.: 77 31 8 527 377
 Price: **252** RON

The custom-fit insert for the storage compartment offers space for a mobile phone and other small items. If the BMW USB charger is available on board, the smartphone can be charged while riding. The handy insert has a number of compartments. It can be locked, is waterproof and ensures that items are safely stowed.

SAFETY

SCOOTER LOCK

Part nr.: 77 25 8 527 047
Price: **978 RON**

This scooter lock is a quick and effective solution for theft protection. With the sheathed chain made of ultra-hard steel, the handlebar end of the Maxi-Scooter can be fixed to the swinging arm or a fixed object in no time at all. When not in use, the lock can be stowed under the seat in the storage bag provided.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.
Use of the chrome-plated handlebar weight is restricted when the Scooter lock is fitted (Scooter lock fastener takes the place of the left handlebar weight).
Model shown: BMW C 650 GT, 2015.

ANTI-THEFT ALARM SYSTEM (NOT SHOWN)

Part nr.: 77 53 9 443 591; Price: **1408 RON**

Strong protection from theft: If the motorcycle is moved or struck violently, the anti-theft alarm system responds with a clearly audible signal and a flashing warning light. The acoustic and optical warning will draw the attention of passers-by quickly. The alarm system is activated automatically when the ignition is switched off.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

LED INDICATORS

Part nr.: 63 13 8 522 499
Price: **257 RON**

A shining example: The beautifully designed LED indicators with white turn indicator glass convince with their slim design and modern lighting technology. They respond much faster than incandescent lamps and are virtually wear-free. This provides a clear safety advantage in road traffic.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

TYRE PRESSURE CONTROL RETROFIT SET (NOT SHOWN)

Part nr.: 65 75 8 546 222; Price: **1276 RON**

The tyre pressure control with all its functions can be retrofitted by installing the control unit. TPC provides reliable information about the current tyre pressure and warns the rider about pressure loss at an early stage. The corresponding notifications and instructions are provided by the on-board computer in the cockpit.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

MAINTENANCE & TECHNOLOGY

COVER

Part nr.: 77 02 8 527 017 Price: **503 RON**

Snug and waterproof yet breathable, this cover protects your maxi-scooter from rain, dirt and more. Made of tear-resistant, UV-resistant material.

ACCESSORIES FOR BMW C EVOLUTION

STORAGE

TOPCASE (35L) WITH BACKREST PAD

This topcase is mounted on the luggage carrier and offers enough space for a helmet with its volume of 35 litres. The waterproof luggage box is available with lid trims in the same body colour as the Maxi-Scooter itself. The reflector on the lid is standard, the liner, backrest pad and vehicle lock are among the handy options.

The comfortable backrest pad for the 35l topcase offers the passenger more comfort both on short trips and on long tours.

Only available in conjunction with luggage carrier
For information on speed and load limitations,
please refer to the operating instructions.

Topcase
Part nr.: 77 43 8 542 047
Price: **1327** RON

Backrest pad
Part nr.: 77 44 8 527 002
Price: **332** RON

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

ERGONOMICS & COMFORT

LUGGAGE CARRIER

Part nr.: 77 44 8 564 067
Price: **671** RON

The sturdy, stylish luggage carrier is ideal for reliably securing the topcase or other large items of luggage. An optional backrest can also be fitted to provide additional comfort for the passenger.

COMFORT SEAT

Part nr.: 77 34 8 557 837; Price: **1518** RON

The black comfort seat offers the rider a noticeable improvement in seating comfort and even more carefree miles. Its even weight distribution increases the rider's contact area with the motorcycle and thus enables improved vehicle control.

Comfort seat
Seat height: 785 mm,
inner leg curve: 1,770 mm

TOURING WINDSCREEN

Part nr.: 77 33 8 545 707
Price: **1819** RON

The touring windscreen has a scratch-resistant coating on both sides and provides an excellent view even after travelling many miles on the road. It is approx. 20cm higher than the standard windscreen and offers maximum wind and weather protection for rider and passenger – with minimum air turbulence at the same time.

Available at BMW Motorrad dealers.

HEATED GRIPS AND SWITCHES

Comfort meets safety. The practical heated grip keeps hands pleasantly warm even on cold days, while being even more responsive. The grip heating controlled by the on-board computer continuously detects the outside temperature via sensors and adjusts the heat output.

For more detailed information, contact your authorised BMW Motorrad Retailer or go online at bmw-motorrad.com.
To be fitted and/or enabled in a specialist workshop,
and ideally at your BMW Motorrad dealership.

Original BMW Motorrad accessories are available from your authorised BMW Motorrad Retailer.
Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

NAVIGATION & COMMUNICATION

BMW MOTORRAD NAVIGATOR VI

Part nr.: 77 52 8 356 005
 Price: **3737 RON**

The BMW Motorrad Navigator VI without pre-installed maps makes route planning child's play, and provides a range of additional functions which turn every tour into a real adventure. The five-inch touch screen is waterproof, easy to read even in direct sunlight, and guarantees the necessary overview at all times.

BMW Motorrad navigation devices and the BMW Motorrad smartphone cradle can only be mounted using the BMW Motorrad navigation device bracket. For more detailed information, contact your authorised BMW Motorrad Retailer or go online at bmw-motorrad.com.

BMW MOTORRAD SMARTPHONE CRADLE

Part nr.: 77 52 8 563 125
 Price: **1048 RON**

BMW Motorrad's robust Smartphone Cradle provides a safe and protected place for your smartphone. This means that useful functions such as navigation instructions and online information can also be used while you are on the move. Thanks to the handy charging function, your smartphone is always ready for action even on extended bike tours.

Only in combination with bracket for BMW Motorrad navigation devices.

SAFETY

ASPHERICAL MIRROR

The aspherical mirror glass with its curved surface enlarges the field of view and almost completely eliminates the blind spot.

Model shown: C 650 GT, 2015.

To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad Retailer.

Left Part nr.: 77 31 8 527 285
 Price: **321 RON**

Right Part nr.: 77 31 8 527 286
 Price: **321 RON**

ANTI-THEFT ALARM SYSTEM (NOT SHOWN)

Part nr.: 77 53 9 443 591; Price: **1408 RON**

Strong protection from theft: If the motorcycle is moved or struck violently, the anti-theft alarm system responds with a clearly audible signal and a flashing warning light. The acoustic and optical warning will draw the attention of passers-by quickly. The alarm system is activated automatically when the ignition is switched off.

To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad dealership.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

MAINTENANCE & TECHNOLOGY

ACCESSORIES FOR BMW R 1250 RT

HP PARTS

HP SPORT SILENCER

Part nr.: 77 11 9 444 594
Price: **5404** RON

The titanium-clad HP sport silencer delivers an impressively rich sound and is a clear avowal to racing, both visually and acoustically. The high-quality slip-on model offers a weight saving of approx. 0.8kg compared to the standard model thanks to its lightweight design.

HP COVERS FOR EXPANSION TANKS

Part nr.: 77 22 2 462 947
Price: **878** RON

The HP cover for expansion tanks made of anodised aluminium also adds to the bike's sporty character. The high-quality milled cover with HP branding emphasises the high-performance claim and also provides for an attractive customisation of the bike.

HP HAND LEVER, ADJUSTABLE

Part nr.: 77 22 2 462 947
Price: **878** RON

The CNC-milled HP hand levers made of anodised aluminium combine functionality and aesthetics. The grip width can be adjusted in five steps (brake lever) or three steps (clutch lever) using a setting screw and thus adapted to individual requirements. The look with HP logo also emphasises the bike's sportiness.

HP ENGINE HOUSING COVER, FRONT

Part nr.: 77 23 2 462 953
Price: **1240** RON

The HP engine housing cover made of anodised aluminium also adds to the bike's sporty character. The high-quality milled cover and HP branding emphasise the high-performance standard and also guarantee an attractive customisation of the bike.

HP CYLINDER HEAD COVERS

Part nr.: 77 12 2 462 938
Price: **3048** RON

The HP cylinder head covers made of anodised aluminium give the boxer engine an attractive appearance. The high-quality milled covers and HP branding highlight the motorcycle's sporty character. The HP oil filler plug perfectly matches the cylinder head covers.

STORAGE

LINERS FOR TOURING CASES

The tough liners make it easier to load and unload the cases, and are also water-resistant. The practical interior has dividers for holding items in place, and the outer pockets are ideal for small items. With carry handles and detachable shoulder strap.

LINER FOR TOURING TOPCASE

The matching liner for the touring topcase gets the luggage organised and facilitates loading and unloading. The carry handle and shoulder strap make the bag easy to access and transport. Practical details include two external patch pockets and a wide-opening lid.

Part nr.: 77 41 8 520 301
Price: **549** RON

STORAGE COMPARTMENT FOR TOPCASE

The practical solution for documents, stationery or even a netbook: the handy document compartment is secured in the topcase lid with four quick-release fasteners, and helps keep things organised while providing quick access to everything that is important for the trip.

Part nr.: 77 41 8 520 303
Price: **374** RON

ADDITIONAL BRAKE LIGHT FOR TOPCASE

Part nr.: 77 51 8 520 044
Price: **782** RON

The additional brake light for the touring topcase with modern LED technology in a white clear-glass look blends perfectly with the existing topcase lid embellisher. Because braking activity can be seen better, this promotes passive safety in traffic.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

SMALL TOPCASE, 28 L

With a volume of 28 litres, the waterproof topcase offers enough space for a helmet and impresses in daily use and on short tours. It is made of a hard-wearing plastic mix in a double-shell design. Its weight is approx. 5.5 kilograms. Backrest pad also available (not shown).

LINER FOR SMALL TOPCASE

The matching liner for the small topcase gets the luggage organised and facilitates loading and unloading. The carry handle and shoulder strap make the bag easy to access and transport. Practical details include the three-sided all-round zip.

Part nr.: 71 60 7 680 541
Price: **464** RON

1 Small topcase

Part nr.: 77 43 7 724 352
Price: **1534** RON

2 Backrest pad for small topcase

Part nr.: 71 60 7 693 672; Price: **332** RON

TANK BAG, 11L

Part nr.: 77 45 2 465 325; Price: **1175** RON

The small, 11-litre tank bag with belt attachment made of durable polyester fabric is the ideal companion for short trips. The waterproof main compartment with liner, the exterior pocket with bottle holder, the carry handle and the removable shoulder strap are handy qualities that leave almost nothing to be desired.

Please refer to the operating instructions for information on speed and load limitations.

Original BMW Motorrad accessories are available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

OPTION 719 CLASSIC HAND LEVERS, ADJUSTABLE

Part nr.: 77 23 2 462 951
Price: **1240** RON

The Classic hand levers of the exclusive Option 719 are milled from an anodised aluminium alloy. The grip width can be adjusted in five steps (brake lever) or three steps (clutch lever) using a setting screw and thus adapted to individual requirements. The high-quality Billet package parts with Option 719 branding add value to the bike.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

OPTION 719 CLASSIC COVERS FOR EXPANSION TANKS

Part nr.: 77 22 2 462 945
Price: **878** RON

The Option 719 Classic covers for expansion tanks set an elegant, design highlight with their silver-coloured appearance. The milled cover made of anodised aluminium bears the inscription "Option 719". Together with the other special parts of Option 719 an exclusive customisation effect is created.

130 R 1250 RT DESIGN

OPTION 719 CLASSIC ENGINE HOUSING COVER, FRONT

Part nr.: 77 12 2 462 936
Price: **3048** RON

The Option 719 Classic engine housing cover sets an elegant, design highlight with its silver-coloured look. The high-quality milled cover made of anodised aluminium bears the "Option 719" inscription. Together with the other special parts of Option 719 an exclusive customisation effect is created.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

OPTION 719 CLASSIC CYLINDER HEAD COVERS

Part nr.: 77 12 2 462 913
Price: **5941** RON

The Classic cylinder head covers of the exclusive Option 719 add design highlights with their silver-coloured look. The high-quality milled covers made of anodised aluminium bring the boxer engine into the spotlight. The exclusive special parts bear the inscription "Option 719" and emphasise the high-quality character of the bike.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Price: **308** RON

CHROME - PLATED EXHAUST MANIFOLD

Part nr.: 18 51 8 559 520
Price: **6956** RON

The chrome-plated exhaust manifold further enhances the motorcycle's appearance. This elegant manifold can be combined with the standard silencer or the HP sports silencer.

Part nr.: 18 51 8 559 520
Price: **6956** RON

CHROME - PLATED REAR SILENCER (NOT SHOWN)

The high-quality chrome-plated rear silencer perfectly harmonises with other motorcycle chrome applications.

Part nr.: 18 51 8 559 522
Price: **4862** RON

ERGONOMICS & COMFORT

RIDER AND PASSENGER SEATS

The rider's seat in black is 20 mm higher and offers particularly tall riders noticeably better seating comfort. 20 mm lower than the standard version, this black rider's seat makes climbing on and off easier and keeps the ground within easy reach. The rider's seat in classic black can be adjusted and has the same seat height as the standard seat. Rider's seats and passenger seats are also available with seat heating.

High rider's seat with seat heating, black, (not shown)

Part nr.: 52 53 8 544 792; Price: **2192** RON

1 High rider's seat, black

Part nr.: 52 53 8 544 778
Price: **1533** RON

Low rider's seat with seat heating, black, (not shown)

Part nr.: 52 53 8 544 780; Price: **2192** RON

2 Low rider's seat, black

Part nr.: 52 53 8 544 780
Price: **1533** RON

3 Rider's seat, black

Part nr.: 52 53 8 544 782
Price: **1533** RON

4 Passenger seat, black

Part nr.: 52 53 8 544 788
Price: **1380** RON

WINDSCREENS

The higher and wider Comfort windscreen offers maximum wind and weather protection and increased travel comfort for rider and passenger. The scratch-resistant coating ensures long-term unimpeded visibility.

Measuring 681 mm, the short windscreen is shorter than the standard windscreen and gives the bike a sporty look.

1 Comfort windscreen

Part nr.: 77 33 9 443 201
Price: **1617** RON

2 Low windscreen

Part nr.: 46 63 8 382 828
Price: **1617** RON

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

PRO GEAR - SHIFT ASSIST

Part nr.: 23 41 8 536 884
Price: **2200** RON

The shift assistant Pro allows shifting up and down in almost all load ranges and engine speed ranges without actuating the clutch or throttle. The assistant thus ensures noticeably reduced shifting times, a relief of the clutch hand and thus greater comfort and dynamics.

CENTRE STAND

Part nr.: 46 52 8 532 725
Price: **1292** RON

The stable centre stand ensures a safe stand for the motorcycle even on slopes and offers advantages, for example, when refuelling, mounting cases and topcases or checking tyre pressure. The motorcycle also takes up less space when parked upright.

CRUISE CONTROL RETROFITTING (NOT SHOWN)

Part nr.: 61 31 8 522 472; Price: **1235** RON

The electronic cruise control can be activated from 30 km/h and keeps the driving speed constant. This makes it possible to enjoy longer motorway stretches in a relaxed style. The function is deactivated on braking, and the selected speed is automatically adopted after activating the Resume button.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

PRO RIDING MODES RETROFIT SET (NOT SHOWN)

Part nr.: 13 61 8 534 237; Price: **1149** RON

Pro riding modes with three additional RACE Pro modes and various assistance systems open up the whole world of race track performance to the rider

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

HILL START CONTROL RETROFIT SET (NOT SHOWN)

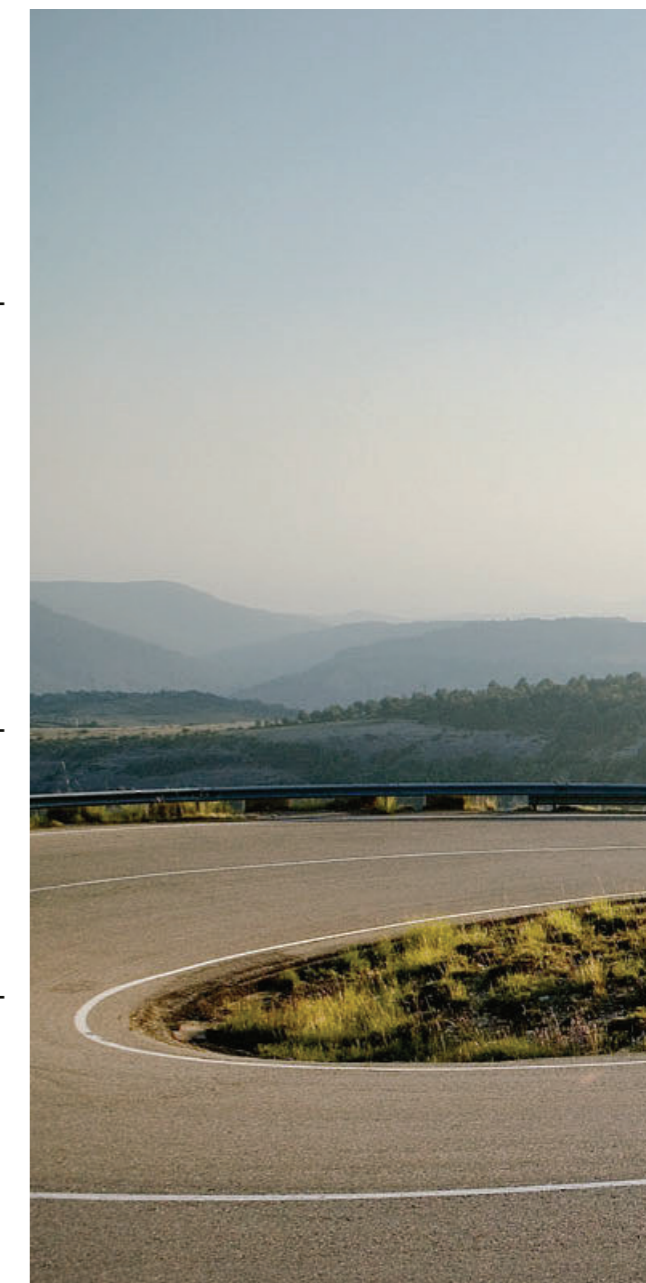

Part nr.: 77 23 8 536 874; Price: **1149** RON

The Hill Start Control (HSC) drive-off assistant can be retrofitted using an enabling code.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer. For more detailed information, contact your authorised BMW Motorrad Retailer or go online at bmw-motorrad.com.

Original BMW Motorrad accessories are available from your authorised BMW Motorrad Retailer.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

NAVIGATION & COMMUNICATION

BMW MOTORRAD NAVIGATOR VI

Part nr.: 77 52 8 355 994
Price: **4204 RON**

With the multifunctional Navigator VI, route planning becomes child's play. The system with 16 GB flash memory and a five-inch touch screen always shows the right way. Thanks to the circular polarisation filter (CPOL), the waterproof display is easy to read even in direct sunlight. The high-resolution screen in a casing similar to a smartphone provides all the essential information and ensures that you can see the big picture required in every situation. Numerous additional functions make planning and touring an exciting experience. Plan your routes can be created according to your personal preferences and enjoy driving on winding and quiet side roads. In unknown terrain, the "round trip" option is a good choice as it reliably guides the rider at the end of the tour back to the starting point. The Bluetooth connection to the BMW Motorrad communication system and the optional Smartphone Link app enable multimedia on the go: navigation announcements, telephone calls and music streaming as well as the retrieval of weather forecasts or traffic jam information are no problem. Navigation preparation adds further functions such as "My Motorcycle", and the multi-controller on the handlebars offers an alternative control option. Choose the pre-installed map data, and you will always be up to date with lifelong, free map updates.

Note the differences in national-market versions. Only available in conjunction with OE navigation preparation.

AUDIO SYSTEM RETROFIT SET (NOT SHOWN)

Part nr.: 65 12 8 542 064; Price: **6434 RON**

The audio system with radio function has MP3 player, iPod and USB stick interfaces. Operation is via the Multi-Controller on the handlebars or the radio control panel. The station, the current music track or the selected volume are displayed on the info screen.

Please note the specifications for different countries.

Available at BMW Motorrad dealers.

DAB+ RETROFIT SET (NOT SHOWN)

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

SAFETY

LED ADDITIONAL HEADLIGHTS

Part nr.: 63 17 8 556 937
Price: **561 RON**

The powerful LED additional headlights deliver the necessary perspective when visibility is poor thanks to extended illumination.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer. The additional headlights are approved for use as fog lights, and may only be used in poor weather conditions. Country-specific road traffic regulations apply. K09: Only available in conjunction with OE seat heating.

TYRE PRESSURE CONTROL RETROFIT SET (NOT SHOWN)

Part nr.: 65 75 8 546 222; Price: **1276 RON**

The tyre pressure control with all its functions can be retrofitted by installing the control unit. TPC provides reliable information about the current tyre pressure and warns the rider about pressure loss at an early stage. The corresponding notifications and instructions are provided by the on-board computer in the cockpit.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

SAFETY SCREW FOR OIL FILLER CAP

Part nr.: 71 60 7 696 117
Price: **179 RON**

The safety screw for the oil filler neck is locked using a special Allen key, preventing theft of the cover. At the same time, unauthorised access and contamination of the oil by foreign substances is prevented. The high-quality aluminium lock has a BMW Boxer inscription.

Safety screw plug for oil filler neck, black (not shown, NEW)

Black
Part nr.: 71 60 8 406 750
Price: **179 RON**

ANTI-THEFT ALARM RETROFIT SET (NOT SHOWN)

Part nr.: 77 53 9 443 591; Price: **1408 RON**

Strong protection from theft: If the motorcycle is moved or struck violently, the anti-theft alarm system responds with a clearly audible signal and a flashing warning light. The acoustic and optical warning will draw the attention of passers-by quickly. The alarm system is activated automatically when the ignition is switched off.

Please note the specifications for different countries. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

CYLINDER-HEAD COVER GUARD

Part nr.: 77 14 8 406 187
Price: **1095 RON**

The stainless steel cylinder-head cover guard provides excellent protection for the cylinder head cover, preventing scratches and damage caused by flying stones. It has been perfectly matched to the vehicle, is equipped with a large rubber bumper and optimally emphasises the design and contours of the boxer engine.

DAYTIME RUNNING LIGHT RETROFIT SET (NOT SHOWN)

Part nr.: 63 12 8 532 001
Price: **On Request**

Original BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

MAINTENANCE & TECHNOLOGY

ADDITIONAL POWER SOCKET

Part nr.: 61 34 7 714 741; Price: **188** RON

Electronic devices can be connected to the vehicle electrical system via the 12V power socket. One example of this is the BMW USB charger, which can be used to charge and operate mobile phones and MP3 players with an appropriate interface while riding.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

ACCESSORIES FOR BMW K 1600 GT

HP PARTS

HP SPORT SILENCER

Part nr.: 77 11 8 356 974; Price: **11240** RON

The titanium-clad HP sport silencer delivers an impressively rich sound and is a clear avowal to racing, both visually and acoustically. The high-quality, twin-pipe slip-on model leads into three tailpipes on each side and offers a weight saving of approx. 4.3 kg compared to the standard model.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

STORAGE

LINER AND IMPACT PROTECTION FOR TOURING CASES

The matching liner for the touring case gets the luggage organised and facilitates loading and unloading. The carry handle and shoulder strap make the bag easy to access and transport. The practical details include the outside pocket and the three-sided zip.

The impact protection is made of sturdy plastic and protects the touring case at the front, bottom and sides from scratches and damage.

To be fitted and/or enabled in a specialist workshop, and ideally at your authorised BMW Motorrad Retailer.

SHIFT ASSISTANT PRO RETROFIT SET (NOT SHOWN)

Part nr.: 23 41 8 545 533; Price: **2702** RON

The shift assistant Pro makes it easy to shift up and down without actuating the clutch.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

HILL START CONTROL RETROFIT SET (NOT SHOWN)

Part nr.: 77 23 8 536 874; Price: **1149** RON

The Hill Start Control (HSC) drive-off assistant can be retrofitted using an enabling code.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

CRUISE CONTROL RETROFIT SET (NOT SHOWN)

Part nr.: 61 31 8 522 472; Price: **1235** RON

The electronic cruise control can be activated from 30km/h and keeps the driving speed constant. This makes it possible to enjoy longer motorway stretches in a relaxed style. The function is deactivated on braking, and the selected speed is automatically adopted after activating the resume button.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

NAVIGATION & COMMUNICATION

BMW MOTORRAD NAVIGATOR VI

Part nr.: 77 52 8 355 994

Price: **4204** RON

Not only touring fans will have plenty of choice with the Navigator VI. The system makes route planning child's play and offers numerous additional functions that make every tour an exciting experience. The five inch touch screen is waterproof, easy to read even in direct sunlight and ensures that you can see the big picture required in every situation.

Note the differences in national-market versions. Only available in conjunction with OE navigation preparation.

AUDIO SYSTEM RETROFIT SET (NOT SHOWN)

Part nr.: 65 12 8 542 064; Price: **6434** RON

The audio system with radio function has MP3 player, iPod and USB stick interfaces. Operation is via the Multi-Controller on the handlebars or the radio control panel. The station, the current music track or the selected volume are displayed on the info screen.

Please note the specifications for different countries.

Original BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

SAFETY

LED AUXILIARY HEADLIGHTS

Part nr.: 63 17 8 559 207; Price: **561** RON

The powerful LED additional headlights in a compact aluminium housing ensure better vision and visibility even in fog, rain or snowfall. At the same time, their white, daylight-like light colour ensures differentiated illumination of the roadway. LED technology ensures virtually wear-free operation.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

ANTI-THEFT ALARM RETROFIT SET (NOT SHOWN)

Part nr.: 77 53 9 443 591; Price: **1408** RON

If the anti-theft alarm system is moved or struck violently, the system responds with a clearly audible signal and a hazard warning indicator lamp.

Please note the specifications for different countries. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

TYRE PRESSURE CONTROL RETROFIT SET (NOT SHOWN)

Part nr.: 65 75 8 546 222; Price: **1276** RON

The tyre pressure control with all its functions can be retrofitted by installing the control unit. Tyre pressure control provides reliable information about the current tyre pressure and warns the rider about pressure loss at an early stage. The corresponding notifications and instructions are provided by the on-board computer in the cockpit.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

ENGINE PROTECTION BAR

Part nr.: 77 14 8 535 326; Price: **1683** RON

The tough two-piece engine protection bar is made of stainless steel with a bead-blasted matt finish. It protects the engine cover against serious impacts, while blending in perfectly with the stylish profile of the BMW K 1600 GT.

FOOT PROTECTION (NOT SHOWN)

NAVIGATION & COMMUNICATION

BMW MOTORRAD NAVIGATOR VI

Part nr.: 77 52 8 355 994; Price: **4204** RON

With the multifunctional Navigator VI, route planning becomes child's play. The system with 16GB flash memory and a five-inch touch screen always shows the right way. Thanks to the circular polarisation filter (CPOL), the waterproof display is easy to read even in direct sunlight. The high-resolution screen in a casing similar to a smartphone provides all the essential information and ensures that you can see the big picture required in every situation. Numerous additional functions make planning and touring an exciting experience. Plan your routes can be created according to your personal preferences and enjoy driving on winding and quiet side roads. In unknown terrain, the "round trip" option is a good choice as it reliably guides the rider at the end of the tour back to the starting point. The Bluetooth connection to the BMW Motorrad communication system and the optional Smartphone Link app enable multimedia on the go: navigation announcements, telephone calls and music streaming as well as the retrieval of weather forecasts or traffic jam information are no problem. Navigation preparation adds further functions such as "My Motorcycle", and the multi-controller on the handlebars offers an alternative control option. Choose the pre-installed map data, and you will always be up to date with lifelong, free map updates.

Note the differences in national-market versions. Only available in conjunction with OE navigation preparation.

AUDIO SYSTEM RETROFIT SET (NOT SHOWN)

Part nr.: 65 12 8 542 064; Price: **6434** RON

The audio system with radio function has MP3 player, iPod and USB stick interfaces. Operation is via the Multi-Controller on the handlebars or the radio control panel. The station, the current music track or the selected volume are displayed on the info screen.

Please note the specifications for different countries.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

SAFETY

ENGINE PROTECTION BAR

Part nr.: 77 14 8 535 326
 Price: **1683** RON

The tough two-piece engine protection bar is made of stainless steel with a bead-blasted matt finish. It protects the engine cover against serious impacts, while blending in perfectly with the stylish profile of the BMW K 1600 GTL.

LED AUXILIARY HEADLIGHTS

Part nr.: 63 17 8 559 207
 Price: **561** RON

The powerful LED additional headlights in a compact aluminium housing ensure better vision and visibility even in fog, rain or snowfall. At the same time, their white, daylight-like light colour ensures differentiated illumination of the roadway. LED technology ensures virtually wear-free operation.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

ANTI-THEFT ALARM SYSTEM RETROFIT SET (NOT SHOWN)

Part nr.: 77 53 9 443 591; Price: **1408** RON

If the anti-theft alarm system is moved or struck violently, the system responds with a clearly audible signal and a hazard warning indicator lamp.

Please note the specifications for different countries. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

TYRE PRESSURE CONTROL

Part nr.: 65 75 8 546 222
 Price: **1276** RON

The tyre pressure control with all its functions can be retrofitted by installing the control unit. Tyre pressure control provides reliable information about the current tyre pressure and warns the rider about pressure loss at an early stage. The corresponding notifications and instructions are provided by the on-board computer in the cockpit.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Original BMW Motorrad accessories are available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

ACCESSORIES FOR BMW K 1600 B

STORAGE

LINER FOR TOURING CASES

Part nr.: 77 41 8 565 033
Price: **374** RON

These tough liners make it easier to load and unload the cases or topcase. They're specially fitted for the cases, and the outer pockets with real leather sides are ideal for small items. Suitable for the left or right case. With shoulder strap.

IMPACT PROTECTION SYSTEM FOR TOURING CASES

The impact protection for the touring case is made of sturdy plastic and offers effective protection against scratches and other damage.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

ERGONOMICS & COMFORT

SEAT

Instantly inviting, this seat features decorative stitching and all the padding you need, offering outstanding comfort for both rider and passenger alike when touring. Available in three seat heights. All retrofittable seats are heated. Seat available in a low or extra high version and as an equipment option.

Low seat
 Seat height: 750 mm,
 inner leg curve: 1,720 mm
 Part nr.: 77 34 8 551 588
 Price: **On Request**

High seat (not shown)
 Seat height: 780 mm,
 inner leg curve: 1,770 mm
 Part nr.: 77 34 8 551 586
 Price: **2750 RON**

Extra high seat (not shown)
 Seat height: 810 mm,
 inner leg curve: 1,830 mm
 Part nr.: 77 34 8 551 590
 Price: **2750 RON**

WINDSCREENS

The scratch-resistant comfort windscreen is higher than the standard windscreen and offers maximum wind and weather protection for rider and passenger.

The low windscreen gives the bike a sporty look and offers good protection against wind and weather.

The short, tinted windscreen has a scratch-resistant coating. It offers great wind protection for the rider and looks very sporty thanks to its dark tint.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer. Please note the specifications for different countries.

1 Comfort windscreen

Part nr.: 77 33 7 724 350
 Price: **1887 RON**

2 Low windscreen

Part nr.: 77 33 8 528 329
 Price: **1483 RON**

3 Low windscreen, tinted

Heat protection elements for front footboards
 Part nr.: 77 31 8 393 546
 Price: **634 RON**

LED GROUND - LEVEL LIGHTING

Safe parking after sunset: the LED floor lighting illuminates the area under the bike and makes it easier to find a suitable standing space in the dark. In addition, getting off the bike and operating the centre or side stands is even more secure. Even small items such as keys or coins are easier to find.

Please note the specifications for different countries. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 63 17 7 727 584
 Price: **393 RON**

CENTRE STAND (NOT SHOWN)

Part nr.: 46 52 8 562 360
 Price: **1331 RON**

The centre stand lets you safely park your motorcycle anywhere, while taking up less space. Also available as optional equipment.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

SHIFT ASSISTANT PRO RETROFIT SET (NOT SHOWN)

The shift assistant Pro allows shifting up and down in almost all load ranges and engine speed ranges without actuating the clutch or throttle. The assistant thus ensures noticeably reduced shifting times, a relief of the clutch hand and thus greater comfort and dynamics.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 23 41 8 545 533
 Price: **2702 RON**

CRUISE CONTROL RETROFIT SET (NOT SHOWN)

The electronic cruise control can be activated from 30 km/h and keeps the driving speed constant. This makes it possible to enjoy longer motorway stretches in a relaxed style. The function is deactivated on braking, and the selected speed is automatically adopted after activating the resume button.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 61 31 8 522 472
 Price: **1235 RON**

FRAME BOTTOM TRUSS COVER (NOT SHOWN)

Part nr.: 77 31 8 567 876
 Price: **410 RON**

NAVIGATION & COMMUNICATION

BMW MOTORRAD NAVIGATOR VI

Part nr.: 77 52 8 355 994
 Price: **4204** RON

With the multifunctional Navigator VI, route planning becomes child's play. The system with 16 GB flash memory and a five-inch touch screen always shows the right way. Thanks to the circular polarisation filter (CPOL), the waterproof display is easy to read even in direct sunlight. The high-resolution screen in a casing similar to a smartphone provides all the essential information and ensures that you can see the big picture required in every situation. Numerous additional functions make planning and touring an exciting experience. Plan your routes according to your personal preferences and enjoy driving on winding and quiet side roads. In unknown terrain, the "round trip" option is a good choice as it reliably guides the rider at the end of the tour back to the starting point. The Bluetooth connection to the BMW Motorrad communication system and the optional Smartphone Link app enable multimedia on the go: navigation announcements, telephone calls and music streaming as well as the retrieval of weather forecasts or traffic jam information are no problem. Further functions such as "My motorcycle" are available with the navigation preparation; alternatively, control via the multi-controller on the handlebars is possible. Choose the pre-installed map data, and you will always be up to date with lifelong, free map updates.

Note the differences in national-market versions.
 Only available in conjunction with OE navigation preparation.

AUDIO SYSTEM RETROFIT SET (NOT SHOWN)

Part nr.: 65 12 8 542 064
 Price: **6434** RON

The audio system with radio function has MP3 player, iPod and USB stick interfaces. Operation is via the Multi-Controller on the handlebars or the radio control panel. The station, the current music track or the selected volume are displayed on the info screen.

Note the differences in national-market versions.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

SAFETY

ENGINE PROTECTION BAR

The tough two-piece engine protection bar is made from stainless steel with a bead-blasted matt finish. It protects the engine cover against serious impacts while blending in perfectly with the stylish overall design of the BMW K 1600 B.

Left
 Part nr.: 77 14 8 396 741
 Price: **886** RON

Right
 Part nr.: 77 14 8 396 742
 Price: **886** RON

ANTI-THEFT ALARM SYSTEM RETROFIT SET (NOT SHOWN)

Part nr.: 77 53 9 443 591; Price: **1408** RON

If the anti-theft alarm system is moved or struck violently, the system responds with a clearly audible signal and a hazard warning indicator lamp.

Note the differences in national-market versions.
 To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

LED AUXILIARY HEADLIGHTS

The powerful LED additional headlights in a compact aluminium housing ensure better vision and visibility even in fog, rain or snowfall. At the same time, their white, daylight-like light colour ensures differentiated illumination of the roadway. LED technology ensures virtually wear-free operation.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 63 17 8 559 207
 Price: **561** RON

TYRE PRESSURE CONTROL RETROFIT SET (NOT SHOWN)

Part nr.: 65 75 8 546 222; Price: **1276** RON

The tyre pressure control with all its functions can be retrofitted by installing the control unit. TPC provides reliable information about the current tyre pressure and warns the rider about pressure loss at an early stage. The corresponding notifications and instructions are provided by the on-board computer in the cockpit.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Original BMW Motorrad accessories are available from your authorised BMW Motorrad Retailer.
 Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

DESIGN

DECORATIVE STICKER SET

The decorative "Street" sticker set is perfectly tailored to the motorcycle and guarantees an attractive, unique look. The dynamic lines in yellow, red and blue create a modern street racer design and underline the sporty character of the machine. In addition, the rim rings in contrasting colour ensure lots of attention.

the decorative "Wolf" sticker set is perfectly tailored to the motorcycle and creates an attractive, unique look. The lines in yellow, red and blue create a wolf motif further accentuating the dynamic design of the motorcycle. In addition, the rim rings in contrasting colour ensure lots of attention.

1 Decorative Street sticker set

Part nr.: 77 31 2 456 856
Price: **838** RON

2 Decorative Wolf sticker set

Part nr.: 77 31 2 455 686
Price: **838** RON

LED INDICATORS

Part nr.: 63 13 8 522 499
Price: **256** RON

A shining example: The beautifully designed LED indicators with white turn indicator glass convince with their slim design and modern lighting technology. They respond much faster than incandescent lamps and are virtually wear-free. This provides a clear safety advantage in road traffic.

Note the differences in national-market versions.
To be fitted and/or enabled in a specialist workshop,
ideally at your authorised BMW Motorrad Retailer.

ERGONOMICS & COMFORT

HIGH SEAT

Part nr.: 77 34 8 562 491
Price: **1196** RON

The high seat has a seat height of 850 mm. This means that even tall riders enjoy a comfortable knee angle and a relaxed and comfortable seat position that helps prevent signs of fatigue.

High seat

Seat height 850 mm

LOW SEAT

Part nr.: 52 53 8 562 135
Price: **1196** RON

15 mm lower than the standard version, this low seat makes climbing on off easier and keeps the ground within easy reach. Many riders feel safer thanks to the reduced seat height, because they can manoeuvre and control their motorcycle more easily. The high-quality surface material in black corresponds to the standard equipment.

Low seat

Seat height 820 mm

ADJUSTABLE HANDBRAKE LEVER / CLUTCH LEVER

The ergonomically optimised handbrake and clutch levers can be adjusted in four steps making it easy to attain the preferred grip width. The two-tone look with black powder coating and a chrome-plated adjustment wheel emphasises the individuality of the motorcycle.

1 Handbrake lever, adjustable

Part nr.: 32 72 9 457 449
Price: **503** RON

2 Clutch lever, adjustable

Part nr.: 32 72 9 443 011
Price: **On Request**

HEATED GRIPS AND SWITCHES

Warm hands despite lower temperatures: This is ensured by the electric heating grips with three-stage control. This enhances comfort and also improves safety, because warm hands and more feeling in the fingers simply improves vehicle control. In addition to heating stages 1 and 2, the rider has the option of activating the outside temperature-controlled automatic transmission. The heated grips are operated via a multifunction switch on the right handlebar controls, which can also be retrofitted.

With the multifunctional Navigator VI, route planning becomes child's play. The system with 16GB flash memory and a five-inch touch screen always shows the right way. Thanks to the circular polarisation filter (CPOL), the waterproof display is easy to read even in direct sunlight. The high-resolution screen in a casing similar to a smartphone provides all the essential information and ensures that you can see the big picture required in every situation. Numerous additional functions make planning and touring an exciting experience. Plan your routes can be created according to your personal preferences and enjoy driving on winding and quiet side roads. In unknown terrain, the "round trip" option is a good choice as it reliably guides the rider at the end of the tour back to the starting point. The Bluetooth connection to the BMW Motorrad communication system and the optional Smartphone Link app enable multimedia on the go: navigation announcements, telephone calls and music streaming as well as the retrieval of weather forecasts or traffic jam information are no problem. Navigation preparation adds further functions such as "My Motorcycle", and the multi-controller on the handlebars offers an alternative control option. Choose the pre-installed map data, and you will always be up to date with lifelong, free map updates.

For more detailed information, contact your authorised BMW Motorrad Retailer or go online at bmw-motorrad.com.

BMW MOTORRAD SMARTPHONE CRADLE

BMW Motorrad's robust Smartphone Cradle provides a safe and protected place for your smartphone. This means that useful functions such as navigation instructions and online information can also be used while you are on the move. Thanks to the handy charging function, your smartphone is always ready for action even on extended bike tours.

Only in combination with bracket for BMW Motorrad navigation systems.

Part nr.: 77 52 8 563 125
 Price: **1048** RON

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

SAFETY

HAND PROTECTORS

Part nr.: 77 32 2 459 287; Price: **424** RON

The hand protector, made of impact-resistant and UV-resistant plastic, also protects the operating elements against branches and stone chips while riding off-road, and is aerodynamically tailored to the vehicle. On the road, the wind and weather protection offered by the protectors is also impressive: hands and fingers stay longer dry and warm even at low temperatures.

ENGINE PROTECTION BAR

Part nr.: 77 15 2 459 289; Price: **926** RON

The robust engine protection bars, made of polished stainless steel, reliably protect the bike against damage without restricting the rider's freedom to lean the machine. The robust tube construction will even take hard knocks and prevent major fall damage off-road and on asphalt.

Both the combination with the standard engine spoiler and with the aluminium bash plate is possible.

ALUMINIUM ENGINE GUARD

Part nr.: 77 32 2 466 583
 Price: **On Request**

The robust and lightweight aluminium engine guard effectively protects the lower area of the motorcycle against stone chips and damage, such as when bottoming out. It is wider and longer than the standard engine guard. Its elegant design emphasises the high-quality character of the bike. (Model shown: G 310 GS)

SPRAY GUARD COVER (NOT SHOWN)

The rear-wheel cover with splash protection protects the rear of the vehicle from dirt both on wet roads and off the road, for example when riding through mud puddles. This keeps the rear light and number plate, but also a mounted topcase and other luggage items protected from dirt for longer.

Part nr.: 77 31 8 556 902
 Price: **137** RON

Original BMW Motorrad accessories are available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

MAINTENANCE & TECHNOLOGY

POWER SOCKET

Part nr.: 61 34 7 714 741
Price: 188 RON

Electronic devices can be connected to the vehicle electrical system via the 12V power socket. One example of this is the BMW USB charger, which can be used to charge and operate mobile phones and MP3 players with an appropriate interface while riding.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

ACCESSORIES FOR BMW F 900 R

STORAGE

SMALL TOPCASE, 30L Part nr.: 77 43 8 543 246
Price: **1326.90** RON

This waterproof plastic topcase with a painted lid and 30-litre volume offers high-quality workmanship and enough space for a helmet.

Outer shell topcase lid in Asphalt grey metallic matt (not shown)

Only in conjunction with luggage carrier, topcase carrier and corresponding outer shell. For information on speed and load limitations, please refer to the operating instructions. For more detailed information, contact your authorised BMW Motorrad Retailer or go online at bmw-motorrad.com.

1 Topcase lid outer shell in Black storm metallic
Part nr.: 77 43 8 414 337; Price: **551** RON

2 Topcase lid outer shell, Light white
Part nr.: 77 43 9 457 027
Price: **525** RON

3 Topcase lid outer shell in Racing red
Part nr.: 77 43 8 555 607
Price: **525** RON

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

BACKREST PAD FOR SMALL TOPCASE

Part nr.: 77 44 8 549 334
Price: **332** RON

Thanks to the comfortable backrest pad for the small topcase, the passenger can enjoy improved comfort both on short trips and on long tours.

LINER FOR TOPCASE

Part nr.: 77 43 8 549 130
Price: **337** RON

The matching tailored liner for the topcase gets the luggage organised and facilitates loading and unloading. The carry handle and shoulder strap make the bag easy to access and transport. The practical details include the outside pocket and the three-sided zip.

Original BMW Motorrad accessories are available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

SOFT CASE

The high-quality soft case made of durable polyester convinces with practical details and a storage volume of 20 litres. Features such as the waterproof liner, the all-round zip, the carrying handle and the quick-release fastener for easy mounting on the motorcycle ensure a secure hold and practical handling.

The sturdy case holder allows easy and secure installation of the soft case. Even if the case is not mounted, the discreet black holder is hardly noticeable on the bike.

1 Soft case

Left
Part nr.: 77 41 8 563 761
Price: **1536** RON

Right
Part nr.: 77 41 8 563 762
Price: **1536** RON

2 Soft case holder

Part nr.: 46 54 8 396 547
Price: **1150** RON

LUGGAGE CARRIER

Part nr.: 77 44 8 396 356
Price: **741** RON

LARGE TANK BAG

Part nr.: 77 45 2 471 174
Price: **846** RON

SMALL TANK BAG

Part nr.: 77 45 2 471 175
Price: **482** RON

A topcase or other pieces of luggage can be easily and securely attached to the sturdy luggage carrier made of powder-coated die-cast aluminium. Since the luggage carrier is attached to the motorcycle in a vibration-free manner, the riding characteristics improve noticeably with the topcase mounted, especially at higher speeds.

The tank bag, made of durable polyester fabric, offers many intelligent details. Its volume can be extended from 11 to 16 litres as required. Extra space is available in the map pocket and exterior pockets. The smart belt fastener design guarantees a secure hold and extremely functional handling.

The small, durable tank bag with belt attachment is the ideal companion for short trips. The main compartment with removable waterproof liner, the cable duct, the storage space volume of 5.5 litres, the carry handle and the removable shoulder strap are handy qualities that leave almost nothing to be desired.

**ATTACHMENT ELEMENT FOR TANK BAG
(NOT SHOWN)**

A BMW Motorrad tank bag can be attached quickly and securely to the vehicle using the model-specific fastening elements. The two-part fastening is mounted at the front and rear of the motorcycle using a strap or screw connection. The tank bag then only needs to be positioned and fastened with buckles.

Part nr.: 77 45 2 471 467
Price: **140** RON

DESIGN

OPTION 719 SILVER MIRRORS

Part nr.: 77 22 2 462 948
Price: **2325** RON

The Option 719 silver-coloured mirrors are made of milled aluminium and highlight the high-quality character of the bike. The low-vibration design and aerodynamic shape ensure excellent visibility. The attractive design also creates a strong individualisation effect.

ADJUSTABLE RIDER FOOTRESTS

Left
Part nr.: 77 25 9 829 097
Price: **456** RON

Right
Part nr.: 77 25 9 829 098
Price: **456** RON

The rider footrest made of black anodised aluminium combines a dynamic look with ergonomics and sportiness at the highest level. Thanks to the ribbed tread surface and three-step height adjustment, it provides additional support and optimum vehicle control.

FOLDING CLUTCH AND BRAKE LEVERS

Clutch lever, folding
Part nr.: 77 22 1 599 155
Price: **On Request**

Handbrake lever, folding
Part nr.: 77 23 9 829 271
Price: **On Request**

The handbrake lever can be adjusted in five positions for the preferred grip range and, thanks to the folding mechanism, has a defined folding moment.

The clutch lever can be adjusted in three positions for the preferred grip range and, thanks to the folding mechanism, has a defined folding moment.

To be fitted and/or enabled in a specialist workshop, and ideally at your authorised BMW Motorrad Retailer.

CLUTCH LEVER AND HANDBRAKE LEVER PROTECTORS

Handbrake lever protector
Part nr.: 77 22 9 829 100
Price: **On Request**

Clutch lever protector
Part nr.: 77 22 9 829 099
Price: **On Request**

The clutch and handbrake lever protectors make a clear statement of uncompromising sportiness on the road. The curved bows made of aluminium and plastic protect the clutch lever and handbrake lever on the handlebars from being unintentionally actuated due to contact with another vehicle or damaging the bike if it falls over.

ENGINE SPOILER

The elegant three-part engine spoiler made of shatterproof and UV-resistant plastic ensures an individual sporty look. The side parts painted in Granite grey metallic, San Marino blue metallic and Racing red create a striking visual accent.

1 Engine spoiler, Granite grey metallic

Part nr.: 77 31 9 829 374
Price: **1278** RON

2 Engine spoiler, San Marino blue metallic

Part nr.: 77 31 9 829 375
Price: **1278** RON

3 Engine spoiler, Racing red

Part nr.: 77 31 9 829 376
Price: **1278** RON

PASSENGER SEAT COVER

The stylish passenger cover skilfully emphasises the bike's sporty and dynamic look. Made of shatter-proof and UV-resistant plastic, it can be easily installed with cords in a plug-and-play fashion ensuring a sporty single-seater look when riding solo.

1 Passenger seat cover, Black storm metallic

Part nr.: 46 63 1 541 329
Price: **On Request**

2 Passenger seat cover, Hockenheim silver metallic

Part nr.: 46 63 9 444 544
Price: **On Request**

3 Passenger seat cover, San Marino blue metallic

Part nr.: 46 63 1 541 330
Price: **On Request**

ERGONOMICS & COMFORT

LOW SEAT

The low seat makes it easier to get on and off and improves ground accessibility. Many riders feel safer thanks to the reduced seat height, because they can manoeuvre and control their motorcycle more easily. The ergonomics of the low seat are designed for long tours. The high-quality surface material in black corresponds to the standard equipment.

Part nr.: 52 53 9 480 745
Price: **1655** RON

HIGH SEAT

The high seat has a seat height of 835mm thanks to the additional padding. This means that even tall riders enjoy a comfortable knee angle and a relaxed and comfortable seat position that helps prevent signs of fatigue even on long journeys.

Part nr.: 52 53 9 480 744
Price: **1655** RON

WINDSCREENS

The tinted Pure windscreen as cockpit trim panel underlines the bike's sporty appearance.

The scratch-resistant coated high windscreen is higher and wider than the standard version and therefore offers noticeably improved wind and weather protection as well as greater overall touring comfort. Especially on fast motorway stretches, the high windscreen provides relief for the upper body and provides more relaxed and fatigue-free kilometres.

1 Pure windscreen

Part nr.: 77 33 8 409 968
Price: **402** RON

3 High windscreen

Part nr.: 77 33 8 409 969
Price: **679** RON

CENTRE STAND

Part nr.: 46 52 8 404 255
Price: **829** RON

The stable centre stand ensures a safe stand for the motorcycle even on slopes and offers advantages, for example, when refuelling, mounting cases and topcases or checking tyre pressure. The motorcycle also takes up less space when parked upright.

HANDLEBARS, HIGH

Part nr.: 32 71 8 404 209
Price: **1263** RON

The high handlebars are 27 mm higher compared to the standard and allow a more upright sitting position. The resulting overall improvement in ergonomics improves the riding experience and reduces signs of fatigue. The rider simply feels safer on the bike.

LOW - SLUNG (NOT SHOWN)

The changes in the chassis resulting from the lowered suspension reduce the vehicle height and the seat height. This means that even smaller riders can enjoy improved stability and have better control over their machine when manoeuvring.

Fork leg, left, black
Part nr.: 77 42 9 480 487
Price: **On Request**

Fork leg, right, black
Part nr.: 32 71 8 404 209
Price: **4446** RON

Fork leg, left, Gold
Part nr.: 31 42 9 467 903
Price: **4446** RON

Fork leg, right, Gold
Part nr.: 31 42 9 467 904
Price: **4446** RON

Spring strut, low, rear
Part nr.: 33 54 8 404 357
Price: **4446** RON

Available at BMW Motorrad dealers.

SHIFT ASSISTANT PRO (NOT SHOWN)

Part nr.: 23 41 8 522 869
Price: **2594** RON

The shift assistant Pro allows shifting up and down in almost all load ranges and engine speed ranges without actuating the clutch or throttle. The assistant thus ensures noticeably reduced shifting times, a relief of the clutch hand and thus greater comfort and dynamics.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

RETROFIT SET OF HEATED GRIPS AND SWITCHES (NOT SHOWN)

No more cold hands: this is ensured by the electric heated grips with multi-stage control. They increase comfort and at the same time bring more safety, because with warm hands and more feeling in their fingers, the rider simply has better control of the motorcycle – on cold days as well as when riding in the rain.

For more detailed information, contact your authorised BMW Motorrad Retailer or go online at bmw-motorrad.com.
To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

RETROFIT SET FOR CRUISE CONTROL (NOT SHOWN)

The electronic cruise control can be activated from 30 km/h and keeps the driving speed constant. This makes it possible to enjoy longer motorway stretches in a relaxed style. The function is deactivated on braking, and the selected speed is automatically adopted after activating the resume button.

Part nr.: 61 31 9 480 151
Price: **1832** RON

NAVIGATION & COMMUNICATION

BMW MOTORRAD NAVIGATOR VI

Part nr.: 77 52 8 355 994
 Price: **4204** RON

With the multifunctional Navigator VI, route planning becomes child's play. The system with 16GB flash memory and a five-inch touch screen always shows the right way. Thanks to the circular polarisation filter (CPOL), the waterproof display is easy to read even in direct sunlight. The high-resolution screen in a casing similar to a smartphone provides all the essential information and ensures that you can see the big picture required in every situation. Numerous additional functions make planning and touring an exciting experience. Plan your routes can be created according to your personal preferences and enjoy driving on winding and quiet side roads. In unknown terrain, the "round trip" option is a good choice as it reliably guides the rider at the end of the tour back to the starting point. The Bluetooth connection to the BMW Motorrad communication system and the optional Smartphone Link app enable multimedia on the go: navigation announcements, telephone calls and music streaming as well as the retrieval of weather forecasts or traffic jam information are no problem. Navigation preparation adds further functions such as "My Motorcycle", and the multi-controller on the handlebars offers an alternative control option. Choose the pre-installed map data, and you will always be up to date with lifelong, free map updates.

Bracket for BMW Motorrad navigation systems (not shown)

Note the differences in national-market versions. Only available in conjunction with OE navigation preparation.
 Not available in conjunction with the smartphone cradle holder or handlebar risers.
 To be fitted and/or enabled in a specialist workshop, and ideally at your authorised BMW Motorrad Retailer.

BMW MOTORRAD SMARTPHONE CRADLE

Part nr.: 77 52 8 563 125
 Price: **1048** RON

BMW Motorrad's robust Smartphone Cradle provides a safe and protected place for your smartphone. This means that useful functions such as navigation instructions and online information can also be used while you are on the move. Thanks to the handy charging function, your smartphone is always ready for action even on extended bike tours.

The functional BMW Motorrad smartphone cradle bracket is securely attached to the handlebar clamping block or the handlebar tube. This ensures that it can be positioned in the rider's direct field of vision. In addition, the bracket complements perfectly the cockpit area. The BMW Motorrad Navigator can also be attached to the bracket. (not shown)

Only available in combination with bracket for BMW Motorrad navigation devices.
 Not available in conjunction with preparation for navigation device or handlebar risers.
 To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad dealership.

SAFETY

RETROFIT SET FOR ANTI-THEFT ALARM SYSTEM (NOT SHOWN)

Part nr.: 77 53 9 443 591; Price: **1408** RON

Strong protection from theft: If the anti-theft alarm system is moved or struck violently, the system responds with a clearly audible signal and a hazard warning indicator lamp. The acoustic and optical warning will draw the attention of passers-by quickly. The alarm system is activated automatically when the ignition is switched off.

Note the differences in national-market versions.
 To be fitted and/or enabled in a specialist workshop, and ideally at your authorised BMW Motorrad Retailer.

ABS PRO RETROFIT SET (NOT SHOWN)

Part nr.: 77 53 8 395 840
 Price: **1149** RON

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

PRO RIDING MODES RETROFIT SET (NOT SHOWN)

Part nr.: 77 53 8 395 840
 Price: **1149** RON

The Pro riding modes can be retrofitted using an enabling code. Riders without Pro riding modes therefore do not have to do without the modern safety features. Retrofitting is possible with the Pro, Pro with DTC or Pro with ABS Pro riding modes.

For more detailed information, contact your authorised BMW Motorrad Retailer or go online at bmw-motorrad.com.
 To be fitted and/or enabled in a specialist workshop, and ideally at your authorised BMW Motorrad Retailer. Only available in conjunction with Dynamic Traction Control (DTC).

RETROFIT SET FOR TYRE PRESSURE CONTROL (NOT SHOWN)

The tyre pressure control with all its functions can be retrofitted by installing the control unit. Tyre pressure control provides reliable information about the current tyre pressure and warns the rider about pressure loss at an early stage. The corresponding notifications and instructions are provided by the on-board computer in the cockpit.

Part nr.: 65 75 8 546 222; Price: **1276** RON
 To be fitted and/or enabled in a specialist workshop, and ideally at your authorised BMW Motorrad Retailer.

PROTECTIVE GLASS FOR 6.5-INCH TFT DISPLAY

Part nr.: 77 52 2 462 777
 Price: **210** RON

The protective glass reliably protects the 6.5-inch TFT display from dirt, flying stones and damage. The hardened glass has an anti-glare and anti-reflective surface, so that the TFT display can be read easily. With BMW Motorrad inscription.

MAINTENANCE & TECHNOLOGY

OUTPUT REDUCTION 35 kW / 48 HP (NOT SHOWN)

Part nr.: 77 22 1 542 146

Price: **On Request**

The power reduction retrofit to 35 kW (48 hp) is an attractive option for beginners and returning riders. This leaves nothing to be desired when it comes to riding pleasure and feeling. The engine can be brought back to its full power later on, if desired. The power reduction is carried out by means of an enabling code.

ACCESSORIES FOR BMW S 1000 R

NEW

Model codes 0E51, 0E53

M PERFORMANCE PARTS

FOLDING M CLUTCH LEVER/BRAKE LEVER

NEW

The CNC-milled M clutch lever and handbrake lever made of corrosion-resistant anodised aluminium emphasise the motorbike's sportiness in a particularly impressive manner. They are perfectly matched to the bike design and fold upwards reversibly, which reduces the risk of bending or breaking in the event of a fall.

Folding M clutch lever
Part nr.: 77 22 9 467 178
Price: **On Request**

Folding M brake lever
Part nr.: 77 23 9 457 348
Price: **On Request**

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

M CLUTCH LEVER PROTECTOR/BRAKE LEVER PROTECTOR

NEW

Essential on the race track, the M clutch lever protector and M handbrake lever protector are also a clear statement of uncompromising sportiness on the road. The curved bows made of aluminium and plastic protect the clutch lever and brake lever on the handlebars from being unintentionally actuated due to contact with another vehicle.

BMW Motorrad recommends it is fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Price: **1425** RON

6 M carbon pinion cover

Part nr.: 77 12 8 403 925
Price: **1505** RON

M LIGHTWEIGHT BATTERY (NOT SHOWN)

Part nr.: 61 21 8 563 911
Price: **1090** RON

High battery power and low weight – the high-quality M battery featuring the latest lithium-ion technology weighs only 1,288g, a full 2,000g lighter than the standard battery. The perfect starting aid for ambitious Superbike riders who want to invest in every single gram on their motorcycle.

BMW Motorrad recommends it is fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

M AXLE PROTECTORS

The M axle protectors from BMW Motorrad protect the fork and swinging arm of the rear axle from scratches if the bike falls or tips over. The robust drop-protection pads are made of highly abrasion-resistant plastic and can take a lot if necessary. In the typical M look, they match the bike's design perfectly.

Part nr.: 77 03 9 443 012
Price: **402** RON

M ENGINE PROTECTORS

The M engine protector from BMW Motorrad is made of aluminium and equipped with a replaceable plastic slip pad. It protects the engine from direct grinding on the asphalt in extreme cornering situations and thus reliably prevents the engine components from being ground to the core as well as the engine from being damaged as a result.

BMW Motorrad recommends it is fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Left
Part nr.: 11 12 9 830 123

M OIL FILLER NECK

The M oil filler neck milled from black anodised aluminium has a white lasered M logo and highlights the sporty design with its look. The sealing cap has three bore holes which ensure an anti-twist protection for the race track.

Part nr.: 77 12 9 829 883
Price: **179** RON

M PERFORMANCE CARBON WHEEL SET

Part nr.: 77 21 1 543 037
Price: **20209** RON

NEW

The ultimate high-tech feature. The M carbon wheel set gives the motorbike maximum riding dynamics and handling comfort on the road. The carbon wheels are significantly lighter than the standard wheel set, have significantly lower gyroscopic forces and make it easier and quicker to quick-turn the bike from one side to the other.

Original BMW Motorrad accessories are available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

M FORGED WHEELS

The M forged wheel is black anodised and available in the tyre sizes 120/70 ZR 17 at the front and 200/55 ZR 17 at the rear. With 5 mm brake discs, it offers the highest braking performance – on the race track as well as in road traffic.

BMW Motorrad recommends it is fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer. Also available as optional equipment. Only available in conjunction with front/rear M forged wheel.

1 M forged wheel, front

Part nr.: 36 31 8 389 048
Price: **4931** RON

2 M forged wheel, rear

Part nr.: 36 31 8 389 049
Price: **5292** RON

USEFUL GEAR FOR THE RACETRACK

NEW

When riders prepare their bikes for the race track, mirrors are needed just as little as licence plate holders. The body openings resulting from their removal are perfectly sealed by the high-quality covers in the M cover kit from BMW Motorrad.

The M data logger enables the automatic recording of lap times thanks to predefined start/finish lines on more than 300 racetracks worldwide. In addition, 80 riding parameters are recorded and stored on a USB stick. This allows you to analyse and optimise your personal best time curve by curve.

Only for the racetrack.

1 M cover kit

Part nr.: 77 31 1 542 197
Price: **280** RON

2 M data logger (not shown)

Part nr.: 77 53 9 457 161
Price: **On Request**

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

USEFUL GEAR ON AND OFF THE RACETRACK

The M tyre heaters bring the tyres into the recommended temperature window for training and racing to ensure optimum grip.

The milled M chain tensioner with assembly stand mounting made of aluminium and anodised twice gives the bike a particularly sporty look.

The M seat was specially designed for the race track and enables fatigue-free riding thanks to maximum feedback. With its particularly non-slip upper material and firm foam, it gives the rider optimum grip in the chase for the all-important tenths of a second.

The M passenger seat offers even more support during braking and acceleration thanks to a special design and a more grippy cover.

1 M chain tensioner with assembly stand mounting

Part nr.: 77 00 9 443 163
Price: **On Request**

2 M tyre heater (not shown)

NEW

Part nr.: 77 02 5 A2A 428
Price: **2770** RON

4 M passenger seat (not shown)

NEW

Part nr.: 52 53 9 444 687
Price: **1366** RON

M ASSEMBLY STAND MOUNTING (NOT SHOWN)

The M assembly stand mounting enables use of the rear sport assembly stand. The high-quality swinging arm adapters are simply mounted on the rear of the swinging arm and can also remain on the motorcycle while riding. With their M look, they fit perfectly into the sporty design of the bike.

Part nr.: 77 25 9 457 043
Price: **192** RON

M ENDURANCE CHAIN

NEW

More power at the rear wheel: The M Endurance chain with DLC-coated rollers is characterised by low friction and reduced maintenance. The diamond-like carbon coating is extremely hard and reduces efficiency losses to a minimum. Maintenance costs are also reduced thanks to DLC (Diamond-Like Carbon).

Part nr.: 33 81 9 444 387
Price: **1225** RON

M FRONT SPORT BRAKE (NOT SHOWN)

NEW

The M sports brake for the front wheel is characterised by increased fading stability and thermal stability. In addition, the brake callipers are lighter and offer noticeably improved braking performance even with standard pads. The blue anodised brake callipers with white lasered M logo also adds visual accents.

Part nr.: 77 23 1 688 173
Price: **On Request**

Original BMW Motorrad accessories are available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

STORAGE

TANK BAG, 10 L

Part nr.: 77 45 2 463 723
Price: **1211** RON

The 10-litre tank bag from BMW Motorrad with belt attachment integrates perfectly into the bike's racing design. It does not slip and thanks to its volume that can be expanded from 6 to 10 litres, it has sufficient storage space in its waterproof, removable liner for the most important travel items.

TANK BAG, 1.5 L

Part nr.: 77 45 2 463 725
Price: **484** RON

The BMW Motorrad 1.5-litre tank bag can be attached to fit on the tank cover with Tenax quick-release fasteners and integrates perfectly into the bike's racing design. It does not slip and offers 1.5 litres of storage space in its waterproof, removable liner for the most important travel items.

BAG FOR PASSENGER SEAT, 10 L

Part nr.: 77 45 2 463 724
Price: **721** RON

The 10-litre BMW Motorrad passenger seat bag is perfectly adapted to the bike's racing design. It can be fitted precisely on the passenger seat without special brackets, remains dimensionally stable and the volume can be extended from 7 to 10 litres for more luggage—well protected in the waterproof liner.

Not in conjunction with tail-hump cover.

REAR BAG, 20 L

Part nr.: 77 49 2 463 726
Price: **1241** RON

The 20-litre BMW Motorrad rear bag is perfectly adapted to the bike's racing design. It can be fitted precisely on the passenger seat without special brackets and remains dimensionally stable. The luggage remains well protected in the waterproof removable liner even in wind and weather.

Not available in conjunction with tail-hump cover.

SADDLEBAG, 21 L

Part nr.: 77 49 2 463 727
Price: **1951** RON

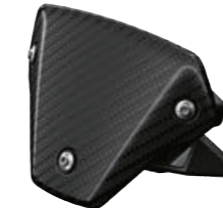

The saddlebags from BMW Motorrad fit perfectly into the sporty design of the bike. They can carry quite a bit of luggage in their waterproof liner. If required, the black bags including spacers can be removed quickly and easily thanks to the Quick-Lock fasteners.

For information on speed and load limitations, please refer to the operating instructions.

DESIGN

CARBON WIND DEFLECTOR

Part nr.: 77 33 8 414 749
Price: **1278** RON

The high-quality carbon wind deflector signals sportiness with its look. It is coated with UV-resistant high-gloss paintwork and is therefore particularly impact-proof. The high-quality carbon design also makes the windshield very light and thus reduces the overall weight of the motorbike.

NEW

BRAKE EXPANSION TANK (NOT SHOWN)

NEW

The brake expansion tank cover is made of milled aluminium and enhances the appearance of the motorcycle. The double anodised component with lasered M logo perfectly matches the sporty appearance of the bike.

Part nr.: 32 72 1 539 643
Price: **400** RON

HANDLEBAR RISERS (NOT SHOWN)

NEW

The 10mm handlebar risers made of anodised aluminium allow even taller riders to sit in an upright and comfortable position.

Part nr.: 31 42 1 540 410
Price: **256** RON

TANK PAD

NEW

The self-adhesive tank pad absolutely reliably protects the fuel tank from scratches on the paintwork and impressively emphasises the bike's racing look with its dynamic form. It is heat, moisture and water resistant and has a strong, UV-resistant protective layer.

Part nr.: 77 31 2 464 421
Price: **230** RON

HANDLEBAR END MIRROR (NOT SHOWN)

NEW

The handlebar end mirrors underline the sporty look of the bike and offer a field of vision to the rear that corresponds to the standard component. The 300g mirrors are perfectly tuned to the bike, reducing vibrations that can restrict the rear view.

Right Part nr.: 46 63 7 923 842
Price: **457** RON

TAIL-HUMP COVER

NEW

An absolute must for solo riders is the tail-hump cover, which is mounted on the passenger seat. The cover with a black backrest pad emphasises the sporty claim and perfectly complements the Superbike appearance of the bike.

1 Tail-hump cover, Hockenheim silver metallic

Part nr.: 46 63 7 923 858
Price: **311** RON

2 Tail-hump cover, Light white

Part nr.: 46 63 7 923 859
Price: **296** RON

3 Tail-hump cover, Racing red

Part nr.: 46 63 7 923 857
Price: **296** RON

REAR SPORT BRAKE
(NOT SHOWN)

NEW

The rear sports brake with its blue anodised brake calliper adds visual accents and is a perfect match for the M sports brake for the front wheel.

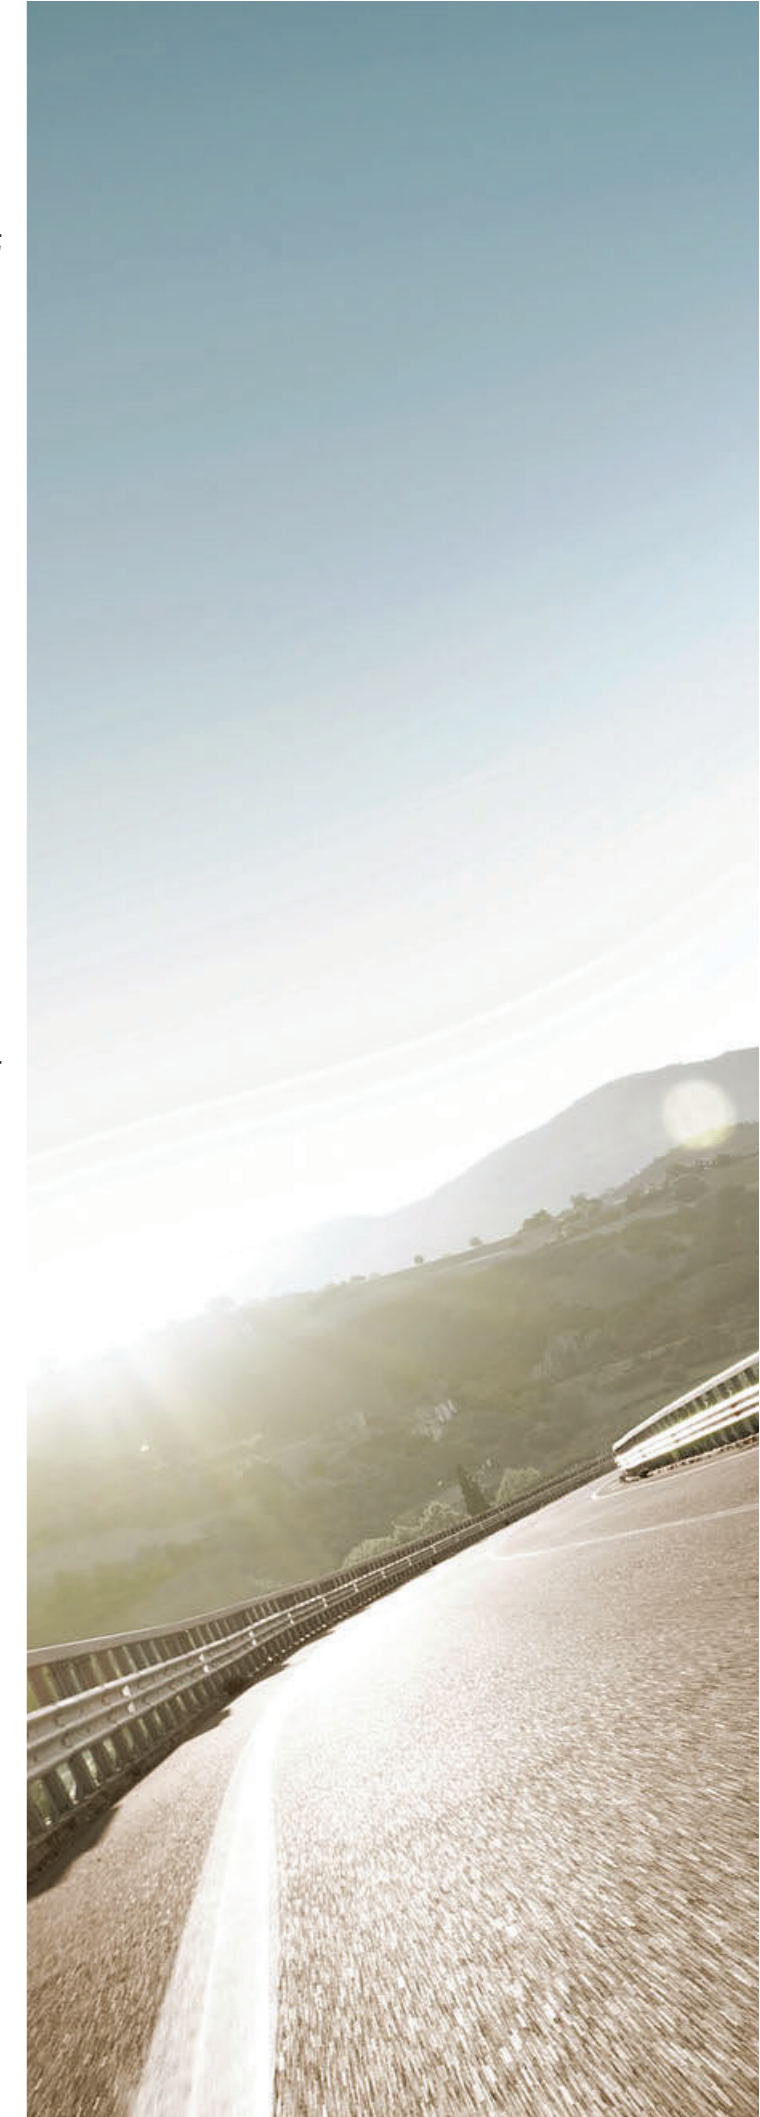

Part nr.: 77 23 1 668 499
Price: **On Request**

SPORTS SILENCER
(NOT SHOWN)

A top-class feature for top quality sound. The high-quality slip-on sports silencer made of titanium with a carbon end cap guarantees a throaty sound and a sporty appearance. In addition, the sports silencer developed with Akrapovič is weight-optimised compared to the standard silencer.

BMW Motorrad recommends it is fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 77 11 7 923 808
Price: **5803** RON

ERGONOMICS & COMFORT

LOW SEAT NEW
Part nr.: 52 53 8 414 742
Price: **1433** RON

15 mm lower than the standard version, this low seat makes climbing on off easier and keeps the ground within easy reach. Many riders feel safer thanks to the reduced seat height, because they can manoeuvre and control their motorcycle more easily. The high-quality surface material in black corresponds to the standard equipment.

Low seat
Seat height 810 mm

HIGH SEAT NEW
Part nr.: 77 34 8 414 751
Price: **1433** RON

The high seat has a seat height of 850 mm. This means that even tall riders enjoy a comfortable knee angle and a relaxed and comfortable seat position that helps prevent signs of fatigue.

High seat
Seat height 850 mm

KNEE PADS (NOT SHOWN) NEW

The adhesive knee pads for the tank from BMW Motorrad improve the rider's grip on the bike and ensure better control of the bike when accelerating, braking and leaning. At the same time, they effectively protect the fairing parts and the paintwork on the side surfaces of the tank from abrasion by motorcycle clothing.

Part nr.: 77 31 2 473 442
Price: **370** RON

PASSENGER SEAT (NOT SHOWN) NEW

The passenger seat ensures a high level of comfort on long journeys with a passenger. It also underlines the dynamic look of the motorcycle.

Part nr.: 52 53 9 443 402
Price: **1138** RON

SPORT WINDSCREEN NEW
Part nr.: 77 33 8 414 748
Price: **On Request**

PRO RIDING MODES RETROFIT SET (NOT SHOWN)

Pro riding modes make the bike fully race-ready with three additional RACE Pro modes and many racing extras. In addition to the individually configurable modes, they include three additional Core Ride Screens and extras such as Launch Control, Pit Lane Limiter, Hill Start Control Pro, Dynamic Brake Control and DTC Shift with Slide Control.

BMW Motorrad recommends it is fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 77 53 8 395 840
Price: **1149** RON

HEATED GRIPS AND SWITCHES (NOT SHOWN) NEW

No more cold hands: this is ensured by the electric heated grips with multi-stage control. The grips both enhance comfort and offer more safety, because it is easier to control the vehicle with warm hands and more feeling in the fingers. The grip heating is conveniently operated via a multifunction switch on the handlebars.

BMW Motorrad recommends it is fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer. Also available as optional equipment.

Part nr.: 61 31 8 552 122
Price: **1222** RON

SHIFT ASSISTANT PRO RETROFIT SET (NOT SHOWN)

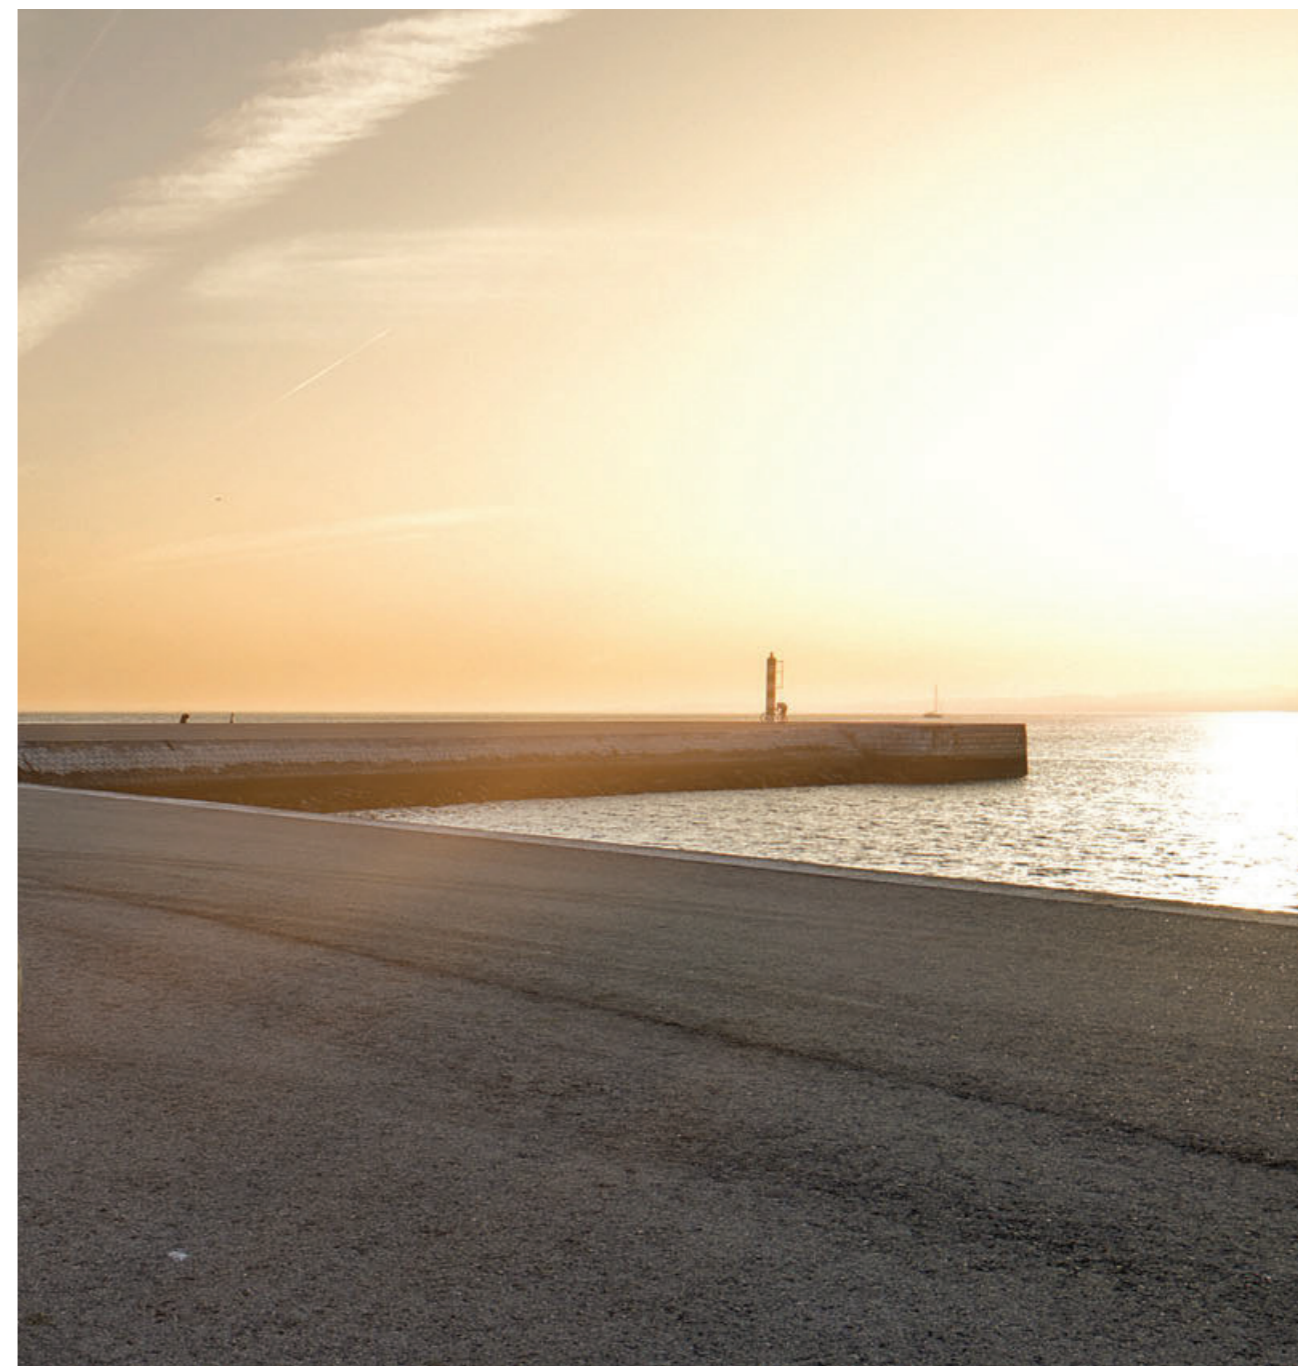

The shift assistant Pro allows shifting up and down in almost all load ranges and engine speed ranges without actuating the clutch or throttle. The assistant thus ensures noticeably reduced shifting times, a relief of the clutch hand and thus greater comfort and dynamics.

Part nr.: 23 41 8 355 688
Price: **2629** RON

CRUISE CONTROL RETROFIT SET (NOT SHOWN)

The electronic cruise control can be activated from 30 km/h and keeps the driving speed constant. This makes it possible to enjoy longer motorway stretches in a relaxed style. The function is deactivated on braking, and the selected speed is automatically adopted after activating the resume button.

Part nr.: 61 31 9 480 153
Price: **1832** RON

NAVIGATION & COMMUNICATION

BMW MOTORRAD NAVIGATOR VI Part nr.: 77 52 8 355 994
 Price: **4204** RON

The multifunctional Navigator VI makes route planning child's play. The system with 16GB flash memory and a five-inch touch screen always shows the right way. Thanks to the circular polarisation filter (CPOL), the waterproof display is easy to read even in direct sunlight. The high-resolution screen in a casing similar to a smartphone provides all the essential information and ensures that you can see the big picture required in every situation. Numerous additional functions make planning and touring an exciting experience. Plan your routes can be created according to your personal preferences and enjoy driving on winding and quiet side roads. In unknown terrain, the "round trip" option is a good choice as it reliably guides the rider at the end of the tour back to the starting point. The Bluetooth connection to the BMW Motorrad communication system and the optional Smartphone Link app enable multimedia on the go: navigation announcements, telephone calls and music streaming as well as the retrieval of weather forecasts or traffic jam information are no problem. Navigation preparation adds further functions such as "My Motorcycle", and the multi-controller on the handlebars offers an alternative control option. Choose the pre-installed map data, and you will always be up to date with lifelong, free map updates.

Note the differences in national-market versions. Only available in conjunction with OE navigation preparation.

BMW MOTORRAD USB CABLE NEW

Part nr.: 77 52 5 A1C B60
 Price: **307** RON

The three BMW Motorrad USB cables in the set provide a connection for any standard device. The special connectors with an extended shaft are easy to handle. The cables, each with a length of 1.8 m, can be individually adjusted and compactly stowed away using a Velcro strap.

Caution: Only for charging. No multimedia functions

CHARGING SOCKET RETROFIT SET NEW

Part nr.: 65 90 1 598 766
 Price: **On Request**

The 12 volt charging socket provides power for external electrical equipment. With the BMW USB charger, external navigation devices, music players or mobile phones, for example, can be supplied with power or charged.

BRACKET FOR BMW MOTORRAD NAVIGATION SYSTEMS NEW

(NOT SHOWN)

The functional holder for the BMW Motorrad navigation systems is attached securely to the handlebar tube. This ensures that it can be positioned in the rider's direct field of vision. In addition, the bracket complements perfectly the cockpit area.

Part nr.: 77 52 2 880 697
 Price: **136** RON

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

SAFETY

RADIATOR GRILLE

Part nr.: 77 31 8 414 688
 Price: **220** RON

The BMW Motorrad radiator grille reliably protects the radiator on the race track from tyre abrasion and damage due to stone chips. The two-piece polyamide grille fits the upper water cooler and the lower oil cooler exactly and its design matches the aerodynamics of the motorcycle perfectly.

PROTECTIVE GLASS FOR 6.5-INCH TFT DISPLAY

Part nr.: 77 52 2 462 777
 Price: **210** RON

The protective glass reliably protects the 6.5-inch TFT display from damage. The hardened glass has an anti-glare and anti-reflective surface, so that the TFT display can be read easily. With BMW Motorrad inscription.

ANTI-THEFT ALARM SYSTEM RETROFIT SET (NOT SHOWN)

Strong protection from theft: If the motorcycle is moved or struck violently, the anti-theft alarm system responds with a clearly audible signal and a flashing warning light. The acoustic and optical warning will draw the attention of passers-by quickly. The alarm system is activated automatically when the ignition is switched off.

BMW Motorrad recommends it is fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer. Also available as optional equipment. Please note the specifications for different countries.

Part nr.: 77 53 1 541 294
 Price: **1659** RON

TYRE PRESSURE CONTROL RETROFIT SET (NOT SHOWN)

The tyre pressure control with all its functions can be retrofitted by installing the control unit. Tyre pressure control provides reliable information about the current tyre pressure and warns the rider about pressure loss at an early stage. The corresponding notifications and instructions are provided by the on-board computer in the cockpit.

BMW Motorrad recommends it is fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 65 75 9 832 031
 Price: **1276** RON

Original BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

MAINTENANCE & TECHNOLOGY

SPORT AUXILIARY STAND

Easy to set up, this sturdy auxiliary stand holds your BMW securely in place, making maintenance easier to carry out.

Figures shows auxiliary stand on the S 1000 XR.

1 Sport auxiliary stand, front

Part nr.: 77 02 8 551 859
Price: **932 RON**

2 Sport auxiliary stand, rear

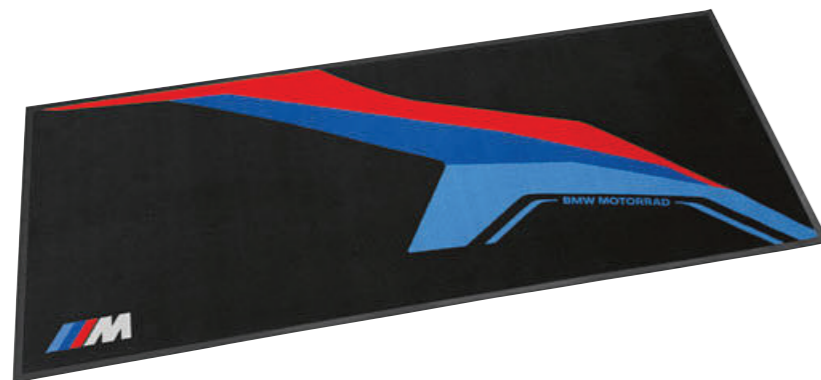

Part nr.: 77 02 8 551 854
Price: **932 RON**

MOTORCYCLE MAT

Part nr.: 77 02 5 A18 9C0
Price: **665 RON**

An exclusive place for the bike: the motorcycle mat not only impresses with its attractive design, it also reliably protects the floor from dirt, oil and petrol stains. A further advantage is the anti-slip and fire-retardant material composition. The practical underlay measures a compact 250x105 cm.

NEW

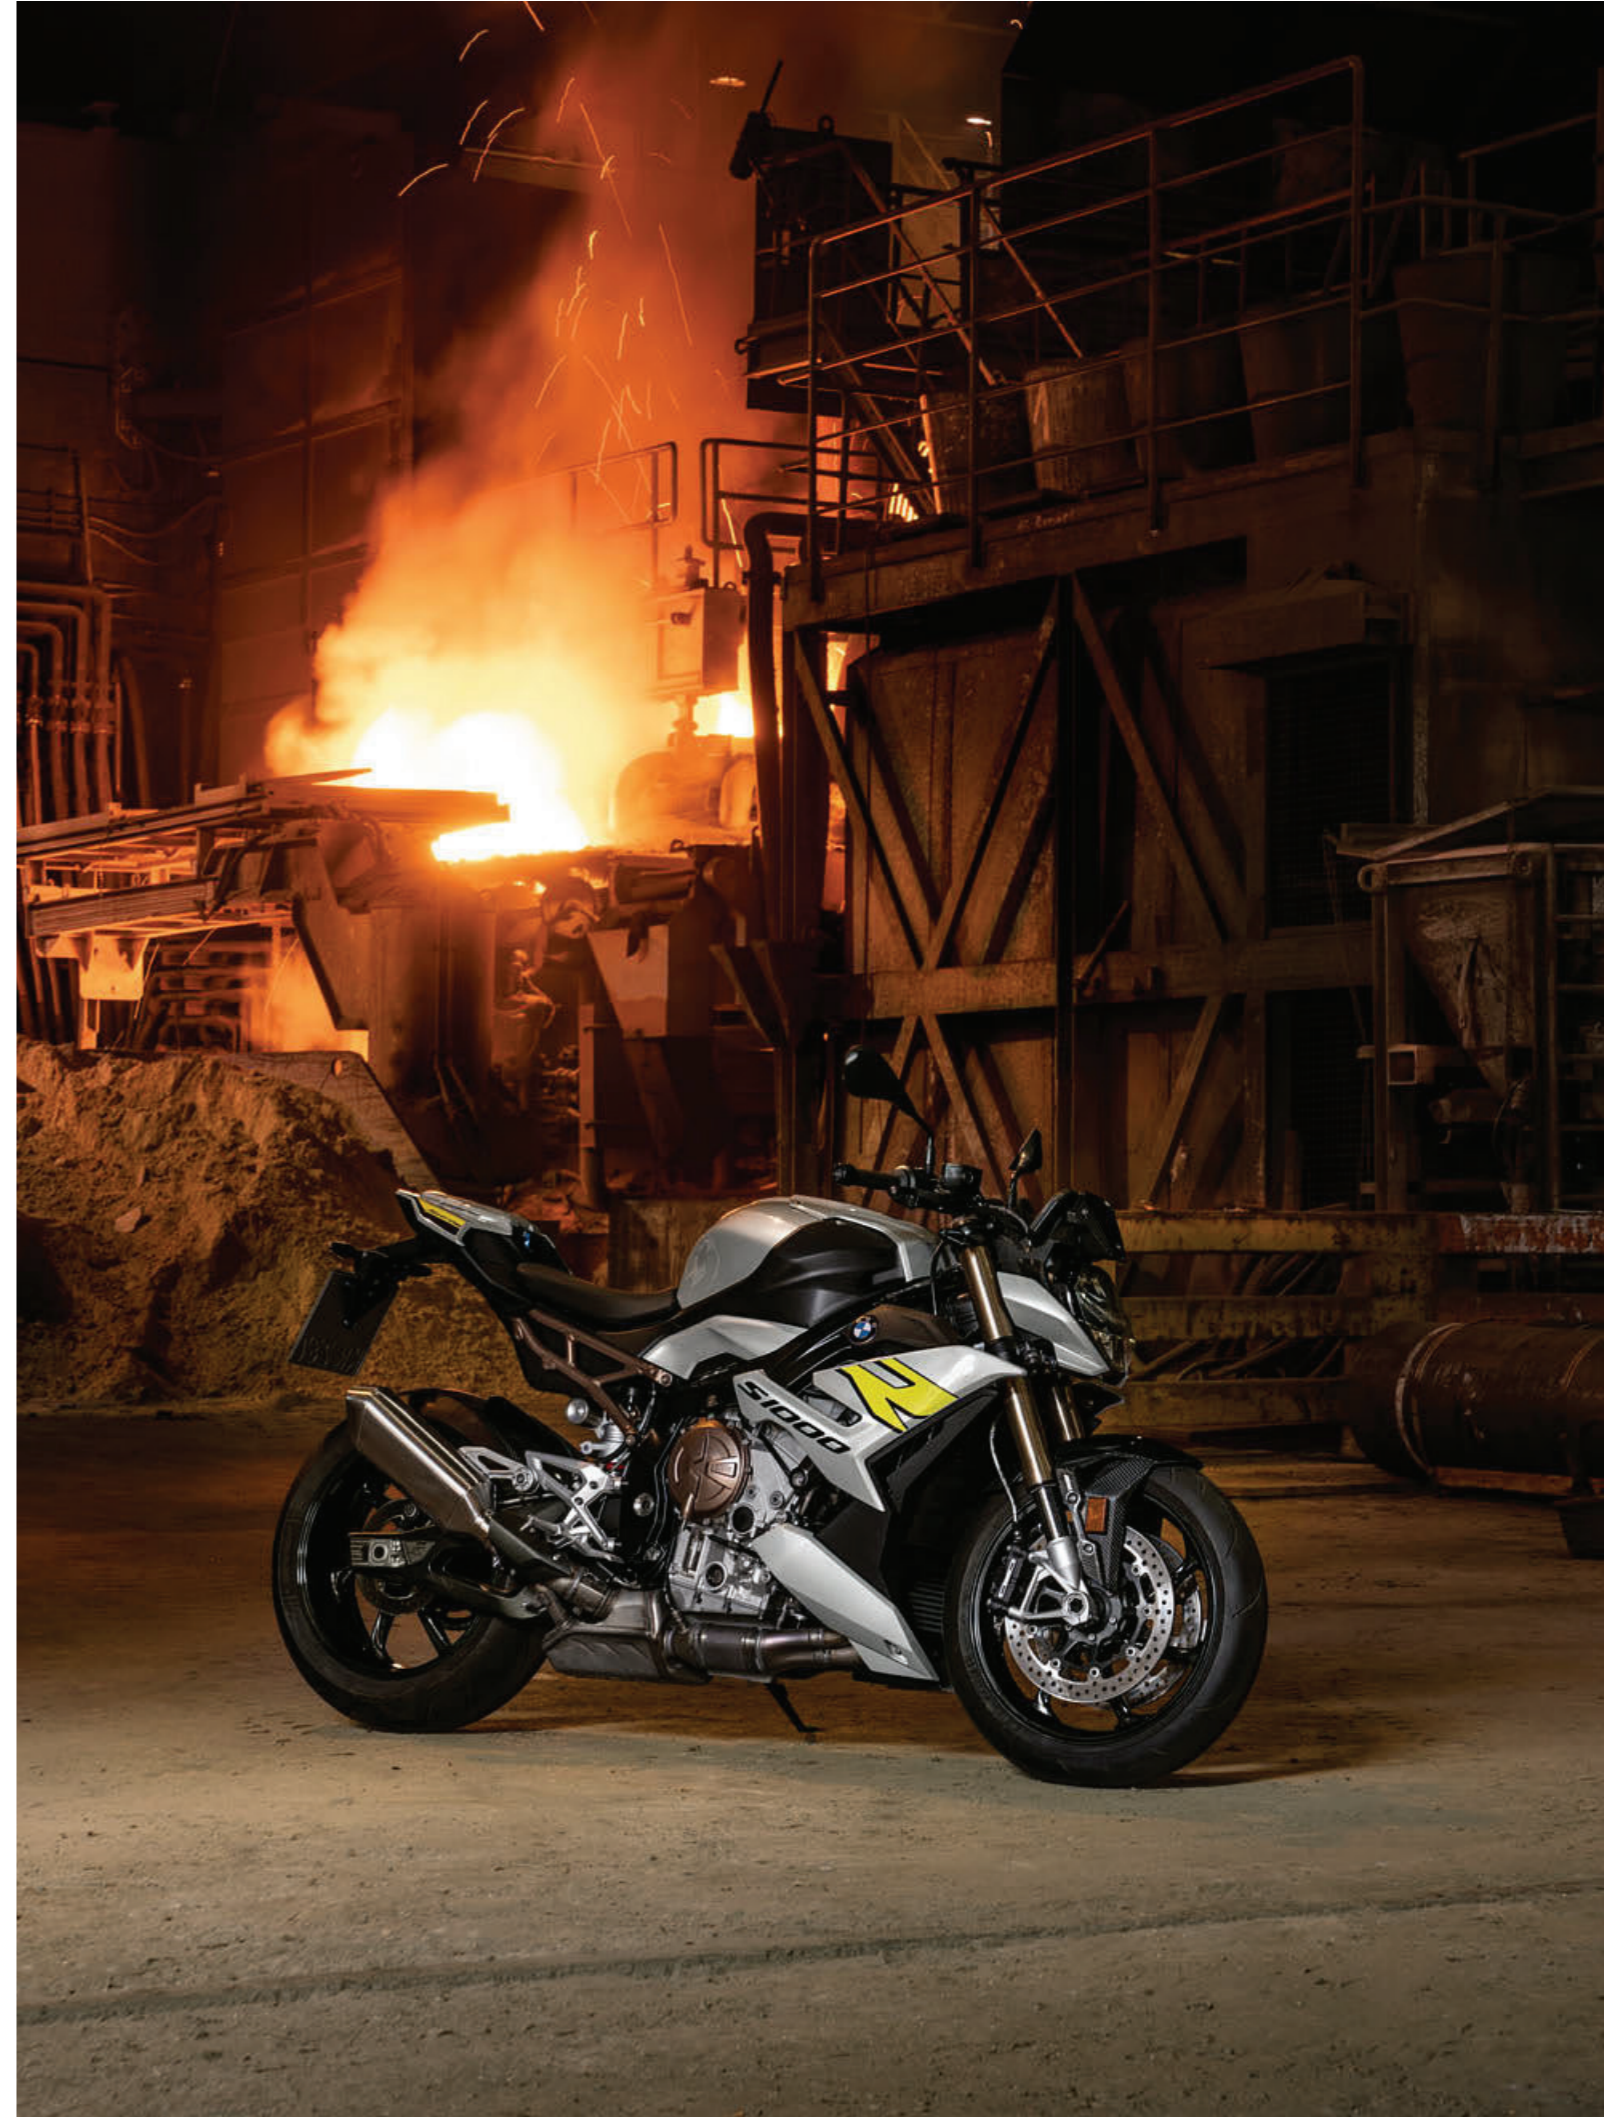

ADVANTEC PROTECT ORIGINAL BMW FUEL ADDITIVE

NEW

The ADVANTEC Protect Original BMW Fuel Additive protects the fuel from ageing and prevents corrosion in the combustion chamber and on all parts carrying fuel. The cleaning effect also removes deposits that can impair engine output. The additive can be used as an immediate or preventive measure.

Note the differences in national-market versions.

Part nr.: 83 19 2 460 609
Price: **51 RON**

ACCESSORIES FOR BMW S 1000 R

Model codes 0D52, 0D62

HP PARTS

HP FOOTREST SYSTEM AND HP REAR FOOTRESTS

The HP footrest system is adjustable in many ways and offers ergonomic qualities as well as maximum variability. The high-quality milled parts made of anodised aluminium can be adapted to a sporty riding style or different rider statures and thus ensure even better control, for example in an inclined position.

The HP rear footrests are milled from an anodised aluminium alloy and give the bike an even sportier appearance.

To be fitted and/or enabled in a specialist workshop, and ideally at your authorised BMW Motorrad Retailer.

1 HP footrest system

Left Part nr.: 77 25 8 550 773
Price: **1771** RON
Right Part nr.: 77 25 8 569 048
Price: **1771** RON

2 HP rear footrests

Part nr.: 77 25 8 358 688
Price: **485** RON

3 HP rear footrests, black

Part nr.: 77 25 2 452 955
Price: **485** RON

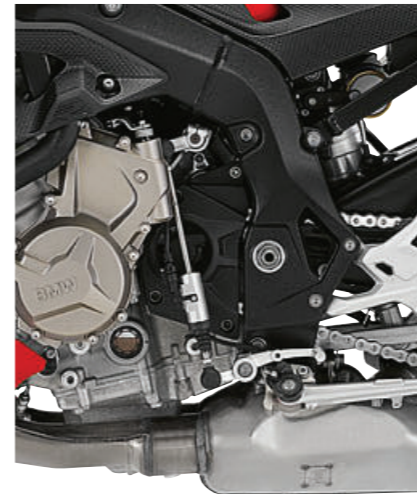

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

SHIFT ASSISTANT PRO

Delivers smooth acceleration without using the clutch lever – 10 times faster than normal gear shifts.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 23 41 8 549 125
Price: **2629** RON

HP FORGED WHEELS

The black anodised HP forged front wheel offers improved handling and suspension characteristics thanks to its weight advantage. It weighs around 2 kg less than the standard wheel, which is particularly noticeable in fast S-bends.

The black anodised HP forged rear wheel is lighter than the standard wheel while maintaining optimum stability. The lower mass promotes the responsiveness of the spring strut and noticeably improves the handling characteristics.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

1 HP forged wheel, front

Part nr.: 36 31 8 548 892
Price: **4548** RON

2 HP forged wheel, rear

Part nr.: 36 31 8 548 893
Price: **4881** RON

HP ENGINE PROTECTOR

Aluminium engine protectors with plastic sliders provide additional protection for your engine.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

1 HP engine guard, left

Part nr.: 77 25 8 545 293
Price: **713** RON

2 HP engine guard, right

Part nr.: 77 25 8 545 292
Price: **535** RON

HP CLUTCH LEVER PROTECTOR / HP CLUTCH LEVER PROTECTOR

These brake and clutch lever protectors are essential on the racetrack and show the bike's racing pedigree on public roads.

HP clutch lever protector only available in conjunction with HP clutch lever.

HP handbrake lever protector

Part nr.: 77 22 8 555 582
Price: **695** RON

HP clutch lever protector

Part nr.: 77 22 8 555 583
Price: **695** RON

Original BMW Motorrad accessories are available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

HP AXLE PROTECTORS

The HP axle protectors made of highly abrasion-resistant plastic protect the fork and swinging arm from scratches if the bike falls or tips over.

Installation instructions are available from your authorised BMW Motorrad Retailer.

Part nr.: 77 25 8 356 929
Price: **402 RON**

FOLDING HP CLUTCH LEVER/HP BRAKE LEVER

Made out of corrosion-resistant, anodized aluminium, the CNC-milled HP brake and clutch levers are both stylish and highly practical. Easily adjustable to provide the most suitable position for every rider, the built-in folding design also reduces the risk of bending or breaking in the event of an accident.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

1 Folding HP brake lever

Part nr.: 77 22 8 537 510
Price: **896 RON**

2 Folding HP clutch lever

Part nr.: 77 22 8 537 509
Price: **896 RON**

HP CARBON BOLT-ON PARTS

Superlative performance is a given with these bolt-on parts. They're elegant, exclusive and durable—each one a masterpiece in its own right. And if perfection's what you're after, you've hit the jackpot here because they're made of carbon, the ultimate lightweight material. An unbeatable combination of stylish looks and technical expertise.

Installation instructions are available from your authorised BMW Motorrad Retailer.

6 Model shown: BMW S 1000 XR

1 HP Carbon rear wheel cover

3 HP rider's seat

Part nr.: 77 34 8 546 602
Price: **1485** RON

4 HP assembly stand mounting

Part nr.: 77 25 8 560 293
Price: **192** RON

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

STORAGE

REAR BAG

Part nr.: 77 49 8 545 894
Price: **1137** RON

The robust rear bag with its waterproof main compartment and water-repellent outer pockets offers a volume from 25 to 32 litres. A padded carry handle and a shoulder strap make transport easy. The bag is perfectly adapted to the passenger seat and is securely fastened with 3-point tensioning straps.

Not available in conjunction with the comfort passenger seat or passenger seat cover. Please refer to the operating instructions for information on speed and load limitations.

TANK BAG

Part nr.: 77 45 8 545 898
Price: **1117** RON

The tank bag is made of durable PU-coated polyester fabric with a waterproof main compartment and strap fastening and holds 13 litres. The water-repellent outside pocket offers additional stowage space. The carry handle and the detachable shoulder strap are further practical features.

Please refer to the operating instructions for information on speed and load limitations.

SADDLE BAGS

Part nr.: 77 40 2 446 914
Price: **1853** RON

The saddlebags made of durable polyester offer around 10 litres of stowage space on each side, which can be expanded up to 16 litres. The three-sided all-round zip ensures good accessibility. The scope of supply includes two waterproof, removable liners. The Quick-Lock system enables quick installation.

Please refer to the operating instructions for information on speed and load limitations.

BAG FOR PASSENGER SEAT

Part nr.: 77 49 8 562 631
Price: **684** RON

The waterproof passenger seat bag made of durable polyester with 2.5 litre stowage space can be expanded to 5.5 litres—just the right size for a day trip. The three-sided all-round zip ensure good accessibility.

Not available in conjunction with the passenger seat cover. For information on speed and load restrictions, please refer to the operating instructions.

Original BMW Motorrad accessories are available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

DESIGN

LED INDICATORS

A shining example: The beautifully designed LED indicators with white turn indicator glass convince with their slim design and modern lighting technology. They respond much faster than incandescent lamps and are virtually wear-free. This provides a clear safety advantage in road traffic.

Note the differences in national-market versions. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 63 13 8 522 499
Price: **256 RON**

Available at BMW Motorrad dealers.

HEATED GRIPS AND SWITCHES (NOT SHOWN)

Keep your hands warm in cooler temperatures with heated grips (adjustable between two settings). Also available as an equipment option.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

PRO GEAR - SHIFT ASSIST (NOT SHOWN)

The shift assistant Pro allows shifting up and down in almost all load ranges and engine speed ranges without clutch control. The assistant thus ensures noticeably reduced shifting times, a relief of the clutch hand and thus more comfort, dynamics and riding pleasure.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 23 41 8 549 125
Price: **2629 RON**

SPORT WINDSCREEN, TINTED

Part nr.: 46 63 8 546 224
Price: **842 RON**

The sport windscreen comes with a scratch-resistant coating and provides perfect protection against wind and rain.

Note the differences in national-market versions. To be fitted and/or enabled in a specialist workshop, and ideally at your authorised BMW Motorrad Retailer.

PRO RIDING MODES RETROFIT SET (NOT SHOWN)

The Pro riding modes can be retrofitted using an enabling code. Riders without Pro riding modes therefore do not have to do without modern safety features. Retrofitting is possible with the Pro riding modes including Dynamic Traction Control (DTC) or the Pro driving modes including curve-compatible ABS Pro.

For more detailed information, contact your authorised BMW Motorrad Retailer or go online at bmw-motorrad.com. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer. Only available in conjunction with Dynamic Traction Control (DTC).

Part nr.: 13 61 8 534 237
Price: **1149 RON**

Original BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

NAVIGATION & COMMUNICATION

BMW MOTORRAD NAVIGATOR VI

Part nr.: 77 52 8 356 005
 Price: **3737** RON

With the multifunctional Navigator VI, route planning becomes child's play. The system with 16 GB flash memory and a five-inch touch screen always shows the right way. Thanks to the circular polarisation filter (CPOL), the waterproof display is easy to read even in direct sunlight. The high-resolution screen in a casing similar to a smartphone provides all the essential information and ensures that you can see the big picture required in every situation. Numerous additional functions make planning and touring an exciting experience. Plan your routes according to your personal preferences and enjoy driving on winding and quiet side roads. The "round trip" option is a good choice on unfamiliar terrain as it will reliably lead you back to the starting point. The Bluetooth connection to the BMW Motorrad communication system and the optional Smartphone Link app enable multimedia on the go: navigation announcements, telephone calls and music streaming as well as the retrieval of weather forecasts or traffic jam information are no problem. With the navigation preparation, further functions such as "My motorcycle" are available; alternatively, control via the multi-controller on the handlebars is possible. Choose the pre-installed map data, and you will always be up to date with lifelong, free map updates.

Note the differences in national-market versions.
 Only available in conjunction with OE navigation preparation.

BMW MOTORRAD SMARTPHONE CRADLE

Part nr.: 77 52 8 563 125
 Price: **1048** RON

BMW Motorrad's robust smartphone cradle provides a safe and protected place for your smartphone. This means that useful functions such as navigation instructions and online information can also be used while you are on the move. Thanks to the handy charging function, your smartphone is always ready for action even on extended bike tours.

Only in combination with bracket for BMW Motorrad navigation systems.

SAFETY

ANTI-THEFT ALARM SYSTEM RETROFIT SET (NOT SHOWN)

If the anti-theft alarm system is moved or struck violently, the system responds with a clearly audible signal and a hazard warning indicator lamp.

Note the differences in national-market versions.
 To be fitted and/or enabled in a specialist workshop,
 ideally at your authorised BMW Motorrad Retailer.

Part nr.: 77 53 9 443 591
 Price: **1408** RON

ACTIVATION CODE FOR DTC (NOT SHOWN)

Dynamic Traction Control (DTC) ensures greater riding stability and controls wheel slip even when leaning into corners to prevent the rear wheel from spinning. Depending on the riding mode, DTC allows more or less slip and thus guarantees the maximum safety and riding dynamics on different routes.

To be fitted and/or enabled in a specialist workshop,
 ideally at your authorised BMW Motorrad Retailer.

Part nr.: 13 61 8 550 119
 Price: **299** RON

ABS PRO RETROFIT SET (NOT SHOWN)

For more detailed information, contact your authorised BMW Motorrad Retailer or go online at bmw-motorrad.com.
 Only available in conjunction with Dynamic Traction Control (DTC).
 To be fitted and/or enabled in a specialist workshop,
 ideally at your authorised BMW Motorrad Retailer.

Part nr.: 77 23 8 546 512
 Price: **1624** RON

ACCESSORIES FOR THE BMW R 1250 R

HP PARTS

HP SPORT SILENCER
Part nr.: 77 11 9 444 595
Price: **5404** RON

The titanium-clad HP sport silencer delivers an impressively rich sound and is a clear avowal to racing, both visually and acoustically. The high-quality slip-on model offers a weight saving of approx. 0.8kg compared to the standard model thanks to its lightweight design.

HP HAND LEVER, ADJUSTABLE
Part nr.: 77 23 2 462 953
Price: **1240** RON

The CNC-milled HP hand levers made of anodised aluminium combine functionality and aesthetics. The grip width can be adjusted in five steps (brake lever) or three steps (clutch lever) using a setting screw and thus adapted to individual requirements. The look with HP logo also emphasises the bike's sportiness.

HP COVERS FOR EXPANSION TANKS

Part nr.: 77 22 2 462 947
Price: **878** RON

The HP cover for expansion tanks made of anodised aluminium also adds to the bike's sporty character. The high-quality milled cover with HP branding emphasises the high-performance claim and also provides for an attractive customisation of the bike.

HP MIRRORS

Part nr.: 77 22 2 462 949
Price: **2428** RON

The high-quality HP mirrors are made of milled aluminium and emphasise the sporty character of the bike. The low-vibration construction and aerodynamic shape ensure excellent visibility. The attractive design with BMW Motorrad inscription also creates a strong individualisation effect.

HP ENGINE HOUSING COVER, FRONT

Part nr.: 77 12 2 462 938
Price: **3048** RON

The HP engine housing cover made of anodised aluminium also adds to the bike's sporty character. The high-quality milled cover and HP branding emphasise the high-performance standard and also guarantee an attractive customisation of the bike.

**ADJUSTABLE HP RIDER FOOTRESTS/
HP FOOT LEVER**

HP rider footrests, adjustable
Part nr.: 77 25 2 462 962
Price: **1337** RON

HP foot lever, adjustable
Part nr.: 77 25 2 462 965
Price: **1511** RON

The HP rider footrests are adjustable in three positions and offer a high level of comfort in addition to ergonomic qualities. The high-quality milled parts made of anodised aluminium can be adapted to a sporty riding style or different rider statures and thus ensure even better control, for example in an inclined position.

The milled HP foot levers made of anodised aluminium are adjustable and come in sporty black/blue/silver. Adjusted to match, the foot levers can also be operated better and more sensitively when riding on large inclines. The exclusive look with HP logo also emphasises the bike's performance-based character.

HP CYLINDER HEAD COVERS

Part nr.: 77 12 2 462 935
Price: **6096** RON

The HP cylinder head covers made of anodised aluminium give the boxer engine an attractive appearance. The high-quality milled covers and HP branding highlight the motorcycle's sporty character. The HP oil filler plug perfectly matches the cylinder head covers.

HP CARBON HEAT GUARD

Part nr.: 77 11 8 556 703
Price: **655** RON

The high-quality HP Carbon cover acts as a heat protection and at the same time emphasises the sporty look of the sport silencer. The lightweight CFRP component for vehicles with and without a centre stand is sealed with UV-resistant high-gloss paint and adds a further sporty nuance.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

STORAGE

TOURING CASES

With a volume of 32 litres, the high-quality hard shell touring case for installation on the left offers ample space for luggage or the motorcycle helmet. The splashproof case with painted lid can be locked and is the perfect travel companion for short or longer tours.

With a volume of 31 litres, the high-quality hard shell touring case for installation on the right offers ample space for luggage. The splashproof case with painted lid can be locked and is the perfect travel companion for short or longer tours.

For information on speed and load restrictions, please refer to the operating instructions.

4 Touring case, Light white

Left Part nr.: 77 41 9 457 179
Price: **1766** RON
Right Part nr.: 77 41 9 457 180
Price: **1766** RON

Original BMW Motorrad accessories are available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

CASE HOLDER

Part nr.: 46 54 8 534 255
Price: **658** RON

The touring case can be easily and securely attached to the sturdy black powder-coated steel case holder.

LINER FOR TOURING CASES

Left Part nr.: 77 41 8 549 407
Price: **374** RON
Right Part nr.: 77 41 8 549 408
Price: **374** RON

These practical, water-resistant liners make full use of the capacity of the touring cases. Luggage can be accessed easily with one hand, and the bag can even be worn over the shoulder thanks to a detachable strap.

BAG FOR FRAME

Part nr.: 77 49 2 463 534
Price: **461** RON

The lined pocket made of PVC-coated polyester fabric is attached to the frame below the rider's seat and does not restrict freedom of movement. Now smaller items are also always on board while on the road. The water-repellent zip fastener with non-slip zip allows quick access.

LINER FOR TOPCASE

Part nr.: 77 43 8 549 130
Price: **337** RON

Makes loading and unloading a topcase even easier. The liner comes with a practical carry handle and can be folded flat when not in use.

LUGGAGE GRID

Part nr.: 46 54 8 534 258
Price: **685** RON

The sturdy, stylish luggage grid is ideal for reliably securing the topcase or other large items of luggage. It acts as a full grip for the passenger and is also ideal for use as a pushing aid when manoeuvring.

SMALL TANK BAG, 5-9L

Part nr.: 77 45 8 556 293
Price: **1007** RON

The small tank bag made of durable PU-coated polyester fabric is the ideal companion for short trips. The waterproof main compartment with liner, the exterior pocket, the volume that can be expanded from 5 to 9 litres, the carry handle and the removable shoulder strap are functional features that meet all your everyday needs.

SMALL TOPCASE, 30L

The waterproof plastic topcase with a volume of 30 litres offers enough space for a helmet. The lid, which is available in Asphalt grey metallic matt, Black storm metallic or Light white, and the soft-close hinges, which allow the lid to be lowered gently, underline the high-quality appeal.

Only in conjunction with luggage carrier, topcase carrier and corresponding outer shell.
For information on speed and load limitations, please refer to the operating instructions.
For more detailed information, contact your authorised BMW Motorrad Retailer or go online at bmw-motorrad.com.

Part nr.: 77 43 8 543 246
Price: **1327** RON

1 Topcase, Asphalt grey metallic matt

Part nr.: 77 43 8 409 433
Price: **551** RON

2 Topcase, in Black storm metallic

Part nr.: 77 43 8 414 337
Price: **551** RON

3 Topcase, Light white

Part nr.: 77 43 9 457 027
Price: **525** RON

BAG FOR PASSENGER SEAT, 16L

With a volume of 16 litres, this durable bag for the passenger seat offers enough storage space for the daily ride to work or for day trips. The three-sided zip fastener allows quick access, while the functional carrying handle facilitates transport.

Part nr.: 77 45 8 557 768
Price: **721** RON

DESIGN

OPTION 719 CLASSIC WHEEL

The high-quality Option 719 Classic wheel comes in an attractive bicolour look with elaborate contrast milling. The special workmanship of the cast wheel surface gives the machine an exclusive, high-quality character.

1 Option 719 Classic front wheel

Part nr.: 36 31 8 404 393
Price: **3399** RON

2 Option 719 Classic rear wheel

Part nr.: 36 31 8 404 320
Price: **3515** RON

OPTION 719 SPORT WHEEL

The high-quality Option 719 Sport wheel comes in an attractive bicolour look with elaborate contrast milling. The special workmanship of the cast wheel surface gives the machine an exclusive, high-quality character.

1 Option 719 Sport front wheel

Part nr.: 36 31 8 404 394
Price: **3399** RON

3 Option 719 Sport rear wheel

Part nr.: 36 31 8 404 321
Price: **3515** RON

REAR - WHEEL COVER

Part nr.: 77 22 9 898 516
Price: **693** RON

The milled aluminium rear-wheel cover emphasises the dynamic design of the bike. The black anodised covers with BMW Motorrad inscription and a diameter of 62mm enhance the motorcycle visually and technically.

LED INDICATORS

Part nr.: 63 13 8 522 499
Price: **256** RON

A shining example: the elegant LED indicators with white indicator glass match the motorcycle's look and also enhance it. Moreover, they impress with their sleek design and modern lighting technology. For example, they respond faster than classic bulbs and are virtually wear-free.

Please note the specifications for different countries. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

OPTION 719 CLASSIC COVERS FOR EXPANSION TANKS

Part nr.: 77 22 2 462 945
Price: **878** RON

The Option 719 Classic covers for expansion tanks set an elegant, design highlight with their silver-coloured appearance. The milled cover made of anodised aluminium bears the inscription "Option 719". Together with the other special parts of Option 719 an exclusive customisation effect is created.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

OPTION 719 CLASSIC HAND LEVERS, ADJUSTABLE

Part nr.: 77 23 2 462 951
Price: **1240** RON

The Classic hand levers of the exclusive Option 719 are milled from an anodised aluminium alloy. The grip width can be adjusted in five steps (brake lever) or three steps (clutch lever) using a setting screw and thus adapted to individual requirements. The high-quality Billet package parts with Option 719 branding add value to the bike.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

OPTION 719 CLASSIC ENGINE HOUSING COVER, FRONT

The Option 719 Classic engine housing cover sets an elegant, design highlight with its silver-coloured look. The high-quality milled cover made of anodised aluminium bears the "Option 719" inscription. Together with the other special parts of Option 719 an exclusive customisation effect is created.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 77 12 2 462 936
Price: **3048** RON

228 R 1250 R DESIGN

OPTION 719 CLASSIC ADJUSTABLE RIDER FOOTREST / FOOT LEVER

The Classic aluminium rider footrests are adjustable in three positions and offer a high level of comfort in addition to ergonomic qualities. The high-quality milled parts of the exclusive Option 719 can be adapted to a sporty riding style or different rider statures and thus ensure even better control, for example in an inclined position.

The exclusive Option 719 Classic milled aluminium foot levers are adjustable and emphasise the classic, high-quality character of the motorcycle. Adjusted to match, the foot levers can also be operated more sensitively when riding on large inclines. The high-quality Billet package parts with Option 719 branding add value to the bike.

Option 719 Classic rider footrests, adjustable
Part nr.: 77 25 2 462 960
Price: **1337** RON

Option 719 Classic foot lever, adjustable
Part nr.: 77 25 2 462 963
Price: **1511** RON

OPTION 719 SILVER MIRRORS

The Option 719 silver-coloured mirrors are made of milled aluminium and highlight the high-quality character of the bike. The low-vibration construction and aerodynamic shape ensure excellent visibility. The attractive design also creates a strong individualisation effect.

Part nr.: 77 22 2 462 948
Price: **2325** RON

OPTION 719 CLASSIC CYLINDER HEAD COVERS

Part nr.: 77 12 2 462 913
Price: **5941** RON

The Classic cylinder head covers of the exclusive Option 719 add design highlights with their silver-coloured look. The high-quality milled covers made of anodised aluminium bring the boxer engine into the spotlight. The exclusive special parts bear the inscription Option 719 and emphasise the high-quality character of the bike.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

OPTION 719 CLASSIC OIL FILLER PLUG

Part nr.: 11 12 8 396 740
Price: **308** RON

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

CHROME-PLATED EXHAUST MANIFOLD

Part nr.: 18 51 8 559 520
Price: **6956** RON

The chrome-plated exhaust manifold further enhances the motorcycle's appearance. This elegant manifold can be combined with the standard silencer or the HP sports silencer.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

ERGONOMICS & COMFORT

RIDER AND PASSENGER SEATS

30mm lower than the standard version, this black rider's seat makes climbing on and off easier and keeps the ground within easy reach. This makes the motorcycle easier to manoeuvre and control.

The rider's seat in classic black has a seat height of 790mm and an inner leg curve of 1,780mm.

The 30mm higher rider's seat in black is particularly suitable for tall riders. The comfortable knee angle provides the biker with a noticeable improvement in seating comfort and thus even more carefree kilometres, particularly over long distances

The Sport rider's seat in black is higher and narrower than the standard seat and supports a sporty riding style thanks to its active seat position.

Thanks to a broader seat area and additional padding, the Comfort passenger seat provides noticeably greater seating comfort.

1 Low rider's seat, black

Part nr.: 52 53 8 534 317
Price: **1533** RON

2 Rider's seat, black

Part nr.: 52 53 8 534 316
Price: **1533** RON

3 High rider's seat, black

Part nr.: 52 53 8 534 318
Price: **1533** RON

4 Sport rider's seat, black

Part nr.: 77 34 8 555 886
Price: **1533** RON

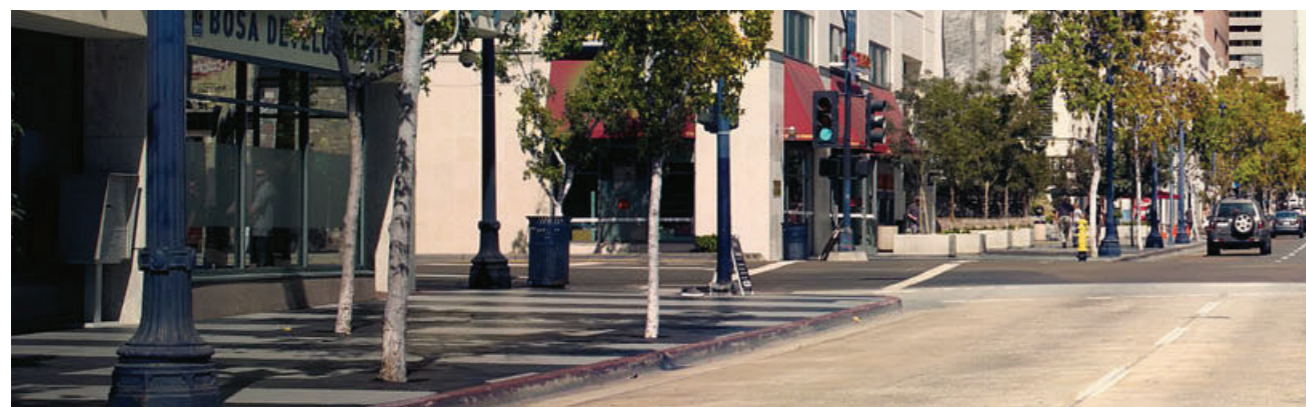

5 Comfort passenger seat, black

Part nr.: 52 53 8 534 320
Price: **1290** RON

6 Passenger seat, black

Part nr.: 52 53 8 534 319
Price: **1173** RON

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

WINDSCREENS

The clear Sport windscreen with a scratch-resistant coating noticeably relieves the wind pressure on the upper body and adds a further sporty nuance. The classic roadster look remains intact yet even fast motorway stretches or longer tours can be enjoyed with even greater relaxation.

The tinted Sport windscreen with a scratch-resistant coating noticeably relieves the wind pressure on the upper body and adds a sporty nuance. The classic roadster look remains intact yet even fast motorway stretches or longer tours can be enjoyed with even greater relaxation.

The high windscreen is approx. 80mm higher and 45mm wider than the Sport windscreen and therefore offers noticeably improved wind and weather protection as well as greater overall touring comfort. The scratch-resistant coating guarantees lasting transparency, while the clear look emphasises the high-quality appearance.

1 Sport windscreen

Part nr.: 46 63 8 534 281
Price: **755** RON

2 Sport windscreen, tinted

Part nr.: 77 33 8 544 629
Price: **868** RON

3 High windscreen

Part nr.: 77 33 8 534 283
Price: **1078** RON

4 Holder for windscreen

Part nr.: 46 63 8 555 087
Price: **205** RON

Original BMW Motorrad accessories are available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

CENTRE STAND

Part nr.: 46 52 8 532 725
Price: **1292** RON

The stable centre stand ensures a safe stand for the motorcycle even on slopes and offers advantages, for example, when refuelling, mounting cases and topcases or checking tyre pressure. The motorcycle also takes up less space when parked upright.

**ENDURO FOOTREST**

The wider and longer left-hand stainless steel Enduro footrest offers more grip and allows better off-road vehicle control.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Left
Part nr.: 46 71 8 529 843
Price: **487** RON

Right
Part nr.: 46 71 8 529 844
Price: **487** RON

**SHIFT ASSISTANT PRO**

The shift assistant Pro allows shifting up and down in almost all load ranges and engine speed ranges without actuating the clutch or throttle. The assistant thus ensures noticeably reduced shifting times, a relief of the clutch hand and thus greater comfort and dynamics.

Part nr.: 23 41 8 536 884
Price: **2200** RON

**SPORTS HANDLEBARS (NOT SHOWN)**

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 32 71 8 392 820
Price: **1307** RON

Available at BMW Motorrad dealers.

HEATED GRIPS AND SWITCHES (NOT SHOWN)

Warm hands feel good, which is why these heated handlebar grips have two settings designed to keep hands and fingers pleasantly warm.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

PRO RIDING MODES RETROFIT SET (NOT SHOWN)

The Pro riding modes can be retrofitted using an enabling code. Riders of older motorcycles therefore do not have to do without modern safety features. Depending on the year of manufacture, retrofitting is possible with the Pro, Pro with DTC or Pro with ABS Pro, DTC and HSC modes.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

CRUISE CONTROL RETROFIT SET (NOT SHOWN)

The electronic cruise control can be activated from 30 km/h and keeps the driving speed constant. This makes it possible to enjoy longer motorway stretches in a relaxed style. The function is deactivated on braking, and the selected speed is automatically adopted after activating the resume button.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 61 31 8 522 472
Price: **1235** RON

HILL START CONTROL RETROFIT SET (NOT SHOWN)

Park or pull away on up or down gradients, even with a passenger and heaps of luggage on board.

Also available as optional equipment.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 77 23 8 536 874
Price: **1149** RON

NAVIGATION & COMMUNICATION

BMW MOTORRAD NAVIGATOR VI

Part nr.: 77 52 8 355 994
Price: **4204** RON

With the multifunctional Navigator VI, route planning becomes child's play. The system with 16 GB flash memory and a five-inch touch screen always shows the right way. Thanks to the circular polarisation filter (CPOL), the waterproof display is easy to read even in direct sunlight. The high-resolution screen in a casing similar to a smartphone provides all the essential information and ensures that you can see the big picture required in every situation. Numerous additional functions make planning and touring an exciting experience. Plan your routes can be created according to your personal preferences and enjoy driving on winding and quiet side roads. In unknown terrain, the "round trip" option is a good choice as it reliably guides the rider at the end of the tour back to the starting point. The Bluetooth connection to the BMW Motorrad communication system and the optional Smartphone Link app enable multimedia on the go: navigation announcements, telephone calls and music streaming as well as the retrieval of weather forecasts or traffic jam information are no problem. Navigation preparation adds further functions such as "My Motorcycle", and the multi-controller on the handlebars offers an alternative control option. Choose the pre-installed map data, and you will always be up to date with lifelong, free map updates.

Retrofit set for preparation for navigation device (not shown)

Note the differences in national-market versions. Only available in conjunction with OE navigation preparation.

SAFETY

LED AUXILIARY HEADLIGHTS

The powerful LED additional headlights extend the illumination to ensure the required vision in poor visibility conditions—perfectly complementing the headlight. LED technology ensures virtually wear-free operation.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer. The additional headlights are approved for use as fog lights, and may only be used in poor weather conditions. "Country-specific road traffic regulations apply." K09: Only available in conjunction with seat heating optional equipment.

Part nr.: 63 17 8 556 937
Price: **561 RON**

SAFETY SCREW FOR OIL FILLER NECK

Part nr.: 71 60 7 696 117; Price: **179 RON**

The safety screw for the oil filler neck is locked using a special Allen key, preventing theft of the cover. At the same time, unauthorised access and contamination of the oil by foreign substances is prevented. The high-quality aluminium lock has a BMW Boxer inscription.

Safety screw for oil filler neck, black (not shown)

Part nr.: 71 60 8 406 750
Price: **179 RON**

ENGINE PROTECTION BAR

The robust engine protection bar, made of polished stainless steel, reliably protects the cylinder area against damage without restricting the rider's freedom to lean the machine. The robust tube construction will even take hard knocks and prevent major fall damage off-road and on asphalt.

Left
Part nr.: 77 14 8 389 433
Price: **885.87 RON**

Right
Part nr.: 77 14 8 389 434
Price: **886 RON**

PROTECTIVE GLASS FOR 6.5-INCH TFT DISPLAY

The protective glass reliably protects the 6.5-inch TFT display from dirt, flying stones and damage. The hardened glass has an anti-glare and anti-reflective surface, so that the TFT display can be read easily. With BMW Motorrad inscription.

Part nr.: 77 52 2 462 777
Price: **210 RON**

ANTI-THEFT ALARM SYSTEM RETROFIT SET (NOT SHOWN)

If the motorcycle is moved or struck violently, the system responds with a clearly audible signal and a flashing warning light.

Please note the specifications for different countries. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 77 53 9 443 591
Price: **1408 RON**

ABS PRO RETROFIT SET (NOT SHOWN)

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 77 23 8 546 512
Price: **1624 RON**

TYRE PRESSURE CONTROL RETROFIT SET (NOT SHOWN)

The tyre pressure control with all its functions can be retrofitted by installing the control unit. TPC provides reliable information about the current tyre pressure and warns the rider about pressure loss at an early stage. The corresponding notifications and instructions are provided by the on-board computer in the cockpit.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 65 75 8 546 222
Price: **1276 RON**

DAYTIME RUNNING LIGHT RETROFIT SET (NOT SHOWN)

Part nr.: 63 12 8 532 001
Price: **On Request**

MAINTENANCE & TECHNOLOGY

POWER SOCKET

Electronic devices can be connected to the vehicle electrical system via the 12V power socket. One example of this is the BMW USB charger, which can be used to charge and operate mobile phones and MP3 players with an appropriate interface while riding.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 61 34 7 714 741
Price: **188 RON**

Part nr.: 77 43 8 566 126
Price: **663**RON

With a volume of 29 litres, the light topcase offers enough space for a helmet and convinces in everyday life as well as on short tours. The black plastic topcase is lockable, has a large reflector on the rear side and a BMW badge on the lid. The maximum payload is 3 kg.

Only available in conjunction with luggage carrier.
For information on speed and load limitations, please refer to the installation/operating instructions.

LINER FOR TOPCASE

Part nr.: 77 43 8 549 130
Price: **337** RON

Makes loading and unloading a topcase even easier. The liner comes with a practical carry handle and can be folded flat when not in use.

TANK BAG, 13-20 L

Part nr.: 77 45 2 450 396
Price: **414** RON

The tank bag made of durable polyester offers many clever details and can be extended from 13 to 20 litres as required. Extra space is available in the map pocket and two exterior pockets. The smart fastener design guarantees a secure hold and extremely functional handling.

Original BMW Motorrad accessories are available from your authorised BMW Motorrad Retailer.
Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

DESIGN

DECORATIVE STICKER SET

The decorative "Wild" sticker set is perfectly tailored to the motorcycle and creates an attractive, unique look. High-contrast stripes in black and white run across the entire vehicle, creating a striking image reminiscent of a tiger. In addition, the rim rings of contrasting colour ensure attention.

The decorative G310 GS sticker set is perfectly tailored to the motorcycle and creates an attractive, unique look. Apart from the lines in white, blue and yellow, which accentuate the angular design of the motorcycle, rim rings of contrasting colour attract a lot of attention.

1 Decorative WILD sticker set

Part nr.: 77 31 2 456 854
Price: **785** RON

2 GS decorative sticker set

Part nr.: 77 31 2 455 685
Price: **838** RON

Available at BMW Motorrad dealers.

LED INDICATORS

A shining example: The beautifully designed LED indicators with white turn indicator glass convince with their slim design and modern lighting technology. They respond much faster than incandescent lamps and are virtually wear-free. This provides a clear safety advantage in road traffic.

Please note the specifications for different countries. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

ERGONOMICS & COMFORT

HIGH SEAT

Part nr.: 77 34 8 562 491
Price: **1196** RON

With a seat height of 850 mm, the high seat offers even tall riders a very high level of seating and riding comfort, thus also preventing signs of fatigue.

High seat
Seat height 850 mm

LOW SEAT

Part nr.: 52 53 8 562 135
Price: **1196** RON

15 mm lower than the standard version, this low seat makes climbing on off easier and keeps the ground within easy reach.

Low seat
Seat height 820 mm

ADJUSTABLE HANDBRAKE LEVER/CLUTCH LEVER

The ergonomically optimised handbrake and clutch levers can be adjusted in four steps making it easy to attain the preferred grip width. The two-tone look with black powder coating and a chrome-plated adjustment wheel emphasises the individuality of the motorcycle.

1 Handbrake lever, adjustable

Part nr.: 32 72 9 457 449
Price: **503** RON

2 Clutch lever, adjustable

Part nr.: 32 72 9 443 011
Price: **On Request**

SPORT WINDSCREEN, BLACK (NOT SHOWN)

The black-coloured sport windscreen noticeably relieves the wind pressure on the upper body and gives the machine an extra touch of sportiness. This makes it possible to cover stretches even at high speed in a more relaxed manner.

Part nr.: 46 63 9 480 604
Price: **391** RON

Available at BMW Motorrad dealers.

HEATED GRIPS AND SWITCHES

The three-stage adjustable heated grips keep hands and fingers comfortably warm even on cold days.

For more detailed information, contact your authorised BMW Motorrad Retailer or go online at bmw-motorrad.com. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Original BMW Motorrad accessories are available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

NAVIGATION & COMMUNICATION

BMW MOTORRAD NAVIGATOR VI (INCL. 4-BUTTON CRADLE MOUNT)

Part nr.: 77 52 8 355 749
 Price: **4683** RON

With the multifunctional Navigator VI, route planning becomes child's play. The system with 16 GB flash memory and a five-inch touch screen always shows the right way, and the waterproof display is easy to read even in direct sunlight. The high-resolution screen provides all the essential information and ensures that you can see the big picture required in every situation. Numerous additional functions make planning and touring an exciting experience. Plan your routes can be created according to your personal preferences and enjoy driving on winding and quiet side roads. The "round trip" option is a good choice on unfamiliar terrain as it will reliably lead you back to the starting point. The Bluetooth connection to the BMW Motorrad communication system and the optional Smartphone Link app enable multimedia on the go: navigation announcements, telephone calls and music streaming as well as the retrieval of weather forecasts or traffic jam information are no problem. Operation is via the stable Mount Cradle; the four buttons can also be accurately controlled while wearing gloves. Choose the pre-installed map data, and you will always be up to date with lifelong, free map updates.

Only in combination with bracket for navigation systems. Please note the specifications for different countries.

BMW MOTORRAD SMARTPHONE CRADLE

Part nr.: 77 52 8 563 125
 Price: **1048** RON

BMW Motorrad's robust Smartphone Cradle provides a safe and protected place for your smartphone. This means that useful functions such as navigation instructions and online information can also be used while you are on the move. Thanks to the handy charging function, your smartphone is always ready for action even on extended bike tours.

Only in combination with bracket for BMW Motorrad navigation systems.

SAFETY

HAND PROTECTORS

Part nr.: 77 32 2 459 287
 Price: **424** RON

The hand protector, made of impact-resistant and UV-resistant plastic, also protects the operating elements against branches and stone chips while riding off-road, and is aerodynamically tailored to the vehicle. On the road, the wind and weather protection offered by the protectors is also impressive: hands and fingers stay longer dry and warm even at low temperatures.

ENGINE PROTECTION BAR

Part nr.: 77 15 2 459 289
 Price: **926** RON

The stainless steel engine protection bars protect the bike without compromising the lean angle.

Both the combination with the standard engine spoiler and with the aluminium bash plate is possible.

SPRAY GUARD COVER (NOT SHOWN)

The rear-wheel cover with splash protection protects the rear of the vehicle from dirt both on wet roads and off the road, for example when riding through mud puddles. This keeps the rear light and number plate, but also a mounted topcase and other luggage items protected from dirt longer.

Part nr.: 77 31 8 556 902
 Price: **137** RON

ALUMINIUM BASH PLATE

The robust and lightweight aluminium engine guard effectively protects the lower area of the motorcycle against stone chips and damage, such as when bottoming out. It is wider and longer than the standard engine guard. Its elegant design emphasises the high-quality character of the bike.

Part nr.: 77 32 2 466 583
 Price: **On Request**

MAINTENANCE & TECHNOLOGY

POWER SOCKET

Part nr.: 61 34 7 714 741
Price: 188 RON

Electronic devices can be connected to the vehicle electrical system via the 12V power socket. One example of this is the BMW USB charger, which can be used to charge and operate mobile phones and MP3 players with an appropriate interface while riding.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

ACCESSORIES FOR BMW F 750 GS

HP PARTS

HP SPORT SILENCER

The high-end titanium-clad silencer delivers an impressively rich sound and is a clear avowal to racing, both visually and acoustically. The high-quality slip-on model offers a weight saving of approx. 2.3kg compared to the standard model thanks to its lightweight design.

Please note the specifications for different countries.
To be fitted and/or enabled in a specialist workshop,
ideally at your authorised BMW Motorrad Retailer.

1 HP sport silencer

Part nr.: 77 11 8 569 434
Price: **4445** RON

2 HP sport silencer, black

Part nr.: 77 11 2 465 605
Price: **4445** RON

HP CLUTCH LEVER / HP HANDBRAKE LEVER

The HP clutch lever made of grey anodised aluminium emphasises the sportiness of the bike and can be ergonomically adjusted to the hand width in three steps.

The HP handbrake lever can be ergonomically adjusted to the hand width in five steps. Both are milled from a high-strength aluminium alloy that is completely resistant to corrosion and integrate perfectly into the bike's sporty design in terms of colour.

To be fitted and/or enabled in a specialist workshop,
ideally at your authorised BMW Motorrad Retailer.

HP handbrake lever

Part nr.: 77 22 8 355 202
Price: **689** RON

HP clutch lever

Part nr.: 77 22 8 355 098
Price: **689** RON

STORAGE

VARIABLE TOPCASE

The variable topcase with its patented two-stage adjustment mechanism offers a variable volume from 25 to 35 litres. The black topcase made of robust plastic is waterproof, suitable for off-road use and has a large GS inscription.

Only available in conjunction with a topcase holder. For information on speed and load restrictions, please refer to the operating instructions.

1 Variable topcase

Part nr.: 77 43 8 569 672
Price: **2135** RON

2 Backrest pad for variable topcase

Part nr.: 71 60 7 688 877
Price: **391** RON

VARIABLE CASES

The waterproof variable cases are fitted with a patented adjustment system. The volume allows their capacity to be reduced from 68l (39l left, 29l right) to 50l (30l left, 20l right). This is particularly useful in city traffic, because the width is reduced by 120mm.

Not available in combination with case holder. For information on speed and load restrictions, please refer to the operating instructions.

Left Part nr.: 77 40 8 569 659
Price: **1797** RON

Right Part nr.: 77 40 8 569 660
Price: **1797** RON

LINER FOR VARIABLE CASE AND VARIABLE TOPCASE

The liners for the variable case and variable topcase gets the luggage organised and facilitates loading and unloading. The bag is quick to hand and easy to carry thanks to the carry handle and shoulder strap. Practical details include the mesh partition with a zipped compartment in the lid and the volume which can be varied by an all-round zip.

Left Part nr.: 77 49 8 536 210
Price: **549** RON

Right Part nr.: 77 49 8 534 711
Price: **549** RON

Topcase Part nr.: 77 49 8 534 712
Price: **549** RON

CASE AND TOPCASE CARRIERS FOR VARIABLE CASE AND VARIABLE TOPCASE

The variable cases can be easily and securely attached to the sturdy case holders on both sides of the motorcycle. The topcase holder is used to securely mount the variable topcase.

1 Case holder for variable case

Part nr.: 77 44 8 405 343
Price: **1062** RON

2 Topcase carrier for variable topcase

Part nr.: 46 63 8 404 578
Price: **On Request**

TANK BAG, 8 - 14 L

The tank bag with an expandable volume from 8 to 14 litres is the ideal companion for short trips. The water-repellent external pocket, the splash-proof cable duct, the integrated rain cover with a transparent window and the all-round function bar are practical features that leave nothing to be desired.

For information on speed and load restrictions, please refer to the operating instructions.

Part nr.: 77 45 2 449 425
Price: **846** RON

MAP POCKET FOR TANK BAG

Even today, many tour riders do not want to do without reliable road maps. The ideal solution is the removable map pocket in A4 format with waterproof roll closure. It can be fastened securely to the tank bag with hook and loop fasteners; the stiffened bottom prevents it from flapping in the oncoming wind.

Part nr.: 77 45 2 457 813
Price: **134** RON

BAG FOR PASSENGER SEAT, 2.5-8 L

With a volume of 2.5 to 8 litres, this durable bag for the passenger seat has a waterproof main compartment and offers enough storage space for the daily ride to work or for day trips. The three-sided zip fastener allows quick access, while the functional carrying handle facilitates transport.

Please refer to the operating instructions for information on speed and load limitations.

Part nr.: 77 45 2 456 667
Price: **524 RON**

ADDITIONAL BAG UNDER LUGGAGE CARRIER

The small and practical bag made of durable polyester fabric with a PVC coating creates additional stowage space under the luggage carrier. This means that smaller items that the rider does not want to do without on the road are always on board.

Not available in conjunction with the aluminium luggage carrier.

Part nr.: 77 49 2 463 533
Price: **210 RON**

DESIGN

DECORATIVE STICKER SETS

Attracts everyone's attention: the decorative sticker sets are perfectly tailored to the motorcycle and create an attractive, unique look. The stickers are characterised by metallic colour effects and high colour brilliance. Moreover, the tapes are extremely weather-resistant and can be attached easily and bubble-free using the supplied mounting accessories.

1 Decorative Free sticker set

Part nr.: 77 31 2 464 383
Price: **934 RON**

2 Decorative Fresh sticker set

Part nr.: 77 31 2 464 385
Price: **934 RON**

3 Decorative Lines sticker set

Part nr.: 77 31 2 464 384
Price: **934 RON**

4 Decorative New Ways sticker set

Part nr.: 77 31 2 464 382
Price: **934 RON**

LED INDICATORS

A shining example: The beautifully designed LED indicators with white turn indicator glass convince with their slim design and modern lighting technology. They respond much faster than incandescent lamps and are virtually wear-free. This provides a clear safety advantage in road traffic.

Note the differences in national-market versions. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

LED flashing turn indicators

Part nr.: 77 512 465 283
Price: **425 RON**

Rear LED flashing turn indicators

Part nr.: 63 23 2 465 284
Price: **On Request**

ERGONOMICS & COMFORT

WINDSCREENS

The small, tinted windscreen impresses with good wind and weather protection and emphasises the sporty look of the motorcycle.

The large, tinted windscreen offers superior wind and weather protection and emphasises the sporty look of the motorcycle.

With the windscreen adjustment, the rider can vary the position of the large windscreen and the touring windscreen in two stages.

Please note the specifications for different countries.
To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

1 Small windscreen, tinted

Part nr.: 77 33 2 465 270
Price: **781** RON

2 Large windscreen, tinted

Part nr.: 77 33 8 566 474
Price: **781** RON

3 Large windscreen, clear

Part nr.: 77 33 9 444 326
Price: **679** RON

4 Windscreen adjustment

Part nr.: 46 63 8 562 228
Price: **1041** RON

SEATS

The comfort seat with its additional upholstery and a wider seat area offers noticeable benefits in seating comfort and therefore even more carefree miles for both rider and passenger.

15 mm lower than the standard version, this low seat makes climbing on and off easier and keeps the ground within easy reach. Many riders feel safer thanks to the reduced seat height, because they can manoeuvre and control their bike more easily. The attractive two-colour design in black/red or black/grey contributes to the individualisation of the motorcycle.

The higher Rallye seat impresses thanks to its great ground accessibility, particularly hard padding for off-road use and striking Enduro appearance.

The standard seat with its two-colour design in black/red or black/grey contributes to the customisation of the motorcycle.

1 Comfort seat

Part nr.: 52 53 8 564 839
Price: **1912** RON

2 Low seat, black/grey

Part nr.: 52 53 8 394 291
Price: **1655** RON

3 Low seat, black/red

Part nr.: 52 53 8 564 838
Price: **1655** RON

4 Rallye seat

Part nr.: 77 34 8 564 840
Price: **1738** RON

5 Seat, black/grey

Part nr.: 52 53 8 393 857
Price: **1738** RON

6 Seat, black/red

Part nr.: 52 53 8 564 837
Price: **1738** RON

ENDURO FOOTREST / FOOT LEVER

The wider and longer stainless steel Enduro footrest offers more grip and allows better off-road vehicle control. The gear lever with adjustable foot plate can be operated even better, especially when riding off-road in a standing position. The height-adjustable footbrake lever has a wider step and a patented folding mechanism.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 77 25 2 465 272
Price: **1731** RON

RIDER FOOTREST, ADJUSTABLE

The spring-loaded rider footrest with plastic footboard is adjustable in three positions and offers maximum comfort and surefootedness on and off-road. This means additional stability and even better control of the motorcycle when riding in a standing position, especially off-road.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

1 Rider footrests, adjustable

Left Part nr.: 77 25 8 525 369
Price: **555** RON

Right Part nr.: 77 25 8 525 370
Price: **555** RON

2 Adjustable rider footrest, black

Left Part nr.: 77 25 2 452 958
Price: **555** RON

Right Part nr.: 77 25 2 452 960
Price: **555** RON

254 F 750 GS ERGONOMICS & COMFORT

AUTOMATIC CHAIN LUBRICATION SYSTEM

The chain lubricating system automatically supplies the drive chain with lubricant while riding. However, the system only works while the engine is running. The continuous lubrication minimises friction and wear of the chain drive, reduces maintenance and care efforts and thus increases the service life of the chain.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 77 16 8 522 846
Price: **755** RON

Available at BMW Motorrad dealers.

HEATED GRIPS AND SWITCHES (NOT SHOWN)

Comfort meets safety. The practical heated grips keep hands pleasantly warm even on cold days and also more responsive. The grip heating controlled by the on-board computer continuously detects the outside temperature via sensors and adjusts the heat output.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

CENTRE STAND (NOT SHOWN)

The stable centre stand ensures a safe standing position for the motorcycle even on slopes and offers advantages, for example, when mounting cases and topcases or for minor maintenance work such as tyre pressure control or chain maintenance. The motorcycle also takes up less space when parked upright.

Not available in conjunction with OE No. 499 lowered suspension option.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 46 52 8 409 287
Price: **959** RON

PRO GEAR-SHIFT ASSIST (NOT SHOWN)

The shift assistant Pro allows shifting up and down in almost all load ranges and engine speed ranges without actuating the clutch or throttle. The assistant thus ensures noticeably reduced shifting times, a relief of the clutch hand and thus greater comfort and dynamics.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 23 41 8 522 869
Price: **2594** RON

HANDLEBAR RISERS (NOT SHOWN)

The handlebar risers of 15 mm allow a comfortable sitting and standing position and make handling the bike off-road noticeably easier.

Not available in conjunction with OE navigation preparation and OA smartphone cradle bracket. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Left
Part nr.: 32 71 8 357 485
Price: **348** RON

Right
Part nr.: 32 71 8 569 750
Price: **348** RON

PRO RIDING MODES RETROFIT SET (NOT SHOWN)

The Pro riding modes can be retrofitted using an enabling code. Riders of older motorcycles therefore do not have to do without modern safety features. Depending on the year of manufacture, retrofitting is possible with the Pro, Pro with DTC or Pro with ABS Pro, DTC and HSC modes.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 13 61 8 534 237
Price: **1149** RON

NAVIGATION & COMMUNICATION

BMW MOTORRAD NAVIGATOR VI

With the multifunctional Navigator VI, route planning becomes child's play. The system with 16GB flash memory and a five-inch touch screen always shows the right way. Thanks to the circular polarisation filter (CPOL), the waterproof display is easy to read even in direct sunlight. The high-resolution screen in a casing similar to a smartphone provides all the essential information and ensures that you can see the big picture required in every situation. Numerous additional functions make planning and touring an exciting experience. Plan your routes can be created according to your personal preferences and enjoy driving on winding and quiet side roads. In unknown terrain, the "round trip" option is a good choice as it reliably guides the rider at the end of the tour back to the starting point. The Bluetooth connection to the BMW Motorrad communication system and the optional Smartphone Link app enable multimedia on the go: navigation announcements, telephone calls and music streaming as well as the retrieval of weather forecasts or traffic jam information are no problem. Navigation preparation adds further functions such as "My Motorcycle", and the multi-controller on the handlebars offers an alternative control option. Choose the pre-installed map data, and you will always be up to date with lifelong, free map updates.

Note the differences in national-market versions. Only available in conjunction with OE navigation preparation.

Part nr.: 77 52 8 355 994
 Price: **4204** RON

BMW MOTORRAD SMARTPHONE CRADLE

BMW Motorrad's robust Smartphone Cradle provides a safe and protected place for your smartphone. This means that useful functions such as navigation instructions and online information can also be used while you are on the move. Thanks to the handy charging function, your smartphone is always ready for action even on extended bike tours.

Only in combination with bracket for BMW Motorrad navigation devices.

Part nr.: 77 52 8 563 125
 Price: **1048** RON

NAVIGATION PREPARATION RETROFIT SET (NOT SHOWN)

The navigation preparation retrofit set with a holder and Mount Cradle for the instrument cluster integrates the BMW Navigator neatly into the cockpit and thus into the rider's direct field of vision. The navigation system is secured against theft and can be conveniently operated via the Multi-Controller on the handlebars.

Not available in conjunction with the smartphone cradle holder or handlebar risers. To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad dealership.

Part nr.: 65 90 8 405 300
 Price: **685** RON

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

SAFETY

HAND PROTECTORS

Part nr.: 77 32 2 465 274
 Price: **565** RON

The hand protector, made of impact-resistant and UV-resistant plastic, also protects the operating elements against branches and stone chips while riding off-road, and is aerodynamically tailored to the vehicle. On the road, the wind and weather protection offered by the protectors is also impressive: hands and fingers stay longer dry and warm even at low temperatures.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

PLASTIC ENGINE GUARD

Part nr.: 11 84 8 405 374
 Price: **305** RON

The robust plastic engine guard protects the engine against flying stones. The necessary attachments are included.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Original BMW Motorrad accessories are available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

ENDURO ALUMINIUM ENGINE GUARD (NOT SHOWN)

This sturdy Enduro aluminium engine guard was specially constructed for off-road use and provides optimal protection for the lower section of the engine.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 77 14 8 404 511
 Price: **1023** RON

ENGINE PROTECTION BAR

Left Part nr.: 77 41 8 522 927
 Price: **797** RON
Right Part nr.: 77 41 8 522 928
 Price: **797** RON

The stainless steel engine protection bar provides effective protection for the motor housing without compromising the lean angle.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

**HEADLIGHT GUARD
(FOR OFF-ROAD USE ONLY)**

Part nr.: 77 51 2 465 273
Price: **574** RON

The stable headlight guard effectively protects the bike in demanding Enduro use against damage to the LED headlight. The polycarbonate headlight guard does not have vehicle type approval, but can be attached to and detached from the headlight in a matter of seconds once the supplied adapter has been installed.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

**PROTECTIVE GLASS FOR
6.5-INCH TFT DISPLAY**

Part nr.: 77 52 2 462 777
Price: **210** RON

The protective glass reliably protects the 6.5-inch TFT display from dirt, flying stones and damage. The hardened glass has an anti-glare and anti-reflective surface, so that the TFT display can be read easily. With BMW Motorrad inscription.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

LED ADDITIONAL HEADLIGHTS

Part nr.: 77 51 2 465 276
Price: **2325** RON

The powerful LED additional headlights in a compact aluminium housing ensure better vision and visibility even in fog, rain or snowfall. At the same time, with their white, daylight-like light colour, they ensure differentiated illumination of the road, thus perfectly complementing the main headlight. LED technology ensures virtually wear-free operation.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

**ANTI-THEFT ALARM
RETROFIT SET
(NOT SHOWN)**

Strong protection from theft: If the motorcycle is moved or struck violently, the anti-theft alarm system responds with a clearly audible signal and a flashing warning light. The acoustic and optical warning will draw the attention of passers-by quickly. The alarm system is activated automatically when the ignition is switched off.

Please note the specifications for different countries. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.
Part nr.: 77 53 9 443 591
Price: **1408** RON

**TYRE PRESSURE CONTROL RETROFIT SET
(NOT SHOWN)**

The tyre pressure control with all its functions can be retrofitted by installing the control unit. Tyre pressure control provides reliable information about the current tyre pressure and warns the rider about pressure loss at an early stage. The corresponding notifications and instructions are provided by the on-board computer in the cockpit.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.
Part nr.: 65 75 8 546 222
Price: **1276** RON

**OUTPUT REDUCTION
RETROFIT SET
(NOT SHOWN)**

The power reduction retrofit to 35 kW (48 hp) is an attractive option for beginners and returning riders. This leaves nothing to be desired when it comes to riding pleasure and feeling. The engine can be brought back to its full power later on, if desired. The power reduction is carried out by means of an enabling code.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.
Part nr.: 71 22 8 409 540
Price: **68** RON

**ABS PRO RETROFIT SET
(NOT SHOWN)**

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 77 23 8 546 512
Price: **1624** RON

**ACTIVATION CODE FOR DTC
(NOT SHOWN)**

DTC (Dynamic Traction Control) ensures greater riding stability and controls wheel slip even when leaning into corners to prevent the rear wheel from spinning. Depending on the riding mode, DTC allows more or less slip and thus guarantees the maximum safety and riding dynamics on different routes.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 13 61 8 550 119
Price: **299** RON

CASE HOLDER AND TOPCASE CARRIER FOR ALUMINIUM CASE AND ALUMINIUM TOPCASE

The aluminium case can be easily and securely attached to the sturdy case holder made of polished stainless steel. The stainless steel crossbar connects the right and left case holder and ensures a high level of stability even when the bike has a full load. The aluminium topcase can be easily and securely attached to the sturdy topcase carrier made of polished stainless steel.

1 Case holder for aluminium case, left and right

Left Part nr.: 46 63 8 569 709 Price: **698** RON

Right Part nr.: 46 63 8 569 710 Price: **698** RON

2 Topcase carrier for aluminium topcase

Part nr.: 46 63 8 569 707 Price: **564** RON

LINER FOR ALUMINIUM CASES AND TOPCASE

The waterproof liner gets the luggage organised and facilitates loading and unloading. The liner is readily available and easy to carry thanks to the carry handle and shoulder strap. Alternatively, the robust bag can also be attached to the outside of the case and provide additional storage space.

Left Part nr.: 77 41 8 543 197 Price: **499** RON

Topcase Part nr.: 77 43 8 543 194 Price: **499** RON

Right Part nr.: 77 41 8 543 199 Price: **499** RON

CARRY HANDLE FOR ALUMINIUM CASE/TOPCASE

Convenient and functional: the practical carry handles for aluminium cases and aluminium topcases make it easy to transport the luggage to and from the bike. If the cases are mounted, additional luggage can also be attached to the handles.

Part nr.: 77 49 8 543 224 Price: **140** RON

Original BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

LUGGAGE COMPARTMENT SEPARATING NET FOR ALUMINIUM CASES

The luggage net for aluminium cases and topcases creates more order and makes it easier to access frequently used items. The highly flexible net is attached to the inside of the lid and ensures that luggage such as raincoats, folding backpacks, toiletry bags and sneakers are always at hand when the case is opened.

Part nr.: 77 40 2 464 350
Price: **179** RON

ATACAMA LUGGAGE SYSTEM

The Atacama side bags convince with clever details and a combined storage volume of 60 litres. In addition to the waterproof liners, various storage compartments provide additional space. Quick-release fasteners for easy mounting on the motorcycle and sturdy carry handles ensure a secure hold and extremely practical handling.

The extremely durable Atacama luggage roll sports many clever details and an enormous storage volume of 40 litres.

The Atacama side bags and roll bag and other pieces of luggage or helmets can be secured to the motorcycle using the lockable tensioning straps with steel core.

1
Only available in conjunction with case holder for aluminium cases. Please refer to the operating instructions for information on speed and load limitations.

3
Please refer to the operating instructions for information on speed and load limitations. Contact areas rubbed off.

1 Atacama side bags

Part nr.: 77 40 2 451 375
Price: **3433** RON

2 Tensioning straps for Atacama side bags, lockable

Part nr.: 77 40 2 464 349
Price: **412** RON

3 Atacama roll bag, 40l

Price: **235** RON

VARIABLE CASES

With its patented adjustment mechanism, the variable cases offer stowage space of 30 to 39 litres (left) and 20 to 29 litres (right). The adjustable volume offers benefits, especially in city traffic, as the width of the cases can be reduced at the same time. Naturally the variable cases are waterproof and also suitable for off-road use.

Only available in combination with case holder. For information on speed and load limitations, please refer to the operating instructions.

Left Part nr.: 77 40 8 569 659
Price: **1797** RON

Right Part nr.: 77 40 8 569 660
Price: **1797** RON

VARIABLE TOPCASE

The variable topcase with its patented two-stage adjustment mechanism offers a variable volume from 25 to 35 litres. The black topcase made of robust plastic is waterproof, suitable for off-road use and has a large GS inscription.

Only available in conjunction with a topcase holder. For information on speed and load restrictions, please refer to the operating instructions.

1 Variable topcase

Part nr.: 77 43 8 569 672
Price: **2135** RON

2 Backrest pad for variable topcase

Part nr.: 71 60 7 688 877
Price: **391** RON

CASE HOLDER AND TOPCASE CARRIER FOR VARIABLE CASE AND VARIABLE TOPCASE

The variable cases can be easily and securely attached to the sturdy case holders on both sides of the motorcycle.

The topcase carrier is used to securely mount the variable topcase.

Only available in conjunction with a topcase carrier. Please refer to the operating instructions for information on speed and load limitations.

1 Case holders for variable cases

Part nr.: 77 44 8 405 343
Price: **1062** RON

2 Topcase carrier for variable topcase

Part nr.: 46 63 8 404 578
Price: **On Request**

LINER FOR VARIABLE CASE AND TOPCASE

The liners for the variable case and the variable topcase gets the luggage organised and facilitates loading and unloading. The bag is quick to hand and easy to carry thanks to the carry handle and shoulder strap. Practical details include the mesh partition with a zipped compartment in the lid and the volume which can be varied by an all-round zip.

- Left** Part nr.: 77 49 8 536 210
Price: **549 RON**
- Right** Part nr.: 77 49 8 534 711
Price: **549 RON**
- Topcase** Part nr.: 77 49 8 534 712
Price: **549 RON**

TANK BAG, 8-14 L

The tank bag with an expandable volume from 8 to 14 litres is the ideal companion for short trips. The water-repellent external pocket, the splash-proof cable duct, the integrated rain cover with a transparent window and the all-round function bar are practical features that leave nothing to be desired.

Please refer to the operating instructions for information on speed and load limitations.

- Part nr.: 77 45 2 449 425
Price: **846 RON**

MAP POCKET FOR TANK BAG

Even today, many tour riders do not want to do without reliable road maps. The ideal solution is the removable map pocket in A4 format with waterproof roll closure. It can be fastened securely to the tank bag with hook and loop fasteners; the stiffened bottom prevents it from flapping in the oncoming wind.

- Part nr.: 77 45 2 457 813
Price: **134 RON**

BAG FOR PASSENGER SEAT, 2.5-8 L

With a volume of 2.5 to 8 litres, this durable bag for the passenger seat offers enough storage space for the daily ride to work or for day trips. The three-sided zip fastener allows quick access, while the functional carrying handle facilitates transport.

Please refer to the operating instructions for information on speed and load limitations.

- Part nr.: 77 45 2 456 667
Price: **524 RON**

ADDITIONAL BAG UNDER LUGGAGE CARRIER

The small and practical bag made of durable polyester fabric with a PVC coating creates additional stowage space under the luggage carrier. This means that smaller items that the rider does not want to do without on the road are always on board.

Not available in conjunction with the aluminium luggage carrier.

- Part nr.: 77 49 2 463 533
Price: **210 RON**

DESIGN

LED INDICATORS

A shining example: The beautifully designed LED indicators with white turn indicator glass convince with their slim design and modern lighting technology. They respond much faster than incandescent lamps and are virtually wear-free. This provides a clear safety advantage in road traffic.

Note the differences in national-market versions. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

- Part nr.: 63 13 8 522 499
Price: **256 RON**

DECORATIVE STICKER SETS

Attracts everyone's attention: the decorative sticker sets are perfectly tailored to the motorcycle and create an attractive, unique look. The stickers are characterised by metallic colour effects and high colour brilliance. Moreover, the tapes are extremely weather-resistant and can be attached easily and bubble-free using the supplied mounting accessories.

1 Decorative Free sticker set

Price: **934 RON**

4 Decorative New Ways sticker set

- Part nr.: 77 31 2 464 382
Price: **934 RON**

ERGONOMICS & COMFORT

ENDURO FOOTREST / FOOT LEVER

The wider and longer stainless steel Enduro footrest offers more grip and allows better off-road vehicle control. The gear lever with adjustable foot plate can be operated even better, especially when riding off-road in a standing position. The height-adjustable footbrake lever has a wider step and a patented folding mechanism.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 77 25 2 465 272
 Price: **1731 RON**

RIDER FOOTREST, ADJUSTABLE

The spring-loaded rider footrest with plastic footboard is adjustable in three positions and offers maximum comfort and surefootedness on and off-road. This means additional stability and even better control of the motorcycle when riding in a standing position, especially off-road.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

1 Rider footrests, adjustable

Left Part nr.: 77 25 8 525 369
 Price: **555 RON**
Right Part nr.: 77 25 8 525 370
 Price: **555 RON**

2 Black rider footrest, adjustable

Left Part nr.: 77 25 2 452 958
 Price: **555 RON**
Right Part nr.: 77 25 2 452 960
 Price: **555 RON**

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

WINDSCREENS

The touring windscreen is approx. 80mm higher and 30mm wider than the standard windscreen and therefore offers noticeably improved wind and weather protection as well as greater overall touring comfort. The scratch-resistant coating guarantees lasting transparency, while the clear look emphasises the high-quality appearance.

The small windscreen impresses with good wind and weather protection and underlines the sporty look of the motorcycle. The scratch-resistant coating ensures long-term unimpeded visibility. The small version is slightly lower than the standard windshield but just as wide.

The large windscreen offers superior wind and weather protection for the rider and impresses with improved touring comfort.

With the windscreen adjustment, the rider can vary the position of the large windscreen and the touring windscreen in two stages.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer. Please note the specifications for different countries.

1 Touring windscreen, clear

Part nr.: 46 63 8 569 664
 Price: **1092 RON**

2 Touring windscreen, tinted

Part nr.: 46 63 8 394 441
 Price: **1255 RON**

3 Small windscreen, clear

Part nr.: 77 33 9 444 327
 Price: **679 RON**

4 Small windscreen, tinted

Part nr.: 77 33 2 465 270
 Price: **781 RON**

5 Large windscreen, tinted

Part nr.: 77 33 8 566 474
 Price: **781 RON**

6 Windscreen adjustment

Part nr.: 46 63 8 562 228
 Price: **1041 RON**

HIGH HANDLEBARS (NOT SHOWN)

The high handlebars are 14mm higher than the standard handlebars. This not only enables an upright and comfortable sitting position, but also makes riding while standing particularly comfortable. Secure handling of the motorcycle is noticeably easier (particularly in the standing position) – an indispensable advantage for Enduro riders.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 32 71 8 388 531
 Price: **1263 RON**

RALLYE SEAT

Increased seat height, narrow shape for great ground accessibility, particularly hard padding for off-road use – the Rallye seat has everything to be desired for tough Enduro use. Moreover, its slim silhouette impressively emphasises the motorcycle's striking off-road look.

Part nr.: 77 34 8 564 840
 Price: **1738 RON**

COMFORT SEAT

The comfort seat with its additional upholstery and a wider seat area offers noticeable benefits in seating comfort and therefore even more carefree miles for both rider and passenger.

Part nr.: 52 53 8 564 839
 Price: **1912 RON**

Original BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

TWO - COLOURED SEAT

15 mm lower than the standard version, this low seat makes climbing on and off easier and keeps the ground within easy reach. Many riders feel safer thanks to the reduced seat height, because they can manoeuvre and control their bike more easily. The attractive two-colour design in black/red or black/grey contributes to the individualisation of the motorcycle.

The standard seat with its two-colour design in Black/Red or Black/Grey contributes to the customisation of the motorcycle.

- 1 Seat height: 790 mm, inner leg curve: 1790 mm
- 2 Seat height: 790 mm, inner leg curve: 1,790 mm

- 3 Seat height: 815 mm, inner leg curve: 1830 mm
- 4 Seat height: 815 mm, inner leg curve: 1,830 mm

1 Low seat, black / grey

Part nr.: 52 53 8 394 291
 Price: **1655** RON

2 Low seat, black / red

Part nr.: 52 53 8 564 838
 Price: **1655** RON

3 Seat, black / grey

Part nr.: 52 53 8 393 857
 Price: **1738** RON

4 Seat, black / red

Part nr.: 52 53 8 564 837
 Price: **1738** RON

Available at BMW Motorrad dealers.

CENTRE STAND (NOT SHOWN)

Part nr.: 46 52 8 409 288; Price: **959** RON
 The stable centre stand ensures a safe standing position for the motorcycle even on slopes and offers advantages, for example, when mounting cases and topcases or for minor maintenance work such as tyre pressure control or chain maintenance. The motorcycle also takes up less space when parked upright.

Not available in conjunction with OE No. 499 lowered suspension option.
 To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

PRO GEAR - SHIFT ASSIST (NOT SHOWN)

The shift assistant Pro allows shifting up and down in almost all load ranges and engine speed ranges without actuating the clutch or throttle. The assistant thus ensures noticeably reduced shifting times, a relief of the clutch hand and thus greater comfort and dynamics.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 23 41 8 522 869
 Price: **2594** RON

HEATED GRIPS AND SWITCHES (NOT SHOWN)

Comfort meets safety. The practical heated grips keep hands pleasantly warm even on cold days and also more responsive. The grip heating controlled by the on-board computer continuously detects the outside temperature via sensors and adjusts the heat output.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

PRO RIDING MODES RETROFIT SET (NOT SHOWN)

Part nr.: 13 61 8 534 237
 Price: **1149** RON

The Pro riding modes can be retrofitted using an enabling code. Riders of older motorcycles therefore do not have to do without modern safety features. Depending on the year of manufacture, retrofitting is possible with the Pro, Pro with DTC or Pro with ABS Pro, DTC and HSC modes.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

NAVIGATION & COMMUNICATION

BMW MOTORRAD NAVIGATOR VI

Part nr.: 77 52 8 355 994
 Price: **4204** RON

With the multifunctional Navigator VI, route planning becomes child's play. The system with 16GB flash memory and a five-inch touch screen always shows the right way. Thanks to the circular polarisation filter (CPOL), the waterproof display is easy to read even in direct sunlight. The high-resolution screen in a casing similar to a smartphone provides all the essential information and ensures that you can see the big picture required in every situation. Numerous additional functions make planning and touring an exciting experience. Plan your routes can be created according to your personal preferences and enjoy driving on winding and quiet side roads. In unknown terrain, the "round trip" option is a good choice as it reliably guides the rider at the end of the tour back to the starting point. The Bluetooth connection to the BMW Motorrad communication system and the optional Smartphone Link app enable multimedia on the go: navigation announcements, telephone calls and music streaming as well as the retrieval of weather forecasts or traffic jam information are no problem. Navigation preparation adds further functions such as "My Motorcycle", and the multi-controller on the handlebars offers an alternative control option. Choose the pre-installed map data, and you will always be up to date with lifelong, free map updates.

Note the differences in national-market versions. Only available in conjunction with OE navigation preparation.

BMW MOTORRAD SMARTPHONE CRADLE

Part nr.: 65 90 8 380 735
 Price: **On Request**

BMW Motorrad's robust Smartphone Cradle provides a safe and protected place for your smartphone. This means that useful functions such as navigation instructions and online information can also be used while you are on the move. Thanks to the handy charging function, your smartphone is always ready for action even on extended bike tours.

Only in combination with bracket for BMW Motorrad navigation devices.

Original BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

SAFETY

HAND PROTECTORS

The hand protector, made of impact-resistant and UV-resistant plastic, also protects the operating elements against branches and stone chips while riding off-road, and is aerodynamically tailored to the vehicle. On the road, the wind and weather protection offered by the protectors is also impressive: hands and fingers stay longer dry and warm even at low temperatures.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 11 84 8 405 374
Price: **565** RON

ENDURO ALUMINIUM ENGINE GUARD (NOT SHOWN)

This sturdy Enduro aluminium engine guard was specially constructed for off-road use and provides optimal protection for the lower section of the engine.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 77 14 8 404 511
Price: **1023** RON

ENGINE PROTECTION BAR

Left Part nr.: 77 41 8 522 927
Price: **797** RON

Right Part nr.: 77 41 8 522 928
Price: **797** RON

The stainless steel engine protection bar provides effective protection for the motor housing without compromising the lean angle.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

LED ADDITIONAL HEADLIGHTS

Part nr.: 77 51 2 465 276
Price: **2325** RON

The powerful LED additional headlights in a compact aluminium housing ensure better vision and visibility even in fog, rain or snowfall. At the same time, with their white, daylight-like light colour, they ensure differentiated illumination of the road, thus perfectly complementing the main headlight. LED technology ensures virtually wear-free operation.

HEADLIGHT GUARD (FOR OFF-ROAD USE ONLY)

Part nr.: 77 51 2 465 273
Price: **574** RON

The stable headlight guard effectively protects the bike in demanding Enduro use against damage to the LED headlight. The polycarbonate headlight guard does not have vehicle type approval, but can be attached to and detached from the headlight in a matter of seconds once the supplied adapter has been installed.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

PROTECTIVE GLASS FOR 6.5-INCH TFT DISPLAY

Part nr.: 77 52 2 462 777
Price: **210** RON

The protective glass reliably protects the 6.5-inch TFT display from dirt, flying stones and damage. The hardened glass has an anti-glare and anti-reflective surface, so that the TFT display can be read easily. With BMW Motorrad inscription.

ANTI-THEFT ALARM RETROFIT SET (NOT SHOWN)

Strong protection from theft: If the motorcycle is moved or struck violently, the anti-theft alarm system responds with a clearly audible signal and a flashing warning light. The acoustic and optical warning will draw the attention of passers-by quickly. The alarm system is activated automatically when the ignition is switched off.

Note the differences in national-market versions. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 77 53 9 443 591
Price: **1408** RON

TYRE PRESSURE CONTROL RETROFIT SET (NOT SHOWN)

The tyre pressure control with all its functions can be retrofitted by installing the control unit. TPC provides reliable information about the current tyre pressure and warns the rider about pressure loss at an early stage. The corresponding notifications and instructions are provided by the on-board computer in the cockpit.

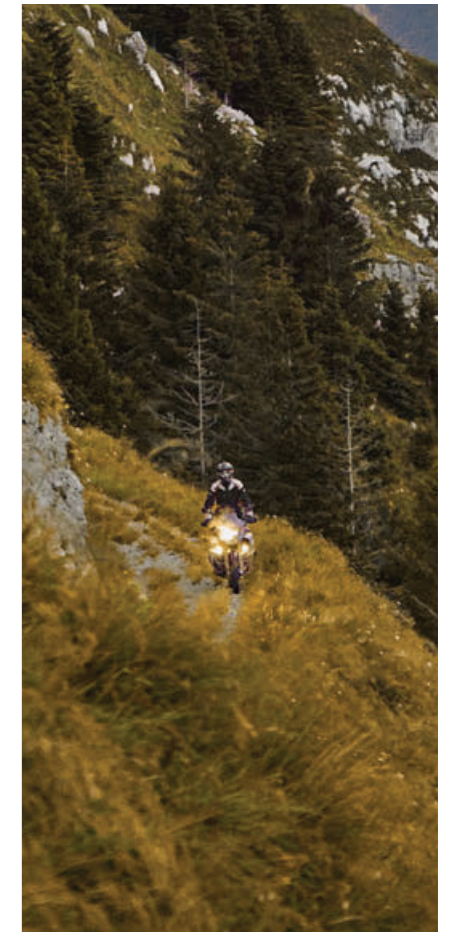

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 77 23 8 546 512
Price: **1276** RON

ABS PRO RETROFIT SET (NOT SHOWN)

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 77 52 2 462 777
Price: **1624** RON

MAINTENANCE & TECHNOLOGY

AUTOMATIC CHAIN LUBRICATION SYSTEM

The chain lubricating system automatically supplies the drive chain with lubricant while riding. However, the system only works while the engine is running. The continuous lubrication minimises friction and wear of the chain drive, reduces maintenance and care efforts and thus increases the service life of the chain.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 77 16 8 522 846
Price: **755** RON

OUTPUT REDUCTION RETROFIT SET (NOT SHOWN)

The power reduction retrofit to 35kW (48hp) is an attractive option for beginners and returning riders. This leaves nothing to be desired when it comes to riding pleasure and feeling. The engine can be brought back to its full power later on, if desired. The power reduction is carried out by means of an enabling code.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 71 22 8 409 542
Price: **68** RON

ACCESSORIES FOR BMW F 850 GS ADVENTURE

HP PARTS

HP SPORT SILENCER

The high-end titanium-clad silencer delivers an impressively rich sound and is a clear avowal to racing, both visually and acoustically. The high-quality slip-on model offers a weight saving of approx. 2.3kg compared to the standard model thanks to its lightweight design.

Note the differences in national-market versions. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

1 HP sport silencer

Part nr.: 77 11 8 569 434
Price: **4445** RON

2 HP sport silencer, black

Part nr.: 77 11 2 465 605
Price: **4445** RON

HP CLUTCH LEVER / HP HANDBRAKE LEVER

The HP clutch lever made of grey anodised aluminium emphasises the sportiness of the bike and can be ergonomically adjusted to the hand width in three steps.

The HP handbrake lever can be ergonomically adjusted to the hand width in five steps. Both are milled from a high-strength aluminium alloy that is completely resistant to corrosion and integrate perfectly into the bike's sporty design in terms of colour.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

HP handbrake lever

Part nr.: 77 22 8 355 202
Price: **689** RON

HP clutch lever

Part nr.: 77 22 8 355 098
Price: **689** RON

STORAGE

ALUMINIUM CASES

The perfect solution for touring fans who place the highest demands on themselves and their equipment: the aluminium case for mounting on the left-hand side offers 44 litres of storage space. This robust piece of transport equipment is dust and waterproof. Many functional details impress even under extreme conditions. The perfect solution for touring fans who place the highest demands on themselves and their equipment: The aluminium case for mounting on the right-hand side offers 36 litres of storage space. This robust piece of transport equipment is dust and waterproof. Many practical details impress even under extreme conditions.

Not available in conjunction with LED flashing turn indicators at the rear with short base TNR 8 522 499; install LED flashing turn indicators with long base TNR 8 522 500 if necessary. Please refer to the operating instructions for information on speed and load restrictions.

CASE HOLDERS FOR ALUMINIUM CASES

The aluminium case can be easily and securely attached to the sturdy case holder made of polished stainless steel. The stainless steel crossbar connects the right and left case holder and ensures a high level of stability even when the bike has a full load. The aluminium topcase can be easily and securely attached to the sturdy topcase carrier made of polished stainless steel.

Left Part nr.: 46 63 8 569 709 Price: **698** RON

Right Part nr.: 46 63 8 569 710 Price: **698** RON

CARRY HANDLE FOR ALUMINIUM CASE/TOPCASE

Part nr.: 77 49 8 543 224 Price: **140** RON

Convenient and functional: the practical carry handles for aluminium cases and aluminium topcases make it easy to transport the luggage to and from the bike. If the cases are mounted, additional luggage can also be attached to the handles.

LINER FOR ALUMINIUM CASES AND TOPCASE

The waterproof liner gets the luggage organised and facilitates loading and unloading. The liner is readily available and easy to carry thanks to the carry handle and shoulder strap. Alternatively, the robust bag can also be attached to the outside of the case and provide additional storage space.

Left Part nr.: 77 41 8 543 197 Price: **499** RON

Right Part nr.: 77 41 8 543 199 Price: **499** RON

Topcase Part nr.: 77 43 8 543 194 Price: **499** RON

LUGGAGE COMPARTMENT SEPARATING NET FOR ALUMINIUM CASES

The luggage net for aluminium cases and topcases creates more order and makes it easier to access frequently used items. The highly flexible net is attached to the inside of the lid and ensures that luggage such as raincoats, folding backpacks, toiletry bags and sneakers are always at hand when the case is opened.

Part nr.: 77 40 2 464 350 Price: **179** RON

ATACAMA LUGGAGE SYSTEM

The extremely durable Atacama luggage roll sports many clever details and an enormous storage volume of 40 litres. The Atacama side bags and roll bag and other pieces of luggage or helmets can be secured to the motorcycle using the lockable tensioning straps with steel core.

The Atacama side bags convince with clever details and a combined storage volume of 60 litres. In addition to the waterproof liners, various storage compartments provide additional space. Quick-release fasteners for easy mounting on the motorcycle and sturdy carry handles ensure a secure hold and extremely practical handling.

For information on speed and load restrictions, please refer to the operating instructions. Only available in conjunction with case holder for aluminium cases. Please refer to the operating instructions for information on speed and load restrictions.

1 Atacama roll bag, 40l

Part nr.: 77 40 2 451 381
Price: **1107** RON

2 Tensioning strap for Atacama roll bag, lockable

Part nr.: 77 40 2 464 348
Price: **235** RON

3 Atacama side bags

Part nr.: 77 40 2 451 375
Price: **3433** RON

4 Tensioning straps for Atacama side bags, lockable

Part nr.: 77 40 2 464 349
Price: **412** RON

TANK BAG, 8-14 L

The tank bag with an expandable volume from 8 to 14 litres is the ideal companion for short trips. The water-repellent external pocket, the splash-proof cable duct, the integrated rain cover with a transparent window and the all-round function bar are practical features that leave nothing to be desired.

Please refer to the operating instructions for information on speed and load limitations.

Part nr.: 77 45 2 456 661
Price: **846** RON

MAP POCKET FOR TANK BAG

Even today, many tour riders do not want to do without reliable road maps. The ideal solution is the removable map pocket in A4 format with waterproof roll closure. It can be fastened securely to the tank bag with hook and loop fasteners; the stiffened bottom prevents it from flapping in the oncoming wind.

Part nr.: 77 45 2 457 813
Price: **134** RON

BAG FOR PASSENGER SEAT, 2.5-8 L

With a volume of 2.5 to 8 litres, this durable bag for the passenger seat offers enough storage space for the daily ride to work or for day trips. The three-sided zip fastener allows quick access, while the functional carrying handle facilitates transport.

Please refer to the operating instructions for information on speed and load limitations.

Part nr.: 77 45 2 456 667
Price: **524** RON

DESIGN

LED INDICATORS

A shining example: The beautifully designed LED indicators with white turn indicator glass convince with their slim design and modern lighting technology. They respond much faster than incandescent lamps and are virtually wear-free. This provides a clear safety advantage in road traffic.

Note the differences in national-market versions.
To be fitted and/or enabled in a specialist workshop,
ideally at your authorised BMW Motorrad Retailer.

Part nr.: 63 13 8 522 499
Price: **256** RON

ERGONOMICS & COMFORT

RIDER FOOTRESTS, ADJUSTABLE

The spring-loaded rider footrest with plastic footboard is adjustable in three positions and offers maximum comfort and surefootedness on and off-road. This means additional stability and even better control of the motorcycle when riding in a standing position, especially off-road.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

1 Rider footrests, adjustable

Left Part nr.: 77 25 8 525 369
Price: **555** RON
Right Part nr.: 77 25 8 525 370
Price: **555** RON

2 Black rider footrest, adjustable

Left Part nr.: 77 25 2 452 958
Price: **555** RON
Right Part nr.: 77 25 2 452 960
Price: **555** RON

SEATS

15 mm lower than the standard version, this low seat makes climbing on and off easier and keeps the ground within easy reach. Many riders feel safer thanks to the reduced seat height, because they can manoeuvre and control their bike more easily. The attractive two-colour design in Black/Red or Black/Grey contributes to the individualisation of the motorcycle.

The standard seat with its two-colour design in Black/Red or Black/Grey contributes to the customisation of the motorcycle.

Increased seat height, narrow shape for great ground accessibility, particularly hard padding for off-road use—the Rallye seat has everything to be desired for tough Enduro use. Moreover, its slim silhouette impressively emphasises the motorcycle's striking off-road look.

1 Seat height: 790 mm,
inner leg curve: 1,790 mm
2 Seat height: 790 mm,
inner leg curve: 1,790 mm

3 Seat height: 815 mm,
inner leg curve: 1,830 mm
4 Seat height: 815 mm,
inner leg curve: 1,830 mm

5 Seat height: 845 mm,
inner leg curve: 1,900 mm

Part nr.: 52 53 8 564 837
Price: **1738** RON

5 Rallye seat

Part nr.: 77 34 8 564 840
Price: **1738** RON

WINDSCREENS

The tinted touring windscreen is approx. 80mm higher and 30mm wider than the standard windscreen and therefore offers noticeably improved wind and weather protection as well as greater overall touring comfort. The scratch-resistant coating guarantees lasting transparency, the tinting additionally enhances the motorcycle's appearance.

The large windscreen offers superior wind and weather protection for the rider and impresses with improved touring comfort even on longer motorway stretches. The scratch-resistant coating ensures long-term unimpeded visibility.

The large, tinted windscreen offers superior wind and weather protection for the rider and impresses with improved touring comfort even on longer motorway stretches. The tint emphasises the sporty look of the motorcycle, while the scratch-resistant coating ensures long-term unimpeded visibility.

The tinted wind deflectors with their stylish look give the bike a particularly casual touch and provide greater riding comfort on every journey.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer. Please note the specifications for different countries. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

1 Touring windscreen, tinted

Part nr.: 46 63 8 394 441
 Price: **1255 RON**

2 Large windscreen, clear

Part nr.: 77 33 9 444 326
 Price: **679 RON**

3 Large windscreen, tinted

Part nr.: 77 33 8 566 474
 Price: **781 RON**

4 Wind deflector, tinted

Part nr.: 46 63 9 443 050
 Price: **On Request**

Available at BMW Motorrad dealers.

CENTRE STAND (NOT SHOWN)

Part nr.: 46 52 8 409 288
 Price: **959 RON**

The stable centre stand ensures a safe standing position for the motorcycle even on slopes and offers advantages, for example, when mounting cases and topcases or for minor maintenance work such as tyre pressure control or chain maintenance. The motorcycle also takes up less space when parked upright.

Not available in conjunction with OE No. 499 lowered suspension option.
 To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

HEATED GRIPS AND SWITCHES (NOT SHOWN)

Comfort meets safety. The practical heated grips keep hands pleasantly warm even on cold days and also more responsive. The grip heating controlled by the on-board computer continuously detects the outside temperature via sensors and adjusts the heat output.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

PRO GEAR - SHIFT ASSIST (NOT SHOWN)

The shift assistant Pro allows shifting up and down in almost all load ranges and engine speed ranges without actuating the clutch or throttle. The assistant thus ensures noticeably reduced shifting times, a relief of the clutch hand and thus greater comfort and dynamics.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 23 41 8 522 869
 Price: **2594 RON**

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

NAVIGATION & COMMUNICATION

BMW MOTORRAD NAVIGATOR VI

Part nr.: 77 52 8 355 994
 Price: **4204 RON**

With the multifunctional Navigator VI, route planning becomes child's play. The system with 16GB flash memory and a five-inch touch screen always shows the right way. Thanks to the circular polarisation filter (CPOL), the waterproof display is easy to read even in direct sunlight. The high-resolution screen in a casing similar to a smartphone provides all the essential information and ensures that you can see the big picture required in every situation. Numerous additional functions make planning and touring an exciting experience. Plan your routes can be created according to your personal preferences and enjoy driving on winding and quiet side roads. In unknown terrain, the "round trip" option is a good choice as it reliably guides the rider at the end of the tour back to the starting point. The Bluetooth connection to the BMW Motorrad communication system and the optional Smartphone Link app enable multimedia on the go: navigation announcements, telephone calls and music streaming as well as the retrieval of weather forecasts or traffic jam information are no problem. Navigation preparation adds further functions such as "My Motorcycle", and the multi-controller on the handlebars offers an alternative control option. Choose the pre-installed map data, and you will always be up to date with lifelong, free map updates.

Note the differences in national-market versions. Only available in conjunction with OE navigation preparation.

BMW MOTORRAD SMARTPHONE CRADLE

Part nr.: 77 52 8 563 125
 Price: **1048 RON**

BMW Motorrad's robust Smartphone Cradle provides a safe and protected place for your smartphone. This means that useful functions such as navigation instructions and online information can also be used while you are on the move. Thanks to the handy charging function, your smartphone is always ready for action even on extended bike tours.

Only in combination with bracket for BMW Motorrad navigation devices.

Original BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

SAFETY

ENDURO ALUMINIUM ENGINE GUARD (NOT SHOWN)

This sturdy Enduro aluminium engine guard was specially constructed for off-road use and provides optimal protection for the lower section of the engine.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 77 14 8 404 511
Price: **1023** RON

LED ADDITIONAL HEADLIGHTS

The powerful LED additional headlights in a compact aluminium housing ensure better vision and visibility even in fog, rain or snowfall. At the same time, with their white, daylight-like light colour, they ensure differentiated illumination of the road, thus perfectly complementing the main headlight. LED technology ensures virtually wear-free operation.

Part nr.: 77 51 2 465 276
Price: **2325** RON

HEADLIGHT GUARD (FOR OFF-ROAD USE ONLY)

Part nr.: 77 51 2 465 273
Price: **574** RON

The stable headlight guard effectively protects the bike in demanding Enduro use against damage to the LED headlight. The polycarbonate headlight guard does not have vehicle type approval, but can be attached to and detached from the headlight in a matter of seconds once the supplied adapter has been installed.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

PROTECTIVE GLASS FOR 6.5-INCH TFT DISPLAY

Part nr.: 77 52 2 462 777
Price: **210** RON

The protective glass reliably protects the 6.5-inch TFT display from dirt, flying stones and damage. The hardened glass has an anti-glare and anti-reflective surface, so that the TFT display can be read easily. With BMW Motorrad inscription.

MAINTENANCE & TECHNOLOGY

AUTOMATIC CHAIN LUBRICATION SYSTEM

The chain lubricating system automatically supplies the drive chain with lubricant while riding. However, the system only works while the engine is running. The continuous lubrication minimises friction and wear of the chain drive, reduces maintenance and care efforts and thus increases the service life of the chain.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 77 16 8 522 846
Price: **755** RON

ACCESSORIES FOR BMW F 900 XR

STORAGE

TOURING CASES

With a volume of approx. 31 litres on the right and 32 litres on the left, the high-quality hard shell touring case offers ample space for luggage. The splashproof case with painted lid can be locked and is the perfect travel companion for short or longer tours.

Available in Asphalt grey metallic matt, Granite grey metallic matt (not shown), Light white and Racing red.

For information on speed and load restrictions, please refer to the operating instructions.

Left Part nr.: 77 41 8 409 425
Price: **1766** RON

1 Touring case in Asphalt grey metallic matt

2 Touring case, Light white

3 Touring case, Racing red

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

LINER FOR TOURING CASE

The matching liner for the touring case gets the luggage organised and facilitates loading and unloading. The liner is readily available and easy to carry thanks to the carry handle and shoulder strap. Functional details include the three-sided zip fastener and separate net compartment in the lid.

Left Part nr.: 77 41 8 549 407
Price: **374** RON

Right Part nr.: 77 41 8 549 408
Price: **374** RON

CASE HOLDER

The sturdy case holder allows easy and secure installation of the touring case. Even if the case is not mounted, the discreet black holder is hardly noticeable on the bike.

Part nr.: 46 54 8 396 549
Price: **1150** RON

SOFT CASE

The high-quality soft case made of durable polyester convinces with practical details and a storage volume of 20 litres (total volume of left soft case and right soft case). Features such as the waterproof liner, the all-round zip, the carrying handle and the quick-release fastener for easy mounting on the motorcycle ensure a secure hold and practical handling.

Left Part nr.: 77 41 8 563 761
Price: **1536** RON

Right Part nr.: 77 41 8 563 762
Price: **1536** RON

SMALL TOPCASE, 30 L

The waterproof plastic topcase offers enough space for a helmet with a volume of 30 litres. The lid, which is available in Asphalt grey metallic matt, Black storm metallic or Light white, and the soft-close hinges, which allow the lid to be lowered gently, underline the high-quality appeal.

Only in conjunction with luggage carrier, topcase carrier and corresponding outer shell. For information on speed and payload limitations, please refer to the installation/operating instructions. For more detailed information, contact your authorised BMW Motorrad Retailer or go online at bmw-motorrad.com.

Part nr.: 77 43 8 543 246
Price: **1327** RON

LINER FOR TOPCASE

The matching tailored liner for the topcase gets the luggage organised and facilitates loading and unloading. The carry handle and shoulder strap make the bag easy to access and transport. Practical details include the external patch pocket and the three-sided all-round zip.

Part nr.: 77 43 8 549 130
Price: **337** RON

LARGE TANK BAG

The tank bag, made of durable polyester fabric, offers many intelligent details. Its volume can be extended from 11 to 16 litres as required. Extra space is available in the map pocket and exterior pockets. The smart belt fastener design guarantees a secure hold and extremely functional handling.

Part nr.: 77 45 2 471 174
Price: **846** RON

Original BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

SMALL TANK BAG

The small, durable tank bag with belt attachment is the ideal companion for short trips. The main compartment with removable waterproof liner, the cable duct, the storage space volume of 5.5 litres, the carry handle and the removable shoulder strap are handy qualities that leave almost nothing to be desired.

Part nr.: 77 45 2 471 175
Price: **482** RON

LUGGAGE CARRIER

A topcase or other pieces of luggage can be easily and securely attached to the sturdy luggage carrier made of powder-coated die-cast aluminium. Since the luggage carrier is attached to the motorcycle in a vibration-free manner, the riding characteristics improve noticeably with the topcase mounted, especially at higher speeds.

Part nr.: 77 44 8 396 356
Price: **741** RON

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

DESIGN

OPTION 719 SILVER MIRRORS

Part nr.: 77 22 2 462 948
Price: **2325** RON

The Option 719 silver-coloured mirrors are made of milled aluminium and highlight the high-quality character of the bike.

The low-vibration construction and aerodynamic shape ensure excellent visibility. The attractive design also creates a strong individualisation effect.

ADJUSTABLE RIDER FOOTRESTS

Left Part nr.: 77 25 9 829 097
Price: **456** RON
Right Part nr.: 77 25 9 829 098
Price: **456** RON

The rider footrest made of black anodised aluminium combines a dynamic look with ergonomics and sportiness at the highest level. Thanks to the ribbed tread surface and three-step height adjustment, it provides additional support and optimum vehicle control.

FOLDABLE HANDBRAKE LEVER AND CLUTCH LEVER

Clutch Part nr.: 77 22 1 599 155
Price: **On Request**

Handbrake Part nr.: 77 23 9 829 271
Price: **On Request**

The handbrake lever can be adjusted in five positions for the preferred grip range and, thanks to the folding mechanism, has a defined folding moment.

The clutch lever can be adjusted in three positions for the preferred grip range and, thanks to the folding mechanism, has a defined folding moment.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

HANDBRAKE LEVER AND CLUTCH LEVER PROTECTORS

Clutch Part nr.: 77 22 9 829 099
Price: **On Request**

Handbrake Part nr.: 77 22 9 829 100
Price: **On Request**

The clutch lever protector also makes a clear statement of uncompromising sportiness on the road. The curved bow made of aluminium and plastic protects the clutch lever on the handlebars from being unintentionally actuated due to contact with another vehicle or damaging the bike if it falls over.

The handbrake lever protector protects the handbrake lever from accidental contact while riding and also if the bike falls over.

ENGINE SPOILER

The elegant three-part engine spoiler made of shatterproof and UV-resistant plastic ensures an individual sporty look. The side sections, painted in Granite grey metallic and Racing red create a striking visual accent.

1 Engine spoiler, Granite grey metallic

Part nr.: 77 31 9 829 374
Price: **1278** RON

2 Engine spoiler, Racing red

Part nr.: 77 31 9 829 376
Price: **1278** RON

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

ERGONOMICS & COMFORT

WINDSCREENS

The tinted windscreen emphasises the sporty look of the motorcycle. The scratch-resistant coating ensures long-term unimpeded visibility. The dimensions and shape are identical to those of the standard version, which means that the windscreen also offers good wind and weather protection.

The Sport windscreen in clear glass is approx. 20mm shorter than the standard windscreen and highlights the sporty look of the bike. The windscreen was developed in the BMW wind tunnel and offers good wind and weather protection even at higher speeds. The scratch-resistant coating ensures long-term unimpeded visibility.

Tinted windscreen

(not shown)
Part nr.: 77 33 8 409 970
Price: **1116** RON

1 Sport windscreen

Part nr.: 77 33 8 409 971
Price: **679** RON

2 Sport windscreen, tinted

Part nr.: 77 33 8 409 972
Price: **781** RON

Available at BMW Motorrad dealers.

HEATED GRIP RETROFIT SET (NOT SHOWN)

No more cold hands: This is ensured by the electric heating grips with multi-stage control. The grips enhance comfort and offer more safety, because it is easier to control the vehicle with warm hands and more feeling in the fingers. The heated grips are conveniently operated via a multifunction switch on the handlebars.

For more detailed information, contact your authorised BMW Motorrad Retailer or go online at bmw-motorrad.com. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

CRUISE CONTROL RETROFIT SET (NOT SHOWN)

The electronic cruise control can be activated from 30 km/h and keeps the driving speed constant. This makes it possible to enjoy longer motorway stretches in a relaxed style. The function is deactivated on braking, and the selected speed is automatically adopted after activating the resume button.

Part nr.: 61 31 9 480 151
Price: **1832** RON

LOW - SLUNG (NOT SHOWN)

The changes in the chassis resulting from the lowered suspension reduce the vehicle height and the seat height. This means that even smaller riders can enjoy improved stability and have better control over their machine when manoeuvring.

Fork leg, left, black
Part nr.: 77 42 9 480 489
Price: **On Request**

Fork leg, right, black
Part nr.: 77 42 9 480 490
Price: **4446** RON

Fork leg, left, gold
Part nr.: 31 42 9 467 905
Price: **4446** RON

Fork leg, right, gold
Part nr.: 31 42 9 467 906
Price: **4446** RON

Spring strut, low, rear
Part nr.: 33 54 8 404 358
Price: **4446** RON

Original BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

SEATS

The comfort seat with additional padding offers noticeable benefits in seating comfort and therefore even more carefree miles, especially for tall riders. The seat height is higher compared to the standard seat. Thus even long daily stages can be enjoyed in a relaxed style and without fatigue.

The low seat makes it easier to get on and off and improves ground accessibility. Many riders feel safer thanks to the reduced seat height, because they can manoeuvre and control their motorcycle more easily. The high-quality surface material in black corresponds to the standard equipment.

1 Comfort seat

Part nr.: 52 53 9 480 753
Price: **1912** RON

2 Low seat

Part nr.: 52 53 9 480 745
Price: **1655** RON

CENTRE STAND

Part nr.: 46 52 8 404 256
Price: **829** RON

The stable centre stand ensures a safe stand for the motorcycle even on slopes and offers advantages, for example, when refuelling, mounting cases and topcases or checking tyre pressure. The motorcycle also takes up less space when parked upright.

SHIFT ASSISTANT PRO
(NOT SHOWN)

The shift assistant Pro allows shifting up and down in almost all load ranges and engine speed ranges without clutch control. The assistant thus ensures noticeably reduced shifting times, a relief of the clutch hand and thus more comfort, dynamics and riding pleasure.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 23 41 8 522 869
Price: **2594** RON

NAVIGATION & COMMUNICATION

BMW MOTORRAD NAVIGATOR VI Part nr.: 77 52 8 355 994
Price: **4204** RON

With the multifunctional Navigator VI, route planning becomes child's play. The system with 16GB flash memory and a five-inch touch screen always shows the right way. Thanks to the circular polarisation filter (CPOL), the waterproof display is easy to read even in direct sunlight. The high-resolution screen in a casing similar to a smartphone provides all the essential information and ensures that you can see the big picture required in every situation. Numerous additional functions make planning and touring an exciting experience. Plan your routes can be created according to your personal preferences and enjoy driving on winding and quiet side roads. In unknown terrain, the "round trip" option is a good choice as it reliably guides the rider at the end of the tour back to the starting point. The Bluetooth connection to the BMW Motorrad communication system and the optional Smartphone Link app enable multimedia on the go: navigation announcements, telephone calls and music streaming as well as the retrieval of weather forecasts or traffic jam information are no problem. Navigation preparation adds further functions such as "My Motorcycle", and the multi-controller on the handlebars offers an alternative control option. Choose the pre-installed map data, and you will always be up to date with lifelong, free map updates.

Note the differences in national-market versions. Only available in conjunction with OE navigation preparation.
Not available in conjunction with the smartphone cradle holder or handlebar risers.
To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

**NAVIGATION PREPARATION RETROFIT SET
(NOT SHOWN)**

Part nr.: 65 90 1 598 845; Price: **685** RON

The retrofit set includes navigation preparation with Multi-Controller, holder and Mount Cradle for the navigation device. This allows the BMW Navigator to be neatly integrated into the cockpit in the rider's direct field of vision. The system is secured against theft and can be operated via the Multi-Controller on the handlebars.

BMW MOTORRAD SMARTPHONE CRADLE

Part nr.: 77 52 8 563 125
Price: **1048** RON

BMW Motorrad's robust Smartphone Cradle provides a safe and protected place for your smartphone. This means that useful functions such as navigation instructions and online information can also be used while you are on the move. Thanks to the handy charging function, your smartphone is always ready for action even on extended bike tours.

Only available in combination with bracket for BMW Motorrad navigation devices.
Not available in conjunction with preparation for navigation device or handlebar risers.
To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

SAFETY

HAND PROTECTORS

Part nr.: 77 32 2 465 274
Price: **565** RON

The hand protector, made of impact-resistant and UV-resistant plastic, also protects the operating elements against branches and stone chips while riding off-road, and is aerodynamically tailored to the vehicle. On the road, the wind and weather protection offered by the protectors is also impressive: hands and fingers stay longer dry and warm even at low temperatures.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

ENGINE PROTECTION BAR

The electropolished stainless steel sturdy engine protection bar reliably protects the engine housing against damage from the bike falling over or in the event of a fall without compromising the lean angle. It blends perfectly with the bike's design.

Left Part nr.: 77 14 8 356 941
Price: **797** RON
Right Part nr.: 77 14 8 356 942
Price: **797** RON

LED ADDITIONAL HEADLIGHTS

The powerful LED additional headlights extend the illumination to ensure the required vision in poor visibility conditions—perfectly complementing the headlight. LED technology ensures virtually wear-free operation.

To be fitted and/or enabled in a specialist workshop, and ideally at your authorised BMW Motorrad Retailer. The additional headlights are approved for use as fog lights, and may only be used in poor weather conditions. Country-specific road traffic regulations apply. K09: Only available in conjunction with OE seat heating.

Part nr.: 63 17 8 556 937
Price: **561** RON

PROTECTIVE GLASS FOR 6.5-INCH TFT DISPLAY

Part nr.: 77 52 2 462 777
Price: **210** RON

The protective glass reliably protects the 6.5-inch TFT display from dirt, flying stones and damage. The hardened glass has an anti-glare and anti-reflective surface, so that the TFT display can be read easily. With BMW Motorrad inscription.

FSC ENGINE DRAG TORQUE CONTROL (NOT SHOWN)

Part nr.: 77 53 9 480 108
Price: **0.07** RON

The engine drag torque control (MSR) reliably prevents unstable riding conditions that can occur during overrun mode or when shifting down due to excessive slip on the rear wheel. In this case, MSR increases the engine torque by opening the throttle valves to reduce slip and stabilise the motorcycle.

ANTI-THEFT ALARM SYSTEM RETROFIT SET (NOT SHOWN)

Strong protection from theft: If the motorcycle is moved or struck violently, the anti-theft alarm system responds with a clearly audible signal and a flashing warning light. The acoustic and optical warning will draw the attention of passers-by quickly. The alarm system is activated automatically when the ignition is switched off.

Note the differences in national-market versions. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 77 53 9 443 591
Price: **1408** RON

RETROFIT SET FOR TYRE PRESSURE CONTROL (NOT SHOWN)

The tyre pressure control with all its functions can be retrofitted by installing the control unit. TPC provides reliable information about the current tyre pressure and warns the rider about pressure loss at an early stage. The corresponding notifications and instructions are provided by the on-board computer in the cockpit.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 65 75 8 546 222
Price: **1276** RON

MAINTENANCE & TECHNOLOGY

OUTPUT REDUCTION 35 KW / 48 HP (NOT SHOWN)

The power reduction retrofit to 35 kW (48 hp) is an attractive option for beginners and returning riders. This leaves nothing to be desired when it comes to riding pleasure and feeling. The engine can be brought back to its full power later on, if desired. The power reduction is carried out by means of an enabling code.

Part nr.: 77 22 1 542 153
Price: **On Request**

Original BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

ACCESSORIES FOR BMW S 1000 XR

NEW

Model codes 0E41, 0E43

M PERFORMANCE PARTS

FOLDING M CLUTCH LEVER/BRAKE LEVER

M brake lever folding Part nr.: 77 23 9 457 348
Price: **On Request**

Folding M clutch lever Part nr.: 77 22 9 467 178
Price: **On Request**

The CNC-milled M clutch lever and handbrake lever made of corrosion-resistant anodised aluminium emphasise the motorbike's sportiness in a particularly impressive manner. They are perfectly matched to the bike design and folds upwards reversibly, which reduces the risk of bending or breaking in the event of a fall.

M FOOTREST SYSTEM

Left Part nr.: 77 25 7 921 863
Price: **1860 RON**

Right Part nr.: 77 25 7 921 864
Price: **1860 RON**

The CNC-milled M footrest system in anodised black with M logo and BMW branding enhances the dynamic look of the motorcycle. The ribbed tread surface provides a secure base for the rider's feet, ensuring optimum control of the bike. Numerous adjustment options meet a rider's every wish when it comes to ergonomics and sporty character.

M RIDER FOOTRESTS

Left Part nr.: 77 25 9 457 351
Price: **629 RON**

Right Part nr.: 77 25 9 457 352
Price: **629 RON**

The M rider footrest in anodised aluminium with its black/silver surface and BMW branding emphasises the dynamic appearance of the bike. The ribbed tread surface provides a secure base for the rider's feet, while vibration-resistant rubber inserts ensure optimum control of the bike. A replaceable slip pad gives the rider more freedom to lean the vehicle.

M REAR FOOTRESTS

Left Part nr.: 77 25 9 457 353
Price: **566 RON**

Right Part nr.: 77 25 9 457 354
Price: **566 RON**

The M rear footrest in anodised aluminium with its black/silver surface, M logo and BMW branding emphasises the dynamic appearance of the bike. The ribbed tread surface provides a secure base for the rider's feet, while vibration-resistant rubber inserts ensure additional comfort.

M CARBON MOUNTED PARTS

The high-quality M carbon bolt-on parts combine a sporty look with the perfection of a lightweight, high-tech material. The exclusive CFRP components are sealed with UV-resistant high-gloss paintwork and add an individual nuance.

3

Not available in conjunction with additional headlight.

1 M carbon ignition lock cover

Part nr.: 77 31 8 404 063
Price: **987 RON**

2 M carbon interior cockpit trim

Left Part nr.: 77 31 8 404 065
Price: **987 RON**

Right Part nr.: 77 31 8 404 066
Price: **987 RON**

3 M carbon engine protection bar

Left Part nr.: 77 14 8 393 839
Price: **2464 RON**

Right Part nr.: 77 14 8 393 840
Price: **2464 RON**

4 M carbon side trim panel

Left Part nr.: 77 31 8 404 069
Price: **2557 RON**

Right Part nr.: 77 31 8 404 070
Price: **2557 RON**

5 M carbon rear-wheel cover with chain guard (not shown)

Part nr.: 77 31 8 404 064
Price: **1677 RON**

Original BMW Motorrad accessories are available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

M CHAIN TENSIONER

The M chain tensioner from BMW Motorrad allows precise adjusting of the chain tension and rear wheel alignment and gives the bike a particularly sporty look. It is milled from a high-strength aluminium alloy which is very lightweight while remaining dimensionally stable. Double anodisation ensures optimal corrosion protection.

BMW Motorrad recommends it is fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

1 M chain tensioner

Part nr.: 77 25 8 404 852
Price: **496 RON**

2 M chain tensioner with assembly stand mounting

Part nr.: 77 00 9 443 163
Price: **On Request**

M AXLE PROTECTORS

Part nr.: 77 03 9 443 012
Price: **402 RON**

The M axle protectors from BMW Motorrad protect the fork and swinging arm from scratches if the bike falls or tips over. The robust drop-protection pads are made of highly abrasion-resistant plastic and can take a lot if necessary. In the typical M look with the BMW inscription, they match the bike's design perfectly.

M SPORT RIDER'S SEAT

Part nr.: 77 34 8 392 789
Price: **2125 RON**

The M Sport rider's seat with anti-slip cover provides more grip and ensures a sporty riding style. The homogeneous pressure distribution on the PU foam body also provides the passenger with seating comfort on long trips. The sporty look is rounded off by a small M logo.

M LIGHTWEIGHT BATTERY (NOT SHOWN)

Part nr.: 61 21 8 563 911
Price: **1090 RON**

High battery power and low weight—the high-quality M battery featuring the latest lithium-ion technology weighs only 1,288g, a full 2,000g lighter than the standard battery. The perfect starting aid for ambitious Superbike riders who want to invest in every single gram on their motorcycle.

BMW Motorrad recommends it is fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

M ENGINE PROTECTOR LEFT

Part nr.: 77 14 9 830 125
Price: **713 RON**

The M engine protector made of aluminium is equipped with a replaceable plastic slip pad. It protects the engine from direct grinding on the asphalt and thus reliably prevents the engine components from being ground to the core as well as the engine from being damaged as a result.

M OIL FILLER NECK

Part nr.: 77 12 9 829 883
Price: **179 RON**

The M oil filler neck milled from black anodised aluminium has a white lasered M logo and highlights the sporty design with its look. The sealing cap has three bore holes which ensure an anti-twist protection for the race track.

M FORGED WHEEL

The M forged wheel is black anodised and available in the tyre sizes 120/70 ZR 17 at the front and 200/55 ZR 17 at the rear. With 5 mm brake discs, it offers the highest braking performance—on the race track as well as in road traffic.

BMW Motorrad recommends it is fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer. Also available as optional equipment. Only in conjunction with front/rear M forged wheel.

1 M forged wheel, front

Part nr.: 36 31 8 389 048
Price: **4931 RON**

2 M forged wheel, rear

Part nr.: 36 31 8 389 049
Price: **5292 RON**

Original BMW Motorrad accessories are available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

**M FRONT SPORT BRAKE
(NOT SHOWN)**

The M sports brake for the front wheel is characterised by increased fading stability and thermal stability. In addition, the brake callipers are lighter and offer noticeably improved braking performance even with standard pads. The blue anodised brake callipers with white lasered M logo also adds visual accents.

Part nr.: 77 23 1 688 173
Price: **On Request**

NEW

M BRAKE PADS

Part nr.: 77 23 1 540 214
Price: **848 RON**

NEW

The M brake pads offer maximum braking performance on the racetrack. This includes improved responsiveness, a clear pressure point, very good dosability and increased fading stability. The brake pads are specially designed for the BMW Motorrad brake system.

No vehicle type approval.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

STORAGE

TOURING CASES

With a volume of approx. 30 litres, the high-quality hard shell touring case offers ample space for luggage or the motorcycle helmet. The waterproof case with black body can be locked and is the perfect travel companion for short or longer tours.

Left Part nr.: 77 41 1 539 579
Price: **619 RON**
Right Part nr.: 77 41 1 539 580
Price: **619 RON**

1 Touring case, Black storm

Left Part nr.: 77 41 1 539 575
Price: **589 RON**
Right Part nr.: 77 41 1 539 576
Price: **589 RON**

2 Touring case, Racing red

LINERS FOR TOURING CASES

The matching liner for the touring case gets the luggage organised and facilitates loading and unloading. The liner is readily available and easy to carry thanks to the carry handle and shoulder strap. The practical details include the outside pocket and the three-sided zip.

Left Part nr.: 77 41 2 471 465
Price: **386 RON**
Right Part nr.: 77 41 2 471 464
Price: **386 RON**

SMALL TOPCASE, 30 L

The waterproof topcase has a capacity of 30l and a maximum load of 5 kg – perfect for a helmet, for example. The lid has the same paintwork as the touring case and is equipped with a soft-close mechanism. A backrest pad and central locking functionality are also available upon request.

Part nr.: 77 43 9 829 379
Price: **1327 RON**

**1 Small topcase,
Black storm metallic**
Part nr.: 77 43 8 414 337
Price: **551 RON**

2 Small topcase, Racing red
Part nr.: 77 43 8 555 607
Price: **525 RON**

3 Backrest pad for small topcase
Part nr.: 77 44 8 549 334
Price: **332 RON**

Original BMW Motorrad accessories are available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

LINER FOR TOPCASE

The matching tailored liner for the topcase gets the luggage organised and facilitates loading and unloading. The carry handle and shoulder strap make the bag easy to access and transport. Practical details include the external patch pocket and the three-sided all-round zip.

Part nr.: 77 43 8 549 130
Price: **337 RON**

LARGE TOPCASE, 49L

This waterproof topcase offers ample space for up to two helmets with a volume of 49 litres. The lid optionally available in only primed, Black storm metallic or Racing red allows customised paintwork in the desired or vehicle colour. Practical options are the matching liner or backrest pad for the passenger.

Only available in conjunction with the luggage carrier and topcase carrier.

Part nr.: 77 43 9 829 378
Price: **1659 RON**

1 Large topcase, Black storm metallic

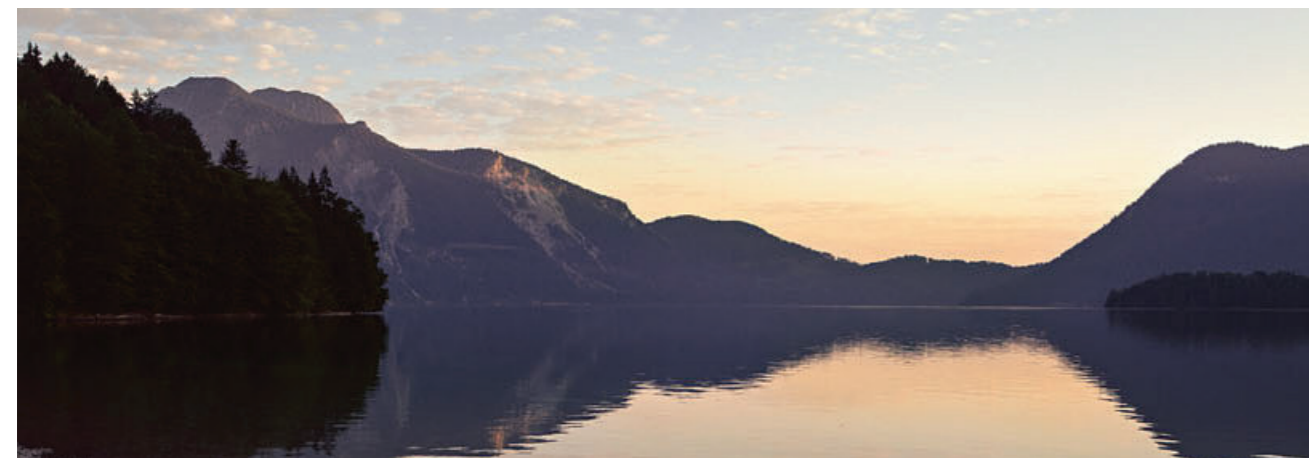

Part nr.: 77 43 9 457 185
Price: **1022 RON**

2 Large topcase, Racing red

Part nr.: 77 43 8 354 935
Price: **974 RON**

3 Backrest pad for large topcase

Part nr.: 77 44 8 561 434
Price: **332 RON**

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

LINER FOR LARGE TOPCASE

Part nr.: 77 43 8 549 124
Price: **348 RON**

The matching liner for the large topcase gets the luggage organised and facilitates loading and unloading. The carry handle and shoulder strap make the bag easy to access and transport. Practical details include two external patch pockets and the three-sided all-round zip.

LARGE TANK BAG

Part nr.: 77 45 5 A0E 755
Price: **952 RON**

The tank bag, made of durable polyester fabric, offers many intelligent details. Its volume can be extended from 11 to 16 litres as required. Extra space is available in the map pocket and exterior pockets. The smart belt fastener design guarantees a secure hold and extremely functional handling.

SMALL TANK BAG

Part nr.: 77 45 5 A0E 756
Price: **On Request**

The small, durable tank bag with belt attachment is the ideal companion for short trips. The main compartment with removable waterproof liner, the cable duct, the storage space volume of 5.5 litres, the carry handle and the removable shoulder strap are handy qualities that leave almost nothing to be desired.

ATTACHMENT ELEMENT FOR TANK BAG (NOT SHOWN)

A BMW Motorrad tank bag can be attached quickly and securely to the vehicle using the model-specific fastening elements. The two-part fastening is mounted at the front and rear of the motorcycle using a strap or screw connection. The tank bag then only needs to be positioned and fastened with buckles.

Part nr.: 77 45 2 471 466
Price: **140 RON**

LARGE/SMALL REAR BAG (NOT SHOWN)

The rear bag offers intelligent details such as a waterproof, removable liner and variable shoulder straps with the option of carrying it as a backpack. The storage space can be expanded from 35 to 42 litres and from 50 to 60 litres and makes the bag, which folds down to a compact size on the stable base, a space miracle and ideal companion for touring riders.

Large
Part nr.: 71 60 5 A0E 757
Price: **1088 RON**

Small
Part nr.: 71 60 5 A0E 758
Price: **925 RON**

BAG FOR LUGGAGE CARRIER

The bag for the luggage carrier has a waterproof main compartment and, with a volume of 4.5 litres, provides enough storage space for day trips or the daily ride to work. It is a practical addition or alternative to the tank bag. The zip fastener on three sides allows quick access, while the carry handle facilitates transport.

For information on speed and payload limitations, please refer to the installation/operating instructions.

Part nr.: 77 49 8 562 634
Price: **524 RON**

Original BMW Motorrad accessories are available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

ATACAMA LUGGAGE ROLL

The Atacama luggage roll made of a robust mix of materials convinces with clever details and a storage volume of 40 litres. In addition to the waterproof liner, various storage compartments provide additional space. The versatile fastening concept, three carry handles and backpack function ensure a secure hold and extremely practical handling.

For information on speed and load limitations, please refer to the operating instructions.

1 Atacama roll bag, 40l

Part nr.: 77 40 2 451 381
Price: **1107** RON

2 Tensioning strap for Atacama roll bag, lockable

Part nr.: 77 40 2 464 348
Price: **235** RON

DESIGN

BRAKE EXPANSION TANK (NOT SHOWN)

NEW

The brake expansion tank cover is made of milled aluminium and enhances the appearance of the motorcycle. The double anodised component with lasered M logo perfectly matches the sporty appearance of the bike.

Part nr.: 32 72 1 539 643
Price: **400** RON

REAR SPORT BRAKE (NOT SHOWN)

NEW

The rear sports brake with its blue anodised brake calliper adds visual accents and is a perfect match for the M sports brake for the front wheel.

Part nr.: 77 23 1 668 502
Price: **On Request**

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

SPORTS SILENCER (NOT SHOWN)

NEW

A top-class feature for top quality sound. The high-quality slip-on sports silencer made of titanium with a carbon end cap guarantees a throaty sound and a sporty appearance. In addition, the sports silencer developed together with Akrapovič has a weight advantage over the standard silencer.

Part nr.: 77 11 7 923 809
Price: **5803** RON

TANK PAD (NOT SHOWN)

NEW

The tank pad in multi-coloured BMW design reliably protects the fuel tank from scratches and at the same time emphasises the bike's sporty look. The "XR" inscription adds an extra individual touch. The pad made of UV-resistant PU material is self-adhesive and can be custom-fit onto the fuel tank.

Part nr.: 77 31 8 404 068
Price: **230** RON

Original BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

ERGONOMICS & COMFORT

WINDSCREENS

The tinted windscreen emphasises the sporty look of the motorcycle. The scratch-resistant coating ensures long-term unimpeded visibility. The dimensions and shape are identical to those of the standard version, which means that the windscreen also offers good wind and weather protection.

The scratch-resistant coated high windscreen is higher and wider than the standard version and therefore offers noticeably improved wind and weather protection as well as greater overall touring comfort. Especially on fast motorway stretches, the high windscreen provides relief for the upper body and provides more relaxed and fatigue-free kilometres.

The low windscreen is approx. 125 mm shorter than the standard windscreen and highlights the sporty look of the bike. The clear glass is made of highly stable polycarbonate, has a scratch-resistant coating and noticeably relieves the wind pressure on the upper body.

1 Tinted windscreen

Part nr.: 77 31 8 392 784
Price: **1437** RON

2 High windscreen

Part nr.: 46 63 8 392 776
Price: **1213** RON

3 High windscreen, tinted

Part nr.: 77 31 8 392 785
Price: **1437** RON

4 Low windscreen, tinted

Part nr.: 77 31 8 392 786
Price: **1277** RON

5 Low windscreen

Part nr.: 46 63 8 392 783
Price: **1111** RON

HEATED GRIP RETROFIT SET (NOT SHOWN)

No more cold hands: this is ensured by the electric heated grips with multi-stage control. They increase comfort and at the same time bring more safety, because with warm hands and more feeling in their fingers, the rider simply has better control of the motorcycle—on cold days as well as when riding in the rain.

BMW Motorrad recommends it is fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer. Also available as optional equipment.

Part nr.: 61 31 8 552 124
Price: **1236** RON

CRUISE CONTROL RETROFIT SET (NOT SHOWN)

The electronic cruise control can be activated from 30 km/h and keeps the driving speed constant. This makes it possible to enjoy longer motorway stretches in a relaxed style. The function is deactivated on braking, and the selected speed is automatically adopted after activating the resume button.

Part nr.: 61 31 9 480 153
Price: **1833** RON

SEATS

The high seat has a seat height of 860 mm. This means that even tall riders enjoy a comfortable knee angle and a relaxed and comfortable seat position that helps prevent signs of fatigue even on long journeys. The eye-catching XR embossing is a visual highlight.

20 mm lower than the standard version, this low seat makes climbing on off easier and keeps the ground within easy reach. Many riders feel safer thanks to the reduced seat height, because they can manoeuvre and control their motorcycle more easily. The eye-catching XR embossing is a visual highlight.

Comfort seat (not shown)

The comfort seat (not shown) with additional padding offers noticeable benefits in seating comfort and therefore even more carefree miles for both rider and passenger. The high-quality cover in Cool leather and the eye-catching XR and HEATREFLECT embossing provide an exclusive look.

1 High seat

Part nr.: 52 53 8 393 823
Price: **2125** RON

3 Low seat

Part nr.: 52 53 8 392 781
Price: **2125** RON

**SHIFT ASSISTANT PRO RETROFIT SET
(NOT SHOWN)**

The shift assistant Pro allows shifting up and down in almost all load ranges and engine speed ranges without actuating the clutch or throttle. The assistant thus ensures noticeably reduced shifting times, a relief of the clutch hand and thus greater comfort and dynamics.

BMW Motorrad recommends it is fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 23 41 8 355 688
Price: **2629** RON

**ACTIVATION CODE FOR SHIFT ASSISTANT PRO
(NOT SHOWN)**

The shift assistant Pro allows shifting up and down in almost all load ranges and engine speed ranges without clutch control. The assistant thus ensures noticeably reduced shifting times, a relief of the clutch hand and thus more comfort, dynamics and riding pleasure.

BMW Motorrad recommends it is fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 77 15 8 395 839
Price: **230** RON

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

NAVIGATION & COMMUNICATION

BMW MOTORRAD NAVIGATOR VI

With the multifunctional Navigator VI, route planning becomes child's play. The system with 16GB flash memory and a five-inch touch screen always shows the right way. Thanks to the circular polarisation filter (CPOL), the waterproof display is easy to read even in direct sunlight. The high-resolution screen in a casing similar to a smartphone provides all the essential information and ensures that you can see the big picture required in every situation. Numerous additional functions make planning and touring an exciting experience. Plan your routes can be created according to your personal preferences and enjoy driving on winding and quiet side roads. The "round trip" option is a good choice on unfamiliar terrain as it will reliably lead you back to the starting point. The Bluetooth connection to the BMW Motorrad communication system and the optional Smartphone Link app enable multimedia on the go: navigation announcements, telephone calls and music streaming as well as the retrieval of weather forecasts or traffic jam information are no problem. Navigation preparation adds further functions such as "My Motorcycle", and the multi-controller on the handlebars offers an alternative control option. Choose the pre-installed map data, and you will always be up to date thanks to lifelong, free map updates.

The retrofit set includes the holder and Mount Cradle for the navigation device. This allows the BMW Navigator to be integrated cleanly into the cockpit and thus into the rider's direct field of vision. The system is secured against theft and can be operated via the Multi-Controller on the handlebars.

1
Note the differences in national-market versions. Only available in conjunction with OE navigation preparation.

2
Not available in conjunction with the Smartphone Cradle holder or handlebar risers.
To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

1 BMW Motorrad Navigator VI

Part nr.: 77 52 8 355 994
Price: **4204** RON

2 Navigation preparation retrofit set

Part nr.: 65 90 1 540 646
Price: **1074** RON

Original BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer.
Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

CHARGING SOCKET RETROFIT SET

Part nr.: 65 90 1 598 766
Price: **On Request**

NEW

The 12 volt charging socket provides power for external electrical equipment. With the BMW USB charger, external navigation devices, music players or mobile phones, for example, can be supplied with power or charged.

BMW MOTORRAD USB CABLE

Part nr.: 77 52 5 A1C B60
Price: **136 RON**

NEW

The three BMW Motorrad USB cables in the set provide a connection for any standard device. The special connectors with an extended shaft are easy to handle. The cables, each with a length of 1.8m, can be individually adjusted and compactly stowed away using Velcro strap.

LED ADDITIONAL HEADLIGHTS

Part nr.: 63 17 8 392 999
Price: **216 RON**

The powerful LED additional headlights extend the illumination to ensure the required vision in poor visibility conditions. Thus they perfectly complement the main headlight. LED technology ensures virtually wear-free operation.

PROTECTIVE GLASS FOR 6.5-INCH TFT DISPLAY

Part nr.: 77 52 2 462 777
Price: **210 RON**

The protective glass reliably protects the 6.5-inch TFT display from dirt, flying stones and damage. The hardened glass has an anti-glare and anti-reflective surface, so that the TFT display can be read easily. With BMW Motorrad inscription.

SAFETY

HAND PROTECTOR

Part nr.: 77 32 8 553 967
Price: **706 RON**

The hand protectors, made of shatter-proof and UV-resistant plastic, also protect the operating elements against branches and stone chips off-road while riding off-road. On the road, the wind and weather protection offered by the protectors is also impressive: hands and fingers stay longer dry and warm even at low temperatures.

RADIATOR GRILLE

Part nr.: 77 31 8 414 688
Price: **220 RON**

The BMW Motorrad radiator grille reliably protects the radiator on the race track from tyre abrasion and damage due to stone chips. The two-piece polyamide grille fits the upper water cooler and the lower oil cooler exactly and its design matches the aerodynamics of the motorcycle perfectly.

**ESA RETROFIT SET
(NOT SHOWN)**

Dynamic ESA Pro (Electronic Suspension Adjustment) offers a second damping mode and automatic riding position compensation. Compared to the standard mode, ROAD mode offers an even greater differentiation with an emphasis on comfort. The additional DYNAMIC mode raises the sporting capabilities of the machine to a new level.

Part nr.: 77 53 8 406 261
Price: **1568 RON**

**RDC RETROFIT SET
(NOT SHOWN)**

The tyre pressure control with all its functions can be retrofitted by installing the control unit. TPC provides reliable information about the current tyre pressure and warns the rider about pressure loss at an early stage. The corresponding notifications and instructions are provided by the on-board computer in the cockpit.

BMW Motorrad recommends it is fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 77 53 1 541 294
Price: **1276 RON**

Original BMW Motorrad accessories are available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

**ANTI-THEFT ALARM SYSTEM RETROFIT SET
(NOT SHOWN)**

Strong protection from theft: If the anti-theft alarm system is moved or struck violently, the system responds with a clearly audible signal and a hazard warning indicator lamp. The acoustic and optical warning will draw the attention of passers-by quickly. The alarm system is activated automatically when the ignition is switched off.

BMW Motorrad recommends it is fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer. Also available as optional equipment. Note the differences in national-market versions.

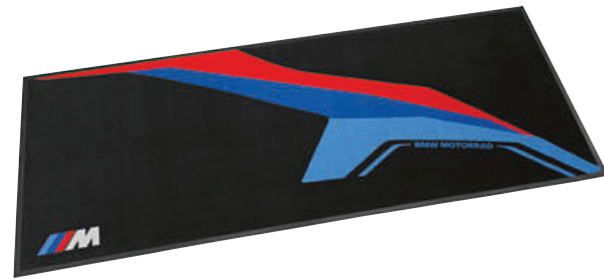

Part nr.: 65 75 9 832 031
Price: **1659 RON**

MAINTENANCE & TECHNOLOGY

MOTORCYCLE MAT

Part nr.: 77 02 5 A18 9C0
Price: **665 RON**

NEW

An exclusive place for the bike: the motorcycle mat not only impresses with its attractive design, it also reliably protects the floor from dirt, oil and petrol stains. A further advantage is the anti-slip and fire-retardant material composition. The practical underlay measures a compact 250 x 105 cm.

EXTRA SOCKET

Part nr.: 61 34 7 714 741
Price: **188 RON**

Electronic devices can be connected to the bike's electrical system via the retrofittable 12-volt power socket. One example of this is the BMW USB charger, which can be used to charge and operate mobile phones and MP3 players with an appropriate interface while riding.

BMW Motorrad recommends it is fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

ADVANTEC PROTECT ORIGINAL BMW FUEL ADDITIVE NEW

Part nr.: 83 19 2 460 609
Price: **51 RON**

The ADVANTEC Protect Original BMW Fuel Additive protects the fuel from ageing and prevents corrosion in the combustion chamber and on all parts carrying fuel. The cleaning effect also removes deposits that can impair engine output. The additive can be used as an immediate or preventive measure.

ACCESSORIES FOR BMW S 1000 XR

Model codes 0D03, 0D13

HP PARTS

HP SPORT SILENCER

Part nr.: 77 11 9 830 140
Price: **On Request**

The HP sport silencer is completely made of titanium and its excellent sound makes every ride a sporty experience. Thanks to its lightweight titanium design, the end cap and the large carbon heat shield, it weighs 0.5kg less than the standard silencer.

Installation instructions are available from your authorised BMW Motorrad Retailer.

HP AXLE PROTECTORS

Part nr.: 77 03 9 443 012
Price: **402 RON**

The HP axle protectors for the front axle are made of highly abrasion-resistant plastic. They feature the BMW and HP inscription and protect the front fork from scratches if the bike falls or tips over.

Installation instructions are available from your authorised BMW Motorrad Retailer.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

HP FOOTRESTS FOR RIDER AND PASSENGER

The HP footrest system provides optimum ergonomics and sportiness thanks to its dynamic look and many adjustment options. It is milled from a high-strength aluminium alloy, is particularly lightweight and offers optimum corrosion protection thanks to its three-colour anodisation.

The milled HP passenger footrest is perfectly matched in shape and material to the corresponding HP rider footrests.

To be fitted and/or enabled in a specialist workshop, and ideally at your authorised BMW Motorrad Retailer.

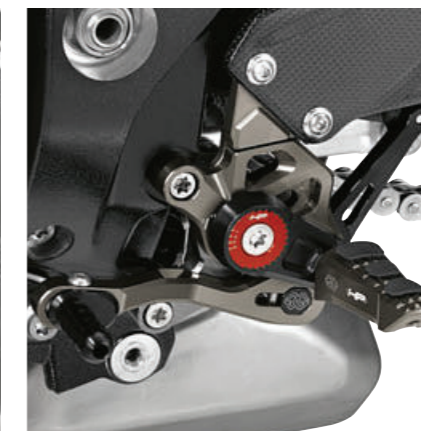

1 HP footrest system, right

Part nr.: 77 25 8 553 929
Price: **1771 RON**

2 HP footrest system, left

Part nr.: 77 25 8 553 930
Price: **1771 RON**

3 HP passenger footrest

Left Part nr.: 77 25 8 554 325

Price: **485 RON**

HP MILLED BRAKE AND CLUTCH LEVERS

The ergonomically optimised HP clutch lever made of grey anodised aluminium is adjustable and underlines the sportiness of the motorcycle.

The HP brake lever made of grey anodised aluminium emphasises the sportiness of the bike and can be ergonomically adjusted to the hand width in five steps.

To be fitted and/or enabled in a specialist workshop, and ideally at your authorised BMW Motorrad Retailer.

1 HP milled clutch lever

Part nr.: 77 22 8 355 201
Price: **689 RON**

2 HP milled brake lever

Part nr.: 77 22 8 355 202
Price: **689 RON**

PRO GEAR-SHIFT ASSIST

The Shift Assistant Pro makes it easy to shift up and down without actuating the clutch.

To be fitted and/or enabled in a specialist workshop, and ideally at your authorised BMW Motorrad Retailer.

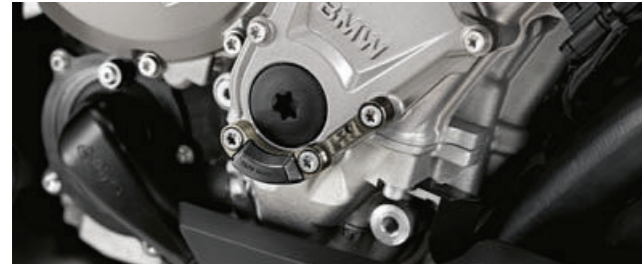

Part nr.: 23 41 8 355 688
Price: **2629 RON**

Original BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

HP ENGINE PROTECTORS

Left Part nr.: 77 25 8 545 293
Price: **713 RON**
Right Part nr.: 77 25 8 545 292
Price: **535 RON**

The HP engine protector offers improved protection against damage to engine components with its replaceable plastic slip pads.

To be fitted and/or enabled in a specialist workshop, and ideally at your authorised BMW Motorrad Retailer.
Not available in conjunction with engine protection bar.

HP FORGED WHEELS

Front
Part nr.: 77 21 8 555 035
Price: **4343 RON**
Rear
Part nr.: 77 21 8 555 036
Price: **4614 RON**

The black anodised HP forged front wheel offers improved handling and suspension characteristics thanks to its weight advantage.

The black anodised rear HP forged wheel (not shown) is lighter than the standard wheel and provides a noticeable increase in riding dynamics in fast S-bends.

To be fitted and/or enabled in a specialist workshop, and ideally at your authorised BMW Motorrad Retailer.

HP CARBON BOLT-ON PARTS

Superlative performance is a given with these bolt-on parts. They're elegant, exclusive and durable – each one a masterpiece in its own right. And if perfection's what you're after, you've hit the jackpot here because they're made of carbon, the ultimate lightweight material. An unbeatable combination of stylish looks and technical expertise.

Small mounting parts included.

For more detailed information, contact your authorised BMW Motorrad Retailer or go online at bmw-motorrad.com.

1 HP Carbon front wheel cover

Part nr.: 77 31 8 549 539
Price: **1836 RON**

2 HP Carbon rear wheel cover

Part nr.: 77 31 8 551 910
Price: **1699 RON**

3 HP Carbon cockpit fairing

Left Part nr.: 77 31 8 551 919
Price: **1973 RON**
Right Part nr.: 77 31 8 551 920
Price: **1973 RON**

4 HP Carbon fuel filler cap

Part nr.: 77 31 8 551 921
Price: **1836 RON**

5 HP Carbon pinion cover

Part nr.: 77 31 8 555 880
Price: **1535 RON**

6 HP Carbon cover for number plate carrier

Part nr.: 77 31 8 551 922
Price: **1754 RON**

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

HP CHAIN TENSIONER

Part nr.: 77 25 8 560 292
Price: **438 RON**

The HP chain tensioner offers high-precision adjustment of chain tension and rear-wheel alignment. It's securely attached to the swing arm, which makes it easier to fit the rear wheel.

HP ASSEMBLY STAND MOUNTING

Part nr.: 77 25 8 560 293
Price: **192 RON**

The high-quality HP assembly stand mounting is made of high-strength, CNC-milled aluminium and enables the use of the rear Sport assembly stand. The existing rollers prevent the assembly stands from slipping and thus protect the motorcycle from possible scratches.

STORAGE

TOURING CASES

With a volume of approx. 31 litres on each side, the high-quality hard shell touring case offers ample space for luggage or a motorcycle helmet. The splashproof case with painted lid can be locked and is the perfect travel companion for short or longer tours.

- Right** Part nr.: 46 54 8 548 740
Price: **247** RON

SMALL TOPCASE AND BACKREST PAD

The waterproof topcase has a capacity of 30l and a maximum load of 5 kg – perfect for a helmet, for example. The lid has the same paintwork as the touring case and is equipped with a soft-close mechanism. A backrest pad and central locking functionality are also available upon request.

Available at BMW Motorrad dealers.

1 Small topcase, Racing red

Available at BMW Motorrad dealers.

2 Small topcase, Light white

Available at BMW Motorrad dealers.

3 Small topcase, Black storm metallic

Available at BMW Motorrad dealers.

4 Small topcase, Granite grey metallic matt

LINER FOR SMALL TOPCASE

The matching tailored liner for the topcase gets the luggage organised and facilitates loading and unloading. The carry handle and shoulder strap make the bag easy to access and transport. The practical details include the outside pocket and the three-sided zip.

- Part nr.: 77 43 8 549 130
Price: **337** RON

LARGE TOPCASE AND BACKREST PAD

This waterproof topcase offers ample space for up to two helmets with a volume of 49 litres. The lid optionally available in only primed, Granite grey metallic matt, Light white, Black storm metallic or Racing red (not shown) allows customised paintwork in the desired or vehicle colour. Practical options are the matching liner or backrest pad for the passenger.

To be fitted and/or enabled in a specialist workshop, and ideally at your authorised BMW Motorrad Retailer.

- Part nr.: 77 43 8 551 996
Price: **1658.61** RON

1 Large topcase, Granite grey metallic matt
Part nr.: 77 43 8 354 934
Price: **1022** RON

2 Large topcase, Light white
Part nr.: 77 43 9 457 026
Price: **974** RON

3 Large topcase, Black storm metallic
Part nr.: 77 43 9 457 185
Price: **1022** RON

LINER FOR LARGE TOPCASE

The matching liner for the large topcase gets the luggage organised and facilitates loading and unloading. The carry handle and shoulder strap make the bag easy to access and transport. Practical details include two external patch pockets and the three-sided all-round zip.

- Part nr.: 77 43 8 549 124
Price: **348** RON

LUGGAGE CARRIER AND TOPCASE HOLDER

The sturdy, stylish luggage carrier is ideal for reliably securing the topcase. In addition, it serves as a convenient handle for the passenger and is also ideal for using as a pushing aid when jacking up and manoeuvring.

- Part nr.: 46 54 8 567 908
Price: **932** RON

LED INDICATORS

A shining example: The beautifully designed LED indicators with white turn indicator glass convince with their slim design and modern lighting technology. They respond much faster than incandescent lamps and are virtually wear-free. This provides a clear safety advantage in road traffic.

To be fitted and/or enabled in a specialist workshop, and ideally at your authorised BMW Motorrad Retailer.

- Part nr.: 63 13 8 522 499
Price: **256** RON

TANK BAG AND MAP POCKET FOR TANK BAG

The tank bag is made of durable PU-coated polyester fabric with a waterproof main compartment and strap fastening and can be expanded from 10 litres to 15 litres. The water-repellent outside pocket offers additional stowage space. The carry handle and the detachable shoulder strap are further practical features.

The removable and waterproof A4 map pocket ideally complements the tank bag.

1 Tank bag

Part nr.: 77 49 8 551 736
Price: **1117 RON**

2 Waterproof map pocket for tank bag

Part nr.: 77 45 8 561 547
Price: **134 RON**

ERGONOMICS & COMFORT

TINTED WINDSCREEN

Part nr.: 77 31 8 392 784
Price: **1437 RON**

The tinted windscreen emphasises the sporty look of the motorcycle. The special coating also permanently prevents scratches.

To be fitted and/or enabled in a specialist workshop, and ideally at your authorised BMW Motorrad Retailer.

CRUISE CONTROL RETROFIT SET

Part nr.: 61 31 8 522 472
Price: **1235 RON**

Also available as an equipment option.

To be fitted and/or enabled in a specialist workshop, and ideally at your authorised BMW Motorrad Retailer. For more detailed information, contact your authorised BMW Motorrad Retailer or go online at bmw-motorrad.com.

SEATS

All seats are available in two heights, for the perfect knee angle.

Specially developed for the BMW S 1000 XR and finished to the highest standards, the padded HP sport seat offers increased comfort on longer journeys.

- 1 Seat height: 855 mm; inner leg curve: 1,925 mm
- 2 Seat height: 840 mm; inner leg curve: 1,894 mm
- 3 Seat height: 840 mm; inner leg curve: 1,894 mm
- 4 Also available as optional equipment
Seat height: 820 mm; inner leg curve: 1,860 mm

1 HP sport seat, high

Part nr.: 77 34 7 717 180
Price: **2018 RON**

2 HP sport seat

Part nr.: 77 34 8 549 529
Price: **2018 RON**

3 Seat

Part nr.: 52 53 7 717 179
Price: **1835 RON**

4 Low seat

Part nr.: 52 53 7 717 178
Price: **1835 RON**

Available at BMW Motorrad dealers.

CENTRE STAND

Part nr.: 46 52 7 723 848
Price: **977 RON**

The stable centre stand ensures a safe stand for the motorcycle even on slopes and offers advantages, for example, when refuelling, mounting cases and topcases or checking tyre pressure. The motorcycle also takes up less space when parked upright.

To be fitted and/or enabled in a specialist workshop, and ideally at your authorised BMW Motorrad Retailer.

HEATED GRIPS

Comfort meets safety. The practical heated grips keep hands pleasantly warm even on cold days and also more responsive. The grip heating controlled by the on-board computer continuously detects the outside temperature via sensors and adjusts the heat output.

To be fitted and/or enabled in a specialist workshop, and ideally at your authorised BMW Motorrad Retailer. For more detailed information, contact your authorised BMW Motorrad Retailer or go online at bmw-motorrad.com.

NAVIGATION & COMMUNICATION

BMW MOTORRAD NAVIGATOR VI Part nr.: 77 52 8 355 994
 Price: **4204 RON**

With the multifunctional Navigator VI, route planning becomes child's play. The system with 16GB flash memory and a five-inch touch screen always shows the right way. Thanks to the circular polarisation filter (CPOL), the waterproof display is easy to read even in direct sunlight. The high-resolution screen in a casing similar to a smartphone provides all the essential information and ensures that you can see the big picture required in every situation. Numerous additional functions make planning and touring an exciting experience.

Plan your routes can be created according to your personal preferences and enjoy driving on winding and quiet side roads. The "round trip" option is a good choice on unfamiliar terrain as it will reliably lead you back to the starting point. The Bluetooth connection to the BMW Motorrad communication system and the optional Smartphone Link app enable multimedia on the go: navigation announcements, telephone calls and music streaming as well as the retrieval of weather forecasts or traffic jam information are no problem. Navigation preparation adds further functions such as "My Motorcycle", and the multi-controller on the handlebars offers an alternative control option. Choose the pre-installed map data, and you will always be up to date with lifelong, free map updates.

For more detailed information, contact your authorised BMW Motorrad Retailer or go online at bmw-motorrad.com.

SAFETY

HAND PROTECTORS

This tough hand protector is made of shatter-proof, UV-resistant plastic and provides effective protection for the hands against low branches and flying stones. Also available as an equipment option.

Part nr.: 77 32 8 553 967
 Price: **706 RON**

ENGINE PROTECTION BARS

The stainless steel, electropolished engine protection bars provide effective protection for the sides of the engine, without compromising the lean angle.

To be fitted and/or enabled in a specialist workshop, and ideally at your authorised BMW Motorrad Retailer. Not available in conjunction with engine protectors. Small mounting parts are not included. For more detailed information, contact your authorised BMW Motorrad Retailer or go online at bmw-motorrad.com.

Left Part nr.: 77 14 8 548 831
 Price: **797 RON**

Right Part nr.: 77 14 8 548 832
 Price: **797 RON**

ANTI-THEFT ALARM SYSTEM (NOT SHOWN)

Part nr.: 77 53 9 443 591; Price: **1408 RON**
 If the anti-theft alarm system is moved or struck violently, the system responds with a clearly audible signal and a hazard warning indicator lamp. Thanks to the warning, passers-by quickly become aware. The system is conveniently activated by remote control.

To be fitted and/or enabled in a specialist workshop, and ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

ABS PRO ENABLING CODE (NOT SHOWN)

The BMW Motorrad ABS Pro is available in all riding modes and also adapts the ABS control to the motorcycle's lean angle. The system is perfectly adapted to the selected riding mode and ensures optimum braking performance even in bends. The motorcycle does not right itself and remains on course.

ACCESSORIES FOR BMW R 1250 GS

HP PARTS

HP SPORT SILENCER

Part nr.: 77 11 9 444 593
Price: **5404** RON

A top-class feature for top quality sound. The high-quality slip-on silencer made of titanium with a carbon end cap guarantees a throaty sound and a sporty appearance. In addition, the sport silencer developed with Akrapovič is weight-optimised compared to the standard silencer.

Not approved for the USA.

HP HAND LEVER, ADJUSTABLE

Part nr.: 77 23 2 462 953
Price: **1240** RON

The CNC-milled HP hand levers made of anodised aluminium combine functionality and aesthetics. The grip width can be adjusted in five steps (brake lever) or three steps (clutch lever) using a setting screw and thus adapted to individual requirements. The look with HP logo also emphasises the bike's sportiness.

HP COVERS FOR EXPANSION TANKS

Part nr.: 77 22 2 462 947
Price: **878** RON

The HP cover for expansion tanks made of anodised aluminium also adds to the bike's sporty character. The high-quality milled cover with HP branding emphasises the high-performance claim and also provides for an attractive customisation of the bike.

HP MIRRORS

Part nr.: 77 22 2 462 949
Price: **2428** RON

The high-quality HP mirrors are made of milled aluminium and emphasise the sporty character of the bike. The low-vibration construction and aerodynamic shape ensure excellent visibility. The attractive design with BMW Motorrad inscription also creates a strong individualisation effect.

HP ENGINE HOUSING COVER, FRONT

Part nr.: 77 12 2 462 938
Price: **3048** RON

The HP engine housing cover made of anodised aluminium also adds to the bike's sporty character. The high-quality milled cover and HP branding emphasise the high-performance standard and also guarantee an attractive customisation of the bike.

HP FOOT LEVER AND RIDER FOOTRESTS, ADJUSTABLE

HP rider footrests, adjustable

Part nr.: 77 25 2 462 959
Price: **1337** RON

HP foot lever, adjustable

Part nr.: 77 25 2 462 956
Price: **1511** RON

The HP rider footrests with plastic footboards are adjustable in three positions and provide maximum comfort and surefootedness on and off-road. The high-quality milled parts made of anodised aluminium provide more control especially when riding in a standing position. The exclusive look with HP logo also emphasises the bike's performance-based character.

The milled HP foot levers made of anodised aluminium are adjustable and come in sporty HP blue/silver/black. With the right set up, the foot levers can also be operated better and more sensitively when riding while standing up during off-road use. The exclusive look with HP logo also emphasises the bike's performance-based character.

HP CYLINDER HEAD COVERS

Part nr.: 77 12 2 462 935
Price: **6096** RON

The HP cylinder head covers made of anodised aluminium give the boxer engine an attractive appearance. The high-quality milled covers and HP branding highlight the motorcycle's sporty character. The HP oil filler plug perfectly matches the cylinder head covers.

STORAGE

ALUMINIUM CASES

The perfect solution for touring fans who place the highest demands on themselves and their equipment: the aluminium case for mounting on the left-hand side offers 44 litres of storage space. The aluminium case for mounting on the right-hand side offers 36 litres of storage space. This robust piece of transport equipment is dust and waterproof. Many functional details impress even under extreme conditions.

Not available in conjunction with LED flashing turn indicators at the rear with short base TNR 8 522 499; install LED flashing turn indicators with long base TNR 8 522 500 if necessary.
Please refer to the operating instructions for information on speed and load restrictions.

Price: **1304** RON

CARRY HANDLE FOR ALUMINIUM CASE / TOPCASE

Part nr.: 77 49 8 543 224
Price: **140** RON

Convenient and functional: The practical carry handles for aluminium cases and topcases make it easy to transport the luggage to and from the bike. If the cases are mounted, additional luggage can also be attached to the handles.

LINER FOR ALUMINIUM CASES AND ALUMINIUM TOPCASES

Left Part nr.: 77 41 8 543 197
Price: **499** RON

Right Part nr.: 77 41 8 543 199
Price: **499** RON

The waterproof liner for the aluminium case gets the luggage organised and facilitates loading and unloading. The carry handle and shoulder strap make the bag easy to access and transport. Alternatively, the sturdy bag can also be attached to the outside of the case, creating additional storage space.

Topcase Part nr.: 77 43 8 543 194
Price: **499** RON

LUGGAGE COMPARTMENT SEPARATING NET FOR ALUMINIUM CASES

The luggage net for aluminium cases and topcases creates more order and makes it easier to access frequently used items. The highly flexible net is attached to the inside of the lid and ensures that luggage such as raincoats, folding backpacks, toiletry bags and sneakers are always at hand when the case is opened.

Part nr.: 77 40 2 464 350
Price: **179** RON

ATACAMA LUGGAGE SYSTEM

The Atacama side bags convince with clever details and a combined storage volume of 60 litres. In addition to the waterproof liners, various storage compartments provide additional space. Quick-release fasteners for easy mounting on the motorcycle and sturdy carry handles ensure a secure hold and extremely practical handling.

The Atacama side bags and roll bag and other pieces of luggage or helmets can be secured to the motorcycle using the lockable tensioning straps with steel core.

1
Only available in conjunction with case holder for aluminium cases. For information on speed and load restrictions, please refer to the operating instructions.

3
For information on speed and load limitations, please refer to the operating instructions. Worn off at points of contact.

The extremely durable Atacama luggage roll sport many clever details and an enormous storage volume of 40 litres.

1 Atacama side bags

Part nr.: 77 40 2 451 375
Price: **3433** RON

Price: **549** RON

LUGGAGE PLATE FOR PASSENGER SEAT

Part nr.: 77 44 8 523 742
Price: **671** RON

The luggage plate made of black painted plastic replaces the passenger seat and offers the ideal basis for safely transporting luggage. In combination with the variable cases, the result is a wide, flat packing surface on which even larger objects can be secured close to the vehicle's centre of gravity.

Not available in conjunction with Rallye seat with luggage plate. Only available in conjunction with part number 77 30 8 546 226 (cover kit for holes for grab handles) if the standard passenger grab handles have been removed.

TRIMS FOR GRAB HANDLE HOLES

Part nr.: 77 30 8 546 226
Price: **112** RON

The trims for grab handle holes cover the open holes when the passenger grab handles are removed and thus protect against dirt. They also create a typical Enduro appearance.

LARGE TOPCASE, 49L AND BACKREST PAD

This waterproof topcase offers ample space for up to two helmets with a volume of 49 litres. The lid optionally available in only primed, Granite grey metallic matt or Racing red allows customised paintwork in the desired or vehicle colour. Practical options are the matching liner or backrest pad for the passenger.

Only available in conjunction with the luggage carrier and topcase carrier.

1 Large topcase, 49l

Part nr.: 77 43 8 551 996
Price: **1659** RON

2 Backrest pad for large topcase

Part nr.: 77 44 8 561 434
Price: **332** RON

LINER FOR LARGE TOPCASE

The matching liner for the large topcase gets the luggage organised and facilitates loading and unloading. The liner is readily available and easy to carry thanks to the carry handle and shoulder strap. Practical details include two external patch pockets and the three-sided all-round zip.

Part nr.: 77 43 8 549 124
Price: **348** RON

TANK BAG AND MAP POCKET

The tank bag, made of durable PVC-coated polyester fabric with a waterproof main compartment and belt attachment, offers intelligent details such as the cable duct and fastening loops for the additional waterproof DIN A4 map pocket; its volume can be expanded from 11 to 15 litres as required. Extra space is available with the exterior pocket.

The small tank bag made of PVC-coated polyester fabric with belt attachment is the ideal companion for short trips. The waterproof main compartment with an liner offers intelligent details such as the cable duct and fastening loops for the waterproof A4 map pocket and has a volume of 8 litres.

The removable and waterproof A4 map pocket ideally complements the tank bag.

For information on speed and load restrictions, please refer to the operating instructions.

1 Large tank bag, 11-15l

Part nr.: 77 45 2 465 439
Price: **940** RON

2 Small tank bag, 8l

Part nr.: 77 45 2 465 443
Price: **670** RON

3 Map pocket for tank bag

Part nr.: 77 45 2 457 813
Price: **134** RON

BAG FOR PASSENGER SEAT, 14-18 L

Part nr.: 77 49 8 562 632
Price: **798** RON

With a waterproof main compartment which can be expanded from 14 to 18 litres, this durable bag for the passenger seat offers enough storage space for the daily ride to work or for day trips. The three-sided zip fastener allows quick access, while the functional carrying handle facilitates transport.

Please refer to the operating instructions for information on speed and load limitations.

BAG FOR FRAME

Part nr.: 77 49 2 463 534
Price: **461** RON

The lined pocket made of PVC-coated polyester fabric is attached to the frame below the rider's seat and does not restrict freedom of movement. Now smaller items are also always on board while on the road. The water-repellent zip fastener with non-slip zip allows quick access.

ADDITIONAL BAG UNDER LUGGAGE CARRIER

The small and practical bag made of durable polyester fabric with a PVC coating creates additional stowage space under the luggage carrier. This means that smaller items that the rider does not want to do without on the road are always on board.

Not available in conjunction with the aluminium luggage carrier.

Part nr.: 77 49 2 463 533
Price: **210** RON

POCKET FOR WIND DEFLECTOR

Part nr.: 77 49 2 463 535
Price: **231** RON

The high-quality pockets made of PVC-coated polyester fabric are attached behind the trim panel and thus allow quick access to the contents. The lined storage space is particularly suitable for smaller items such as smartphones up to 5 inches, which are safe and protected there.

TOPCASE CARRIER FOR LUGGAGE CARRIER (NOT SHOWN)

The topcase carrier is the ideal link between the BMW topcase and the motorcycle. It is made of electropolished, stainless steel and allows the variable topcase to be mounted easily. In addition, the carrier offers additional attachment points for lashing luggage.

Part nr.: 77 44 8 523 743
Price: **503** RON

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

DESIGN

OPTION 719 CLASSIC HAND LEVERS, ADJUSTABLE

Part nr.: 77 23 2 462 951
Price: **1240** RON

The Classic hand levers of the exclusive Option 719 are milled from an anodised aluminium alloy. The grip width can be adjusted in five steps (brake lever) or three steps (clutch lever) using a setting screw and thus adapted to individual requirements. The high-quality milled parts with Option 719 branding add value to the bike.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

OPTION 719 CLASSIC COVERS FOR EXPANSION TANKS

Part nr.: 77 22 2 462 945
Price: **878** RON

The Option 719 Classic covers for expansion tanks set an elegant, design highlight with their silver-coloured appearance. The milled cover made of anodised aluminium bears the inscription "Option 719". Together with the other special parts of Option 719 an exclusive customisation effect is created.

OPTION 719 CLASSIC ENGINE HOUSING COVER, FRONT

Part nr.: 77 12 2 462 936
Price: **3048** RON

The Option 719 Classic engine housing cover sets an elegant, design highlight with its silver-coloured look. The high-quality milled cover made of anodised aluminium bears the "Option 719" inscription. Together with the other special parts of Option 719 an exclusive customisation effect is created.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

OPTION 719 ADJUSTABLE CLASSIC RIDER FOOTRESTS AND FOOT LEVERS

Classic rider footrests, adjustable

Part nr.: 77 25 2 462 957
Price: **1337** RON

Classic foot lever, adjustable

Part nr.: 77 25 2 462 954
Price: **1511** RON

The classic aluminium rider footrests with plastic footboard are adjustable in three positions and provide maximum comfort and surefootedness on and off-road. The high-quality milled parts of the exclusive Option 719 provide additional stability and even better control of the motorcycle when riding in a standing position, especially off-road.

The exclusive Option 719 Classic foot levers are milled from anodised aluminium and are individually adjustable. With the right set up, the foot levers can also be operated better and more sensitively when riding while standing up during off-road use. The high-quality Billet package parts with Option 719 branding add value to the bike.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

OPTION 719 CLASSIC CYLINDER HEAD COVERS

Part nr.: 77 12 2 462 913
Price: **5941** RON

The Classic cylinder head covers of the exclusive Option 719 add design highlights with their silver-coloured look. The high-quality milled covers made of anodised aluminium bring the boxer engine into the spotlight. The exclusive special parts bear the inscription "Option 719" and emphasise the high-quality character of the bike.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

OPTION 719 CLASSIC OIL FILLER PLUG

Part nr.: 11 12 8 396 740
Price: **308** RON

The safety screw for the oil filler neck is locked using a special Allen key, preventing theft of the cover. At the same time, unauthorised access and contamination of the oil by foreign substances is prevented. The high-quality aluminium lock has a BMW Boxer inscription.

OPTION 719 SILVER MIRRORS

Part nr.: 77 22 2 462 948
Price: **2325** RON

The Option 719 silver-coloured mirrors are made of milled aluminium and highlight the high-quality character of the bike. The low-vibration construction and aerodynamic shape ensure excellent visibility. The attractive design also creates a strong individualisation effect.

CHROME - PLATED EXHAUST MANIFOLD

Part nr.: 18 51 8 559 520
Price: **6956** RON

The chrome-plated exhaust manifold further enhances the motorcycle's appearance. This elegant manifold can be combined with the standard silencer or the HP sports silencer.

CHROME - PLATED REAR SILENCER

Part nr.: 18 51 8 559 521
Price: **4862** RON

The high-quality chrome-plated rear silencer perfectly harmonises with other motorcycle chrome applications.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

BLACK REAR FOOTRESTS RACK

Part nr.: 77 42 2 459 693
Price: **1210** RON

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

REAR - WHEEL COVER

Part nr.: 77 22 9 898 516
Price: **693** RON

The milled aluminium rear-wheel cover emphasises the dynamic design of the bike. The black anodised covers with BMW Motorrad inscription and a diameter of 62 mm enhance the motorcycle visually and technically.

"STYLE" BLACK RADIATOR COWLS

Part nr.: 77 42 2 459 694
Price: **1528** RON

The stainless steel "Style" radiator cowls are not only resistant to detergents due to their black coating, but also their colour does not fade even in direct sunlight. Together with the other optional equipment in black, they emphasise the dynamic character of the bike.

LED INDICATORS

Part nr.: 63 13 8 522 499
Price: **256** RON

A shining example: the elegant LED indicators with white indicator glass match the motorcycle's look and also enhance it. Moreover, they impress with their sleek design and modern lighting technology. For example, they respond faster than classic bulbs and are virtually wear-free.

Please note the specifications for different countries. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

EXTENDED FRONT - WHEEL COVER

Part nr.: 77 31 2 465 265
Price: **261** RON

The larger front-wheel cover emphasises the BMW R 1250 GS's Enduro style and offers improved spray protection.

ERGONOMICS & COMFORT

WINDSCREENS

The high-quality windscreen with its dark tint impressively underlines the motorcycle's sporty look. It has the same dimensions as the standard windscreen and, thanks to its scratch-resistant coating on both sides, ensures great, lasting visibility in all conditions.

The Rallye windscreen was specially developed for off-road use. It is small enough to give the rider a clear view of the terrain and yet offers protection and freedom of movement when riding in a standing position. The Enduro-specific look emphasises the bike's off-road potential.

1
Please note the specifications for different countries.
To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

1 Windscreen, tinted

Part nr.: 77 33 8 403 975
Price: **1240** RON

2 Rallye windscreen, tinted

Part nr.: 77 33 8 559 548
Price: **868** RON

EXCLUSIVE RIDER AND PASSENGER SEAT

Thanks to the smooth but very dimensionally stable soft-touch insert, the Exclusive rider's seat offers a noticeable improvement in seating comfort even on longer journeys. The high-quality impression invites riders to get on the bike as soon as they see it.

The Exclusive rider's seat with the soft-touch insert is 20 mm higher and offers particularly tall riders noticeably better seating comfort.

The lower Exclusive rider's seat makes getting on and off the bike easier and offers a noticeable improvement in seating comfort thanks to the soft-touch insert.

Thanks to the smooth but very dimensionally stable soft-touch insert, the Exclusive passenger seat offers a noticeable improvement in seating comfort and invites the passenger to

get on. The seat is also available in a narrow design.

- 1 Exclusive high rider's seat**
Seat height: 870 mm/890 mm;
inner leg curve: 1,910 mm/1,950 mm
Only available in conjunction with appropriate passenger or rider's seat.
- 2 Exclusive low rider's seat**
Seat height: 820 mm/840 mm;
inner leg curve: 1,820 mm/1,860 mm
Only available in conjunction with appropriate passenger or rider's seat.
- 3 Exclusive rider's seat**
Seat height: 850 mm/870 mm;
inner leg curve: 1,870 mm/1,910 mm
Only available in conjunction with appropriate passenger or rider's seat.
- 4** Only available in conjunction with appropriate passenger or rider's seat.

1 Exclusive rider's seat, high

Part nr.: 77 34 8 553 995
Price: **1839** RON

Part nr.: 77 34 8 552 145
Price: **1655** RON

Original BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer.
Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

RIDER AND PASSENGER SEAT

The rider's seat in black is 20mm higher and offers particularly tall riders noticeably better seating comfort. 20mm lower than the standard version, this black rider's seat makes climbing on and off easier and keeps the ground within easy reach.

Thanks to an additional soft-touch foam layer, the 20mm higher comfort seat offers a noticeable increase in seating comfort and thus even more carefree kilometres. The soft, structured cover and exclusive design ensure a high-quality look.

The lower comfort rider's seat in an exclusive design offers a noticeable improvement in seating comfort and makes getting on and off the bike easier.

The comfort passenger seat offers a noticeable improvement in seating comfort thanks to an additional soft-touch foam layer.

- 1 High rider's seat**
Part nr.: 77 34 8 531 043
Price: **1533** RON

inner leg curve: 1,820 mm/1,860 mm;
- 5** Only available in conjunction with appropriate passenger or rider's seat.

RALLYE SEAT WITH LUGGAGE PLATE

The narrow Rallye seat with harder padding gives riders maximum freedom of movement. There is still room for the passenger. On the small luggage plate with a GS inscription, objects can be attached close to the vehicle's centre of gravity.

- 1 High Rallye seat with luggage plate**
Part nr.: 77 34 8 404 276
Price: **1839** RON

- 1 Rallye seat, high**
Seat height: 880 mm
inner leg curve: 1,920 mm

- 2 Rallye seat, low**
Seat height: 860 mm
inner leg curve: 1,880 mm

- 2 Low Rallye seat with luggage plate**
Part nr.: 77 34 8 404 277
Price: **1839** RON

ADJUSTABLE FOOTBRAKE LEVER AND GEARSHIFT LEVER

The set, consisting of a height-adjustable foot brake lever and a gearshift lever with adjustable foot plate, can be adapted to individual needs. When suitably adjusted, the foot levers can be optimally operated or regulated and allow even better vehicle control especially when riding off-road in a standing position

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

- Part nr.: 77 25 2 465 257
Price: **1277** RON

- ENDURO FOOTRESTS**
Part nr.: 77 25 2 468 451
Price: **791** RON

The Enduro footrest has a wider and longer tread area and therefore offers more support and non-slip footing. This enables better vehicle control when riding off-road in a standing position without restricting the operability of the gearshift lever.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

- BLACK RIDER FOOTREST, ADJUSTABLE**
Part nr.: 77 25 2 465 256
Price: **1150** RON

The spring-mounted rider footrests with plastic footboard are adjustable in three positions and provide maximum comfort and sure-footedness on and off-road. This means additional stability and even better control of the motorcycle when riding in a standing position, especially off-road.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

- SHIFT ASSISTANT PRO**
Part nr.: 23 41 8 536 884
Price: **2200** RON

The shift assistant Pro allows shifting up and down in almost all load ranges and engine speed ranges without actuating the clutch or throttle. The assistant thus ensures noticeably reduced shifting times, a relief of the clutch hand and thus greater comfort and dynamics.

BLACK ADJUSTABLE GEARSHIFT LEVER

The black anodised gearshift lever can be adapted to the rider's shoe size and provides greater operating comfort when riding in a standing position. The foot plate can be adjusted using a screw so that the distance between the foot plate and the footrest can be customized. This means that even riders with large feet can enjoy riding.

Part nr.: 77 25 2 455 704
 Price: **679** RON

PRO RIDING MODES RETROFIT SET (NOT SHOWN)

The Pro riding modes can be retrofitted using an enabling code. Riders without Pro riding modes therefore do not have to do without the modern safety features. Retrofitting is possible with the Pro, Pro with DTC or Pro with ABS Pro riding modes.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.
 Part nr.: 77 53 8 395 840
 Price: **1149** RON

HEATED GRIPS AND SWITCHES (NOT SHOWN)

Comfort meets safety. The practical heated grips keep hands pleasantly warm even on cold days and also more responsive. The grip heating controlled by the on-board computer continuously detects the outside temperature via sensors and adjusts the heat output.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

CRUISE CONTROL RETROFIT SET (NOT SHOWN)

The electronic cruise control can be activated from 30 km/h and keeps the driving speed constant. This makes it possible to enjoy longer motorway stretches in a relaxed style. The function is deactivated on braking, and the selected speed is automatically adopted after activating the resume button.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 61 31 8 522 472
 Price: **1235** RON

Available at BMW Motorrad dealers.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

NAVIGATION & COMMUNICATION

BMW MOTORRAD NAVIGATOR VI

With the multifunctional Navigator VI, route planning becomes child's play. The system with 16GB flash memory and a five-inch touch screen always shows the right way. Thanks to the circular polarisation filter (CPOL), the waterproof display is easy to read even in direct sunlight. The high-resolution screen in a casing similar to a smartphone provides all the essential information and ensures that you can see the big picture required in every situation. Numerous additional functions make planning and touring an exciting experience. Plan your routes according to your personal preferences and enjoy driving on winding and quiet side roads. In unknown terrain, the "round trip" option is a good choice as it reliably guides the rider at the end of the tour back to the starting point. The Bluetooth connection to the BMW Motorrad communication system and the optional Smartphone Link app enable multimedia on the go: navigation announcements, telephone calls and music streaming as well as the retrieval of weather forecasts or traffic jam information are no problem. Navigation preparation adds further functions such as "My Motorcycle", and the multi-controller on the handlebars offers an alternative control option. Choose the pre-installed map data, and you will always be up to date thanks to lifelong, free map updates.

With the help of the preparation for navigation device retrofit, motorcycles without navigation preparation can be retrofitted accordingly. Navigation preparation with a bracket and Mount Cradle for the instrument cluster integrates the BMW Navigator neatly into the cockpit and thus into the rider's direct field of vision.

Note the differences in national-market versions. Only available in conjunction with OE navigation preparation. Also available as optional equipment, option code 272

1 BMW Motorrad Navigator VI

Part nr.: 77 52 8 355 994
 Price: **4204** RON

2 Navigation preparation retrofit set

Part nr.: 77 52 8 536 045
 Price: **1626** RON

Original BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

SAFETY

HAND PROTECTORS

The hand protector, made of impact-resistant and UV-resistant plastic, also protects the operating elements against branches and stone chips while riding off-road, and is aerodynamically tailored to the vehicle. On the road, the wind and weather protection offered by the protectors is also impressive: hands and fingers stay longer dry and warm even at low temperatures.

1 "Style" hand protector, Light white

Part nr.: 77 32 8 409 248
Price: **706** RON

2 Hand protector

Part nr.: 77 32 2 465 267
Price: **706** RON

CYLINDER - HEAD COVER GUARD

The stainless steel cylinder-head cover guard provides excellent protection for the cylinder head cover, preventing scratches and damage caused by flying stones. It has been perfectly matched to the vehicle, is equipped with a large rubber bumper and optimally emphasises the design and contours of the boxer engine.

Part nr.: 77 14 8 406 187
Price: **1095** RON

ENGINE PROTECTION BAR

The robust engine protection bar, made of polished stainless steel, reliably protects the cylinder area against damage without restricting the rider's freedom to lean the machine. The robust tube construction will even take hard knocks and prevent major fall damage off-road and on asphalt.

Left Part nr.: 77 14 8 389 433 Price: **886** RON
Right Part nr.: 77 14 8 389 434 Price: **886** RON

ENDURO ALUMINIUM ENGINE GUARD

The robust Enduro aluminium engine guard (also available in black) effectively protects the lower part of the engine against stone chips and damage. The aluminium engine guard, specially designed for off-road use, is two millimetres thick and significantly wider and longer than the standard engine guard. The special shape also emphasises the motorcycle's off-road look.

Part nr.: 77 14 8 405 391
Price: **1278** RON

Engine guard, black (not shown)

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 77 14 2 465 781
Price: **1406** RON

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

LED ADDITIONAL HEADLIGHTS

Part nr.: 63 17 8 556 937
Price: **561** RON

The powerful LED additional headlights extend the illumination to ensure the required vision in poor visibility conditions. Thus they perfectly complement the main headlight. LED technology ensures virtually wear-free operation.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer. The additional headlights are approved for use as fog lights, and may only be used in poor weather conditions. Country-specific road traffic regulations apply. K09: Only available in conjunction with OE seat heating.

SAFETY SCREW FOR OIL FILLER CAP

Part nr.: 71 60 7 696 117; Price: **179** RON

The safety screw for the oil filler neck is locked using a special Allen key, preventing theft of the cover. At the same time, unauthorised access and contamination of the oil by foreign substances is prevented. The high-quality aluminium lock has a BMW Boxer inscription.

Safety screw plug for oil filler neck, black (not shown)

Part nr.: 71 60 8 406 750
Price: **179** RON

SPLASH AND FLYING STONE PROTECTION ACCESSORY SET

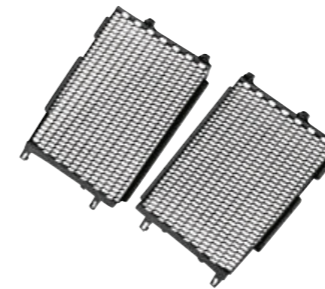

Part nr.: 77 31 2 465 258; Price: **417** RON

The accessory set comprises a radiator protector and protective covers for the frame. The robust protective grilles made of impact-resistant plastic protect the radiator from damage caused by stone chips or bushes, especially off-road, while the protective covers protect the rear frame area from damage and provides splash protection when riding through rain or mud.

RADIATOR GRILLE

Left Part nr.: 46 63 8 556 647
Price: **106** RON
Right Part nr.: 46 63 8 556 648
Price: **106** RON

An absolute must-have for all off-road riders: the protective grille made of shatter-proof plastic effectively protects the radiator against damage from stone chips or bushes when riding off-road. This useful extra feature for the left side is very easy to install and also highlights the motorcycle's robust Enduro look.

HEADLIGHT GUARD

Part nr.: 77 51 8 530 685
Price: **503** RON

The headlight guard protects the main headlight against stone chip damage when riding on terrain other than public roads. The guard is intended exclusively for off-road use and can be quickly and easily screwed on or unscrewed.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

FRAME PROTECTOR

Part nr.: 77 14 2 465 254
Price: **On Request**

The frame protector made of black plastic protects the frame from scratches and prevents chafe marks caused by motorcycle boots in hard off-road use.

Original BMW Motorrad accessories are available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

346 R 1250 GS SAFETY

PROTECTIVE GLASS FOR 6.5-INCH TFT DISPLAY

The protective glass reliably protects the 6.5-inch TFT display from dirt, flying stones and damage. The hardened glass has an anti-glare and anti-reflective surface, so that the TFT display can be read easily. With BMW Motorrad inscription.

Part nr.: 77 52 2 462 777
Price: **210** RON

ANTI-THEFT ALARM RETROFIT SET (NOT SHOWN)

Strong protection from theft: If the motorcycle is moved or struck violently, the anti-theft alarm system responds with a clearly audible signal and a flashing warning light. The acoustic and optical warning will draw the attention of passers-by quickly. The alarm system is activated automatically when the ignition is switched off.

Please note the specifications for different countries. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.
Part nr.: 77 53 9 443 591
Price: **1408** RON

DAYTIME RUNNING LIGHT RETROFIT SET (NOT SHOWN)

Part nr.: 63 12 8 532 001
Price: **On Request**

RETROFIT SET FOR TYRE PRESSURE CONTROL (NOT SHOWN)

The tyre pressure control with all its functions can be retrofitted by installing the control unit. Tyre pressure control provides reliable information about the current tyre pressure and warns the rider about pressure loss at an early stage. The corresponding notifications and instructions are provided by the on-board computer in the cockpit.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.
Part nr.: 65 75 8 546 222
Price: **1276** RON

ABS PRO RETROFIT SET (NOT SHOWN)

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.
Part nr.: 77 23 8 546 512
Price: **1624** RON

ACCESSORIES FOR BMW R 1250 GS ADVENTURE

HP PARTS

HP SPORT SILENCER

Part nr.: 77 11 9 444 593
Price: **5404** RON

A top-class feature for top quality sound. The sleek, high-quality titanium slip-on silencer with carbon end-cap delivers a powerful rumble. In addition, the sport silencer developed with Akrapovič is weight-optimised compared to the standard silencer.

No approval for USA. Please note the specifications for different countries.

HP HAND LEVER, ADJUSTABLE

Part nr.: 77 23 2 462 953
Price: **1240** RON

The CNC-milled HP hand levers made of anodised aluminium combine functionality and aesthetics. The grip width can be adjusted in five steps (brake lever) or three steps (clutch lever) using a setting screw and thus adapted to individual requirements. The look with HP logo also emphasises the bike's sportiness.

HP COVERS FOR EXPANSION TANKS

Part nr.: 77 22 2 462 947
Price: **878** RON

The HP cover for expansion tanks made of anodised aluminium also adds to the bike's sporty character. The high-quality milled cover with HP branding emphasises the high-performance claim and also provides for an attractive customisation of the bike.

HP MIRRORS

Part nr.: 77 22 2 462 949
Price: **2428** RON

The high-quality HP mirrors are made of milled aluminium and emphasise the sporty character of the bike. The low-vibration construction and aerodynamic shape ensure excellent visibility. The attractive design with BMW Motorrad inscription also creates a strong individualisation effect.

HP ENGINE HOUSING COVER, FRONT

Part nr.: 77 12 2 462 938
Price: **3048** RON

The HP engine housing cover made of anodised aluminium also adds to the bike's sporty character. The high-quality milled cover and HP branding emphasise the high-performance standard and also guarantee an attractive customisation of the bike.

HP FOOT LEVER AND RIDER FOOTRESTS, ADJUSTABLE

HP rider footrests, adjustable

Part nr.: 77 25 2 462 959
Price: **1337** RON

HP foot lever, adjustable

Part nr.: 77 25 2 462 956
Price: **1511** RON

The HP rider footrests with plastic footboards are adjustable in three positions and provide maximum comfort and surefootedness on and off-road. The high-quality milled parts made of anodised aluminium provide more control especially when riding in a standing position. The exclusive look with HP logo also emphasises the bike's performance-based character.

The milled HP foot levers made of anodised aluminium are adjustable and come in sporty HP blue/silver/black. With the right set up, the foot levers can also be operated better and more sensitively when riding while standing up during off-road use. The exclusive look with HP logo also emphasises the bike's performance-based character.

HP CYLINDER HEAD COVERS

Part nr.: 77 12 2 462 935
Price: **6096** RON

The HP cylinder head covers made of anodised aluminium give the boxer engine an attractive appearance. The high-quality milled covers and HP branding highlight the motorcycle's sporty character. The HP oil filler plug perfectly matches the cylinder head covers.

STORAGE

ALUMINIUM CASES

The perfect solution for touring fans who place the highest demands on themselves and their equipment: the aluminium case for mounting on the left-hand side offers 44 litres of storage space. The aluminium case for mounting on the right-hand side offers 36 litres of storage space. This robust piece of transport equipment is dust and waterproof. Many functional details impress even under extreme conditions.

Not available in conjunction with LED flashing turn indicators at the rear with short base TNR 8 522 499; install LED flashing turn indicators with long base TNR 8 522 500 if necessary. Please refer to the operating instructions for information on speed and load restrictions.

Part nr.: 77 44 8 546 808
Price: **391** RON

CARRY HANDLE FOR ALUMINIUM CASE / TOPCASE

Convenient and functional: The practical carry handles for aluminium cases and topcases make it easy to transport the luggage to and from the bike. If the cases are mounted, additional luggage can also be attached to the handles.

Part nr.: 77 49 8 543 224
Price: **140** RON

MOUNTING KIT FOR CASE HOLDER FOR ALUMINIUM CASES

The aluminium side cases and the "Atacama" side bags can be easily and securely attached to the sturdy case holder made of polished or black powder-coated stainless steel. In addition to a typical Enduro appearance, the case holder also serves as a traction point for off-road use.

The Atacama luggage roll or other pieces of luggage can be attached to the sturdy topcase carrier made of powder-coated stainless steel.

1 & 2

Not available in conjunction with Rallye seat with luggage plate. Only available in conjunction with part number 77 30 8 546 226 (cover kit for holes for grab handles) if the standard passenger grab handles have been removed.

2 & 3

When used with aluminium cases, the black coating rubs off at the contact points.

Topcase Part nr.: 77 43 8 543 194 Price: **499** RON

LUGGAGE COMPARTMENT SEPARATING NET FOR ALUMINIUM CASES

The luggage net for aluminium cases and topcases creates more order and makes it easier to access frequently used items. The highly flexible net is attached to the inside of the lid and ensures that luggage such as raincoats, folding backpacks, toiletry bags and sneakers are always at hand when the case is opened.

Part nr.: 77 40 2 464 350
Price: **179** RON

ATACAMA LUGGAGE SYSTEM

The Atacama side bags convince with clever details and a combined storage volume of 60 litres. In addition to the waterproof liners, various storage compartments provide additional space. Quick-release fasteners for easy mounting on the motorcycle and sturdy carry handles ensure a secure hold and extremely practical handling.

The extremely durable Atacama luggage roll sports many clever details and an enormous storage volume of 40 litres.

The Atacama side bags and roll bag and other pieces of luggage or helmets can be secured to the motorcycle using the lockable tensioning straps with steel core.

1
Only available in conjunction with case holder for aluminium cases. Please refer to the operating instructions for information on speed and load limitations.

3

Price: **235** RON

LUGGAGE PLATE FOR PASSENGER SEAT

The luggage plate made of black painted plastic replaces the passenger seat and offers the ideal basis for safely transporting luggage. In combination with the variable cases, the result is a wide, flat packing surface on which even larger objects can be secured close to the vehicle's centre of gravity.

Not available in conjunction with Rallye seat with luggage plate. Only available in conjunction with part number 77 30 8 546 226 (cover kit for holes for grab handles) if the standard passenger grab handles have been removed.

Part nr.: 77 44 8 523 742
Price: **671** RON

TRIMS FOR GRAB HANDLE HOLES

The trims for grab handle holes cover the open holes when the passenger grab handles are removed and thus protect against dirt. They also create a typical Enduro appearance.

Part nr.: 77 30 8 546 226
Price: **112** RON

TANK BAG, 12-16 L

The waterproof liner for the aluminium case gets the luggage organised and facilitates loading and unloading. The carry handle and shoulder strap make the bag easy to access and transport. Alternatively, the sturdy bag can also be attached to the outside of the case, creating additional storage space.

Please refer to the operating instructions for information on speed and load limitations.

Part nr.: 77 45 2 466 676
Price: **940** RON

BAG FOR FRAME

The lined pocket made of PVC-coated polyester fabric is attached to the frame below the rider's seat and does not restrict freedom of movement. Now smaller items are also always on board while on the road. The water-repellent zip fastener with non-slip zip allows quick access.

Part nr.: 77 49 2 463 534
Price: **461** RON

BAG FOR PASSENGER SEAT, 14-18 L

With a waterproof main compartment which can be expanded from 14 to 18 litres, this durable bag for the passenger seat offers enough storage space for the daily ride to work or for day trips. The three-sided zip fastener allows quick access, while the functional carrying handle facilitates transport.

Please refer to the operating instructions for information on speed and load limitations.

1 Bag for passenger seat, 14-18 l

Part nr.: 77 45 8 562 633
Price: **On Request**

2 Bag for passenger seat, 14-18 l

Part nr.: 77 45 2 466 682
Price: **On Request**

POCKET FOR WIND DEFLECTOR

The high-quality pockets made of PVC-coated polyester fabric are attached behind the trim panel and thus allow quick access to the contents. The lined storage space is particularly suitable for smaller items such as smartphones up to 5 inches, which are safe and protected there.

Part nr.: 77 49 2 463 535
Price: **231 RON**

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

DESIGN

OPTION 719 CLASSIC HAND LEVERS, ADJUSTABLE

Part nr.: 77 23 2 462 951
Price: **1240 RON**

The Classic hand levers of the exclusive Option 719 are milled from an anodised aluminium alloy. The grip width can be adjusted in five steps (brake lever) or three steps (clutch lever) using a setting screw and thus adapted to individual requirements. The high-quality Billet package parts with Option 719 branding add value to the bike.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

OPTION 719 CLASSIC COVERS FOR EXPANSION TANKS

Part nr.: 77 22 2 462 945
Price: **878 RON**

The Option 719 Classic covers for expansion tanks set an elegant, design highlight with their silver-coloured appearance. The milled cover made of anodised aluminium bears the inscription "Option 719". Together with the other special parts of Option 719 an exclusive customisation effect is created.

OPTION 719 CLASSIC ENGINE HOUSING COVER, FRONT

Part nr.: 77 12 2 462 936
Price: **3048 RON**

The Option 719 Classic engine housing cover sets an elegant, design highlight with its silver-coloured look. The high-quality milled cover made of anodised aluminium bears the "Option 719" inscription. Together with the other special parts of Option 719 an exclusive customisation effect is created.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

OPTION 719 ADJUSTABLE CLASSIC RIDER FOOTRESTS AND FOOT LEVERS

Classic rider footrests, adjustable
Part nr.: 77 25 2 462 957
Price: **1337 RON**

Classic foot lever, adjustable
Part nr.: 77 25 2 462 954
Price: **1511 RON**

The classic aluminium rider footrests with plastic footboard are adjustable in three positions and provide maximum comfort and surefootedness on and off-road. The high-quality milled parts of the exclusive Option 719 provide additional stability and even better control of the motorcycle when riding in a standing position, especially off-road.

The exclusive Option 719 Classic foot levers are milled from anodised aluminium and are individually adjustable. With the right set up, the foot levers can also be operated better and more sensitively when riding while standing up during off-road use. The high-quality Billet package parts with Option 719 branding add value to the bike.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

OPTION 719 CLASSIC CYLINDER HEAD COVERS

Part nr.: 77 12 2 462 913
Price: **5941 RON**

The Classic cylinder head covers of the exclusive Option 719 add design highlights with their silver-coloured look. The high-quality milled covers made of anodised aluminium bring the boxer engine into the spotlight. The exclusive special parts bear the inscription "Option 719" and emphasise the high-quality character of the bike.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

OPTION 719 CLASSIC OIL FILLER PLUG

Part nr.: 11 12 8 396 740
Price: **308** RON

The safety screw for the oil filler neck is locked using a special Allen key, preventing theft of the cover. At the same time, unauthorised access and contamination of the oil by foreign substances is prevented. The high-quality aluminium lock has a BMW Boxer inscription.

OPTION 719 SILVER MIRRORS

Part nr.: 77 22 2 462 948
Price: **2325** RON

The Option 719 silver-coloured mirrors are made of milled aluminium and highlight the high-quality character of the bike. The low-vibration construction and aerodynamic shape ensure excellent visibility. The attractive design also creates a strong individualisation effect.

CHROME - PLATED EXHAUST MANIFOLD

Part nr.: 18 51 8 559 520
Price: **6956** RON

The chrome-plated exhaust manifold further enhances the motorcycle's appearance. This elegant manifold can be combined with the standard silencer or the HP sports silencer.

CHROME - PLATED REAR SILENCER

Part nr.: 18 51 8 559 521
Price: **4862** RON

The high-quality chrome-plated rear silencer perfectly harmonises with other motorcycle chrome applications.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

BLACK REAR FOOTRESTS RACK

Part nr.: 77 42 2 459 693
Price: **1210** RON

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

REAR - WHEEL COVER

Part nr.: 77 22 9 898 516
Price: **693** RON

The milled aluminium rear-wheel cover emphasises the dynamic of the bike. The black anodised covers with BMW Motorrad inscription and a diameter of 62 mm enhance the motorcycle visually and technically.

LED INDICATORS

A shining example: the elegant LED indicators with white indicator glass match the motorcycle's look and also enhance it. Moreover, they impress with their sleek design and modern lighting technology. For example, they respond faster than classic bulbs and are virtually wear-free.

Please note the specifications for different countries.
To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 77 51 2 465 283
Price: **425** RON

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

ERGONOMICS & COMFORT

WIND DEFLECTOR AND WINDSCREENS

The high-quality windscreen with its dark tint impressively underlines the motorcycle's sporty look. It has the same dimensions as the standard windscreen and, thanks to its scratch-resistant coating on both sides, ensures great, lasting visibility in all conditions.

The Rallye windscreen was specially developed for off-road use. It is small enough to give the rider a clear view of the terrain and yet offers protection and freedom of movement when riding in a standing position. The Enduro-specific look emphasises the bike's off-road potential.

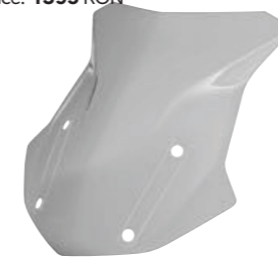

The tinted wind deflectors with their stylish look give the bike a particularly casual touch and provide greater riding comfort on every journey.

1 & 4

Please note the specifications for different countries.
To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

EXCLUSIVE RIDER AND PASSENGER SEAT

Thanks to the smooth but very dimensionally stable soft-touch insert, the Exclusive rider's seat offers a noticeable improvement in seating comfort even on longer journeys. The high-quality impression invite the riders to get on the bike as soon as they see it.

The Exclusive rider's seat with the soft-touch insert is 20mm higher and offers particularly tall riders noticeably better seating comfort.

The lower Exclusive rider's seat makes getting on and off the bike easier and offers a noticeable improvement in seating comfort thanks to the soft-touch insert.

Thanks to the smooth but very dimensionally stable soft-touch insert, the Exclusive passenger seat offers a noticeable improvement in seating comfort and invites the passenger to get on. The seat is also available in a narrow design.

Only available in conjunction with appropriate passenger or rider's seat.

1 Exclusive rider's seat

Part nr.: 77 34 8 552 146
Price: **1839** RON

2 Exclusive rider's seat, high

Part nr.: 77 34 8 553 995

Part nr.: 77 34 8 553 994
Price: **1839** RON

4 Exclusive passenger seat

Part nr.: 77 34 8 552 145
Price: **1655** RON

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

RIDER'S SEAT

The rider's seat in black is 20mm higher and offers particularly tall riders noticeably better seating comfort.

20mm lower than the standard version, this black rider's seat makes climbing on and off easier and keeps the ground within easy reach.

Only available in conjunction with appropriate passenger or rider's seat.

1 High rider's seat

Part nr.: 77 34 8 531 043
Price: **1533** RON

2 Low rider's seat

Part nr.: 52 53 8 532 738
Price: **1533** RON

RALLYE SEAT WITH LUGGAGE PLATE

The narrow Rallye seat with harder padding is tailor-made for off-road use and gives riders maximum freedom of movement. There is still room for the passenger. On the small luggage plate with a GS inscription, objects can be attached close to the vehicle's centre of gravity.

High

Part nr.: 77 34 8 404 276
Price: **1839** RON

Low

Part nr.: 77 34 8 404 277
Price: **1839** RON

Original BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

BLACK RIDER FOOTREST, ADJUSTABLE

Part nr.: 77 25 2 465 256
Price: **1150** RON

The spring-mounted rider footrests with plastic footboard are adjustable in three positions and provide maximum comfort and sure-footedness on and off-road. This means additional stability and even better control of the motorcycle when riding in a standing position, especially off-road.

ENDURO FOOTRESTS

The Enduro footrest has a wider and longer tread area and therefore offers more support and non-slip footing. This enables better vehicle control when riding off-road in a standing position without restricting the operability of the gearshift lever.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Left

Part nr.: 46 71 8 529 843
Price: **487** RON

Right

Part nr.: 46 71 8 529 844
Price: **487** RON

ADJUSTABLE FOOTBRAKE LEVER AND GEARSHIFT LEVER, BLACK

The set, consisting of Enduro footrests, a height-adjustable foot brake lever and a gearshift lever with adjustable foot plate, can be adapted to individual needs. When suitably adjusted, the foot levers can be optimally operated or regulated and allow even better vehicle control especially when riding off-road in a standing position.

Provides improved control when standing. With adjustable toe piece.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

1 Adjustable footbrake lever

Part nr.: 77 25 2 455 704
Price: **679** RON

2 Adjustable gearshift lever, black

Part nr.: 35 21 8 529 841
Price: **794** RON

PRO RIDING MODES RETROFIT SET (NOT SHOWN)

The Pro riding modes can be retrofitted using an enabling code. Riders of older motorcycles therefore do not have to do without modern safety features. Depending on the year of manufacture, retrofitting is possible with the Pro, Pro with DTC or Pro with ABS Pro, DTC and HSC modes.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 77 53 8 395 840
Price: **1149** RON

HILL START CONTROL RETROFIT SET (NOT SHOWN)

The Hill Start Control (HSC) drive-off assistant can be retrofitted using an enabling code. Therefore, the driver does not have to do without the convenient assistance system. HSC makes stopping and starting on slopes easier and offers valuable support, especially when the bike has a full load.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 77 23 8 536 874
Price: **1149** RON

CRUISE CONTROL RETROFIT SET (NOT SHOWN)

The electronic cruise control can be activated from 30 km/h and keeps the driving speed constant. This makes it possible to enjoy longer motorway stretches in a relaxed style. The function is deactivated on braking, and the selected speed is automatically adopted after activating the resume button.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 61 31 8 522 472
Price: **1235** RON

PRO GEAR SHIFT ASSIST

Part nr.: 23 41 8 536 884
Price: **2200** RON

The shift assistant Pro allows shifting up and down in almost all load ranges and engine speed ranges without actuating the clutch or throttle. The assistant thus ensures noticeably reduced shifting times, a relief of the clutch hand and thus greater comfort and dynamics.

Available at BMW Motorrad dealers.

HEATED GRIPS AND SWITCHES (NOT SHOWN)

Comfort meets safety. The practical heated grips keep hands pleasantly warm even on cold days and also more responsive. The grip heating controlled by the on-board computer continuously detects the outside temperature via sensors and adjusts the heat output.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

NAVIGATION & COMMUNICATION

BMW MOTORRAD NAVIGATOR VI

With the multifunctional Navigator VI, route planning becomes child's play. The system with 16GB flash memory and a five-inch touch screen always shows the right way. Thanks to the circular polarisation filter (CPOL), the waterproof display is easy to read even in direct sunlight. The high-resolution screen in a casing similar to a smartphone provides all the essential information and ensures that you can see the big picture required in every situation. Numerous additional functions make planning and touring an exciting experience. Plan your routes according to your personal preferences and enjoy driving on winding and quiet side roads. In unknown terrain, the "round trip" option is a good choice as it reliably guides the rider at the end of the tour back to the starting point. The Bluetooth connection to the BMW Motorrad communication system and the optional Smartphone Link app enable multimedia on the go: navigation announcements, telephone calls and music streaming as well as the retrieval of weather forecasts or traffic jam information are no problem. Navigation preparation adds further functions such as "My Motorcycle", and the multi-controller on the handlebars offers an alternative control option. Choose the pre-installed map data, and you will always be up to date thanks to lifelong, free map updates.

With the help of the preparation for navigation device retrofit, motorcycles without navigation preparation can be retrofitted accordingly. Navigation preparation with a bracket and Mount Cradle for the instrument cluster integrates the BMW Navigator neatly into the cockpit and thus into the rider's direct field of vision.

Note the differences in national-market versions. Only available in conjunction with OE navigation preparation. Also available as optional equipment, option code 272

1 BMW Motorrad Navigator VI

Part nr.: 77 52 8 355 994
Price: **4204** RON

2 Navigation preparation retrofit set

Part nr.: 77 52 8 536 045
Price: **1626** RON

SAFETY

"STYLE" HAND PROTECTOR, LIGHT WHITE

The Light white "Style" hand protector, made of shatter-proof and UV-resistant plastic, also protects the operating elements from branches and stone chips while riding off-road. On the road, the wind and weather protection offered by the protectors is also impressive: hands and fingers stay dry and warm longer even at low temperatures.

Part nr.: 77 32 8 409 248
Price: **706** RON

CYLINDER - HEAD COVER GUARD

The stainless steel cylinder-head cover guard provides excellent protection for the cylinder head cover, preventing scratches and damage caused by flying stones. It has been perfectly matched to the vehicle, is equipped with a large rubber bumper and optimally emphasises the design and contours of the boxer engine.

Part nr.: 77 14 8 406 187
Price: **1095** RON

ENDURO ALUMINIUM ENGINE GUARD

Part nr.: 77 14 8 405 391
Price: **1278** RON

The robust Enduro aluminium engine guard effectively protects the lower part of the engine against stone chips and damage. The aluminium engine guard, specially designed for off-road use, is two millimetres thick and significantly wider and longer than the standard engine guard. The special shape also emphasises the motorcycle's off-road look.

Engine guard, black (not shown)

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 77 14 2 465 781
Price: **1406** RON

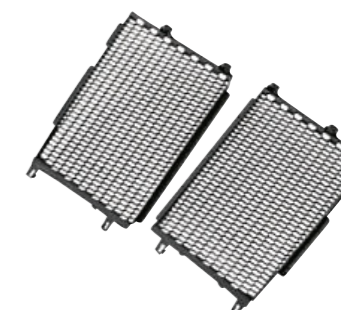

RADIATOR COWL

An absolute must-have for all off-road riders: the protective grille made of shatter-proof plastic effectively protects the radiator against damage from stone chips or bushes when riding off-road. This useful extra feature for the left side is very easy to install and also highlights the motorcycle's robust Enduro look.

Left
Part nr.: 46 63 8 556 647
Price: **106** RON

Right
Part nr.: 46 63 8 556 648
Price: **106** RON

Available at BMW Motorrad dealers.

LED ADDITIONAL HEADLIGHTS

The powerful LED additional headlights extend the illumination to ensure the required vision in poor visibility conditions – perfectly complementing the headlight. LED technology ensures virtually wear-free operation.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer. The additional headlights are approved for use as fog lights, and may only be used in poor weather conditions. Country-specific road traffic regulations apply. K09: Only available in conjunction with seat heating optional equipment.

SAFETY SCREW FOR OIL FILLER CAP

Part nr.: 71 60 7 696 117; Price: **179 RON**

The safety screw for the oil filler neck is locked using a special Allen key, preventing theft of the cover. At the same time, unauthorised access and contamination of the oil by foreign substances is prevented. The high-quality aluminium lock has a BMW Boxer inscription.

Safety screw plug for oil filler neck, black (not shown)

Part nr.: 71 60 8 406 750
Price: **179 RON**

HEADLIGHT GUARD

Part nr.: 77 51 8 530 685
Price: **503 RON**

The headlight guard protects the main headlight against stone chip damage when riding on terrain other than public roads. The guard is intended exclusively for off-road use and can be quickly and easily screwed on or unscrewed.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

FRAME PROTECTOR

Part nr.: 77 14 2 465 254
Price: **On Request**

The frame protector made of black plastic protects the frame from scratches and prevents chafe marks caused by motorcycle boots in hard off-road use.

PROTECTIVE GLASS FOR 6.5-INCH TFT DISPLAY

Part nr.: 77 52 2 462 777
Price: **210 RON**

The protective glass reliably protects the 6.5-inch TFT display from dirt, flying stones and damage. The hardened glass has an anti-glare and anti-reflective surface, so that the TFT display can be read easily. With BMW Motorrad inscription.

SPLASH AND FLYING STONE PROTECTION ACCESSORY SET

Part nr.: 77 31 2 465 258
Price: **417 RON**

The accessory set comprises a radiator protector and protective covers for the frame. The robust protective grilles made of impact-resistant plastic protect the radiator from damage caused by stone chips or bushes, especially off-road, while the protective covers protect the rear frame area from damage and provides splash protection when riding through rain or mud.

ANTI-THEFT ALARM RETROFIT SET (NOT SHOWN)

Strong protection from theft: If the motorcycle is moved or struck violently, the anti-theft alarm system responds with a clearly audible signal and a flashing warning light. The acoustic and optical warning will draw the attention of passers-by quickly. The alarm system is activated automatically when the ignition is switched off.

Note the differences in national-market versions. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 77 53 9 443 591
Price: **1408 RON**

RETROFIT SET FOR TYRE PRESSURE CONTROL (NOT SHOWN)

The tyre pressure control with all its functions can be retrofitted by installing the control unit. TPC provides reliable information about the current tyre pressure and warns the rider about pressure loss at an early stage. The corresponding notifications and instructions are provided by the on-board computer in the cockpit.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 65 75 8 546 222
Price: **1276 RON**

DAYTIME RUNNING LIGHT RETROFIT SET (NOT SHOWN)

Part nr.: 63 12 8 532 001
Price: **On Request**

ABS PRO RETROFIT SET (NOT SHOWN)

Part nr.: 77 23 8 546 512
Price: **1624 RON**

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

MAINTENANCE & TECHNOLOGY

ADDITIONAL POWER SOCKET

Electronic devices can be connected to the vehicle electrical system via the 12V power socket. One example of this is the BMW USB charger, which can be used to charge and operate mobile phones and MP3 players with an appropriate interface while riding.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Part nr.: 61 34 7 714 741
Price: **188** RON

YOUR TYRES: THE PERFECT PAIR FOR MAINTAINING WHEEL GRIP DURING CORNERING.

They are your direct contact to the road. The decisive link against the centrifugal forces in the curve: your tyres. There is hardly anything that influences your motorcycle's handling more. There is a lot of discussion about the right tyres because anyone who has first-hand experience knows that two identical motorcycles drive very differently if they have different tyres.

Your authorised BMW Motorrad Retailer offers a selection of suitable tyres from well-known manufacturers for your bike. They are all chosen based on very extensive tyre tests. As preferences often vary depending on riding style and ability, many different types of tyres are tested and they are only given BMW Motorrad's official seal of approval after thorough testing. This is how we make sure that your tyres, in combination with your bike, perform optimally depending on the situation – when accelerating, cornering and braking.

So it makes sense to both have your BMW serviced at our trained authorised BMW Motorrad Retailer and to have it fitted with a fresh set of tyres or tubes when necessary. With this "One-Stop" concept you not only save time, you can also make sure that you're driving using the perfect tyres. Your authorised BMW Motorrad Retailer knows exactly which tyre is right for your riding style and your bike. Guarantees many thousands of kilometres of riding fun.

YOUR BIKE. YOUR TYRES. THE RIGHT COMBINATION DOES THE TRICK.

COMPACT FOOT PUMP

Part nr.: 71 60 7 715 824
Price: 274 RON

ON THE ROAD WITH THE BEST TYRES.

Your authorised BMW Motorrad Retailer is not only a specialist for your BMW, but also for the right tyres. So they know exactly which Enduro, Touring or Sports tyres are the best for you and your riding style. The right combination of tread, tyre contour, rubber compound, vehicle geometry and other factors make the perfect compound for you and your BMW.

There are a number of helpful tools around the topic of tyres, which we present to you in this catalogue. For example, tyre puncture sets, mini foot pumps and multifunctional tools. This way you are always safe on gravel, sand and asphalt.

STORAGE

LUGGAGE ROLL, 50 L

Part nr.: 77 49 8 550 346
Price: **645** RON

This waterproof luggage roll with large opening can be used universally and offers a volume of 50 litres. The zipped liner and the small outer mesh pocket provide space for smaller items. A detachable shoulder strap and padded carry handles make transport to and from the bike easy.

ATACAMA LUGGAGE ROLL, 40 L

Part nr.: 77 40 2 451 381
Price: **1107** RON

The Atacama roll bag made of a robust mix of materials features impressively sophisticated details and boasts a storage volume of 40 litres. In addition to the waterproof liner, various storage compartments provide additional space. The versatile fastening concept, three carry handles and backpack function ensure a secure hold and extremely practical handling.

The Atacama roll bag and other pieces of luggage or helmets can be secured to the motorcycle using the optionally available lockable tensioning straps with steel core.

PACK BAG SET

Part nr.: 77 41 2 464 351
Price: **231** RON

The practical pack bag set keeps the BMW Motorrad case organised. It includes five tear-resistant, washable and foldable bags in sizes S, M and L as well as a laundry bag with a gym bag closure. Different colours for zips and handles make it easier to distinguish. The two large bags have a reinforced base.

SOFT BAG, SMALL, 30-35 L

Part nr.: 77 49 8 549 323
Price: **613** RON

The small soft bag with its waterproof main compartment and water-repellent exterior pockets offers a storage volume from 30 to 35 litres. The padded carry handle and a shoulder strap make transport easy. Can be mounted individually to the bike with adjustable straps with snap-fit fasteners.

LARGE SOFT BAG, 50-55 L

Part nr.: 77 49 8 549 320
Price: **827** RON

The large soft bag with its waterproof main compartment and water-repellent exterior pockets offers a storage volume from 50 to 55 litres. The padded carry handle and a shoulder strap make transport easy. Can be mounted individually to the bike with adjustable straps with snap-fit fasteners.

BAG FOR LUGGAGE CARRIER

Part nr.: 77 49 8 562 634
Price: **524** RON

The bag for the luggage carrier has a waterproof main compartment and, with a volume of 4.5 litres, provides enough storage space for day trips or the daily ride to work. It is a practical addition or alternative to the tank bag. The zip fastener on three sides allows quick access, while the carry handle facilitates transport.

FOLDING BACKPACK

Part nr.: 77 49 2 464 354
Price: **74** RON

The lightweight folding backpack is a helpful and durable companion when spontaneous storage space is needed on the road. For transport, simply fold it into the integrated zip pocket. Its compact dimensions mean it can be cleverly stowed under the seat of the motorcycle or taken everywhere for other purposes.

SMARTPHONE POCKET

Part nr.: 77 49 2 464 352
Price: **104** RON

Smartphones with up to a display size of 5.1 inches can be safely stowed in the waterproof, padded smartphone pocket and stored under the seat. The charging cable is simply rolled up in the roll closure – the smartphone can then also be connected to the charger while riding or used as a navigation device.

NAVIGATION & COMMUNICATION

BMW MOTORRAD DUAL USB CHARGER WITH CABLE
120cm Part nr.: 77 52 2 414 856 Price: **210 RON**
60cm Part nr.: 77 52 2 414 855 Price: **210 RON**

With the dual USB charger from BMW Motorrad, two mobile devices can be charged simultaneously while riding. The device recognises the charging technology of all current smartphones and delivers a charging current of max. 2 x 2 A. The charger is connected to the 12V on-board socket via a 60 cm or 120 cm cable.

Available in 60 and 120 cm length.

CAR KIT FOR BMW MOTORRAD NAVIGATOR VI
 Part nr.: 77 52 8 544 460
 Price: **493 RON**

If the motorcycle stays at home, the BMW Navigator (versions V and VI) can also be used in the car in just a few easy steps thanks to the car kit. The car kit can be securely attached to the windscreen with the suction holder and has a built-in loudspeaker.

BMW ADAPTER CABLE (NOT SHOWN)

The BMW adapter cable can be used to connect an Apple iPhone or iPod to the motorcycle's dual USB charger for charging. Thanks to the adapted cable length of 35 cm and the robust design with solid metal plug, the cable is ideally suited for use on motorcycles.

If the weather conditions get too tough for original charging cables, the BMW micro USB adapter comes to the rescue. The robust adapter cable also enables the rider to safely charge mobile devices – smartphones, MP3 players, tablets or cameras – using the BMW dual USB charger via micro USB while on the road.

BMW adapter cable for Apple iPhone/iPod & BMW adapter cable for micro USB

K48/52/61: Caution: Only for charging. No multimedia functions.
 All others: Only available in conjunction with the dual USB charger.

Part nr.: 61 12 2 336 423
 Price: **96 RON**

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

SAFETY

FIRST - AID KIT, LARGE
 Part nr.: 72 60 2 449 657
 Price: **110 RON**

The extensive large first aid kit from BMW Motorrad complies with the German DIN standard for motorcycle first aid kits and is a vital component of any motorcycle. It is packed specially for motorcyclists and contains everything needed in an emergency, from gauze to an emergency blanket and first aid instructions.

FIRST - AID KIT, SMALL
 Part nr.: 72 60 2 449 656
 Price: **48 RON**

The compact first-aid kit from BMW Motorrad fits into any motorcycle and contains basic equipment for treating minor injuries. In addition to a range of plasters and disposable gloves, the nylon bag also contains skin cleansing wipes, a first aid dressing and an emergency blanket.

BRAKE DISC LOCK WITH ANTI-HEFT ALARM SYSTEM

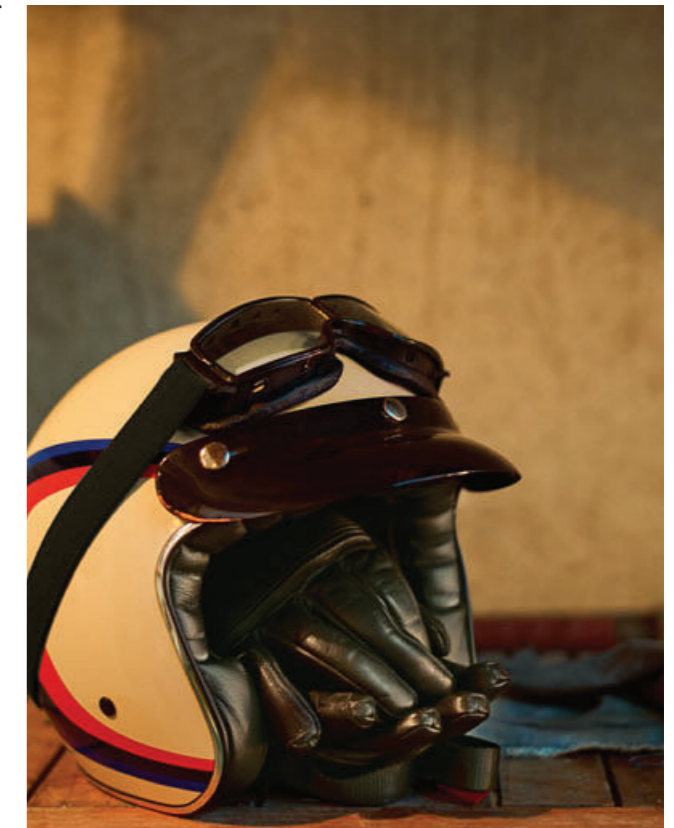

Double protection against theft: The brake disc lock with anti-theft alarm is the ideal theft deterrent when you're out with your bike. The lock made of hardened steel provides reliable protection against manipulation and is easy to store thanks to its compact dimensions. The anti-theft alarm detects the smallest movements and violent shocks and responds by emitting an acoustic alarm.

Part nr.: 77 25 2 414 845
 Price: **981 RON**

Original BMW Motorrad accessories are available from your authorised BMW Motorrad Retailer.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

MAINTENANCE & TECHNOLOGY

BMW MOTORRAD BATTERY CHARGER PLUS

In addition to charging conventional lead-acid batteries and maintenance-free rechargeable batteries (gel/AGM), the high-quality BMW Motorrad battery charger Plus also allows for fully automatic, microprocessor-controlled charging and maintenance of all Original BMW Motorrad lithium-ion starter batteries with 12 V and a capacity of 6 to 60Ah.

Available in 110V, 230V and UK versions. Please note the specifications for different countries

Part nr.: 77 02 2 470 951
Price: **614** RON

ON-BOARD TOOL KIT

Simple maintenance and care work can also be carried out on the road using the on-board tool kit. The set is small, lightweight, multifunctional and is stored in a practical tool bag. An adapter with a quick-release fastener and ball lock guarantees fast and flexible handling of the individual tools.

Part nr.: 71 60 7 720 256
Price: **755** RON

MULTIFUNCTIONAL TOOL

The BMW Motorrad multifunctional tool has everything under control – exactly 40 useful tools for on the go and at home. From the locking blade, screwdriver and pliers to the reversible ratchet with bit extension and nine screwdriver bits.

Part nr.: 71 60 2 414 858
Price: **767** RON

MOTORCYCLE MAT

An exclusive place for the bike: the motorcycle mat not only impresses with its attractive design, it also reliably protects the floor from dirt, oil and petrol stains. A further advantage is the anti-slip and fire-retardant material composition. The practical underlay is generously sized at 250 x 115 cm.

Part nr.: 77 02 5 A18 9C0
Price: **738** RON

COMPACT FOOT PUMP

The mini foot pump is a genuine all-rounder. Fitted with a digital manometer, it's ideal for increasing air pressure in the air damping system, adjusting tyre pressure and even pumping up car and bike tyres, balls and mattresses.

Part nr.: 71 60 7 715 824
Price: **274** RON

TYRE PRESSURE TRAVEL SET

The travel set for tyre pressure monitoring includes a small digital measuring device and CO₂ cartridges for filling.

Part nr.: 77 02 2 414 852
Price: **290** RON

VEHICLE COVER

The vehicle cover for outdoor use reliably protects the motorcycle against moisture, dirt and other environmental influences. The high-quality nylon cover is waterproof and has ventilation openings and a viewing window for the license plate. Drawstrings and two metal eyelets guarantee secure attachment to the motorcycle.

Part nr.: 71 60 7 689 674
Price: **411** RON

INDOOR VEHICLE COVER

The highly elastic indoor vehicle cover reliably protects the motorcycle against dust and scratches. The antistatic and breathable material also prevents condensation build-up. Three versions, which vary in shape and design (for covering different model types).

1
Without side case

2
With side cases

1 Indoor vehicle cover

Part nr.: 77 02 8 555 890
Price: **822** RON

1 Indoor vehicle cover, large

Part nr.: 77 02 8 551 270
Price: **877** RON

3 Indoor vehicle cover

Part nr.: 77 02 8 553 868
Price: **1174** RON

AUXILIARY STAND

Easy to set up, this sturdy auxiliary stand holds your BMW securely in place, making maintenance easier to carry out.

1 Auxiliary stand, rear
Part nr: 77 02 8 549 415
Price: **1041** RON

2 Sport auxiliary stand, rear
Part nr: 77 02 8 551 854
Price: **932** RON

3 Sport auxiliary stand, front
Part nr: 77 02 8 551 859
Price: **932** RON

ORIGINAL BMW ENGINE OIL ADVANTEC

Designed exclusively for and tested by BMW, with high-performance BMW Motorrad bikes in mind, ADVANTEC Pro, ADVANTEC Ultimate and ADVANTEC Classic set the benchmark for lubricants.

Original BMW Engine Oil ADVANTEC Pro 15W-50, 1l & Original BMW Engine Oil ADVANTEC Ultimate 5W-40, 1l (not shown)

Note the differences in national-market versions.

Available at BMW Motorrad dealers.

1 Original BMW Engine Oil ADVANTEC Pro 15W-50, 500ml

Available at BMW Motorrad dealers.

2 Original BMW Engine Oil ADVANTEC Classic 20W-50, 1l

Available at BMW Motorrad dealers.

3 Original BMW Engine Oil ADVANTEC Ultimate 5W-40, 500ml

LED TORCH

Small, robust, reliable – and extremely bright: the rechargeable LED torch with a light output of over 80 lumens impresses thanks to its enormous headlight range and an above-average service life of up to 3000 charging cycles. The battery can be easily charged via the 12V power socket on the motorcycle.

Part nr: 77 02 2 414 853
Price: **208** RON

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

ORIGINAL BMW CARE PRODUCTS

Availability may vary depending on the country. Not every product is available in every country due to different import laws for chemical products.

FROM LEFT TO RIGHT

Motorcycle cleaner, 500 ml

Get off the bike after a ride – the same goes for dirt. The specially developed motorcycle cleaning fluid removes even the heaviest dirt.
Part nr: 83 19 2 408 157; Price: **43** RON

Wheel rim cleaner, 500 ml

The BMW Motorrad wheel rim cleaner effectively removes impurities like brake dust and dirt picked up from the street.
Part nr: 83 19 2 420 024; Price: **80** RON

Engine shine spray, 300 ml

The engine shine spray from BMW Motorrad is a heat-resistant care product especially for engine and exhaust parts painted black. It serves to prevent discolouration and to refresh faded colours as well as already damaged black paintwork.
Part nr: 83 19 2 462 904; Price: **104** RON

Chain cleaner, 300 ml

The BMW Motorrad chain cleaner also removes abrasive substances such as old chain lubricant, sand and street dirt from the chain sprocket.
Part nr: 83 19 2 420 027; Price: **53** RON

Chain spray, 300 ml

The BMW Motorrad chain spray is a fully synthetic lubricant specially developed for motorcycle drive chains.
Part nr: 83 19 2 420 027; Price: **53** RON

Gloss polish, 250 ml

The BMW Motorrad gloss polish protects against weather influences and preserves all paint, chrome and plastic parts.
Part nr: 83 19 2 420 023; Price: **53** RON

Metal polish, 75 ml

The BMW Motorrad metal polish for unpainted metals not only frees the bike from the city's dirt, but also makes it sparkling clean again.
Part nr: 83 19 2 420 025; Price: **80** RON

Body + Bike shower gel, 250 ml

Body + Bike from BMW Motorrad is the first shower gel for rider and vehicle. It removes dirt from the road and is kind to the skin and paint.
Part nr: 83 19 2 420 029; Price: **53** RON

Visor and helmet cleaner, 50 ml

The special visor and helmet cleaner removes foreign matter thoroughly and gently from the helmet shell and the visor.
Part nr: 83 19 2 408 158; Price: **37** RON

Helmet pad cleaner, 300 ml

The BMW Motorrad helmet pad cleaner removes even stubborn dirt and refreshes the padding in the helmet.
Part nr: 83 19 2 408 160; Price: **64** RON

Functional washing detergent, 250 ml

BMW Motorrad functional detergent for high-quality BMW Motorrad clothing, outdoor apparel and sportswear and for microfibre fabrics.
Part nr: 83 19 2 408 161; Price: **34** RON

Waterproofing agent for motorcycle clothing, 300 ml

BMW Motorrad impregnation agent for waterproof and oilproof re-impregnation of textiles made of natural and synthetic fibres.
Part nr: 83 19 2 408 162; Price: **70** RON

Original BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

HP SPORT SILENCER

Part nr.: 77 11 8 544 341

Available for:

- C 600 Sport
- C 650 GT

A top-class feature for top quality sound. The high-quality slip-on silencer made of titanium with a carbon end cap guarantees a throaty sound and a sporty appearance. In addition, the sport silencer developed with Akrapovič is weight-optimised compared to the standard silencer.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

STORAGE

Available at BMW Motorrad dealers.

TOPCASE (35 L) WITH BACKREST PAD

Available for:

- C 600 Sport
- C 650 GT

This topcase is mounted on the luggage carrier and offers enough space for a helmet with its volume of 35 litres. The waterproof luggage box is available with lid trims in the same body colour as the Maxi-Scooter itself. The reflector on the lid is standard, the liner, backrest pad and vehicle lock are among the handy options.

The comfortable backrest pad for the 35-litre topcase offers the passenger more comfort both on short trips and long tours.

Only available in conjunction with luggage carrier. Not in combination with backrest for passenger. For information on speed and load limitations, please refer to the operating instructions.

Available at BMW Motorrad dealers.

1 Topcase, 35l

Part nr.: 77 43 8 542 047

Available at BMW Motorrad dealers.

Available at BMW Motorrad dealers.

LUGGAGE CARRIER

Part nr.: 71 60 7 653 017

Available for:

- C 600 Sport
- C 650 GT

The sturdy, stylish luggage carrier is ideal for reliably securing the topcase or other large items of luggage. An optional backrest can also be fitted to provide additional comfort for the passenger.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Original BMW Motorrad accessories are available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

Available at BMW Motorrad dealers.

PARTITION NET FOR LUGGAGE COMPARTMENT

1 Available for:
• C 600 Sport

The practical partition net for the luggage compartment divides the storage compartment below the seat into one front and one rear section. This is perfect for neatly storing small items. The net can be installed and removed quickly using the buckles. When not in use, the net disappears into the stowage compartment to save space.

2 Available for:
• C 650 GT

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

1 Partition net for luggage compartment

Part nr.: 77 49 8 527 033

Available at BMW Motorrad dealers.

2 Partition net for luggage compartment

Part nr.: 77 49 8 527 034

Available at BMW Motorrad dealers.

CENTRE TUNNEL BAG

Part nr.: 77 45 8 551 271

Available for:
• C 600 Sport
• C 650 GT

The practical centre tunnel bag offers 12 litres of storage space and can be attached quickly and easily. Above the waterproof main compartment there is a smaller lid compartment which holds all kinds of small parts. The bag is perfectly adapted to the scooter, but thanks to its carry handle and shoulder strap it is also ideal for a stroll around town.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

DESIGN

Available at BMW Motorrad dealers.

LED INDICATORS

Part nr.: 77 51 2 465 283

Available for:

• C 600 Sport

A shining example: The beautifully designed LED indicators with white turn indicator glass convince with their slim design and modern lighting technology. They respond much faster than incandescent lamps and are virtually wear-free. This provides a clear safety advantage in road traffic. The set includes two LED indicators for retrofitting.

Please note the specifications for different countries.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

1 LED flashing turn indicator, installation kit with VVP

Available at BMW Motorrad dealers.

2 Front LED flashing turn indicator

Available at BMW Motorrad dealers.

CHROME PARTS

1 Available for:
• C 650 GT

The chrome-plated footrest inserts and handlebar weights add a classy, personal touch to the maxi-scooter.

2 Available for:
• C 600 Sport
• C 650 GT

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

3 Available for:
• C600 Sport

2
It is not possible to combine the central chrome-plated footrest insert with crash pads.

Available at BMW Motorrad dealers.

1 Chrome-plated handlebar weight

Part nr.: 77 22 8 527 001

Available at BMW Motorrad dealers.

2 Chrome-plated footrest insert

Left Part nr.: 77 25 8 527 057

Right Part nr.: 77 25 8 527 058

Available at BMW Motorrad dealers.

3 Chrome-plated rear footrest

Right Part nr.: 77 25 8 527 304

ERGONOMICS & COMFORT

Available at BMW Motorrad dealers.

WIND DEFLECTORS

Part nr.: 77 31 8 527 006

Available for:

- C 650 GT

The black wind deflectors are firmly attached to the trim panel and effectively protect the hands from wind and weather.

Available at BMW Motorrad dealers.

SPORT WINDSCREEN, TINTED

Part nr.: 77 33 8 559 588

Available for:

- C 650 GT

The tinted Sport windscreen gives the maxi-scooter a personal touch and sporty nuance. The special coating also permanently prevents scratches.

Please note the specifications for different countries. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

SPORT SEAT, HEATED

Part nr.: 77 34 8 527 039

Available for:

- C 600 Sport

The two-tone colour scheme in black/grey, textured surface and decorative double stitching in blue make the high-quality heated Sport seat a real highlight. The multi-level seat heating can be controlled separately for the rider and passenger and ensures a comfortable ride even on cool days.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

EXCLUSIVE SEAT

Part nr.: 77 34 8 527 042

Available for:

- C 650 GT

The two-tone colour scheme in black/grey, textured surface and decorative stitching in Quartz grey make the high-quality heated Exclusive seat a real highlight. The multi-level seat heating can be controlled separately for the rider and passenger and ensures a comfortable ride even on cool days.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

LOW SEAT

1 Available for:

- C 600 Sport

20 mm lower than the standard version, this low seat makes climbing on off easier and keeps the ground within easy reach. Many riders feel safer thanks to the reduced seat height, because they can manoeuvre and control their scooter more easily. The high-quality surface material in black corresponds to the standard equipment.

2 Available for:

- C 650 GT

2

Not available in conjunction with seat heating. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

1 Low seat

Part nr.: 52 53 8 546 268

Available at BMW Motorrad dealers.

HEATED SEAT (NOT SHOWN)

Part nr.: 52 53 7 725 455

Available for:

- C 600 Sport
- C 650 GT

The heated seat is the same size as the standard seat with the multi-level seat heating having separate controls for rider and passenger.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

SCOOTER LEG COVER

1 Available for:

- C 600 Sport

The scooter canopy reliably protects the rider's legs and lower body from water, wind and dirt. The waterproof protective cover can be fastened quickly and securely and is also suitable as additional protection against the cold, thanks to the removable polyester fleece. Zipped pockets and the integrated seat cover perfectly round off the weather protection.

2 Available for:

- C 650 GT

Recommended maximum speed 130 km/h. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

1 Scooter canopy

Part nr.: 77 31 8 527 011

Available at BMW Motorrad dealers.

2 Scooter canopy

Part nr.: 77 31 8 527 012

Available at BMW Motorrad dealers.

RAIN COVER FOR SEAT

Part nr.: 77 34 8 527 015

Available for:

- C 600 Sport

The snug-fitting rain cover for the seat is waterproof and is fastened using an elastic drawstring under the seat. The hood made of PU-coated nylon is tear-resistant and UV-resistant, making it ideal for all weathers. When not in use, it can be folded down to a compact size and stowed in the practical storage bag.

Available at BMW Motorrad dealers.

BACKREST FOR PASSENGER

Part nr.: 77 34 8 527 045

Available for:

- C 600 Sport
- C 650 GT

Relaxed feeling on the road even after many kilometres: With the padded backrest the passenger enjoys more comfort on short trips as well as on longer tours. The ride can be enjoyed in a relaxed and even more thorough way. The backrest is attached to the passenger handles and can be used together with the luggage carrier.

Topcase and backrest for passenger cannot be fitted together. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

HEATED GRIPS AND MULTIFUNCTION SWITCHES

Part nr.: On Request

Available for:

- C 600 Sport
- C 650 GT

Keep your hands as warm as you like with three-level grip heating (available settings: 1, 2 or Auto based on outside temperature).

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

NAVIGATION & COMMUNICATION

Available at BMW Motorrad dealers.

BMW MOTORRAD NAVIGATOR VI (INCL. 4-BUTTON CRADLE MOUNT)

Available for:

- C 600 Sport
- C 650 GT

1-2

Only in combination with bracket for navigation systems. Note the differences in national-market versions.

With the multifunction Navigator VI, route planning becomes child's play. The system with 16 GB flash memory and a five-inch touch screen always shows the right way, and the waterproof display is easy to read even in direct sunlight. The high-resolution screen provides all the essential information and ensures that you can see the big picture required in every situation. Numerous additional functions make planning and touring an exciting experience. Plan your routes according to your personal preferences and enjoy driving on winding and quiet side roads. The "round trip" option is a good choice on unfamiliar terrain as it will reliably lead you back to the starting point. The Bluetooth connection to the BMW Motorrad communication system and the optional Smartphone Link app enable multimedia on the go: navigation announcements, telephone calls and music streaming as well as the retrieval of weather forecasts or traffic jam information are no problem. Operation is via the stable Mount Cradle; the four buttons can also be accurately controlled while wearing gloves. Choose the pre-installed map data, and you will always be up to date thanks to lifelong, free map updates.

BMW Motorrad navigation devices and the BMW Motorrad smartphone cradle can only be mounted using the BMW Motorrad navigation device bracket.

Available at BMW Motorrad dealers.

1 BMW Motorrad Navigator VI (with 4-button Mount Cradle)

Part nr.: 77 52 8 355 749

Available at BMW Motorrad dealers.

2 BMW Motorrad Smartphone Cradle

Part nr.: 77 52 8 563 125

Available at BMW Motorrad dealers.

3 Bracket for BMW Motorrad navigation systems

Part nr.: 77 52 8 527 018

Original BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

Available at BMW Motorrad dealers.

MOBILE PHONE STORAGE

1 Available for:
• C 600 Sport

The custom-fit insert for the storage compartment offers space for a mobile phone and other small items. If the BMW USB charger is available on board, the smartphone can be charged while riding. The handy insert has a number of compartments. It can be locked, is waterproof and ensures that items are safely stowed.

2 Available for:
• C 650 GT

Available at BMW Motorrad dealers.

1 Mobile phone insert for storage compartment

Part nr.: 77 31 8 527 377

Available at BMW Motorrad dealers.

2 Mobile phone insert

Part nr.: 77 31 8 527 378

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

SAFETY

Available at BMW Motorrad dealers.

ASPHERICAL MIRROR

Available for:
• C 650 GT

The aspherical mirror glass with its curved surface enlarges the field of view and almost completely eliminates the blind spot. Objects that disappear in the blind spot with conventional mirrors remain largely visible with aspherical mirrors, even though they are almost at the same height.

Left Part nr.: 77 31 8 527 285
Right Part nr.: 77 31 8 527 286

Available at BMW Motorrad dealers.

SCOOTER LOCK

Part nr.: 77 25 8 527 047

Available for:
• C 600 Sport
• C 650 GT

This scooter lock is a quick and effective solution for theft protection. With the sheathed chain made of ultra-hard steel, the handlebar end of the Maxi-Scooter can be fixed to the swinging arm or a fixed object in no time at all. When not in use, the lock can be stowed under the seat in the storage bag provided.

Use of chrome-plated handlebar weight is restricted (scooter lock fastener takes the place of left handlebar weight). To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Original BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

Available at BMW Motorrad dealers.

CRASH PADS

Part nr.: 77 03 8 527 004

Available for:
• C 650 GT

The drop-protection pads made of robust plastic protect the Scooter from damage in the case of a fall. The abrasion-resistant pads are screwed to the trim panel at the front and the footboards at the rear, and offer effective protection if the bike should fall over or in the event of a fall at low speed.

Available at BMW Motorrad dealers.

ANTI-THEFT ALARM SYSTEM RETROFIT SET

(NOT SHOWN)

Part nr.: 77 53 8 545 003

Available for:
• C 600 Sport
• C 650 GT

If the anti-theft alarm system is moved or struck violently, the system responds with a clearly audible signal and a hazard warning indicator lamp. Thanks to the warning, passers-by quickly become aware. The system is conveniently activated by remote control.

Note the differences in national-market versions. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

G MODEL RANGE

STORAGE	396
ERGONOMICS & COMFORT	398
SAFETY	400

Vehicle - specific accessories for:

- G 650 GS
Model codes 0178, 0179, 0188, 0189
- G 650 GS Sertao
Model code 0136, 0146

STORAGE

Available at BMW Motorrad dealers.

VARIABLE CASES

Left Part nr.: 77 41 7 723 467; Right Part nr.: 77 41 7 723 468

Available for:

- G 650 GS
- G 650 GS Sertao

The splash-proof plastic cases have an adjustment mechanism that allows the case volume to be adapted to current requirements. The case is narrower when capacity is reduced, which is useful in city traffic. The capacity on both sides is 19 to 28l each.

Available at BMW Motorrad dealers.

TOPCASE, 31L

Part nr.: 71 60 7 710 982

Available for:

- G 650 GS
- G 650 GS Sertao

The topcase attaches quickly and easily to the standard luggage carrier. There's even space for a helmet inside.

Available at BMW Motorrad dealers.

CASE HOLDER

Part nr.: 77 42 8 534 411

Available for:

- G 650 GS
- G 650 GS Sertao

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

TANK BAG, 13-17L

Part nr.: 77 45 7 724 681

Available for:

- G 650 GS
- G 650 GS Sertao

The tank bag is shaped for a snug fit on the motorcycle and has a waterproof main compartment. The map compartment and exterior pocket are highly water-resistant. An all-round zip increases capacity from 13l to 17l.

Available at BMW Motorrad dealers.

LINER FOR VARIABLE CASES

Part nr.: 71 60 7 687 610

Available for:

- G 650 GS
- G 650 GS Sertao

The practical, waterproof liner with removable carry strap keeps its contents well protected.

Variable cases, left and right, can be used on both sides.

Available at BMW Motorrad dealers.

LINER FOR TOPCASE

Part nr.: 71 60 7 687 612

Available for:

- G 650 GS

A highly water-resistant, easy-to-pack liner that you can use to carry luggage to and from your motorcycle. This eliminates the need to remove the topcase.

ERGONOMICS & COMFORT

Available at BMW Motorrad dealers.

WINDSCREENS

Available for:

- G 650 GS
- G 650 GS Sertao

Improves protection against wind and rain, especially on longer journeys. Tinted version also available.

3 Not available for G 650 GS

Available at BMW Motorrad dealers.

1 High windscreen

Part nr.: 46 63 7 724 644

Available at BMW Motorrad dealers.

2 High windscreen, tinted

Part nr.: 77 33 7 724 637

Available at BMW Motorrad dealers.

3 Low windscreen, tinted

Part nr.: 77 33 7 723 689

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

Available at BMW Motorrad dealers.

HIGH SEAT

Part nr.: 52 53 2 345 735

Available for:

- G 650 GS
- G 650 GS Sertao

40mm higher than the standard version, this padded seat provides a more comfortable seating position for taller riders.

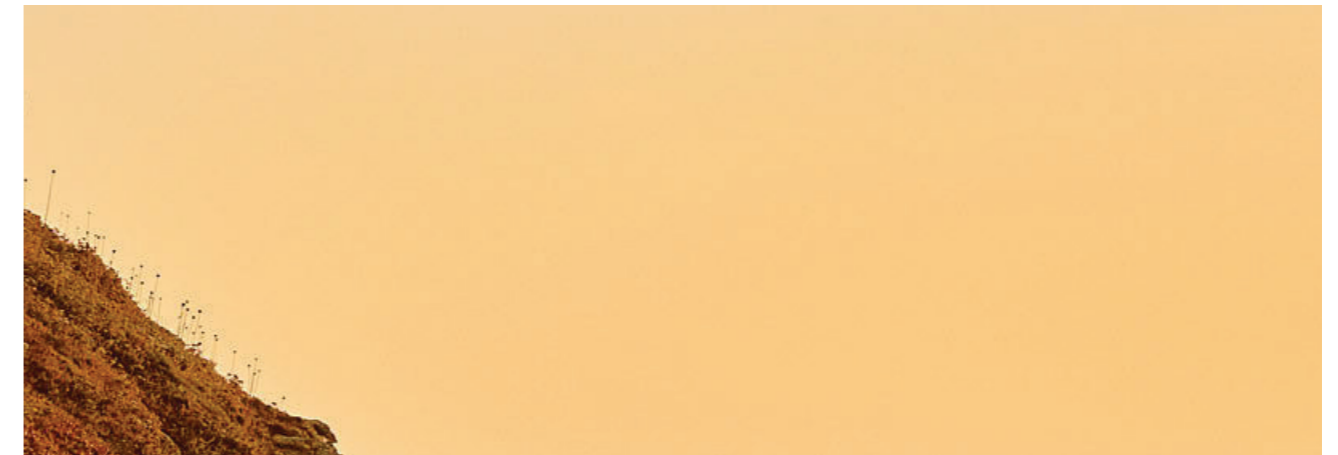

Available at BMW Motorrad dealers.

HEATED GRIPS (NOT SHOWN)

Part nr.: On Request

Available for:

- G 650 GS
- G 650 GS Sertao

Original BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

Available at BMW Motorrad dealers.

CENTRE STAND

Part nr.: 46 52 7 669 895

Available for:

- G 650 GS

The centre stand makes refuelling easier and ensures your motorcycle takes up less parking space.

Only in conjunction with lowered suspension.

400 G MODEL RANGE: PREVIOUS MODELS
SAFETY

SAFETY

HP HAND LEVERS

Part nr.: 77 22 2 465 250

Available for:

- R 1200 R
- R 1200 RT
- R 1200 RS
- R 1200 GS
- R 1200 GS Adventure

The HP hand levers made of anodised aluminium emphasise the sportiness of the bike and can be ergonomically adjusted to the hand width in five (brake lever) or three (clutch lever) steps. They are milled from a high-strength aluminium alloy that is completely resistant to corrosion and integrate perfectly into the bike's sporty design in terms of colour.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

Available at BMW Motorrad dealers.

HP CARBON HEAT GUARD

Available for:

- R 1200 R
- R 1200 RS

The high-quality HP Carbon cover acts as a heat protection and at the same time emphasises the sporty look of the sport silencer. The lightweight CFRP component for vehicles with a centre stand is sealed with UV-resistant high-gloss paint and adds a further sporty nuance.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

1 HP Carbon heat protection (for vehicles with a centre stand)

Part nr.: 77 11 8 556 703

Available at BMW Motorrad dealers.

CASE AND TOPCASE CARRIER FOR ALUMINIUM CASE AND ALUMINIUM TOPCASE

Available for:

- R 1200 GS
- R 1200 GS Adventure

Only available for model codes 0A01, 0A11

The aluminium side cases and the Atacama side bags can be easily and securely attached to the sturdy case holder made of polished or black powder-coated stainless steel. In addition to a typical Enduro appearance, the case holder also serves as a traction point for off-road use.

The aluminium topcase or other pieces of luggage can be attached to the topcase carrier. In addition, the luggage carrier can be used as a grip for Enduro use.

1 & 2

Not available in conjunction with Rallye seat with luggage plate. Only available in conjunction with part number 77 30 8 546 226 (cover kit for holes for grab handles) if the standard passenger grab handles have been removed.

2 & 4

When used with aluminium cases, the black coating rubs off at the contact points.

Available at BMW Motorrad dealers.

1 Case holders for aluminium cases

Left Part nr.: 46 54 8 520 067
Right Part nr.: 46 54 8 520 068

Available at BMW Motorrad dealers.

Available at BMW Motorrad dealers.

CARRY HANDLE FOR ALUMINIUM CASE / TOPCASE

Part nr.: 77 49 8 543 224

Available for:

- R 1200 GS
- R 1200 GS Adventure

Only available for model codes 0A01, 0A11

Convenient and functional: The practical carry handles for aluminium cases and topcases make it easy to transport the luggage to and from the bike. If the cases are mounted, additional luggage can also be attached to the handles.

Original BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

Available at BMW Motorrad dealers.

LINER FOR ALUMINIUM CASES AND ALUMINIUM TOPCASES

Left Part nr.: 77 41 8 543 197
Right Part nr.: 77 41 8 543 199

Available for:
 • R 1200 GS
 • R 1200 GS Adventure
 Only available for model codes 0A01, 0A11

The waterproof liner for the aluminium case or the aluminium topcase gets the luggage organised and facilitates loading and unloading. The liner is readily available and easy to carry thanks to the carry handle and shoulder strap. Alternatively, the sturdy bag can also be attached to the outside of the case, creating additional storage space.

Available at BMW Motorrad dealers.

LUGGAGE COMPARTMENT SEPARATING NET FOR ALUMINIUM CASES

Part nr.: 77 40 2 464 350

Available for:
 • R 1200 GS
 • R 1200 GS Adventure
 Only available for model codes 0A01, 0A11

The luggage net for aluminium cases and topcases creates more order and makes it easier to access frequently used items. The highly flexible net is attached to the inside of the lid and ensures that luggage such as raincoats, folding backpacks, toiletry bags and sneakers are always at hand when the case is opened.

Available at BMW Motorrad dealers.

VARIABLE CASES

Available for:
 • R 1200 GS
 • R 1200 GS Adventure

With its patented adjustment mechanism, the variable case offers stowage space of 30 to 39 litres (left) or 20 to 29 litres (right). The adjustable volume offers benefits, especially in city traffic, as the width of the case can be reduced at the same time. Naturally the variable case is waterproof and also suitable for off-road use.

Available at BMW Motorrad dealers.

1 Variable case, left, 30-39l
 Part nr.: 77 40 7 721 035

Available at BMW Motorrad dealers.

2 Variable case, right, 20-29l
 Part nr.: 77 41 8 567 204

Available at BMW Motorrad dealers.

VARIABLE TOPCASE

Available for:
 • R 1200 GS

The variable topcase with its patented adjustment mechanism offers a variable volume from 25 to 35 litres. The variable topcase, made of robust plastic, is waterproof, suitable for off-road use and has a large GS inscription.

the comfortable backrest pad for the large topcase offers the passenger more comfort both on short trips and on long tours.

Available at BMW Motorrad dealers.

1 Variable topcase, 25-35l
 Part nr.: 77 40 7 721 037

Available at BMW Motorrad dealers.

2 Variable topcase, silver

Available at BMW Motorrad dealers.

3 Backrest pad for variable topcase
 Part nr.: 71 60 7 688 877

Available at BMW Motorrad dealers.

LINER FOR VARIABLE CASE VARIABLE TOPCASE

Available for:
 • R 1200 GS
 • R 1200 GS Adventure

The liner gets the luggage organised and facilitates loading and unloading. The bag is quick to hand and easy to carry thanks to the carry handle and shoulder strap. Practical details include the mesh partition with a zipped compartment in the lid and the volume which can be varied by an all-round zip.

Left Part nr.: 77 49 8 536 210
Right Part nr.: 77 49 8 534 711
Topcase Part nr.: 77 49 8 534 712

Available at BMW Motorrad dealers.

CASE HOLDERS FOR VARIABLE CASES

Part nr.: 77 42 8 525 874

Available for:
 • R 1200 GS
 • R 1200 GS Adventure

The variable cases can be easily and securely attached to the sturdy case holders on both sides of the motorcycle. The racks are perfectly integrated into the overall appearance of the motorcycle.

Available at BMW Motorrad dealers.

CASE HOLDER FOR VARIABLE CASES IN BLACK

Part nr.: 77 42 2 459 692

Available for:

- R 1200 GS
- R 1200 GS Adventure

The variable cases can be easily and securely attached to the sturdy case holders on both sides of the motorcycle. The racks are perfectly integrated into the overall appearance of the motorcycle.

Available at BMW Motorrad dealers.

LUGGAGE PLATE FOR PASSENGER SEAT

Part nr.: 77 44 8 523 742

Available for:

- R 1200 GS
- R 1200 GS Adventure

The luggage plate made of black painted plastic replaces the passenger seat and offers the ideal basis for safely transporting luggage. In combination with the variable cases, the result is a wide, flat packing surface on which even larger objects can be secured close to the vehicle's centre of gravity.

Not available in conjunction with Rallye seat with luggage plate. Only available in conjunction with part number 77 30 8 546 226 (cover kit for holes for grab handles) if the standard passenger grab handles have been removed.

Available at BMW Motorrad dealers.

TOURING CASES

Available for:

- R 1200 R
- R 1200 RS

With a volume of 32 litres, the high-quality hard shell touring case offers ample space for luggage or the motorcycle helmet. The splashproof case with painted lid in Black storm metallic can be locked and is the perfect travel companion for short or longer tours.

1 & 3

Please refer to the operating instructions for information on speed and load limitations.

Available at BMW Motorrad dealers.

ADDITIONAL BRAKE LIGHT FOR TOURING TOPCASE

Part nr.: 77 51 8 520 044

The additional brake light for the touring topcase with modern LED technology in a white clear-glass look blends perfectly with the existing topcase lid embellisher. As braking activity can be seen better, this promotes passive safety in traffic.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Original BMW Motorrad accessories are available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

Available at BMW Motorrad dealers.

CASE HOLDER

Part nr.: 46 54 8 534 255

Available for:

- R 1200 R
- R 1200 RS

The touring case can be easily and securely attached to the sturdy black powder-coated steel case holder.

Available at BMW Motorrad dealers.

IMPACT PROTECTION FOR TOURING CASES AND PROTECTIVE FILM

Available for:

- R 1200 RT

The impact protection is made of sturdy plastic and protects the touring cases at the front, bottom and sides from scratches and damage. The two moulded parts therefore serve well when the bike has to be manoeuvred into tight parking spaces or narrow passages. But even when transported by hand, the impact protection can take a bump or two.

The self-adhesive and transparent film protects top and side surfaces of touring cases from small scratches.

Protective film for touring case (not shown)

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Left Part nr.: 77 42 7 700 461

Right Part nr.: 77 42 7 700 462

Top Part nr.: 77 42 8 528 355

Available at BMW Motorrad dealers.

LINER FOR TOURING CASE AND TOURING TOPCASE

1 Available for:

- R 1200 R
- R 1200 RS

The matching liner for the touring topcase gets the luggage organised and facilitates loading and unloading. The carry handle and shoulder strap make the bag easy to access and transport. Practical details include two external patch pockets and a wide-opening lid.

2-4 Available for:

- R 1200 RT

The handy, high-quality liner is water-resistant and makes full use of the capacity of the topcase. So while the liner is being used, space within the storage compartment for the topcase will be limited.

Available at BMW Motorrad dealers.

1 Liner for touring case

Left Part nr.: 77 41 8 520 295

Right Part nr.: 77 41 8 520 296

Available at BMW Motorrad dealers.

2 Liner for touring topcase

Part nr.: 77 41 8 520 301

Available at BMW Motorrad dealers.

3 Storage compartment for touring topcase

Part nr.: 77 41 8 520 303

Available at BMW Motorrad dealers.

SMALL TANK BAG, 5-9 L

Part nr.: 77 45 8 556 293

Available for:

- R 1200 R
- R 1200 RS

The small tank bag made of durable PU-coated polyester fabric is the ideal companion for short trips. The waterproof main compartment with liner, the exterior pocket, the volume that can be expanded from 5 to 9 litres, the carry handle and the removable shoulder strap are functional features that meet all your everyday needs.

Available at BMW Motorrad dealers.

SMALL TANK BAG, 8 L

Part nr.: 77 45 2 466 663

Available for:

- R 1200 GS

The small tank bag made of PVC-coated polyester fabric with belt attachment is the ideal companion for short trips. The waterproof main compartment with a liner offers intelligent details such as the cable duct and fastening loops for the waterproof DIN A4 map pocket; it has a volume of 8 litres.

Please refer to the operating instructions for information on speed and load limitations.

Available at BMW Motorrad dealers.

LARGE TANK BAG, 11-15 L (NOT SHOWN)

Part nr.: 77 45 2 466 660

Available for:

- R 1200 GS

The tank bag, made of durable PVC-coated polyester fabric with a waterproof main compartment and belt attachment, offers many intelligent details; its volume can be extended from 11 to 15 litres as required. Extra space is available with the map pocket and an exterior pocket with bottle holder.

Please refer to the operating instructions for information on speed and load limitations.

Available at BMW Motorrad dealers.

TANK BAG, 12-16 L

Part nr.: 77 45 2 466 686

Available for:

- R 1200 GS Adventure

The tank bag made of PVC-coated polyester fabric offers clever details and can be extended from 12 to 16 litres as required. Extra space is available with the map pocket and an exterior pocket. The smart fastener design guarantees a secure hold and extremely functional handling.

Please refer to the operating instructions for information on speed and load limitations.

Available at BMW Motorrad dealers.

MAP POCKET FOR TANK BAG

Part nr.: 77 45 2 457 813

Available for:

- R 1200 GS

Even today, many tour riders do not want to do without reliable road maps. The ideal solution is the removable map pocket in A4 format with waterproof roll closure. It can be fastened securely to the tank bag with hook and loop fasteners; the stiffened bottom prevents it from flapping in the oncoming wind.

Please refer to the operating instructions for information on speed and load limitations.

Available at BMW Motorrad dealers.

BAG FOR FRAME

Part nr.: 77 49 2 463 534

Available for:

- R 1200 R
- R 1200 RS
- R 1200 GS
- R 1200 GS Adventure

The lined pocket made of PVC-coated polyester fabric is attached to the frame below the rider's seat and does not restrict freedom of movement. Now smaller items are also always on board while on the road. The water-repellent zip fastener with non-slip zip allows quick access.

Available at BMW Motorrad dealers.

POCKET FOR WIND DEFLECTOR

Part nr.: 77 49 2 463 535

Available for:

- R 1200 GS
- R 1200 GS Adventure

The high-quality pockets made of PVC-coated polyester fabric are attached behind the trim panel and thus allow quick access to the contents. The lined storage space is particularly suitable for smaller items such as smartphones up to 5 inches, which are safe and protected there.

Available at BMW Motorrad dealers.

ATACAMA LUGGAGE SYSTEM

1 & 3 available for:

- R 1200 R
- R 1200 RT
- R 1200 RS
- R 1200 GS
- R 1200 GS Adventure

The Atacama side bags convince with clever details and a combined storage volume of 60 litres. In addition to the waterproof liners, various storage compartments provide additional space. Quick-release fasteners for easy mounting on the motorcycle and sturdy carry handles ensure a secure hold and extremely practical handling.

The Atacama roll bag made of a robust mix of materials features impressively sophisticated details and boasts a storage volume of 40 litres. In addition to the waterproof liner, various storage compartments provide additional space. The versatile fastening concept, three carry handles and backpack function ensure a secure hold and extremely practical handling.

2 & 4 & 5 available for:

- R 1200 GS
- R 1200 GS Adventure

The Atacama side bags and roll bag and other pieces of luggage or helmets can be secured to the motorcycle using the lockable tensioning straps with steel core.

1 & 2

For information on speed and load restrictions, please refer to the operating instructions.

2

Only available in conjunction with case holder for aluminium cases.

Available at BMW Motorrad dealers.

1 Atacama luggage roll, 40l

Part nr.: 77 40 2 451 381

Available at BMW Motorrad dealers.

2 Atacama side bags

Part nr.: 77 40 2 451 375

Available at BMW Motorrad dealers.

3 Tensioning strap for Atacama roll bag, lockable

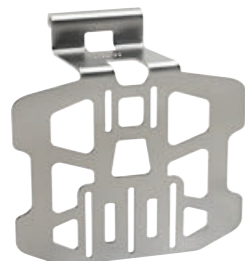

Part nr.: 77 40 2 464 348

Available at BMW Motorrad dealers.

4 Atacama side bag adapter

Available at BMW Motorrad dealers.

4 Tensioning straps for Atacama side bags, lockable

Part nr.: 77 40 2 464 349

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

Available at BMW Motorrad dealers.

BAG FOR PASSENGER SEAT, 14-18 L

Part nr.: 77 49 8 562 632

Available for:

- R 1200 GS

With a volume of 14 to 18 litres, this durable bag for the passenger seat offers enough storage space for the daily ride to work or for day trips. The three-sided zip fastener allows quick access, while the functional carrying handle facilitates transport.

Please refer to the operating instructions for information on speed and load limitations.

Available at BMW Motorrad dealers.

BAG FOR PASSENGER SEAT, 16 L

Part nr.: 77 45 8 557 768

Available for:

- R 1200 R
- R 1200 RS

With a volume of 16 litres, this durable bag for the passenger seat offers enough storage space for the daily ride to work or for day trips. The three-sided zip fastener allows quick access, while the functional carrying handle facilitates transport.

Original BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

Available at BMW Motorrad dealers.

ADDITIONAL BAG UNDER LUGGAGE CARRIER

Part nr.: 77 49 2 463 533

Available for:

- R 1200 GS

The small and practical bag made of durable polyester fabric with a PVC coating creates additional stowage space under the luggage carrier. This means that smaller items that the rider does not want to do without on the road are always on board.

Not available in conjunction with the aluminium luggage carrier.

Available at BMW Motorrad dealers.

LARGE TOPCASE, 49L

Available for:

- R 1200 GS

The waterproof topcase with painted lid offers storage space of 49 litres and has ample space for up to two helmets.

The comfortable backrest pad for the large topcase offers the passenger more comfort both on short trips and on long tours.

1

Only available in conjunction with the luggage carrier and topcase carrier.

Available at BMW Motorrad dealers.

1 Large topcase, 49l

Part nr.: 77 43 8 551 996

Available at BMW Motorrad dealers.

2 Backrest pad for large topcase

Part nr.: 77 44 8 561 434

Available at BMW Motorrad dealers.

LINER FOR LARGE TOPCASE

Part nr.: 77 43 8 549 124

Available for:

- R 1200 GS

The matching liner for the large topcase gets the luggage organised and facilitates loading and unloading. The carry handle and shoulder strap make the bag easy to access and transport. Practical details include two external patch pockets and the three-sided all-round zip.

Not available in conjunction with the aluminium luggage carrier.

Available at BMW Motorrad dealers.

SMALL TOPCASE, 30 L

Available for:

- R 1200 R
- R 1200 RS

The waterproof plastic topcase offers enough space for a helmet with a volume of 30 litres. The lid, which is available in Asphalt grey metallic matt, Black storm metallic or Light white, and the soft-close hinges, which allow the lid to be lowered gently, underline the high-quality appeal.

1

Only available in conjunction with luggage carrier, topcase carrier and matching outer shell. For information on speed and load limitations, please refer to the installation/operating instructions. For more detailed information, contact your authorised BMW Motorrad Retailer or go online at bmw-motorrad.com.

Available at BMW Motorrad dealers.

1 Small topcase, 30l

Part nr.: 77 43 8 543 246

Available at BMW Motorrad dealers.

2 Backrest pad for small topcase

Part nr.: 77 44 8 549 334

Available at BMW Motorrad dealers.

LINER FOR SMALL TOPCASE, 30 L

Part nr.: 77 43 8 549 130

Available for:

- R 1200 GS

The matching tailored liner for the topcase gets the luggage organised and facilitates loading and unloading. The carry handle and shoulder strap make the bag easy to access and transport. The practical details include the outside pocket and the three-sided zip.

Available at BMW Motorrad dealers.

SMALL TOPCASE, 28 L

Available for:

- R 1200 RT

With a volume of 28 litres, the waterproof topcase offers enough space for a helmet and impresses in daily use and on short tours. It is made of a hard-wearing plastic mix in a double-shell design. Its weight is approx. 5.5 kilograms. Backrest pad also available.

Available at BMW Motorrad dealers.

1 Small topcase, 28l

Part nr.: 77 43 7 724 352

Available at BMW Motorrad dealers.

2 Backrest pad

Part nr.: 71 60 7 693 672

Available at BMW Motorrad dealers.

LINER FOR SMALL TOPCASE, 28 L

Part nr.: 71 60 7 680 541

Available for:

- R 1200 RT

The matching liner for the small topcase gets the luggage organised and facilitates loading and unloading. The carry handle and shoulder strap make the bag easy to access and transport. Practical details include the three-sided all-round zip.

Available at BMW Motorrad dealers.

LUGGAGE CARRIER

Part nr.: 46 54 8 534 258

Available for:

- R 1200 R
- R 1200 RS

The sturdy, stylish luggage carrier is ideal for reliably securing the topcase or other large items of luggage. It acts as a full grip for the passenger and is also ideal for use as a pushing aid when manoeuvring.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

DESIGN

Available at BMW Motorrad dealers.

GS DECOR STICKER SET

1 Available for:

- R 1200 GS

Only available for model codes 0A01, 0A11

2 Available for:

- R 1200 GS

Only available for model codes 0A51, 0A61

3 Available for:

- R 1200 GS Adventure

The sticker set in Racing red and Black storm metallic is perfectly tailored to your vehicle.

These highly durable stickers really stand out thanks to their vivid and metallic colour effects. The pack comes with instructions and application aids so they can be easily applied without creating air bubbles.

Set contents:

- Sticker set for: wheel cover, fuel tank, case, topcase, aluminium rims (K50) + spoked rims with rim base décor
- Application aids: Smoothing blade, application fluid, cleaning cloth
- Application instructions

Available at BMW Motorrad dealers.

1 GS decorative sticker

Part nr.: 77 31 2 455 682

Available at BMW Motorrad dealers.

1 GS sticker set

Part nr.: 77 31 2 455 684

Available at BMW Motorrad dealers.

2 GS Adventure sticker set

Part nr.: 77 31 2 455 683

Original BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

Available at BMW Motorrad dealers.

BLACK REAR FOOTREST BRACKET

Part nr.: 77 42 2 459 693

Available for:

- R 1200 GS
- R 1200 GS Adventure

Available at BMW Motorrad dealers.

"STYLE" BLACK RADIATOR COWLS

Part nr.: 77 42 2 459 694

Available for:

- R 1200 GS

The stainless steel "Style" radiator cowls are not only resistant to detergents due to their black coating, but also their colour does not fade even in direct sunlight. Together with the other optional equipment in Black, they emphasise the dynamic character of the bike.

Available at BMW Motorrad dealers.

EXTENDED FRONT FRONT - WHEEL COVER

Part nr.: 77 31 2 465 265

Available for:

- R 1200 GS

Only available for model codes 0A51, 0A61

The larger front-wheel cover emphasises the BMW R 1200 GS's Enduro style and offers improved spray protection.

Available at BMW Motorrad dealers.

LED INDICATORS

Part nr.: On request

Available for:

- R 1200 R
- R 1200 RS
- R 1200 GS
- R 1200 GS Adventure

A shining example: The beautifully designed LED indicators with white turn indicator glass convince with their slim design and modern lighting technology. They respond much faster than incandescent lamps and are virtually wear-free. This provides a clear safety advantage in road traffic. The set includes two LED indicators for retrofitting.

Note the differences in national-market versions. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

ENGINE SPOILER

Available for:

- R 1200 R
- R 1200 RS

Left Part nr.: 46 63 8 550 455

Right Part nr.: 46 63 8 550 456

Available at BMW Motorrad dealers.

CHROME PARTS

Available for:

- R 1200 RT

Choose the look you want: these elegant, high-quality chrome parts can be combined as you wish, giving your BMW R 1200 RT a unique, stylish edge.

2-4

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

1 Chrome-plated rear silencer

Part nr.: 18 51 8 531 078

Available at BMW Motorrad dealers.

2 Chrome-plated case strip

Left Part nr.: 51 14 8 545 123

Right Part nr.: 51 14 8 545 124

Available at BMW Motorrad dealers.

3 Touring topcase lid trim, chrome-plated

Part nr.: 46 54 8 522 938

ERGONOMICS & COMFORT

Available at BMW Motorrad dealers.

WINDSCREENS AND WIND DEFLECTOR

1 Available for:

- R 1200 GS Adventure

The high, tinted windscreen underlines the sporty character of the machine. The scratch-resistant coating ensures long-term durability.

2 & 5 & 6 Available for:

- R 1200 R

The scratch-resistant coated windscreen is higher and wider than the Sport windscreen and noticeably improves wind and weather protection for the rider.

3 & 4 Available for:

- R 1200 GS
- Only available for model codes A051, A061

The Rallye windscreen was specially developed for off-road use. It is small enough to give the rider a clear view of the terrain and yet offers protection and freedom of movement when riding in a standing position. The Enduro-specific appearance underlines the machine's off-road potential.

7 Available for:

- R 1200 GS
- R 1200 GS Adventure

The tinted Sport windscreen noticeably relieves the wind pressure on the upper body and adds a sporty nuance.

8 & 9 Available for:

- R 1200 RT

The Sport windscreen in clear glass has a scratch-resistant coating and noticeably relieves the wind pressure on the upper body.

Windscreen, tinted (not shown) available for:

- R 1200 RS

The tinted windscreen underlines the motorcycle's sporty look and ensures lasting transparency thanks to its scratch-resistant coating.

The convenient windscreen offers maximum wind and weather protection for rider and passenger.

Measuring 681 mm, this windscreen is shorter than the standard windscreen and gives the bike a sporty look.

1 & 7

Please note the specifications for different countries.
To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

4 Rallye windscreen, tinted

Part nr.: 77 33 8 559 548

Available at BMW Motorrad dealers.

7 Windscreen, tinted

Part nr.: 77 33 8 403 975

Available at BMW Motorrad dealers.

5 Sport windscreen, tinted

Part nr.: 77 33 8 544 629

Available at BMW Motorrad dealers.

8 Comfort windscreen

Part nr.: 77 33 8 543 540

Available at BMW Motorrad dealers.

6 Sport windscreen

Part nr.: 46 63 8 534 281

Available at BMW Motorrad dealers.

9 Low windscreen

Part nr.: 46 63 8 382 828

Available at BMW Motorrad dealers.

1 High windscreen, tinted

Part nr.: 77 33 8 554 727

Available at BMW Motorrad dealers.

2 High windscreen

Part nr.: 77 33 8 534 283

Available at BMW Motorrad dealers.

3 Rallye windscreen

Part nr.: 46 63 9 467 786

Available at BMW Motorrad dealers.

RIDER'S SEATS R 1200 GS / R 1200 GS ADVENTURE

1 Available for:

- R 1200 GS

9 Available for:

- R 1200 GS Adventure

2-5 & 8 available for:

- R 1200 GS
- R 1200 GS Adventure

Rider's seat, blue/black (not shown) available for:

- R 1200 GS Adventure

Only available in conjunction with appropriate passenger or rider's seat. Except for rider's seat (standard), exclusive high rider's seat, comfort high and low rider's seat

6 & 7 Available for:

- R 1200 GS

Only available for model codes 0A51, 0A61

Available at BMW Motorrad dealers.

1 Rider's seat (standard)

Part nr.: 52 53 8 532 737

Available at BMW Motorrad dealers.

2 Exclusive rider's seat, high

Part nr.: 77 34 8 553 995

Available at BMW Motorrad dealers.

3 Exclusive rider's seat, low

Part nr.: 77 34 8 553 994

Available at BMW Motorrad dealers.

4 Exclusive rider's seat

Part nr.: 77 34 8 552 146

Available at BMW Motorrad dealers.

5 Rider's seat, high

Available at BMW Motorrad dealers.

9 Rider's seat, olive grey/black

Part nr.: 52 53 8 540 917

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

Available at BMW Motorrad dealers.

RIDER'S SEATS R 1200 GS / R 1200 GS ADVENTURE

1-3 Available for:

- R 1200 RT

The rider's seat in black is 20 mm higher and offers particularly tall riders noticeably better seating comfort.

4-7 Available for:

- R 1200 R
- R 1200 RS

20 mm lower than the standard version, this black rider's seat makes climbing on and off easier and keeps the ground within easy reach.

High rider's seat & rider's seat & low rider's seat, black optional with seat heater (not shown) available for:

- R 1200 RT

The rider's seat in classic black can be adjusted and has the same seat height as the standard seat.

Rider's seats and passenger seats are also available with seat heating.

Available at BMW Motorrad dealers.

1 High rider's seat, black

Part nr.: 52 53 8 534 318

Available at BMW Motorrad dealers.

2 Low rider's seat, black

Part nr.: 52 53 8 534 317

Available at BMW Motorrad dealers.

3 Rider's seat, black

Part nr.: 52 53 8 534 316

Available at BMW Motorrad dealers.

4 High rider's seat, black

Part nr.: 52 53 8 544 778

Available at BMW Motorrad dealers.

5 Low rider's seat, black

Part nr.: 52 53 8 544 780

Available at BMW Motorrad dealers.

6 Sport rider's seat, black

Part nr.: 77 34 8 555 886

Available at BMW Motorrad dealers.

7 Rider's seat, black

Part nr.: 52 53 8 544 782

Original BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

Available at BMW Motorrad dealers.

PASSENGER SEATS

Available for:

- R 1200 GS
- R 1200 GS Adventure

Thanks to the smooth but very dimensionally stable soft-touch insert, the Exclusive passenger seat offers a noticeable improvement in seating comfort and invites the passenger to get on. The seat is also available in a narrow design.

Thanks to an additional soft-touch foam layer, the Comfort passenger seat provides noticeably greater seating comfort and even more carefree kilometres for the passenger. The soft, structured cover with decorative seams and exclusive design ensure a high-quality look.

Only available in conjunction with appropriate passenger or rider's seat.

Available at BMW Motorrad dealers.

1 Exclusive passenger seat

Part nr.: 77 34 8 552 145

Available at BMW Motorrad dealers.

2 Comfort passenger seat

Part nr.: 52 53 8 560 684

Available at BMW Motorrad dealers.

RALLYE SEAT LUGGAGE PLATE

Available for:

- R 1200 GS
- R 1200 GS Adventure

The narrow and harder padded Rallye seat is tailor-made for off-road use and offers the rider maximum freedom of movement in off-road conditions. There is still room for the passenger. On the small luggage plate with a GS inscription, objects can be attached close to the vehicle's centre of gravity.

1

Not available in conjunction with luggage plate.

Available at BMW Motorrad dealers.

1 High Rallye seat with luggage plate

Part nr.: 77 34 8 523 744

Available at BMW Motorrad dealers.

2 Low Rallye seat with luggage plate

Part nr.: 52 53 8 564 243

Available at BMW Motorrad dealers.

FOOTRESTS AND FOOT LEVER

1 - 3 Available for:

- R 1200 GS
- R 1200 GS Adventure

The spring-loaded rider footrest with plastic footboard is adjustable in three positions and offers maximum comfort and surefootedness on and off-road. This means additional stability and even better control of the motorcycle when riding in a standing position, especially off-road.

The wider and longer Enduro footrest offers more grip and allows better off-road vehicle control.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

1 Adjustable rider footrest, black

Part nr.: 77 25 2 465 256

Available at BMW Motorrad dealers.

2 Adjustable rider footrest

Left Part nr.: 77 25 8 525 369

Right Part nr.: 77 25 8 525 370

Available at BMW Motorrad dealers.

3 Enduro footrest

Left Part nr.: 46 71 8 529 843

Right Part nr.: 46 71 8 529 844

Available at BMW Motorrad dealers.

ADJUSTABLE FOOTBRAKE LEVER

Available for:

- R 1200 R
- R 1200 RS

The height-adjustable footbrake lever has a wider step and a patented folding mechanism. The footbrake can be suitably adjusted for even better operation and control, especially when driving off-road while standing. Height adjustment can be done without tools.

Left Part nr.: 77 25 8 552 071

Right Part nr.: 77 25 8 552 072

Available at BMW Motorrad dealers.

CENTRE STAND

Part nr.: 46 52 8 532 725

Available for:

- R 1200 R
- R 1200 RT
- R 1200 RS

The stable centre stand ensures a safe stand for the motorcycle even on slopes and offers advantages, for example, when refuelling, mounting cases and topcases or checking tyre pressure. The motorcycle also takes up less space when parked upright.

Available at BMW Motorrad dealers.

PRO GEAR - SHIFT ASSIST

Part nr.: 23 41 8 536 884

Available for:

- R 1200 R
- R 1200 RT
- R 1200 RS
- R 1200 GS
- R 1200 GS Adventure

The shift assistant Pro allows shifting up and down in almost all load ranges and engine speed ranges without actuating the clutch or throttle. The assistant thus ensures noticeably reduced shifting times, a relief of the clutch hand and thus greater comfort and dynamics.

Available at BMW Motorrad dealers.

CRUISE CONTROL RETROFIT SET (NOT SHOWN)

Part nr.: 61 31 8 522 472

Available for:

- R 1200 R
- R 1200 RT
- R 1200 RS
- R 1200 GS
- R 1200 GS Adventure

The electronic cruise control can be activated from 30 km/h and keeps the driving speed constant. This makes it possible to enjoy longer motorway stretches in a relaxed style. The function is deactivated on braking, and the selected speed is automatically adopted after activating the Resume button

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

PRO RIDING MODES RETROFIT SET (NOT SHOWN)

Part nr.: 13 61 8 534 237

Available for:

- R 1200 R
- R 1200 RT
- R 1200 RS
- R 1200 GS
- R 1200 GS Adventure

The Pro riding modes can be retrofitted using an enabling code. Riders of older motorcycles therefore do not have to do without modern safety features. Depending on the year of manufacture, retrofitting is possible with the Pro, Pro with DTC or Pro with ABS Pro, DTC and HSC modes.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

HILL START CONTROL RETROFIT SET (NOT SHOWN)

Part nr.: 77 23 8 536 874

Available for:

- R 1200 R
- R 1200 RT
- R 1200 RS
- R 1200 GS
- R 1200 GS Adventure

The Hill Start Control (HSC) drive-off assistant can be retrofitted using an enabling code. Therefore, the driver does not have to do without the convenient assistance system. HSC makes stopping and starting on slopes easier and offers valuable support, especially when the bike has a full load.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

HEATED GRIPS AND SWITCHES (NOT SHOWN)

Part nr.: On request

Available for:

- R 1200 R
- R 1200 RT
- R 1200 RS
- R 1200 GS
- R 1200 GS Adventure

Comfort meets safety. The practical heated grip keeps hands pleasantly warm even on cold days, while being even more responsive. The grip heating controlled by the on-board computer continuously detects the outside temperature via sensors and adjusts the heat output.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

NAVIGATION & COMMUNICATION

Available at BMW Motorrad dealers.

BMW MOTORRAD NAVIGATOR VI (INCL. 4-BUTTON CRADLE MOUNT)

Available for:

- R 1200 R
- R 1200 RT
- R 1200 RS
- R 1200 GS
- R 1200 GS Adventure

With the multifunctional Navigator VI, route planning becomes child's play.

The system with 16GB flash memory and a five-inch touch screen always shows the right way, and the waterproof display is easy to read even in direct sunlight. The high-resolution screen provides all the essential information and ensures that you can see the big picture required in every situation. Numerous additional functions make planning and touring an exciting experience. Plan your routes can be created according to your personal preferences and enjoy driving on winding and quiet side roads. The "round trip" option is a good choice on unfamiliar terrain, which will reliably lead back to the starting point. The Bluetooth connection to the BMW Motorrad communication system and the optional Smartphone Link app enable multimedia on the go: navigation announcements, telephone calls and music streaming as well as the retrieval of weather forecasts or traffic jam information are no problem. Operation is via the stable Mount Cradle; the four buttons can also be accurately controlled while wearing gloves. Choose the pre-installed map data, and you will always be up to date with lifelong, free map updates.

1
Also available as optional equipment, option code 272

2
Please note the specifications for different countries. Only available in conjunction with OE navigation preparation.

Available at BMW Motorrad dealers.

1 Retrofit set preparation for navigation device

Part nr.: 77 52 8 555 507

Available at BMW Motorrad dealers.

2 BMW Motorrad Navigator VI

Part nr.: 77 52 8 355 994

Available at BMW Motorrad dealers.

AUDIO SYSTEM RETROFIT SET (NOT SHOWN)

Part nr.: 65 12 8 542 064

Available for:

- R 1200 RT

The audio system with radio function has MP3 player, iPod and USB stick interfaces. Operation is via the Multi-Controller on the handlebars or the radio control panel. The station, the current music track or the selected volume are displayed on the info screen.

Note the differences in national-market versions.

SAFETY

Available at BMW Motorrad dealers.

ENDURO ALUMINIUM ENGINE GUARD

Part nr.: 77 14 8 533 747

Available for:

- R 1200 GS
- R 1200 GS Adventure

The robust aluminium Enduro engine guard provides effective protection against stone chip and damage, especially in off-road use.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

CYLINDER - HEAD COVER GUARD

Part nr.: 77 14 2 465 251

Available for:

- R 1200 R
- R 1200 RT
- R 1200 RS
- R 1200 GS
- R 1200 GS Adventure

The stainless steel cylinder-head cover guard provides excellent protection for the cylinder head cover, preventing scratches and damage caused by flying stones. It has been perfectly matched to the vehicle, is equipped with a large rubber bumper and optimally emphasises the design and contours of the boxer engine.

Available at BMW Motorrad dealers.

ENDURO ALUMINIUM ENGINE GUARD IN BLACK

Part nr.: 77 14 2 460 287

Available for:

- R 1200 GS
- R 1200 GS Adventure

This sturdy Enduro aluminium engine guard was specially constructed for off-road use and provides optimal protection for the lower section of the engine.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

SAFETY SCREW FOR OIL FILLER CAP

Part nr.: 71 60 7 696 117

Available for:

- R 1200 R
- R 1200 RT
- R 1200 RS
- R 1200 GS
- R 1200 GS Adventure

The safety screw for the oil filler cap protects against theft and foreign substances in the oil. It also gives an individual look.

Safety screw plug for oil filler neck, black (not shown, NEW)

Available at BMW Motorrad dealers.

ENGINE PROTECTION BAR

Left Part nr.: 77 14 8 557 607

Right Part nr.: 77 14 8 557 608

Available for:

- R 1200 R
- R 1200 RS
- R 1200 GS
- R 1200 GS Adventure

The robust engine protection bar, made of polished stainless steel, reliably protects the right cylinder area against damage without restricting the rider's freedom to lean the machine. The robust tube construction will even take hard knocks and prevent major fall damage.

Available at BMW Motorrad dealers.

HAND PROTECTORS

Part nr.: 77 32 2 465 267

Available for:

- R 1200 GS

The hand protector, made of impact-resistant plastic, protects the hands against wind and weather and also from branches and stone chips when riding off-road.

Also available as an equipment option.

Available at BMW Motorrad dealers.

PROTECTIVE GLASS FOR 6.5-INCH TFT DISPLAY

Part nr.: 77 52 2 462 777

Available for:

- R 1200 GS
- R 1200 GS Adventure

Only available for model codes 0A01, 0A11

The protective glass reliably protects the 6.5-inch TFT display from dirt, flying stones and damage. The hardened glass has an anti-glare and anti-reflective surface, so that the TFT display can be read easily. With BMW Motorrad inscription.

Available at BMW Motorrad dealers.

LED ADDITIONAL HEADLIGHTS

Part nr.: 63 17 8 556 937

Available for:

- R 1200 GS
- R 1200 GS Adventure

Only available for model codes 0A01, 0A11

The powerful LED additional headlights deliver the necessary perspective when visibility is poor thanks to extended illumination.

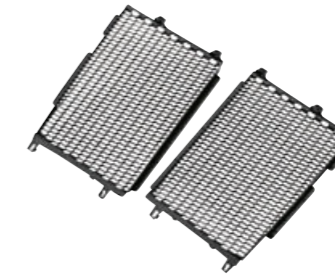

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer. The additional headlights are approved for use as fog lights, and may only be used in poor weather conditions. Country-specific road traffic regulations apply. K09: Only available in conjunction with OE seat heating.

Available at BMW Motorrad dealers.

RADIATOR GRILLE

Left Part nr.: 46 63 8 556 647

Right Part nr.: 46 63 8 556 648

Available for:

- R 1200 GS
- R 1200 GS Adventure

An absolute must-have for all off-road riders: the protective grille made of shatter-proof plastic effectively protects the radiator against damage from stone chips or bushes when riding off-road. This useful extra feature for the left side is very easy to install and also highlights the motorcycle's robust Enduro look.

Available at BMW Motorrad dealers.

LED ADDITIONAL HEADLIGHTS FOR R 1200 GS

Part nr.: 77 51 2 465 264

Available for:

- R 1200 GS

The powerful LED additional headlights in a compact aluminium housing ensure better vision and visibility even in fog, rain or snowfall. At the same time, their white, daylight-like light colour ensures differentiated illumination of the road. LED technology ensures virtually wear-free operation.

Available at BMW Motorrad dealers.

FRAME PROTECTOR

Part nr.: 77 14 2 465 254

Available for:

- R 1200 GS
- R 1200 GS Adventure

Only available for model codes 0A01, 0A11

The frame protector made of black plastic protects the frame from scratches and prevents chafe marks caused by motorcycle boots in hard off-road use. The set comprises the frame protector for the left-hand and right-hand side as well as six tensioning straps. Installation is carried out quickly in just a few steps.

Available at BMW Motorrad dealers.

HEADLIGHT GUARD

Part nr.: 77 51 8 530 685

Available for:

- R 1200 GS
- R 1200 GS Adventure

Only available for model codes 0A01, 0A11

The headlight guard protects the headlight against stone chip damage when riding on terrain other than public roads.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

434 R MODEL RANGE, WATER-COOLED: PREVIOUS MODELS SAFETY/MAINTENANCE & TECHNOLOGY

Available at BMW Motorrad dealers.

SPLASH AND FLYING STONE PROTECTION ACCESSORY SET

Part nr.: 77 31 2 465 258

Available for:

- R 1200 GS

Only available for model codes 0A51, 0A61

The accessory set comprises a radiator protector and protective covers for the frame. The robust protective grilles made of impact-resistant plastic protect the radiator from damage caused by stone chips or bushes, especially off-road, while the protective covers protect the rear frame area from damage and provides splash protection when riding through rain or mud.

Available at BMW Motorrad dealers.

ANTI- THEFT ALARM SYSTEM RETROFIT SET (NOT SHOWN)

Part nr.: 77 53 9 443 591

Available for:

- R 1200 R
- R 1200 RT
- R 1200 RS
- R 1200 GS
- R 1200 GS Adventure

Only available for model codes 0A01, 0A11

Strong protection from theft: If the motorcycle is moved or struck violently, the anti-theft alarm system responds with a clearly audible signal and a flashing warning light. The acoustic and optical warning will draw the attention of passers-by quickly. The alarm system is activated automatically when the ignition is switched off.

Please note the specifications for different countries. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

ACTIVATION CODE FOR DTC (NOT SHOWN)

Part nr.: 13 61 8 550 119

Available for:

- R 1200 R
- R 1200 RT
- R 1200 RS
- R 1200 GS
- R 1200 GS Adventure

Dynamic Traction Control (DTC) ensures greater riding stability and controls wheel slip even when leaning into corners to prevent the rear wheel from spinning. Depending on the riding mode, DTC allows more or less slip and thus guarantees the maximum safety and riding dynamics on different routes.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

TYRE PRESSURE CONTROL RETROFIT SET (NOT SHOWN)

Part nr.: 65 75 8 546 222

Available for:

- R 1200 R
- R 1200 RT
- R 1200 RS
- R 1200 GS
- R 1200 GS Adventure

Now with gradient monitoring, TPC from BMW Motorrad constantly monitors tyre pressure and provides riders with real-time updates. Riders are also alerted when there is any significant drop in pressure. Also available as an equipment option.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

ABS PRO RETROFIT SET (NOT SHOWN)

Part nr.: 77 23 8 546 512

Available for:

- R 1200 R
- R 1200 RS
- R 1200 GS
- R 1200 GS Adventure

The BMW Motorrad ABS Pro is available in all riding modes and also adapts the ABS control to the motorcycle's lean angle. The system is perfectly adapted to the selected riding mode and ensures optimum braking performance even in bends. The motorcycle does not right itself and remains on course.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

DAYTIME RUNNING LIGHT RETROFIT SET (NOT SHOWN)

Part nr.: 63 12 8 532 001

Available for:

- R 1200 R
- R 1200 RT
- R 1200 RS
- R 1200 GS
- R 1200 GS Adventure

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

ASC (AUTOMATIC STABILITY CONTROL) RETROFIT SET, SWITCHABLE (NOT SHOWN)

Part nr.: 13 61 8 527 530

Available for:

- R 1200 R
- R 1200 RT
- R 1200 RS
- R 1200 GS
- R 1200 GS Adventure

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

MAINTENANCE & TECHNOLOGY

Available at BMW Motorrad dealers.

POWER SOCKET

Part nr.: 77 53 8 526 285

Available for:

- R 1200 R
- R 1200 RT
- R 1200 RS
- R 1200 GS
- R 1200 GS Adventure

Electronic devices can be connected to the vehicle electrical system via the 12V power socket. One example of this is the BMW USB charger, which can be used to charge and operate mobile phones and MP3 players with an appropriate interface while riding.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

- R 1200 R
- Only available for model codes 0378, 0398

Sport rear silencer (not shown) available for:

- R 1200 GS
- R 1200 GS Adventure

Not available for model codes 0450, 0460, 0470, 0480

Made entirely out of titanium, this slip-on silencer delivers a powerful rumble. It's also remarkably lightweight.

Available at BMW Motorrad dealers.

1 HP sport silencer

Part nr.: 77 11 8 520 328

Available at BMW Motorrad dealers.

2 HP sport silencer

Part nr.: 71 60 7 714 260

Available at BMW Motorrad dealers.

3 HP sport silencer

Part nr.: 71 60 7 720 225

Available at BMW Motorrad dealers.

4 HP sport silencer

Part nr.: 71 60 7 704 076

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

Available at BMW Motorrad dealers.

HP CARBON CYLINDER HEAD COVERS

Available for:

- R 1200 R
- R 1200 RT
- R 1200 S
- R 1200 ST
- R 1200 GS
- R 1200 GS Adventure

Left Part nr.: 71 60 7 709 405
Right Part nr.: 71 60 7 711 813

Not available for model codes 0430, 0440, 0450, 0460, 0470, 0480

The HP Carbon cylinder head covers score big in the looks department, thanks to a high-quality material and finish, and it also helps reduce the overall weight of the bike.

Not available in conjunction with aluminium/plastic cylinder-head cover guard. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

HP MILLED HAND LEVER

Part nr.: 71 60 7 706 739

Available for:

- R 1200 R
- R 1200 RT
- R 1200 RS
- R 1200 GS
- R 1200 GS Adventure

The ergonomically optimised HP milled hand lever is made from colourless anodised aluminium and impressively emphasises the motorbike's sportiness. It is milled from a high-strength aluminium alloy that is completely resistant to corrosion and, thanks to its colour, perfectly integrated into the bike's sporty design.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Original BMW Motorrad accessories are available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

Available at BMW Motorrad dealers.

HP CARBON BELT COVER

Part nr.: 71 60 7 709 611

Available for:

- R 1200 RT
- R 1200 S
- R 1200 ST
- R 1200 GS
- R 1200 GS Adventure

The high-quality HP Carbon belt cover gives the front of the engine an elegant look with a discreet high-tech appeal. The exclusive CFRP cover is sealed with a UV-resistant high-gloss coating and features the BMW emblem at its centre.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

HP FORGED WHEELS

Available for:

- R 1200 R
- R 1200 S

Thanks to the use of lightweight-construction techniques, the HP forged wheels are approx. 1.1 kg lighter (per set) than the standard wheels. Reducing the unsprung and rotating mass improves handling and the quality of the suspension.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Front Part nr.: 71 60 7 715 801
Rear Part nr.: 71 60 7 709 396

Available at BMW Motorrad dealers.

HP INSTRUMENT CLUSTER

Part nr.: 62 11 7 719 732

Available for:

- R 1200 S

The all-weather HP instrument cluster combines the classic BMW display with a host of racetrack-inspired features—a dream addition for all motorsport enthusiasts.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

HP CARBON HEAT PROTECTION COVER (NOT SHOWN)

Part nr.: 77 11 7 724 655

Available for:

- R 1200 GS
- R 1200 GS Adventure

Only available for model codes 0450, 0460, 0470, 0480

The HP Carbon heat protection cover for the join between the silencer and the exhaust-manifold replaces the standard aluminium trim and is suitable for both the standard and HP sports silencers.

Available at BMW Motorrad dealers.

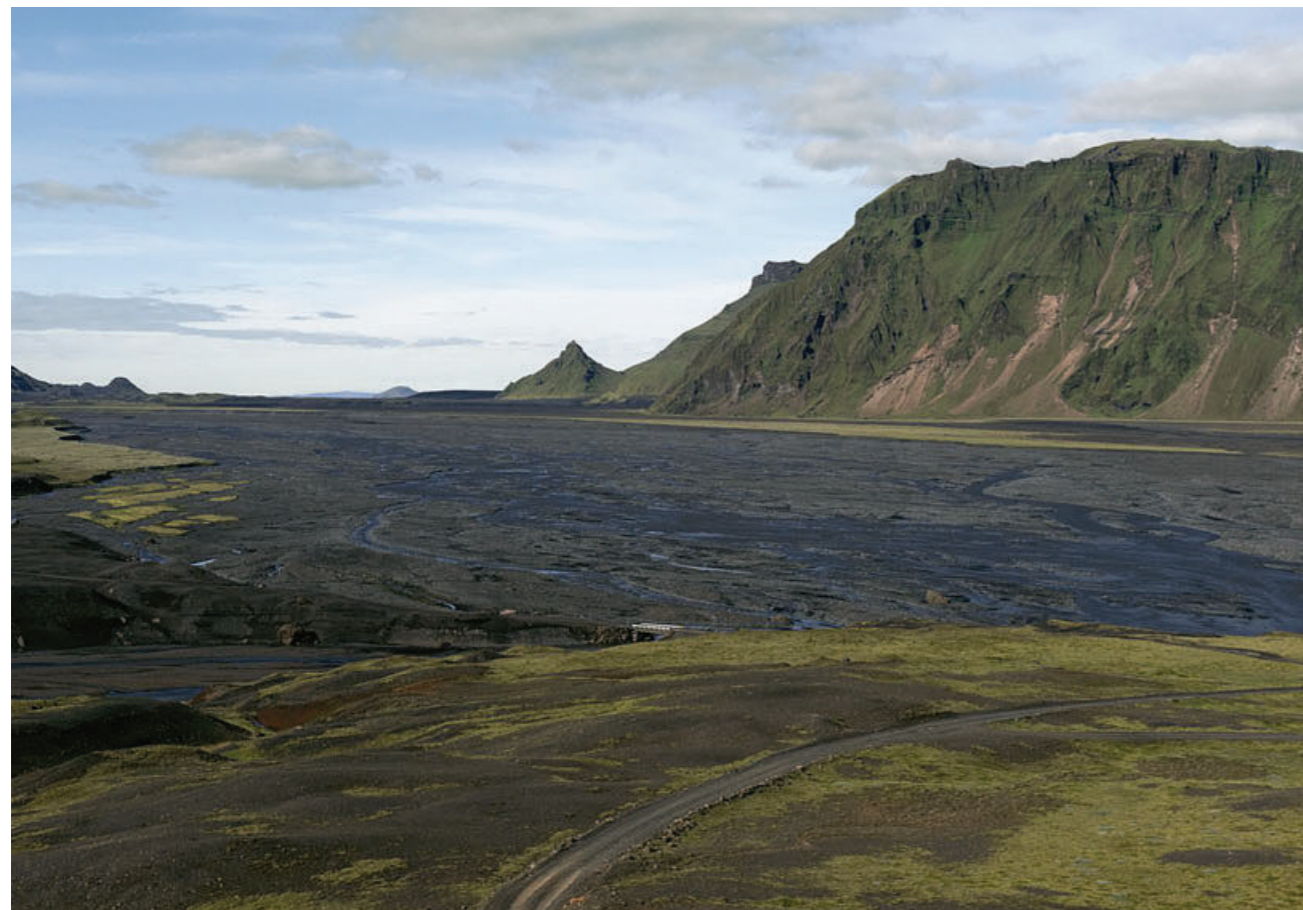

HP LABEL

Part nr.: 71 60 7 708 659

Available for:

- R 1200 R
- R 1200 RT
- R 1200 S
- R 1200 ST
- R 1200 GS

With the self-adhesive HP label, the HP Carbon parts can be further customised on request. The silver-coloured inscription on a black background measures 22 x 9 mm.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

STORAGE

Available at BMW Motorrad dealers.

ALUMINIUM CASES

Available for:

- R 1200 GS Adventure

The perfect solution for touring fans who place the highest demands on themselves and their equipment: the aluminium case offers 44 litres of storage space. The aluminium case for mounting on the right-hand side offers 36 litres of storage space. This robust piece of transport equipment is dust and waterproof. Many practical details impress even under extreme conditions.

Not available in conjunction with LED indicators at the rear with short base TNR 8 522 499; install LED indicators with long base TNR 8 522 500 if necessary. Please refer to the operating instructions for information on speed and load limitations.

Left Part nr.: 77 41 8 566 457

Right Part nr.: 77 41 8 566 458

Available at BMW Motorrad dealers.

LUGGAGE COMPARTMENT SEPARATING NET FOR ALUMINIUM CASES

Part nr.: 77 40 2 464 350

Available for:

- R 1200 GS Adventure

The luggage net for aluminium cases and topcases creates more order and makes it easier to access frequently used items. The highly flexible net is attached to the inside of the lid and ensures that luggage such as raincoats, folding backpacks, toiletry bags and sneakers are always at hand when the case is opened.

Available at BMW Motorrad dealers.

ALUMINIUM TOPCASE

Part nr.: 77 43 8 566 446

Available for:

- R 1200 GS Adventure

The waterproof topcase has a capacity of 32 litres and lashing eyes for securing additional luggage. And with the optional backrest pad added, it provides increased comfort for the passenger.

Please refer to the operating instructions for information on speed and load limitations.

Original BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

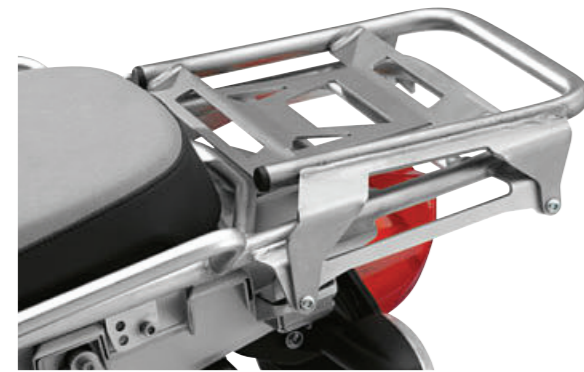

Available at BMW Motorrad dealers.

TOPCASE CARRIER FOR ALUMINIUM TOPCASE

Part nr.: 71 60 7 694 181

Available for:

- R 1200 GS Adventure

Available at BMW Motorrad dealers.

BACKREST PAD FOR ALUMINIUM TOPCASE

Part nr.: 77 44 8 546 808

Available for:

- R 1200 GS Adventure

Please refer to the operating instructions for information on speed and load limitations.

Available at BMW Motorrad dealers.

LINER FOR ALUMINIUM CASES AND ALUMINIUM TOPCASE

Available for:

- R 1200 GS
- R 1200 GS Adventure

Not available for model codes 0307, 0317, 0303, 0313

High-quality materials and a robust design make the watertight liner suitable for use both in and on top of aluminium cases and topcases.

Left Part nr.: 71 60 7 699 055

Right Part nr.: 71 60 7 699 056

Topcase Part nr.: 71 60 7 699 057

Available at BMW Motorrad dealers.

CARRY HANDLE FOR ALUMINIUM CASE / TOPCASE

Part nr.: 77 49 8 543 224

Available for:

- R 1200 GS Adventure

Convenient and functional: the practical carry handles for aluminium cases and aluminium topcases make it easy to transport the luggage to and from the bike. If the cases are mounted, additional luggage can also be attached to the handles.

Available at BMW Motorrad dealers.

VARIABLE CASES

Available for:

- R 1200 GS

The variable cases are fitted with a patented adjustment system, allowing the capacity to be reduced from 68l (29l left, 39l right) per case by 9l to 50l (20l left, 30l right). The case is 120mm narrower when capacity is reduced, which is useful in city traffic.

Left Part nr.: 71 60 7 692 173

Right Part nr.: 71 60 7 670 828

Available at BMW Motorrad dealers.

VARIABLE TOPCASE

Part nr.: 77 43 8 527 849

Available for:

- R 1200 GS

Like the cases, the topcase is fitted with a patented adjustment system, which increases capacity from 25l to 35l. The variable topcase can also be mounted in the place of the passenger seat (for improved weight distribution, closer to the centre of gravity). In this case, the luggage carrier must also be removed, and an installation kit is required for the topcase.

Available at BMW Motorrad dealers.

CASE HOLDERS FOR VARIABLE CASES

Part nr.: 46 54 7 695 986

Available for:

- R 1200 GS

The case holder (for mounting variable cases) fits effortlessly into the overall design of the bike. Thanks to its high-quality silver paint finish, it also won't look out of place when no cases are mounted.

Available at BMW Motorrad dealers.

BACKREST PAD FOR VARIO TOPCASE

Part nr.: 71 60 7 688 877

Available for:

- R 1200 GS

Available at BMW Motorrad dealers.

MOUNTING FOR TOPCASE INSTEAD OF PASSENGER SEAT AND TOPCASE CARRIER

- Available for:**
- R 1200 GS

Part nr.: 46 54 7 688 336

Available at BMW Motorrad dealers.

LINER FOR VARIABLE CASE AND VARIABLE TOPCASE

- Available for:**
- R 1200 GS

The practical, waterproof liner with removable carry strap keeps its contents well protected. As with the variable case, its capacity is adjustable.

Available at BMW Motorrad dealers.

1 Liner for variable case, left

Part nr.: 71 60 7 687 610

Available at BMW Motorrad dealers.

2 Liner for variable case, right and variable topcase

Part nr.: 71 60 7 687 611

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

Available at BMW Motorrad dealers.

ATACAMA LUGGAGE SYSTEM

1-2 Available for:

- R 1200 R
- R 1200 RT
- R 1200 GS
- R 1200 GS Adventure

The Atacama roll bag made of a robust mix of materials convinces with clever details and a storage volume of 40 litres. In addition to the waterproof liner, various storage compartments provide additional space. The versatile fastening concept, three carry handles and backpack function ensure a secure hold and extremely practical handling.

3-4 Available for:

- R 1200 GS Adventure

The Atacama side bags convince with clever details and a combined storage volume of 60 litres. In addition to the waterproof liners, various storage compartments provide additional space. Quick-release fasteners for easy mounting on the motorcycle and sturdy carry handles ensure a secure hold and extremely practical handling.

The Atacama side bags and roll bag and other pieces of luggage or helmets can be secured to the motorcycle using the lockable tensioning straps with steel core.

1

Please refer to the operating instructions for information on speed and load limitations.

2

Only available in conjunction with case holder for aluminium cases. For information on speed and load restrictions, please refer to the operating instructions.

Available at BMW Motorrad dealers.

1 Atacama roll bag, 40l

Part nr.: 77 40 2 451 381

Available at BMW Motorrad dealers.

2 Tensioning strap for Atacama roll bag, lockable

Part nr.: 77 40 2 464 348

Available at BMW Motorrad dealers.

3 Atacama side bags, 25l and 35l

Part nr.: 77 40 2 451 375

Available at BMW Motorrad dealers.

4 Tensioning straps for Atacama side bags, lockable

Part nr.: 77 40 2 464 349

Original BMW Motorrad accessories are available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

Available at BMW Motorrad dealers.

SYSTEM CASES

Available for:

- R 1200 R
- R 1200 ST

The sleek design of the watertight system cases blends in effortlessly with the overall profile of the bike. Each case has a capacity of approx. 32l.

Left Part nr.: 77 41 7 727 089
Right Part nr.: 71 60 7 720 288

Available at BMW Motorrad dealers.

IMPACT PROTECTION FOR SYSTEM CASES

Available for:

- R 1200 R
- R 1200 RT
- R 1200 ST

Protects lower area of cases against scratching.

Left Part nr.: 71 60 7 693 675
Right Part nr.: 71 60 7 693 676

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

Available at BMW Motorrad dealers.

CASE HOLDERS FOR SYSTEM CASES

Part nr.: 71 60 7 700 008

Available for:

- R 1200 R

Available at BMW Motorrad dealers.

PROTECTIVE FILM FOR SYSTEM CASES

Part nr.: 71 60 7 714 329

Available for:

- R 1200 RT

Self-adhesive, protects case paintwork, e.g. from boot marks.

Available at BMW Motorrad dealers.

LINER FOR SYSTEM CASE

Part nr.: 71 60 7 680 543

Available for:

- R 1200 R
- R 1200 RT
- R 1200 ST

Slipping seamlessly into the overall design of the bike, these liners are both stable and lightweight. Handy compartments for small items and carry handles that can be tucked away make them essential travel companions.

Liner for left and right side identical.

Available at BMW Motorrad dealers.

LARGE TOPCASE

Part nr.: 71 60 7 720 456

Available for:

- R 1200 RT

At 49 litres, the waterproof topcase has a painted lid and offers plenty of space, for example for two helmets. The optional backrest pad offers additional comfort for the passenger.

Available in Sapphire black and White aluminium (only available for model codes 0368, 0388).

Available at BMW Motorrad dealers.

LINER FOR LARGE TOPCASE, 49 L

Part nr.: 71 60 7 680 542

Available for:

- R 1200 RT

Available at BMW Motorrad dealers.

BACKREST PAD FOR SMALL TOPCASE

Part nr.: 71 60 7 693 672

Available for:

- R 1200 R
- R 1200 RT
- R 1200 ST

Available at BMW Motorrad dealers.

SMALL WATERPROOF TOPCASE, 28 L

Part nr.: 77 43 7 724 352

Available for:

- R 1200 R
- R 1200 RT
- R 1200 ST

With a volume of 28 litres, the waterproof topcase offers enough space for a helmet and impresses in daily use and on short tours. It is made of a hard-wearing plastic mix in a double-shell design. Its weight is approx. 5.5 kilograms. Backrest pad also available.

Available at BMW Motorrad dealers.

LARGE CASE HOLDER INCL. LUGGAGE CARRIER

Part nr.: 77 44 8 521 412

Available for:

- R 1200 R
- R 1200 RT
- R 1200 ST

Available at BMW Motorrad dealers.

LINER FOR SMALL TOPCASE, 28 L

Part nr.: 71 60 7 680 541

Available for:

- R 1200 R
- R 1200 RT
- R 1200 ST

The matching liner for the small topcase gets the luggage organised and facilitates loading and unloading. The liner is readily available and easy to carry thanks to the carry handle and shoulder strap. Practical details include the three-sided all-round zip.

Available at BMW Motorrad dealers.

LUGGAGE CARRIER

Part nr.: 71 60 7 653 017

Available for:

- R 1200 R

The sturdy, stylish luggage carrier is ideal for reliably securing the topcase or other large items of luggage. In addition, it serves as a convenient handle for the passenger and is also ideal for using as a pushing aid when manoeuvring.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Original BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

448 R MODEL RANGE, AIR - COOLED: PREVIOUS MODELS STORAGE

Available at BMW Motorrad dealers.

LARGE TANK BAG

Part nr.: 71 60 7 713 014

Available for:

- R 1200 GS

Not available for model codes 0307, 0317

The large tank bag with waterproof main compartment also comes with a detachable hip bag with length-adjustable carry strap. The A4 map pocket has a preformed shelf insert for mobile phones and other small items.

Not available in conjunction with handlebar cross-brace.

Available at BMW Motorrad dealers.

TANK BAG

Part nr.: 71 60 7 706 363

Available for:

- R 1200 RT

The tank bag with waterproof main compartment and A4 map pocket attaches quickly and easily to the motorcycle via "easy-click-on" technology with locking latch. An all-round zip increases capacity from 13l to 20l.

Cannot be used when BMW Motorrad Navigator is fitted.

Available at BMW Motorrad dealers.

TANK BAG

Part nr.: 71 60 7 709 149

Available for:

- R 1200 GS
- R 1200 GS Adventure

Not available for model codes 0303, 0313, 0450, 0460

The tank bag with a large waterproof main compartment (capacity approx. 22l), A4 map pocket and a detachable hip bag.

Available at BMW Motorrad dealers.

TANK BAG

Part nr.: 71 60 7 691 391

Available for:

- R 1200 ST

This tank bag has a large waterproof main compartment (approx. 12l) and a pocket (with window) for smaller items. It fits various BMW Motorrad models and can be combined with BMW Motorrad Navigator systems.

Available at BMW Motorrad dealers.

TANK BAG

Part nr.: 71 60 7 695 236

Available for:

- R 1200 R

Along with a waterproof main compartment and A4 map pocket, this tank bag has a zipped compartment for small items in the lid and a patch pocket for keys, glasses case, etc. An all-round zip increases capacity from approx. 13l to approx. 21l.

Available at BMW Motorrad dealers.

SMALL TANK BAG

Part nr.: 71 60 7 713 012

Available for:

- R 1200 GS

Not available for model codes 0307, 0317

The small tank bag made of PVC-coated polyester fabric with belt attachment is the ideal companion for short trips. The waterproof main compartment with a liner offers intelligent details such as the cable duct and fastening loops for the waterproof DIN A4 map pocket; it has a volume of 8 litres.

Available at BMW Motorrad dealers.

UNIVERSAL TANK BAG

Part nr.: 77 49 7 726 994

Available for:

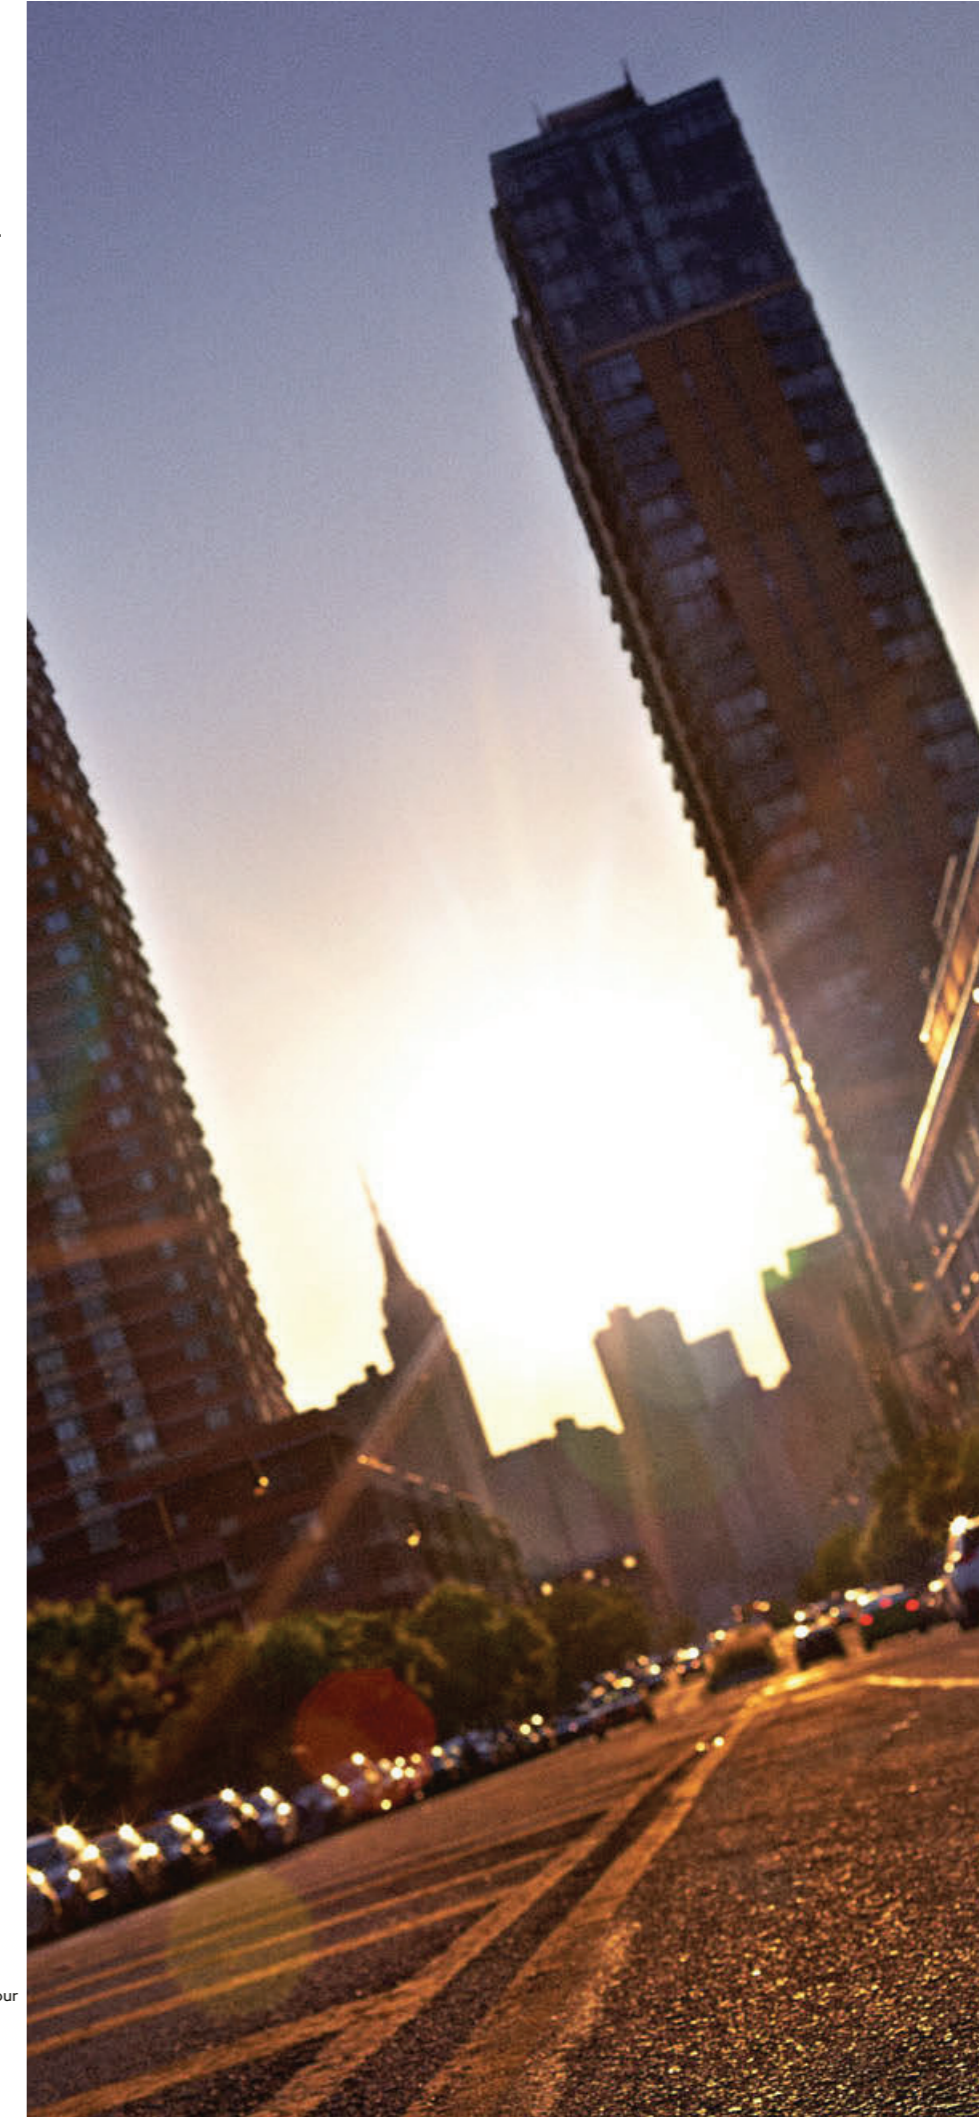

- R 1200 R

The tank bag with a waterproof main compartment and a small map pocket fits various BMW Motorrad models. Capacity expands from approx. 10 to approx. 12l. Can be combined with BMW Motorrad Navigator systems.

DESIGN

Available at BMW Motorrad dealers.

BMW MOTORRAD MACHINED PARTS

1-2 Available for:

- R 1200 R
- R 1200 GS
- R 1200 GS Adventure

Only available for model codes 0400, 0490, 0450, 0460, 0470, 0480

3-4 Available for:

- R 1200 R
- R 1200 GS
- R 1200 GS Adventure

The designs are the result of close collaboration with Roland Sands, the Californian designer, trendsetter and customization expert. All BMW Motorrad Machined Parts also feature the "by Roland Sands Design" signature logo. The high-quality surfaces of these aluminium parts boast bold contrasts in Glossy Black and are produced in a series of complex processing steps, some of which are performed manually. All BMW Motorrad Machined Parts can be combined with the full range of Original BMW Motorcycle Equipment, allowing you to transform your motorcycle into your own ultra-personalised ride.

1 Machined cylinder head covers

Part nr.: 77 12 2 448 369

2 Machined oil filler cap

Part nr.: 77 12 2 447 778

3 Machined swinging-arm pivot mount cover

Part nr.: 77 25 2 447 694

4 Machined angular transmission mount cover

Part nr.: 77 25 2 447 708

Available at BMW Motorrad dealers.

COVER CAP FOR TELELEVER AND SWINGING-ARM PIVOT MOUNT

Available for:

- R 1200 R
- R 1200 RT
- R 1200 S
- R 1200 ST
- R 1200 GS
- R 1200 GS Adventure

Not available for model codes 0400, 0490, 0382, 0397

Turned aluminium caps are a stylish, high-quality alternative to the partially plastic standard caps on the fork bridge and Telelever.

Part nr.: 31 42 7 706 048

Available at BMW Motorrad dealers.

TELELEVER JOINT COVER CAP

Part nr.: 31 42 2 338 002

Available for:

- R 1200 R

Not available for model codes 0400, 0490

This chrome-plated cover for the R 1200 R is the ideal complement to the fork bridge and Telelever caps.

Available at BMW Motorrad dealers.

COVERS FOR FORK BRIDGE

Part nr.: 31 42 7 708 547

Available for:

- R 1200 R
- R 1200 GS
- R 1200 GS Adventure

Only available for model codes 0378, 0398, 0303, 0313, 0380, 0390

Turned aluminium caps are a stylish, high-quality alternative to the partially plastic standard caps on the fork bridge and Telelever.

Available at BMW Motorrad dealers.

CHROME PARTS

1 Available for:

- R 1200 R
- R 1200 RT
- R 1200 GS
- R 1200 GS Adventure

Only available for model codes 0400, 0490, 0430, 0440, 0450, 0460, 0470, 0480

2 Available for:

- R 1200 RT

Only available for model codes 0430, 0440

3 Available for:

- R 1200 R

Chrome-plated parts are an eye-catching addition to your bike. The chrome-plated parts are respectively identical in form to the standard parts.

1

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

1 Cylinder head cover, chrome-plated

Part nr.: 77 12 8 394 185

Available at BMW Motorrad dealers.

2 Expansion tank cap, chrome-plated

Left Part nr.: 32 72 8 543 781

Right Part nr.: 32 72 8 543 782

Available at BMW Motorrad dealers.

3 Custom mirrors, chrome-plated

Part nr.: 71 60 9 443 674

Available at BMW Motorrad dealers.

SILVER CYLINDER HEAD COVERS

Available for:

- R 1200 R
- R 1200 RT

Only available for model codes 0400, 0490, 0430, 0440

The silver cylinder head covers give the boxer engine an attractive appearance and the motorcycle an individual, high-quality look. The shape matches that of the standard covers in Granite grey.

Left Part nr.: 11 12 7 723 233
Right Part nr.: 11 12 7 723 234

Available at BMW Motorrad dealers.

EXTENDED FRONT WHEEL COVER

Part nr.: 46 61 7 705 386

Available for:

- R 1200 GS
- R 1200 GS Adventure

Not available for model codes 0307, 0317, 0382, 0397

A renowned hallmark of the GS Adventure, the extended front wheel cover underlines the off-road look and helps prevent scratching.

Not available in conjunction with LED additional headlights.

Available at BMW Motorrad dealers.

SILVER SPOKED WHEEL

Available for:

- R 1200 R

Only available for model codes 0400, 0490

Front Part nr.: 77 21 8 546 282
Rear Part nr.: 77 21 8 546 288

High-quality cross-spoke wheels are a stylish way to personalize your bike.

Available at BMW Motorrad dealers.

LED INDICATORS

Part nr.: On request

Available for:

- R 1200 R
- R 1200 GS
- R 1200 GS Adventure

LED turn indicator, rear (not shown) available for:

- R 1200 GS
- R 1200 GS Adventure

A shining example: The beautifully designed LED indicators with white turn indicator glass convince with their slim design and modern lighting technology. They respond much faster than incandescent lamps and are virtually wear-free. This provides a clear safety advantage in road traffic. The set includes two LED indicators for retrofitting.

Note the differences in national-market versions. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

LED REAR LIGHT

1 Available for:

- R 1200 R

Sleek rear lights with state-of-the-art LED technology fuse style with technical wizardry. Practically wear-free, they increase safety in road traffic.

2 Available for:

- R 1200 GS
- R 1200 GS Adventure

Only available for model codes 0307, 0317, 0382, 0397

Please note the specifications for different countries. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

1 LED rear light

Part nr.: 63 21 8 526 957

Available at BMW Motorrad dealers.

GS DECOR STICKER SET

1 Available for:

- R 1200 GS (from 2008 construction year)

The sticker set in Racing red and Racing blue metallic is perfectly tailored to your vehicle. These highly durable stickers really stand out thanks to their vivid and metallic colour effects. The pack comes with instructions and application aids so they can be easily applied without creating air bubbles.

2 Available for:

- R 1200 GS Adventure (from 2008 construction year)

Set contents:

- Sticker set for: wheel cover, fuel tank, case, topcase, aluminium rims (K25), spoked rims (K25 Adventure), rim base décor
- Accessories (smoothing blade, application fluid, cleaning cloth)
- Application instructions

Available at BMW Motorrad dealers.

1 GS decor sticker set

Part nr.: 77 31 2 455 680

Available at BMW Motorrad dealers.

2 GS Adventure decor sticker set

Part nr.: 77 31 2 455 681

ERGONOMICS & COMFORT

Available at BMW Motorrad dealers.

HIGH WINDSCREEN

Part nr.: 71 60 7 699 604

Available for:

- R 1200 R

The high windscreen makes the R 1200 R even more of a touring machine, coming into its own on long stretches of motorways.

Available at BMW Motorrad dealers.

SPORT WINDSCREEN

Available for:

- R 1200 R

Offering the wind protection of a far larger screen, the sport windscreen variants deflect wind away from the rider, providing noticeable relief. It also enhances the classic roadster look of the R 1200 R.

Available at BMW Motorrad dealers.

1 Sport windscreen, tinted

Part nr.: 71 60 7 704 107

Available at BMW Motorrad dealers.

2 Sport windscreen, clear

Part nr.: 46 63 7 697 209

Available at BMW Motorrad dealers.

TINTED WINDSCREEN

1 Available for:

- R 1200 GS

The tinted windscreen gives the bike a sportier look. Same design and size as the standard windscreen.

2 Available for:

- R 1200 GS Adventure

Please note the specifications for different countries.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

1 Tinted windscreen

Part nr.: 71 60 7 698 098

Available at BMW Motorrad dealers.

2 Tinted windscreen

Part nr.: 71 60 7 708 532

Available at BMW Motorrad dealers.

Available at BMW Motorrad dealers.

HEATED GRIPS

1 Available for:

- R 1200 R
- R 1200 S
- R 1200 GS
- R 1200 GS Adventure

Not available for model codes 0307, 0317, 0382, 0397

2 Available for:

- R 1200 RT

Not available for model codes 0430, 0440

3 Available for:

- R 1200 R
- R 1200 S

Not available for model codes 0400, 0490

4 Available for:

- R 1200 ST
- R 1200 GS
- R 1200 GS Adventure

Only available for model codes 0307, 0317, 0382, 0397

Keep your hands as warm as you like with retrofittable heated grips.

2

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

1 Heated grip

Part nr.: On request

Available at BMW Motorrad dealers.

3 Heated grip

Part nr.: On request

Available at BMW Motorrad dealers.

WIDE ENDURO FOOTREST

Left Part nr.: 46 71 7 694 557

Right Part nr.: 46 71 7 694 558

Available for:

- R 1200 ST
- R 1200 GS
- R 1200 GS Adventure

Not available for model codes 0307, 0317

Wide Enduro footrests provide a better foothold and improve control when riding off-road or in a standing position.

Available at BMW Motorrad dealers.

2 Heated grip

Part nr.: On request

Available at BMW Motorrad dealers.

4 Heated grip

Part nr.: On request

Available at BMW Motorrad dealers.

ADJUSTABLE FOOTBRAKE LEVER (NOT SHOWN)

Part nr.: 35 21 7 692 671

Available for:

- R 1200 GS
- R 1200 GS Adventure

Wider than before and height-adjustable, the footbrake lever improves the control of brake pressure when riding in a standing position.

NAVIGATION & COMMUNICATION

Available at BMW Motorrad dealers.

BMW MOTORRAD NAVIGATOR VI (INCL. 4 - BUTTON CRADLE MOUNT)

Part nr.: 77 52 8 355 749

Available for:

- R 1200 R
- R 1200 RT
- R 1200 S
- R 1200 ST
- R 1200 GS
- R 1200 GS Adventure

Not only touring fans will have plenty of choice with the Navigator VI. The system makes route planning child's play and offers numerous additional functions that make every tour an experience. The five inch touch screen is waterproof, easy to read even in direct sunlight and ensures that you can see the big picture required in every situation.

Please note the specifications for different countries. Only in combination with bracket for BMW Motorrad navigation devices.

Available at BMW Motorrad dealers.

BMW MOTORRAD SMARTPHONE CRADLE

Part nr.: 77 52 8 563 125

Available for:

- R 1200 R
- R 1200 GS
- R 1200 GS Adventure

BMW Motorrad's robust Smartphone Cradle provides a safe and protected place for your smartphone. This means that useful functions such as navigation instructions and online information can also be used while you are on the move. Thanks to the handy charging function, your smartphone is always ready for action even on extended bike tours.

Only in combination with bracket for BMW Motorrad navigation devices.

Available at BMW Motorrad dealers.

BRACKET FOR BMW MOTORRAD NAVIGATION DEVICES (NOT SHOWN)

Part nr.: On request

Available for:

- R 1200 R
- R 1200 RT
- R 1200 S
- R 1200 ST
- R 1200 GS
- R 1200 GS Adventure

Bracket for mounting BMW Motorrad navigation devices. Guarantees a good view of the navigation device.

SAFETY

Available at BMW Motorrad dealers.

HANDLEBAR CROSS-BRACE

Part nr.: 71 60 7 701 942

Available for:

- R 1200 GS
- R 1200 GS Adventure

Not available for model codes 0307, 0317, 0382, 0397

Adds more stability to the handlebars.

Available at BMW Motorrad dealers.

HAND PROTECTORS

Part nr.: 71 60 7 705 265

Available for:

- R 1200 GS
- R 1200 GS Adventure

Only available for model codes 0307, 0317, 0382, 0397

Protect the hands and instruments from wind and rain, and from low-hanging branches and flying stones on off-road trails.

Available at BMW Motorrad dealers.

HANDLEBAR CROSS-BRACE PADDING

Red/Black Part nr.: 46 63 7 706 633
Black/White Part nr.: 46 63 7 706 632

Available for:

- R 1200 GS
- R 1200 GS Adventure

Available in Black/White or Red/Black.

Available at BMW Motorrad dealers.

HAND PROTECTORS

Part nr.: 71 60 7 706 209

Available for:

- R 1200 GS

Not available for model codes 0307, 0317

Protect the hands and instruments from wind and rain, and from low-hanging branches and flying stones on off-road trails.

Available at BMW Motorrad dealers.

LARGE UPPER SECTION OF HAND PROTECTORS

Available for:

- R 1200 GS
- R 1200 GS Adventure

Not available for model codes 0380, 0390

The large upper section of the hand protector adds an extra barrier against wind, rain and flying stones.

Left Part nr.: 71 60 7 705 221
Right Part nr.: 71 60 7 705 222

Available at BMW Motorrad dealers.

HEADLIGHT GUARD

Part nr.: 63 12 7 695 770

Available for:

- R 1200 GS
- R 1200 GS Adventure

Not available for model codes 0307, 0317

Protects headlight from flying stones during off-road use. With snaplock system for quick attachment and removal.

Only for off-road use (not homologated for road use).

Available at BMW Motorrad dealers.

ALUMINIUM ENGINE GUARD

Part nr.: 11 11 7 717 743

Available for:

- R 1200 GS
- R 1200 GS Adventure

The robust aluminium engine guard effectively protects the lower area against stone chips and damage, for example, when bottoming out. Nothing stands in the way of an off-road excursion. Also street riders will appreciate the discreet off-road look.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

STAINLESS STEEL FRAME PROTECTOR

Part nr.: 77 25 7 728 715

Available for:

- R 1200 GS
- R 1200 GS Adventure

The high-quality frame protector, made from laser-cut stainless steel, helps prevent scratching.

Available at BMW Motorrad dealers.

STAINLESS STEEL ENGINE PROTECTION BAR

1 Available for:

- R 1200 R
- Only available for model codes 0400, 0490

2 Available for:

- R 1200 GS
- Cannot be fitted at the same time as the plastic cylinder-head cover guard (71 60 7 693 843).

In situations where impacts are unavoidable, the engine protection bar helps prevent damage to the cylinder area of the engine. The R 1200 GS is designed for heavy off-road use on tricky terrain, so this is the ideal complement to the standard underride guard.

1 Stainless steel engine protection bar

Part nr.: 77 14 7 727 575

Available at BMW Motorrad dealers.

CENTRE STAND

Part nr.: 46 52 7 675 690

Available for:

- R 1200 R
- R 1200 RT
- R 1200 ST

Not available for model codes 0430, 0440

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

2 Stainless steel engine protection bar

Part nr.: 71 60 7 677 270

Available at BMW Motorrad dealers.

SAFETY SCREW FOR OIL FILLER CAP

Part nr.: 71 60 7 696 117

Available for:

- R 1200 R
- R 1200 RT
- R 1200 S
- R 1200 ST
- R 1200 GS
- R 1200 GS Adventure

The safety screw for the oil filler cap protects against theft and foreign substances in the oil. It also gives an individual look.

Safety screw plug for oil filler neck, black (not shown)

Available at BMW Motorrad dealers.

CYLINDER-HEAD COVER GUARD

1 & 3 Available for:

- R 1200 R
- R 1200 RT
- R 1200 GS

Only available for model codes 0400, 0490, 0430, 0440, 0450, 0460

2 Available for:

- R 1200 GS
- R 1200 GS Adventure

Not available for model codes 0450, 0460, 0470, 0480

4 Available for:

- R 1200 R
- R 1200 RT
- R 1200 S

- R 1200 ST
- R 1200 GS

Not available for model codes 0400, 0490, 0430, 0440, 0450, 0460

Comprehensive protection for the most exposed parts of the boxer engine. On tough terrain, it prevents impacts and scratches which may break the casing.

The cylinder-head cover guard is made of glass-fibre-reinforced plastic and protects the cylinder head from damage.

1 & 3

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

1 Aluminium cylinder-head cover plate

Part nr.: 77 12 8 357 955

2 Aluminium cylinder-head cover plate

Part nr.: 71 60 7 658 636

3 Plastic cylinder-head cover plate

Part nr.: 71 60 7 719 449

4 Plastic cylinder-head cover plate

Part nr.: 71 60 7 693 843

Available at BMW Motorrad dealers.

REAR SPRAY GUARD (NOT SHOWN)

Part nr.: 71 60 7 694 184

Available for:

- R 1200 RT

Available at BMW Motorrad dealers.

ANTI-THEFT ALARM SYSTEM RETROFIT SET (NOT SHOWN)

Part nr.: 77 53 8 545 003

Available for:

- R 1200 R
- R 1200 RT
- R 1200 RS
- R 1200 GS
- R 1200 GS Adventure

If the anti-theft alarm system is moved or struck violently, the system responds with a clearly audible signal and a hazard warning indicator lamp.

Note the differences in national-market versions. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

MAINTENANCE & TECHNOLOGY

Available at BMW Motorrad dealers.

POWER SOCKET

Part nr.: 61 34 7 714 741

Available for:

- R 1200 R
- R 1200 RT
- R 1200 GS
- R 1200 GS Adventure

Electronic devices can be connected to the vehicle electrical system via the 12V power socket. One example of this is the BMW USB charger, which can be used to charge and operate mobile phones and MP3 players with an appropriate interface while riding.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

HP PARTS

Available at BMW Motorrad dealers.

HP SPORT SILENCER

A top-class feature: made entirely of titanium, with a carbon end cap and a laser-etched HP logo. The HP sport silencer turns every ride into a thrilling experience. Choose from two positions (standard and raised) and in two colour variants (titanium and black).

1

Please note the specifications for different countries.
To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

1 HP sport silencer, black

Part nr.: 77 11 2 455 702

Available at BMW Motorrad dealers.

2 HP sport silencer

Part nr.: 77 11 8 541 802

Available at BMW Motorrad dealers.

HP CARBON WHEEL COVERS

Part nr.: 77 31 8 549 539

The HP Carbon wheel cover protects rider and motorbike – and emphasises the bike dynamics with the right sporty look thanks to its high-gloss finish. The high-quality carbon design also makes the cover particularly impact-resistant while reducing the overall weight of the motorbike.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

HP CARBON BELT COVER

Part nr.: 71 60 7 709 611

The high-quality HP Carbon belt cover gives the front of the engine an elegant look with a discreet high-tech appeal.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

HP PASSENGER FOOTRESTS, BLACK

Part nr.: 77 25 2 452 955

The HP passenger footrests are milled from an anodised aluminium alloy and give the bike an even sportier appearance. Their design makes them very light, but also extremely dimensionally stable so that they provide secure support for the foot at all times.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

STORAGE

Available at BMW Motorrad dealers.

TANK BAG / TANK BAG, LEATHER EDITION

Practical and stylish in one – the waterproof canvas tank bag provides 11 l of storage space. Available in two material/colour combinations.

The tank belt underlines the retro look of the motorcycle and is used to attach the tank bag or small tank bag.

The leather edition tank belt in retro look with anti-slip coating is used to attach the tank bag or small tank bag.

1 & 2

Available at BMW Motorrad dealers.

2 Bracket for side bag, right

Part nr.: 77 40 2 451 054

DESIGN

Available at BMW Motorrad dealers.

BMW MOTORRAD MACHINED PARTS

Each unique, lovingly crafted BMW Motorrad Machined Part is designed to make the BMW R nineT even more stunning. The designs are the result of close collaboration with Roland Sands, the Californian designer, trendsetter and customization expert. All BMW Motorrad Machined Parts also feature the "by Roland Sands Design" signature logo. The high-quality surfaces of these aluminium parts boast bold contrasts in Glossy Black and are produced in a series of complex processing steps, some of which are performed manually. All BMW Motorrad Machined Parts can be combined with the full range of Original BMW Motorcycle Equipment, allowing you to transform the BMW R nineT into your own ultra-personalized ride.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

ALUMINIUM TAIL - HUMP COVER

Part nr.: 77 34 8 565 828

The aluminium tail-hump cover is fitted in place of the passenger seat, and includes a small, spray-water protected storage compartment. The high-quality backrest pad ensures enhanced rider comfort and finishes the look visually.

Padding for tail-hump cover

Part nr.: 77 34 8 533 901

(not shown)

Only for one-up.

Available at BMW Motorrad dealers.

ALUMINIUM TANK HAND-BRUSHED, WITH GROUND-DOWN WELD SEAM

Part nr.: 16 11 8 565 075

The aluminium tank is manufactured in accordance with BMW quality standards, and hand-brushed to create its distinctive surface. This makes each tank completely unique.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

HAND-BRUSHED ALUMINIUM TANK, WITH VISIBLE WELD SEAM

Part nr.: 16 11 8 565 077

The aluminium tank is manufactured in accordance with BMW quality standards, and hand-brushed to create its distinctive surface. This makes each tank completely unique.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Original BMW Motorrad accessories are available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

Available at BMW Motorrad dealers.

KNEE PADS

Part nr.: 77 31 8 546 308

These ergonomically shaped rubber pads protect both sides of the tank from scratches. And their stylish design underscores the classic look of the BMW R nineT.

Available at BMW Motorrad dealers.

COVER FOR MAIN FRAME SCREW CONNECTION

Part nr.: 77 25 8 536 857

The cover of the main frame screw connection is the elegant solution when the passenger frame is removed. To this end, the open main frame screw is covered with an aluminium double sleeve.

Available at BMW Motorrad dealers.

SILENCER BRACKET

Part nr.: 77 11 8 536 136

Bracket for attaching the silencer if no passenger frame is fitted.

Available at BMW Motorrad dealers.

LED INDICATORS

Part nr.: 77 51 2 465 283

A shining example: The beautifully designed LED indicators with white turn indicator glass convince with their slim design and modern lighting technology. They respond much faster than incandescent lamps and are virtually wear-free. This provides a clear safety advantage in road traffic.

Please note the specifications for different countries. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

CYLINDER HEAD COVERS

The black or silver cylinder head covers give the boxer engine an attractive appearance and the motorcycle an individual look.

1

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

3 Cylinder head cover, black

Left Part nr.: 77 12 8 564 985

Right Part nr.: 77 12 8 564 986

Available at BMW Motorrad dealers.

2 Cylinder head cover, silver

Left Part nr.: 11 12 7 723 233

Right Part nr.: 11 12 7 723 234

ERGONOMICS & COMFORT

Available at BMW Motorrad dealers.

CUSTOM RIDER'S SEAT, BLACK

Part nr.: 77 34 8 546 218

The Custom rider's seat in classic black with its discreet cross stitching and details in an Alcantara look sets individual accents. Its exclusive design, the high-quality seat surface, the white double decorative stitching and the embroidered BMW R nineT inscription in gold further enhance the look of the motorcycle.

Not available in conjunction with high-positioned Sports silencer (long crossover pipe).

Available at BMW Motorrad dealers.

URBAN SEAT, ESPRESSO BLACK

The Scrambler seat in Espresso black offers maximum seating comfort. In addition, the high-quality seat with attractive cross stitching and leather appearance gives the Heritage models an individual look.

Urban seat in Espresso black, low:

Seat height: 820 mm; inner leg curve: 1,830 mm
 Part nr.: 52 53 9 444 629

Urban seat in Espresso black:

Seat height: 850 mm; inner leg curve: 1,890 mm
 Part nr.: 52 53 9 446 511

Available at BMW Motorrad dealers.

COMFORT REAR SEAT, BLACK

Part nr.: 77 34 8 537 714

The passenger comfort seat with retaining belt is wider and with upgraded upholstery, thus offering the passenger a noticeable increase in seating comfort. The high-quality seat surface in a black leather look, the attractive decorative double stitching in white and the embroidered R nineT inscription in gold further enhance the look of the motorcycle.

Available at BMW Motorrad dealers.

FORK BRIDGE WITH STUB HANDLEBARS

Part nr.: 77 22 8 396 340

The fork bridge with fixed stub handlebars allows for a clearly front-wheel-oriented seating position for a Café Racer riding style.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

HEATED GRIPS AND MULTIFUNCTION SWITCHES (NOT SHOWN)

Part nr.: On request

Keep your hands warm in cooler temperatures with heated grips (adjustable between two settings).

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

NAVIGATION & COMMUNICATION

Available at BMW Motorrad dealers.

BMW MOTORRAD NAVIGATOR VI

Part nr.: 77 52 8 356 005

The multifunctional BMW Motorrad Navigator VI without pre-installed maps makes route planning child's play. The system with 4GB flash memory and five-inch touch screen always gives the right directions, and the waterproof display is easy to read even in direct sunlight owing to the circular polarisation filter. The high-resolution screen provides all the essential information and ensures that you can see the big picture required in every situation. Numerous additional functions make planning and touring an exciting experience. Plan your routes according to your personal preferences and enjoy driving on winding and quiet side roads. The rider can also preset route guidance to avoid certain roads, e.g. A-roads. The "round trip" option is a good choice on unfamiliar terrain as it will reliably lead you back to the starting point. The Bluetooth connection to the BMW Motorrad

communication system and the optional Smartphone Link app enable multimedia on the go: navigation announcements, telephone calls and music streaming as well as the retrieval of weather forecasts or traffic jam information are no problem. With the navigation preparation, further functions such as "My motorcycle" are available; alternatively, control via the multi-controller on the handlebars is possible. The desired map material can simply be installed on the Navigator using an SD card.

Note the differences in national-market versions. Only available in conjunction with OE navigation preparation. Also available as optional equipment, option code 272

Available at BMW Motorrad dealers.

BMW MOTORRAD SMARTPHONE CRADLE

Part nr.: 77 52 8 563 125

BMW Motorrad's robust Smartphone Cradle provides a safe and protected place for your smartphone. This means that useful functions such as navigation instructions and online information can also be used while you are on the move. Thanks to the handy charging function, your smartphone is always ready for action even on extended bike tours.

Only in combination with bracket for BMW Motorrad navigation devices.

Original BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

SAFETY

Available at BMW Motorrad dealers.

ALUMINIUM CYLINDER - HEAD COVER PLATE

Part nr.: 77 12 8 357 955

The cylinder-head cover plate, made of anodised aluminium, protects the cylinder head against damage and makes the look of the motorcycle more striking.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

PLASTIC CYLINDER - HEAD COVER PLATE

Part nr.: 71 60 7 719 449

The glass-fibre reinforced plastic cylinder-head cover plate protects the cylinder head from damage and emphasises the design of the boxer engine.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

ANTI - THEFT ALARM SYSTEM RETROFIT SET (NOT SHOWN)

Part nr.: 77 53 8 545 003

If the anti-theft alarm system is moved or struck violently, the system responds with a clearly audible signal and a hazard warning indicator lamp.

Available at BMW Motorrad dealers.

SAFETY SCREW FOR OIL FILLER CAP

Part nr.: 71 60 7 696 117

The safety screw for the oil filler cap protects against theft and foreign substances in the oil. It also gives an individual look.

- F 800 GS Adventure

High-quality materials and a robust design make the watertight liner suitable for use both in and on top of aluminium cases and topcases.

Available at BMW Motorrad dealers.

1 Liner for aluminium cases

Left Part nr.: 71 60 7 699 055
Right Part nr.: 71 60 7 699 056

Available at BMW Motorrad dealers.

2 Liner for aluminium topcase

Part nr.: 71 60 7 699 057

Original BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

Available at BMW Motorrad dealers.

LUGGAGE COMPARTMENT SEPARATING NET FOR ALUMINIUM CASES

Available for:

- F 800 GS
- F 800 GS Adventure

Part nr.: 77 40 2 464 350

The luggage net for aluminium cases and topcases creates more order and makes it easier to access frequently used items. The highly flexible net is attached to the inside of the lid and ensures that luggage such as raincoats, folding backpacks, toiletry bags and sneakers are always at hand when the case is opened.

Available at BMW Motorrad dealers.

CARRY HANDLE FOR ALUMINIUM CASE / TOPCASE

Available for:

- F 800 GS
- F 800 GS Adventure

Part nr.: 77 49 8 543 224

The practical carry handles for aluminium cases and aluminium topcases make it easy to transport the luggage to and from the bike.

Available at BMW Motorrad dealers.

SPORT CASES

Available for:

- F 800 S
- F 800 ST

Splash-proof sport cases come with waterproof liners (one per case). Capacity is adjustable from approx. 15 to approx. 25l on each side – ample room for a helmet in each case.

Left Part nr.: 71 60 7 719 740

Right Part nr.: 71 60 7 722 364

Available at BMW Motorrad dealers.

TOURING CASES

Available for:

- F 800 GT
- F 800 R

Not available for model codes 0217, 0227

The splash-proof, hard-shell plastic cases have a total capacity of approx. 55l (28l left, 27l right).

- F 800 S
- F 800 ST
- F 800 GT
- F 800 R

The waterproof tank bag with a waterproof main compartment fits various BMW Motorrad models. The capacity expands from approx. 10 to approx. 12l. Can be combined with the BMW Motorrad Navigator systems.

Available at BMW Motorrad dealers.

HANDLE FOR PASSENGER (NOT SHOWN)

Part nr.: 46 54 7 678 739

Available for:

- F 800 S
- F 800 R

The high-quality handle provides the passenger with secure support in any position while riding and also gives the rider greater freedom of movement. The handle therefore provides significantly greater riding comfort and safety – especially when riding with a passenger on long journeys. This makes mile after mile of riding even more fun.

DESIGN

Available at BMW Motorrad dealers.

PRIMED PASSENGER SEAT COVER

Part nr.: 71 60 7 702 129

Available for:

- F 800 S
- F 800 ST
- F 800 R

The passenger seat cover gives the motorcycle a dynamic single-seater look. It comes pre-primed, so can be painted the same colour as your bike.

Available at BMW Motorrad dealers.

REAR SPRAY GUARD

Part nr.: 71 60 7 695 031

Available for:

- F 650 GS
- F 700 GS
- F 800 GS
- F 800 GS Adventure

Helps protect the rear from dirt on wet surfaces.

Available at BMW Motorrad dealers.

LED INDICATORS

Part nr.: On request

Available for:

- F 800 S
- F 800 ST
- F 800 GT
- F 800 R
- F 650 GS
- F 700 GS
- F 800 GS
- F 800 GS Adventure

A shining example: The beautifully designed LED indicators with white turn indicator glass convince with their slim design and modern lighting technology. They respond much faster than incandescent lamps and are virtually wear-free. This provides a clear safety advantage in road traffic.

Note the differences in national-market versions.
To be fitted and/or enabled in a specialist workshop,
ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

LED REAR LIGHT

Part nr.: 63 21 7 714 557

Available for:

- F 800 S
- F 800 ST
- F 800 GT
- F 800 R

Sleek rear lights with state-of-the-art LED technology fuse style with technical wizardry. Practically wear-free, they increase safety in road traffic.

Note the differences in national-market versions.
To be fitted and/or enabled in a specialist workshop,
ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

PLASTIC ENGINE SPOILER

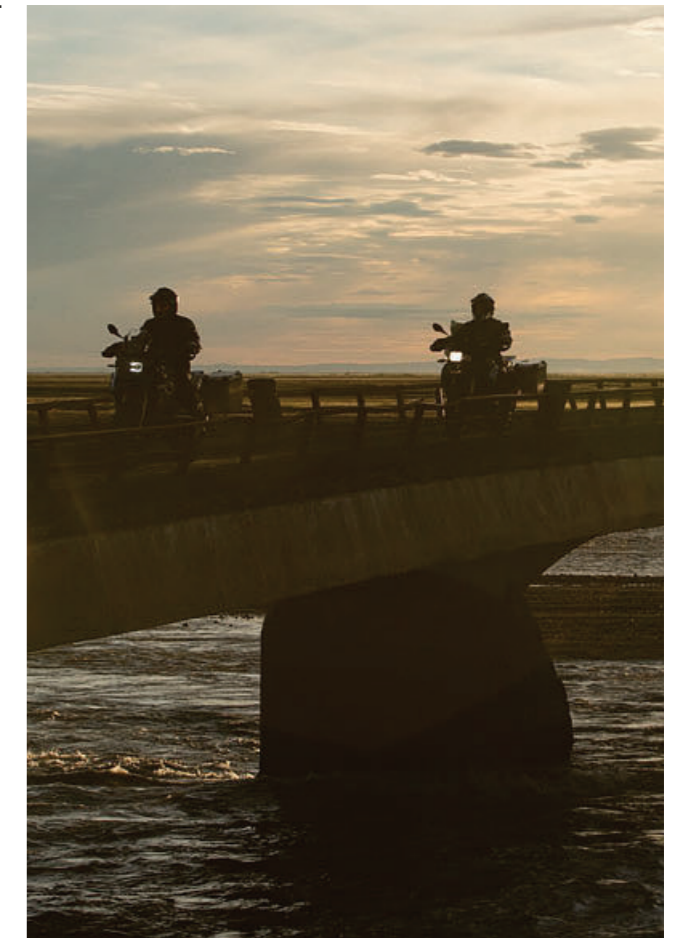

Part nr.: 71 60 7 699 463

Available for:

- F 800 S
- F 800 R

The plastic engine spoiler in Black is both stylish and striking.

Not available in conjunction with engine protection bar.

Available at BMW Motorrad dealers.

PLASTIC RADIATOR TRIM

Part nr.: 71 60 7 699 466

Available for:

- F 800 R

A Black single-piece plastic surround for the radiator trim that coordinates with the intake manifold fairing, rounding off the bike design in dynamic fashion.

Not available in conjunction with engine protection bar.

ERGONOMICS & COMFORT

Available at BMW Motorrad dealers.

WINDSCREENS

- Not available for model codes 0B04, 0B14, 0B54, 0B64

Available at BMW Motorrad dealers.

- HEATED GRIPS (NOT SHOWN)**
Part nr.: On request

- Available for:**
- F 800 R
 - F 800 S
 - F 800 ST
 - F 800 GT
 - F 650 GS
 - F 700 GS
 - F 800 GS
 - F 800 GS Adventure

Comfort meets safety. The practical heated grip keeps hands warm even on cold days while being even more responsive.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

- WIDE ENDURO FOOTREST**
Left Part nr.: 77 25 8 533 661
Right Part nr.: 77 25 8 533 662

- Available for:**
- F 700 GS
 - F 800 GS
 - F 800 GS Adventure
- Not available for model codes 0219, 0229

Wide Enduro footrests provide a better foothold and improve control when riding off-road or in a standing position.

Available at BMW Motorrad dealers.

- AUTOMATIC CHAIN LUBRICATION SYSTEM**
Part nr.: 77 10 8 527 720

- Available for:**
- F 800 R

 - F 800 GS
 - F 800 GS Adventure
- Not available for model codes 0B54, 0B64, 0B06, 0B16, 0B07, 0B17

Lubricates the drive chain automatically, whenever the engine is running. Constant lubrication reduces friction within the chain drive, minimizing wear and tear and power loss.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

- RUBBER INSERT FOR ENDURO WIDE FOOTREST**
Part nr.: 46 71 7 696 748

- Available for:**
- F 700 GS
 - F 800 GS
- Not available for model codes 0219, 0229

NAVIGATION & COMMUNICATION

Available at BMW Motorrad dealers.

BMW MOTORRAD NAVIGATOR VI (INCL. 4-BUTTON CRADLE MOUNT)

Part nr.: 77 52 8 355 749

Available for:

- F 800 S
- F 800 ST
- F 800 GT
- F 800 R
- F 650 GS
- F 700 GS
- F 800 GS
- F 800 GS Adventure

With the multifunctional Navigator VI, route planning becomes child's play. The system with 16GB flash memory and a five-inch touch screen always shows the right way, and the waterproof display is easy to read even in direct sunlight. The high-resolution screen provides all the essential information and ensures that you can see the big picture required in every situation. Numerous additional functions make planning and touring an exciting experience. Plan your routes according to your personal preferences and enjoy driving on winding and quiet side roads. The "round trip" option is a good choice on unfamiliar terrain as it will reliably lead you back to the starting point. The Bluetooth connection to the BMW Motorrad communication system and the optional Smartphone Link app enable multimedia on the go: navigation announcements, telephone calls and music streaming as well as the retrieval of weather forecasts or traffic jam information are no problem. Operation is via the stable Mount Cradle; the four buttons can also be accurately controlled while wearing gloves. Choose the pre-installed map data, and you will always be up to date thanks to lifelong, free map updates.

Only in combination with bracket for navigation systems. Note the differences in national-market versions.

Available at BMW Motorrad dealers.

BMW MOTORRAD SMARTPHONE CRADLE

Part nr.: 77 52 8 563 125

Available for:

- F 800 GT
- F 800 R
- F 650 GS
- F 700 GS
- F 800 GS
- F 800 GS Adventure

BMW Motorrad's robust Smartphone Cradle provides a safe and protected place for your smartphone. This means that useful functions such as navigation information and online information can also be used while you are on the move. Thanks to the handy charging function, your smartphone is also always ready for action on extended bike tours.

Only in combination with bracket for BMW Motorrad navigation systems

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

SAFETY

Available at BMW Motorrad dealers.

LARGE SPOILER ATTACHMENTS FOR LARGE HAND PROTECTORS

Part nr.: 71 60 7 705 964

Available for:

- F 650 GS
- F 700 GS
- F 800 GS

The spoiler attachment for the hand protector adds an extra barrier to help keep out wind, rain and flying stones.

Available at BMW Motorrad dealers.

HAND PROTECTORS

Available for:

- F 650 GS
- F 700 GS
- F 800 GS

Protect the hands and instruments from wind and rain, and from low-hanging branches and flying stones on off-road trails.

Available at BMW Motorrad dealers.

1 Large hand protectors

Part nr.: 71 60 7 715 135

Available at BMW Motorrad dealers.

2 Small hand protectors

Part nr.: 71 60 7 705 963

Available at BMW Motorrad dealers.

BOW-SHAPED HAND GUARD

Part nr.: 77 32 8 532 949

Available for:

- F 650 GS
- F 700 GS
- F 800 GS

Not available for model codes 0B53, 0B14, 0B54, 0B64, 0B06, 0B16, 0B07, 0B17

Original BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

Available at BMW Motorrad dealers.

PLASTIC ENGINE GUARD

Part nr.: 11 11 8 526 642

Available for:

- F 650 GS
- F 700 GS
- F 800 GS
- F 800 GS Adventure

The small engine engine guard fits seamlessly into the dynamic GS design of the bike. It protects the engine from flying stones during light off-road use, and can be used at the same time as the engine protection bar.

Available at BMW Motorrad dealers.

ENDURO ALUMINIUM ENGINE GUARD

Part nr.: 71 60 7 702 951

Available for:

- F 650 GS
- F 700 GS
- F 800 GS
- F 800 GS Adventure

The robust aluminium engine guard protects the engine and manifold from stones and ricochets during off-road riding. It also emphasizes the tough Enduro look, especially in combination with the engine protection bar. Does not restrict banking angle or movement of feet, etc.

Available at BMW Motorrad dealers.

ENGINE PROTECTION BAR

Available for:

- F 650 GS
- F 700 GS
- F 800 GS

In situations where impacts with the motorcycle are unavoidable, the stainless steel engine protection bar helps prevent damage to the engine.

Left Part nr.: 71 60 8 405 683

Right Part nr.: 71 60 8 405 684

Available at BMW Motorrad dealers.

**HEADLIGHT GUARD
(FOR OFF-ROAD USE ONLY)**

Part nr.: 77 51 8 533 756

Available for:

- F 650 GS
- F 700 GS
- F 800 GS

Not available for model codes 0B07, 0B17

Protects headlight from flying stones during off-road use. With snaplock system for quick attachment and removal.

Only for off-road use (not homologated for road use).

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

Available at BMW Motorrad dealers.

LED ADDITIONAL HEADLIGHTS

Part nr.: 63 17 8 556 937

Available for:

- F 800 GS
- F 800 GS Adventure

Not available for model codes 0219, 0229, 0B02, 0B12

The powerful LED additional headlights deliver the necessary perspective when visibility is poor thanks to extended illumination.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer. The additional headlights are approved for use as fog lights, and may only be used in poor weather conditions. Country-specific road traffic regulations apply. K09: Only available in conjunction with OE seat heating.

Available at BMW Motorrad dealers.

ANTI-THEFT ALARM SYSTEM WITH REMOTE CONTROL (NOT SHOWN)

Part nr.: 77 53 8 545 003

Available for:

- F 800 GT
- F 800 R
- F 650 GS
- F 700 GS
- F 800 GS
- F 800 GS Adventure

Please note the specifications for different countries. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

The anti-theft alarm system reacts to changes in position and vibrations with a clearly audible signal and a flashing warning lights system.

Available at BMW Motorrad dealers.

ASC (AUTOMATIC STABILITY CONTROL) RETROFIT SET, SWITCHABLE (NOT SHOWN)

Part nr.: 13 61 7 728 273

Available for:

- F 800 GT

Not available for model codes 0B03, 0B13

Controls and optimizes transmission and prevents rear wheel spin-on wet surfaces, for example.

Available at BMW Motorrad dealers.

REAR SPRAY GUARD (NOT SHOWN)

Part nr.: 71 60 7 694 184

Available for:

- F 800 GT
- F 800 R

Not available for model codes 0217, 0227

MAINTENANCE & TECHNOLOGY

Available at BMW Motorrad dealers.

OUTPUT REDUCTION RETROFIT SET (35 KW / 48 HP) (NOT SHOWN)

Part nr.: 32 73 8 546 025

Available for:

- F 800 GT

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

HP PARTS

Available at BMW Motorrad dealers.

HP SPORT SILENCER

1 Available for:

- K 1300 R
- K 1300 S

The high-quality titanium slip-on silencer with carbon end-cap and heat protection cover delivers a powerful rumble and ensures a sporty look. Approx. 1.5kg lighter than standard silencer.

2 Available for:

- K 1600 GT
- K 1600 GTL
- K 1600 GTL Exclusive

Craftsmanship at its finest: a double-flow slip-on silencer with high-quality conical titanium casing, crossover pipes and mounting system made of stainless steel, plus end-cap made of carbon. With three tailpipes on each side, the BMW K 1600 GT generates a rich, throaty sound to deliver a thrilling riding experience.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

1 HP sport silencer

Part nr.: 71 60 7 718 438

Available at BMW Motorrad dealers.

2 HP sport silencer

Part nr.: 77 11 8 356 974

Available at BMW Motorrad dealers.

HP CARBON HEAT PROTECTION COVER

Part nr.: 71 60 7 721 668

Available for:

- K 1200 R
- K 1200 R Sport
- K 1300 R
- K 1300 S

The HP Carbon heat protection cover for the join between the silencer and the exhaust-manifold is a lighter, more stylish alternative to the standard aluminium trim.

Available at BMW Motorrad dealers.

HP CARBON AIR INTAKE

Available for:

- K 1200 R

Left Part nr.: 71 60 7 701 251

Right Part nr.: 71 60 7 701 252

Available at BMW Motorrad dealers.

HP FOOTREST SYSTEMS

1 Available for:

- K 1300 R

The HP footrests for K 1200 models add both practicality and style. Multiple adjustment options allow riders to create the ergonomic set-up that suits them. Matching HP passenger footrests are included in the package.

2 Available for:

- K 1300 R
- K 1300 S

The HP footrests for K 1300 models differ slightly from other variants but offer comparable functionality. HP passenger footrests must be ordered separately.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

1 HP footrest system

Part nr.: 71 60 7 714 385

Available at BMW Motorrad dealers.

2 HP passenger footrests

Part nr.: 77 25 8 358 688

Available at BMW Motorrad dealers.

HP CARBON ENGINE SPOILER

Part nr.: 77 31 8 523 196

Available for:

- K 1200 R
- K 1200 R Sport
- K 1300 R

Available at BMW Motorrad dealers.

HP FORGED WHEELS

Available for:

- K 1200 R
- K 1200 R Sport
- K 1200 S
- K 1300 R
- K 1300 S

Thanks to the use of lightweight-construction techniques, the HP forged wheels are approx. 1.1 kg lighter (per set) than the standard wheels. Reducing the unsprung and rotating mass improves handling and the quality of the suspension.

Front Part nr.: 71 60 7 710 904
Rear Part nr.: 71 60 7 709 398

Available at BMW Motorrad dealers.

HP INSTRUMENT CLUSTER

Part nr.: 62 11 7 719 732

Available for:

- K 1200 R
- K 1200 R Sport
- K 1200 S
- K 1300 R
- K 1300 S

The all-weather HP instrument cluster combines the classic BMW display with a host of racetrack-inspired features – a dream addition for all motorsport enthusiasts.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

HP GEAR - SHIFT ASSIST

Part nr.: 77 25 8 528 775

Available for:

- K 1200 S
- K 1300 R
- K 1300 S

The gear-shift assist enables upshifts without throttle release or using the clutch – just like in pro racing.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

HP LABEL

Part nr.: 71 60 7 708 659

Available for:

- K 1200 R
- K 1200 R Sport
- K 1200 S
- K 1300 R
- K 1300 S

With the self-adhesive HP label, the HP Carbon parts can be further customised on request. The silver-coloured inscription on a black background measures 22x9 mm.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

STORAGE

Available at BMW Motorrad dealers.

SPORT CASES

Available for:

- K 1200 R
- K 1200 R Sport
- K 1200 S
- K 1300 R
- K 1300 S

Splash-proof sport cases come with waterproof liners (one per case). Capacity is adjustable from approx. 15 to approx. 25 l on each side – ample room for a helmet in each case.

Left Part nr.: 71 60 7 723 511

Right Part nr.: 71 60 7 723 512

Available at BMW Motorrad dealers.

CASE HOLDERS FOR SPORT CASES

Part nr.: 71 60 7 684 618

Available for:

- K 1200 R
- K 1200 R Sport
- K 1200 S
- K 1300 R
- K 1300 S

Available at BMW Motorrad dealers.

PROTECTIVE FILM FOR TOP OF SYSTEM CASES

Part nr.: 71 60 7 714 329

Available for:

- K 1200 GT
- K 1300 GT

Self-adhesive, protects case paintwork.

Available at BMW Motorrad dealers.

LINER FOR SYSTEM CASE

Part nr.: 71 60 7 680 543

Available for:

- K 1200 GT
- K 1300 GT

Slipping seamlessly into the overall design of the bike, these liners are both stable and lightweight. Handy compartments for small items and carry handles that can be tucked away make them essential travel companions.

Liner for left and right side identical.

Original BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

Available at BMW Motorrad dealers.

IMPACT PROTECTION SYSTEM FOR SYSTEM CASE

Available for:

- K 1200 GT
- K 1300 GT

Protects lower area against scratches.

Left Part nr.: 71 60 7 693 675
Right Part nr.: 71 60 7 693 676

Available at BMW Motorrad dealers.

LINER FOR EXCLUSIVE TOURING CASES

Available for:

- K 1600 GT
- K 1600 GTL
- K 1600 GTL Exclusive

The matching liner for the Exclusive touring case gets the luggage organised and facilitates loading and unloading. The carry handle and shoulder strap make the bag easy to access and transport. Practical details include the three-sided all-round zip and the outer patch pocket made of soft Alcantara.

Available at BMW Motorrad dealers.

LINER FOR TOURING CASES

Available for:

- K 1600 GT
- K 1600 GTL

The matching liner for the touring case gets the luggage organised and facilitates loading and unloading. The carry handle and shoulder strap make the bag easy to access and transport. Practical details include the external patch pocket and the three-sided all-round zip.

With carry handles and detachable shoulder strap.

Left Part nr.: 77 41 8 520 295
Right Part nr.: 77 41 8 520 296

Available at BMW Motorrad dealers.

IMPACT PROTECTION SYSTEM AND PROTECTIVE FILM FOR TOURING CASES

Available for:

- K 1600 GT
- K 1600 GTL
- K 1600 GTL Exclusive

Protective film for touring cases (not shown)

The impact protection is made of sturdy plastic, protects the left touring case at the front, bottom and sides from scratches and damage. The two moulded parts therefore serve well when the bike has to be manoeuvred into tight parking spaces or narrow passages. But even when transported by hand, the impact protection can take a bump or two.

The self-adhesive and transparent film protects top and side surfaces of touring cases from small scratches.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Left Part nr.: 77 42 7 700 461
Right Part nr.: 77 42 7 700 462
Top Part nr.: 77 42 8 528 355

Available at BMW Motorrad dealers.

SMALL TOPCASE, 28 L

Part nr.: 77 43 7 724 352

Available for:

- K 1200 GT
- K 1300 GT

With a volume of 28 litres, the waterproof topcase offers enough space for a helmet and impresses in daily use and on short tours. It is made of a hard-wearing plastic mix in a double-shell design. Its weight is approx. 5.5 kilograms.

Available at BMW Motorrad dealers.

LINER FOR SMALL TOPCASE

Part nr.: 71 60 7 680 541

Available for:

- K 1200 GT
- K 1300 GT

The matching liner for the small topcase gets the luggage organised and facilitates loading and unloading. The carry handle and shoulder strap make the bag easy to access and transport. Practical details include the three-sided all-round zip.

Available at BMW Motorrad dealers.

1 Liner for Exclusive touring case, left

Part nr.: 46 54 8 549 365

Available at BMW Motorrad dealers.

2 Liner for Exclusive touring topcase

Part nr.: 46 54 8 549 364

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

Original BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

Available at BMW Motorrad dealers.

TOURING TOPCASE, GLACIER SILVER METALLIC, 49 L

Part nr.: 77 43 8 545 921

Available for:

- K 1600 GT

Touring topcase, Dark graphite metallic (not shown)

The waterproof touring topcase with its 49 litre volume, integrated backrest pad for the passenger, interior lighting and velour carpet lining offers space for two helmets. Two gas pressure shock absorbers support the opening process and underline the impression of high quality.

Available at BMW Motorrad dealers.

ADDITIONAL BRAKE LIGHT FOR TOURING TOPCASE

Part nr.: 77 51 8 520 044

Available for:

- K 1600 GT
- K 1600 GTL
- K 1600 GTL Exclusive

The additional brake light for the touring topcase with modern LED technology in a white clear-glass look blends perfectly with the existing topcase lid embellisher. Because braking activity can be seen better, this promotes passive safety in traffic.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

LINER FOR TOURING TOPCASE

Part nr.: 77 41 8 520 301

Available for:

- K 1600 GT
- K 1600 GTL

The matching liner for the touring topcase gets the luggage organised and facilitates loading and unloading. The liner is readily available and easy to carry thanks to the carry handle and shoulder strap. Practical details include two external patch pockets and a wide-opening lid.

Available at BMW Motorrad dealers.

STORAGE COMPARTMENT FOR TOURING TOPCASE

Part nr.: 77 41 8 520 303

Available for:

- K 1600 GT
- K 1600 GTL
- K 1600 GTL Exclusive

The practical solution for documents, stationery or even a netbook: the handy document compartment is secured in the topcase lid with four quick-release fasteners, and helps keep things organised while providing quick access to everything that is important for the trip.

Available at BMW Motorrad dealers.

TANK BAG

Part nr.: 71 60 7 712 408

Available for:

- K 1200 R
- K 1200 R Sport
- K 1300 R

Waterproof tank bag with waterproof main compartment and map pocket and a capacity that expands from 13 to 20l. Sturdy construction and materials ensure everything stays in place, even when the bike is moving at high speed.

Cannot be used when BMW Motorrad Navigator is fitted.

Available at BMW Motorrad dealers.

LARGE TOPCASE, WHITE ALUMINIUM, 49 L

Part nr.: 71 60 7 720 456

Available for:

- K 1200 GT
- K 1300 GT

The waterproof topcase is easy to mount on the luggage carrier and has enough space inside for up to two helmets.

Available at BMW Motorrad dealers.

TANK BAG

Part nr.: 77 45 8 527 537

Available for:

- K 1200 GT
- K 1300 GT

A waterproof tank bag with main compartment designed with the ergonomic set-up of sport bike riders in mind. Capacity expands from 13 to 20l via an all-round zip.

Available at BMW Motorrad dealers.

LINER FOR LARGE TOPCASE, 49 L

Part nr.: 71 60 7 680 542

Available for:

- K 1200 GT
- K 1300 GT

Slipping seamlessly into the overall design of the bike, these liners are both sturdy and lightweight. Handy compartments for small items and carry handles that can be tucked away make them essential travel companions.

Available at BMW Motorrad dealers.

LARGE TANK BAG

Part nr.: 71 60 7 712 395

Available for:

- K 1200 S
- K 1300 S

Waterproof tank bag with waterproof main compartment and map pocket and a capacity that expands from 13 to 20l. Sturdy construction and materials ensure everything stays in place, even when the bike is moving at speed.

Cannot be used when BMW Motorrad Navigator is fitted.

Available at BMW Motorrad dealers.

UNIVERSAL TANK BAG

Part nr.: 77 49 7 726 994

Available for:

- K 1200 R
- K 1200 R Sport
- K 1200 S
- K 1300 R
- K 1300 S

This tank bag with waterproof main compartment fits various BMW Motorrad models. The capacity expands from approx. 10 to approx. 12l. Can be combined with BMW Motorrad Navigator systems.

Available at BMW Motorrad dealers.

TANK BAG

Part nr.: 71 60 7 691 391

Available for:

- K 1200 R
- K 1200 R Sport
- K 1200 S
- K 1300 R
- K 1300 S

This tank bag has a large waterproof main compartment (approx. 12l) and a pocket (with window) for smaller items. It fits various BMW Motorrad models and can be combined with BMW Motorrad Navigator systems.

Available at BMW Motorrad dealers.

TANK BAG

Part nr.: 77 45 8 520 297

Available for:

- K 1600 GT

The waterproof main compartment of the tank bag can be expanded from 10 to 12 litres and features a small view pocket with a removable panel. There are two outer pockets and one inner pocket for small parts. The practical variable insert is also suitable for dividing the interior of the tank bag. With carry handle and detachable shoulder strap.

For information on speed and load limitations, please refer to the installation/operating instructions.

Available at BMW Motorrad dealers.

LUGGAGE CARRIER

Part nr.: 46 54 7 674 066

Available for:

- K 1200 S
- K 1300 S

Luggage carrier (not shown) available for:

- K 1200 R
- K 1200 R Sport
- K 1300 R

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

DESIGN

Available at BMW Motorrad dealers.

LED REAR LIGHT

Part nr.: 63 21 8 526 957

Available for:

- K 1200 R
- K 1200 R Sport
- K 1200 S
- K 1300 R
- K 1300 S

Sleek rear lights with state-of-the-art LED technology fuse style with technical wizardry.

Practically wear-free, they increase safety in road traffic.

Please note the specifications for different countries. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

OPTION 719 FORGED WHEEL

Available for:

- K 1600 GT
- K 1600 GTL
- K 1600 GTL Exclusive

The high-quality Classic forged wheel of the exclusive Option 719 presents itself in an elegant two-colour look with all-round polish milling. The special surface treatment with detailed milling contours and the nine-spoke design give the touring bikes a soft and particularly valuable appearance.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

1 Option 719 Classic forged wheels, front

Part nr.: 77 21 8 388 838

Available at BMW Motorrad dealers.

2 Option 719 Classic forged wheels, rear

Part nr.: 77 21 8 555 597

Original BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

Available at BMW Motorrad dealers.

CHROME PARTS

1-5 Available for:

- K 1600 GT
- K 1600 GTL
- K 1600 GTL Exclusive

Choose the look you want: these elegant, high-quality chrome parts can be combined as you wish, giving your BMW K 1600 GT or GTL a unique, stylish edge.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

6 Available for:

- K 1600 GT
- K 1600 GTL

Available at BMW Motorrad dealers.

1 Chrome-plated windscreen trim

Left Part nr.: 46 63 7 727 403
Right Part nr.: 46 63 7 727 404

Available at BMW Motorrad dealers.

2 Chrome-plated expansion tank cap

Left Part nr.: 32 728 543 781
Right Part nr.: 32 72 8 543 782

Available at BMW Motorrad dealers.

3 Chrome-plated case strip

Left Part nr.: 51 148 545 123
Right Part nr.: 51 14 8 545 124

4 Chrome-plated coolant hose cover

Part nr.: 46 63 7 727 366

Available at BMW Motorrad dealers.

5 Touring topcase lid trim, chrome-plated

Part nr.: 46 54 8 522 938

Available at BMW Motorrad dealers.

6 Chrome-plated slipstream deflector

Left Part nr.: 43 637 727 535
Right Part nr.: 43 63 7 727 536

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

ERGONOMICS & COMFORT

Available at BMW Motorrad dealers.

TINTED WINDSCREEN

Part nr.: 71 60 7 698 097

Available for:

- K 1200 S
- K 1300 S

The tinted windscreen gives the bike a sporty look. Same design and size as the clear windscreen.

Available at BMW Motorrad dealers.

COMFORT WINDSCREEN

Part nr.: 77 33 7 724 350

Available for:

- K 1600 GT
- K 1600 GTL
- K 1600 GTL Exclusive

The scratch-resistant comfort windscreen is higher than the standard windscreen and offers maximum wind and weather protection for rider and passenger.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

LARGE WINDSCREEN

Part nr.: 71 60 7 699 600

Available for:

- K 1200 GT
- K 1300 GT

Providing the rider with even better protection from wind and rain, the large windscreen is ideal for longer tours.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

SPORT WINDSCREEN, TINTED

Part nr.: 46 63 7 686 637

Available for:

- K 1200 R
- K 1300 R

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

LOW WINDSCREEN

Part nr.: 77 33 8 528 329

Available for:

- K 1600 GT
- K 1600 GTL
- K 1600 GTL Exclusive

The low windscreen gives the bike a sporty look and offers good protection against wind and weather.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

GT WINDSCREEN

Part nr.: 46 63 7 709 513

Available for:

- K 1600 GT
- K 1600 GTL
- K 1600 GTL Exclusive

The GT windscreen underlines the dynamic appearance of the motorcycle and offers good protection against wind and weather.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Original BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

Available at BMW Motorrad dealers.

**SEAT, BLACK
(NOT SHOWN)**

Part nr.: 52 53 7 686 625

Available for:

- K 1200 R
- K 1200 R Sport
- K 1300 R

Available at BMW Motorrad dealers.

LOW SEAT, BLACK

Part nr.: 52 53 7 686 626

Available for:

- K 1200 R
- K 1200 R Sport
- K 1300 R

Available at BMW Motorrad dealers.

PASSENGER COMFORT SEAT

Part nr.: 52 53 7 709 574

Available for:

- K 1200 R
- K 1200 R Sport
- K 1300 R

Increases passenger comfort and makes the bike even more of an all-rounder. The passenger area is significantly wider and more padded than the standard seat (rider section unchanged).

Not available in conjunction with HP Carbon seat cover.

Available at BMW Motorrad dealers.

ONE-PIECE SEAT

Part nr.: 52 53 7 718 500

Available for:

- K 1600 GT
- K 1600 GTL

The wider one-piece seat with decorative stitching is generously padded and offers excellent comfort for both rider and passenger alike when touring. It is available in three seat heights – 750, 780 and 810 mm – and can be heated.

**Low one-piece seat
(not shown)**

Available at BMW Motorrad dealers.

ARMRESTS FOR PASSENGER

Part nr.: 77 25 8 524 692

Available for:

- K 1600 GTL
- K 1600 GTL Exclusive

The padded armrests for the passenger offer relaxed travel comfort and can be easily folded up for conveniently getting on and off.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

HEIGHT-ADJUSTABLE RIDER'S SEAT, LOW

Part nr.: 52 53 7 712 118

Available for:

- K 1600 GT
- K 1600 GTL

The low rider's seat in black makes it easier to get on and off and improves ground accessibility. The motorcycle is thereby easier to manoeuvre and control. The seat is height-adjustable in two stages, and the lower inner leg curve offers the rider a high degree of seating comfort, even on longer journeys.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

Available at BMW Motorrad dealers.

**LOW RIDER'S SEAT
(NOT SHOWN)**

Available for:

- K 1200 GT
- K 1300 GT

Available in the colours grey and black and optionally as heated versions.

Heated, Grey

Part nr.: 52 53 7 704 833

Heated, Black

Part nr.: 52 53 7 704 832

Grey

Part nr.: 52 53 7 704 835

Black

Part nr.: 52 53 7 704 834

Available at BMW Motorrad dealers.

HEATED GRIPS AND SWITCHES

Part nr.: On request

Available for:

- K 1200 R
- K 1200 R Sport
- K 1200 S
- K 1200 GT
- K 1300 R
- K 1300 S
- K 1300 GT

Keep your hands as warm as you like with retrofittable heated grips.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Original BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

Available at BMW Motorrad dealers.

LED GROUND-LEVEL LIGHTING

Part nr.: 63 17 7 727 584

Available for:

- K 1600 GT
- K 1600 GTL
- K 1600 GTL Exclusive

Safe parking after sunset: the LED floor lighting illuminates the area under the bike and makes it easier to find a suitable standing space in the dark. In addition, getting off the bike and operating the main or side stands is even more secure. Even small items such as keys or coins are easier to find.

Please note the specifications for different countries. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer. K48: Only available in conjunction with OE 417 (central locking system).

Available at BMW Motorrad dealers.

**CRUISE CONTROL RETROFIT SET
(NOT SHOWN)**

Part nr.: 61 31 8 522 472

Available for:

- K 1600 GT
- K 1600 GTL
- K 1600 GTL Exclusive

The electronic cruise control can be activated from 30 km/h and keeps the riding speed constant. This makes it possible to enjoy longer motorway stretches in a relaxed style. The function is deactivated on braking, and the selected speed is automatically adopted after activating the resume button.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

**COMFORT FOOTREST, MAGNESIUM MATT, FRONT AND REAR
(NOT SHOWN)**

Available for:

K 1600 GT

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Magnesium matt, rear left

Part nr.: 46 71 7 728 871

Magnesium matt, rear right

Part nr.: 46 71 7 728 872

Magnesium matt, front left

Part nr.: 46 71 7 728 865

Magnesium matt, front right

Part nr.: 46 71 7 728 866

Available at BMW Motorrad dealers.

**HILL START CONTROL RETROFIT SET
(NOT SHOWN)**

Part nr.: 77 23 8 536 874

Available for:

- K 1600 GT
- K 1600 GTL
- K 1600 GTL Exclusive

The Hill Start Control (HSC) drive-off assistant can be retrofitted using an enabling code.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

NAVIGATION & COMMUNICATION

Available at BMW Motorrad dealers.

BMW MOTORRAD NAVIGATOR VI (INCL. 4-BUTTON CRADLE MOUNT)

Part nr.: 77 52 8 355 749

Available for:

- K 1200 R
- K 1200 R Sport
- K 1200 S
- K 1200 GT
- K 1300 R
- K 1300 S
- K 1300 GT

With the multifunctional Navigator VI, route planning becomes child's play. The system with 16 GB flash memory and a five-inch touch screen always shows the right way, and the waterproof display is easy to read even in direct sunlight. The high-resolution screen provides all the essential information and ensures that you can see the big picture required in every situation. Numerous additional functions make planning and touring an exciting experience. Plan your routes can be created according to your personal preferences and enjoy driving on winding and quiet side roads. In unknown terrain, the "round trip" option is a good choice as it reliably guides the rider at the end of the tour back to the starting point. The Bluetooth connection to the BMW Motorrad communication system and the optional Smartphone Link app enable multimedia on the go: navigation announcements, telephone calls and music streaming as well as the retrieval of weather forecasts or traffic jam information are no problem. Operation is via the stable Mount Cradle; the four buttons can also be accurately controlled while wearing gloves. Choose the pre-installed map data, and you will always be up to date thanks to lifelong, free map updates.

Only in combination with bracket for navigation systems. Note the differences in national-market versions.

Available at BMW Motorrad dealers.

BMW MOTORRAD NAVIGATOR VI

Part nr.: 77 52 8 355 994

Available for:

- K 1600 GT
- K 1600 GTL
- K 1600 GTL Exclusive

Not only touring fans will have plenty of choice with the Navigator VI. The system makes route planning child's play and offers numerous additional functions that make every tour an exciting experience. The five inch touch screen is waterproof, easy to read even in direct sunlight and ensures that you can see the big picture required in every situation.

Note the differences in national-market versions.
Only available in conjunction with OE navigation preparation.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

Available at BMW Motorrad dealers.

BMW MOTORRAD SMARTPHONE CRADLE

Part nr.: 77 52 8 563 125

Available for:

- K 1200 R
- K 1200 R Sport
- K 1200 S
- K 1200 GT
- K 1300 R
- K 1300 S
- K 1300 GT

BMW Motorrad's robust smartphone cradle provides a safe and protected place for your smartphone. This means that useful functions such as navigation information and online information can also be used while you are on the move. Thanks to the handy charging function, your smartphone is also always ready for action on extended bike tours.

Only in combination with bracket for BMW Motorrad navigation devices.

Available at BMW Motorrad dealers.

AUDIO SYSTEM RETROFIT SET (NOT SHOWN)

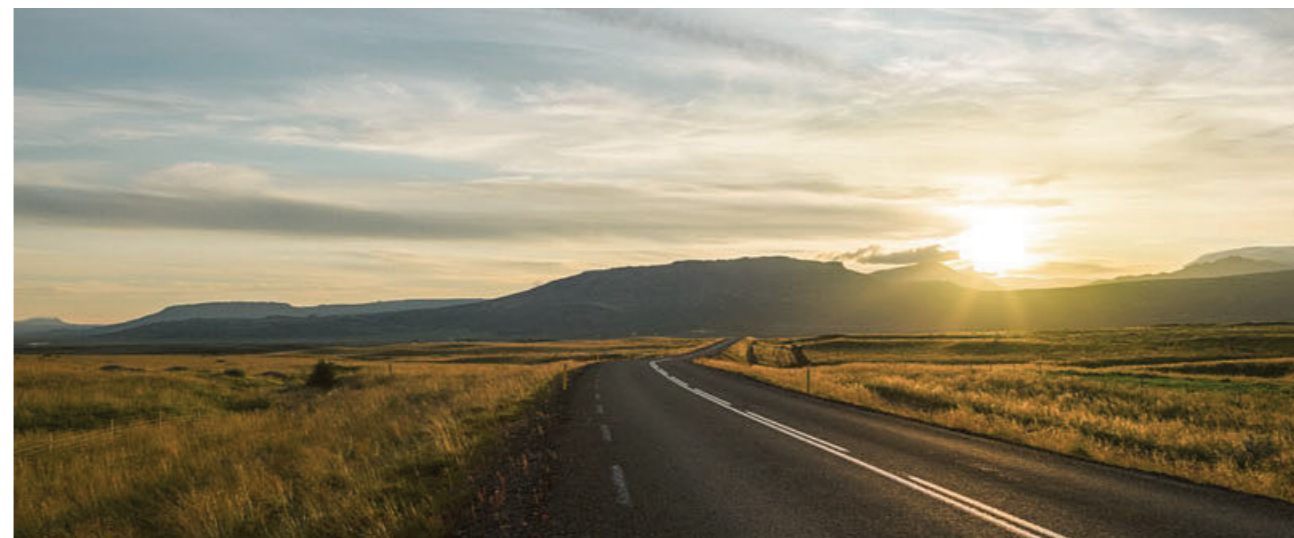

Part nr.: 65 12 8 542 064

Available for:

- K 1600 GT
- K 1600 GTL
- K 1600 GTL Exclusive

The audio system with radio function has MP3 player, iPod and USB stick interfaces. Operation is via the Multi-Controller on the handlebars or the radio control panel. The station, the current music track or the selected volume are displayed on the info screen.

Please note the specifications for different countries.

Original BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer.
Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

SAFETY

Available at BMW Motorrad dealers.

ENGINE PROTECTION BAR

Part nr.: 77 14 8 535 326

Available for:

- K 1600 GT
- K 1600 GTL

The two-piece engine protection bar, made of matt blasted stainless steel, protects the engine housing against damage and fits in perfectly with the classy overall design of the motorcycle.

Available at BMW Motorrad dealers.

ANTI - THEFT ALARM SYSTEM WITH REMOTE CONTROL (NOT SHOWN)

Part nr.: 77 53 8 545 003

Available for:

- K 1200 R
- K 1200 R Sport
- K 1200 S
- K 1200 GT
- K 1300 R
- K 1300 S
- K 1300 GT

If the anti-theft alarm system is moved or struck violently, the system responds with a clearly audible signal and a hazard warning indicator lamp. Thanks to the warning, passers-by quickly become aware. The system is conveniently activated by remote control.

Please note the specifications for different countries. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

CENTRE STAND

Part nr.: 46 52 7 704 612

Available for:

- K 1200 R
- K 1200 R Sport
- K 1200 S
- K 1300 R
- K 1300 S

Available at BMW Motorrad dealers.

TYRE PRESSURE CONTROL RETROFIT SET (NOT SHOWN)

Part nr.: 65 75 8 546 222

Available for:

- K 1600 GT
- K 1600 GTL
- K 1600 GTL Exclusive

The tyre pressure control with all its functions can be retrofitted by installing the control unit. TPC provides reliable information about the current tyre pressure and warns the rider about pressure loss at an early stage. The corresponding notifications and instructions are provided by the on-board computer in the cockpit.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

ADDITIONAL SWITCH FOR LED ADDITIONAL HEADLIGHTS (NOT SHOWN)

Part nr.: 61 31 8 533 473

Available for:

- K 1600 GT
- K 1600 GTL
- K 1600 GTL Exclusive

Available at BMW Motorrad dealers.

ACTIVATION CODE FOR DTC (NOT SHOWN)

Part nr.: 13 61 8 550 119

Available for:

- K 1600 GT
- K 1600 GTL

Dynamic Traction Control (DTC) ensures greater riding stability and controls wheel slip even when leaning into corners to prevent the rear wheel from spinning. Depending on the riding mode, DTC allows more or less slip and thus guarantees the maximum safety and riding dynamics on different routes.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

ASC (AUTOMATIC STABILITY CONTROL) RETROFIT SET, SWITCHABLE (NOT SHOWN)

Part nr.: 13 61 7 728 273

Available for:

- K 1200 S
- K 1300 GT

Available at BMW Motorrad dealers.

TRIM, BLACK STORM METALLIC MATT (NOT SHOWN)

Left Part nr.: 46 637 708 647

Right Part nr.: 46 63 7 708 648

Available for:

- K 1600 GT

Available at BMW Motorrad dealers.

3 HP sport silencer

Part nr.: 77 11 8 554 206

Available at BMW Motorrad dealers.

2 HP sport silencer, black

Part nr.: 77 11 2 465 603

Available at BMW Motorrad dealers.

4 HP titanium exhaust system

Part nr.: 77 11 7 723 814

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

Available at BMW Motorrad dealers.

HP TITANIUM EXHAUST SYSTEM

Part nr.: 77 11 8 549 354

Available for:

- S 1000 RR
- Only available for model codes 0507, 0517, 0524, 0534

The HP titanium exhaust system from Akrapovič with a carbon end cap not only enhances the sporty appearance but also the performance of the bike. Compared to the standard version, it offers a significant reduction in weight and an increase in engine torque, especially in the medium speed range.

To be fitted and / or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

HP FRONT SILENCER

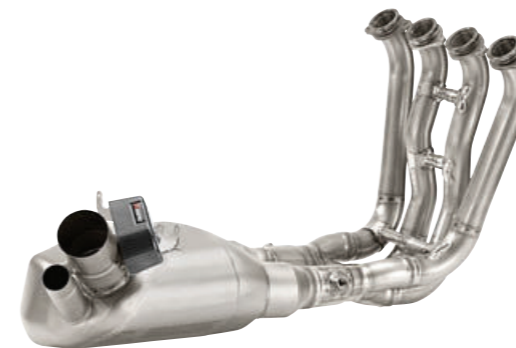

Part nr.: 77 11 8 526 095

Available for:

- S 1000 RR
- Only available for model codes 0D50, 0D60

The HP titanium front silencer offers a visual enhancement and a throaty sound. It is the perfect supplement to the high-performance HP titanium exhaust system from Akrapovič and contributes to significant weight saving.

Only available in conjunction with HP sport silencer or sport silencer in black.

Original BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

Available at BMW Motorrad dealers.

HP TITANIUM EXHAUST SYSTEM

Part nr.: 77 11 8 529 218

Available for:

- S 1000 R
- Only available for model codes 0D02, 0D12

The HP titanium exhaust system from Akrapovič with a carbon end cap not only enhances the sporty appearance but also the performance of the bike. Compared to the standard version, it offers a significant reduction in weight and an increase in engine torque, especially in the medium speed range. This leads to a very sensitive throttle response in all riding modes.

To be fitted and / or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

HP POWER KIT

Part nr.: 77 11 8 554 955

Available for:

- S 1000 RR
- Only available for model codes 0D10, 0D21, 0D50, 0D60

Fit for the racetrack: the HP power kit combines the titanium exhaust system with special racing software for engine control, optimised and extended riding modes as well as DTC, Launch Control, anti-wheelie function and pit lane limiter. This means that the bike weighs almost 5kg less than the standard trim.

Only for track use (not homologated for road use). To be fitted and / or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

HP POWER KIT

Available for:
• S 1000 RR
Only available for model codes 0D10, 0D21, 0D50, 0D60

When combined with the HP titanium exhaust system, the HP power kit dramatically reduces weight and increases performance. Ideal for high-level racetrack riders and private racing teams.

Only for track use (not homologated for road use).
To be fitted and / or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

FOLDING HP HAND LEVERS

1 & 2 Available for:
• S 1000 R
• S 1000 RR
Not available for model codes 0D10, 0D21, 0D50, 0D60

3 Available for:
• S 1000 RR
Only available for model codes 0507, 0517, 0524, 0534

HP folding clutch lever (not shown) available for:
• S 1000 RR
• HP 4
Not available for model codes 0D10, 0D21, 0D50, 0D60

HP clutch lever, black (not shown) available for:
• S 1000 RR
• HP 4
Not available for model codes 0D10, 0D21

The CNC-milled HP brake levers made of corrosion-resistant anodised aluminium emphasise the motorbike's sportiness in a particularly impressive manner.

To be fitted and / or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

1 Folding HP clutch lever
Part nr.: 77 22 8 537 509

Available at BMW Motorrad dealers.

2 Folding HP clutch lever
Part nr.: 77 22 7 727 756

Available at BMW Motorrad dealers.

3 HP handbrake lever with remote adjustment
Part nr.: 77 22 8 568 167

Available at BMW Motorrad dealers.

FOLDING HP BRAKE LEVER, BLACK
Part nr.: 77 22 7 727 756

Available for:
• S 1000 RR
• HP 4
Not available for model codes 0D10, 0D21, 0D50, 0D60

The all-weather HP instrument cluster combines the classic BMW display with a host of racetrack-inspired features—a dream addition for all motorsport enthusiasts.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

Available at BMW Motorrad dealers.

HP RIDER FOOTRESTS

1 Available for:
• S 1000 R
• S 1000 RR
Not available for model codes 0D50, 0D60

2 Available for:
• S 1000 RR
Only available for model codes 0D10, 0D21, 0D50, 0D60

3 Available for:
• S 1000 RR
Only available for model codes 0D10, 0D21

The HP rider footrest system is adjustable in many ways and offers ergonomic qualities as well as maximum variability. The high-quality milled parts made of anodised aluminium can be adapted to a sporty riding style or different rider statures and thus ensure even better control, for example in an inclined position.

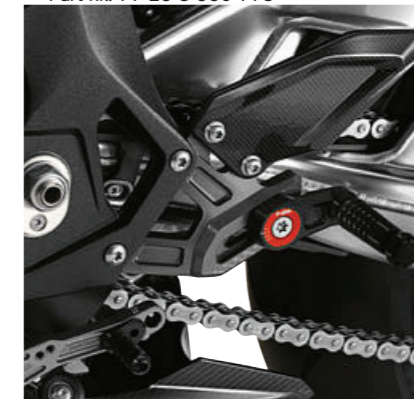

Available at BMW Motorrad dealers.

1 HP rider footrest system
Part nr.: 77 25 7 724 553

Available at BMW Motorrad dealers.

2 HP rider footrest system, left
Part nr.: 77 25 8 550 773

Available at BMW Motorrad dealers.

3 HP rider footrest system, right
Part nr.: 77 25 8 569 048

Available at BMW Motorrad dealers.

HP PASSENGER FOOTRESTS

1 Available for:
• S 1000 R
• S 1000 RR

2 Available for:
• S 1000 R

The HP passenger footrests are milled from an anodised aluminium alloy and give the bike an even sportier appearance.

Available at BMW Motorrad dealers.

HP CHAIN TENSIONER
Part nr.: 77 25 8 560 292

Available for:
• S 1000 R
• S 1000 RR
• HP 4

The HP chain tensioner offers high-precision adjustment of chain tension and rear-wheel alignment. It is securely attached to the swinging arm, which makes it easier to install and remove the rear wheel. The precise scale glued to the swinging arm guarantees high reading accuracy.

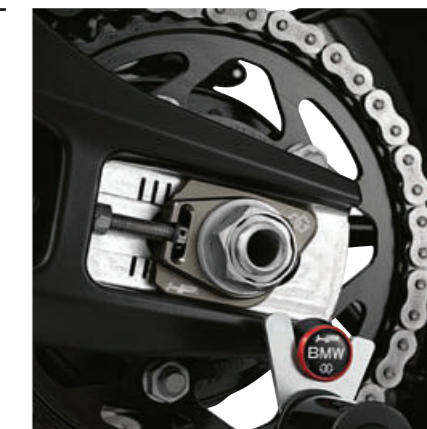

Available at BMW Motorrad dealers.

1 HP passenger footrests

Available at BMW Motorrad dealers.

2 HP passenger footrests, black
Part nr.: 77 25 2 452 955

Original BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

530 S MODEL RANGE: PREVIOUS MODELS HP PARTS

Available at BMW Motorrad dealers.

HP HAND LEVER PROTECTORS

Available for:

- S 1000 R
- S 1000 RR

Not available for model codes
0507, 0517, 0524, 0534

Clutch Part nr.: 77 22 8 555 583
Handbrake Part nr.: 77 22 8 555 582

With its dynamic look, the hand lever protectors also make a clear statement of uncompromising sportiness on the road.

1

Only available in conjunction with HP clutch lever.

Available at BMW Motorrad dealers.

HP ASSEMBLY STAND MOUNTING

Part nr.: 77 25 8 560 293

Available for:

- S 1000 R
- S 1000 RR
- HP 4

The high-quality HP assembly stand mounting is made of high-strength, CNC-milled aluminium and enables the use of the rear Sport assembly stand. The existing rollers prevent the assembly stands from slipping and thus protect the motorcycle from possible scratches.

Available at BMW Motorrad dealers.

HP CARBON WHEEL COVERS AND MOUNTINGS

Available for:

- S 1000 R
- S 1000 RR
- HP 4

Not available for model codes
0D50, 0D60

The HP carbon wheel cover protects rider and motorbike—and emphasises the bike dynamics with the right sporty look.

1

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

1 HP carbon front wheel cover

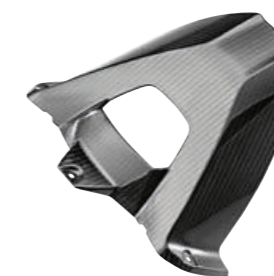

Part nr.: 77 31 8 549 539

Available at BMW Motorrad dealers.

2 HP carbon rear wheel cover

Part nr.: 77 31 8 546 482

Available at BMW Motorrad dealers.

HP AXLE PROTECTORS

Part nr.: 77 25 8 356 929

Available for:

- S 1000 R
- S 1000 RR
- HP 4

The HP axle protectors made of highly abrasion-resistant plastic protect the fork and swinging arm from scratches if the bike falls or tips over.

Available at BMW Motorrad dealers.

HP ENGINE PROTECTOR

Available for:

- S 1000 R
- S 1000 RR
- HP 4

The HP engine protector offers improved protection against damage to engine components with its replaceable plastic slip pads.

K49: Not available in conjunction with engine protection bar. All: To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

1 HP engine guard, left

Part nr.: 77 25 8 545 293

Available at BMW Motorrad dealers.

2 HP engine guard, right

Part nr.: 77 25 8 545 292

Available at BMW Motorrad dealers.

HP FORGED WHEELS

Front Part nr.: 36 31 8 548 892

Rear Part nr.: 36 31 8 548 893

Available for:

- S 1000 R
- S 1000 RR
- HP 4

The black anodised HP forged front wheel offers improved handling and suspension characteristics thanks to its weight advantage.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

HP CARBON UPPER FAIRING SIDE PANEL

Available for:

- S 1000 RR

Only available for model codes
0D10, 0D21, 0D50, 0D60

The high-quality HP carbon side trim panel for the upper left or right side combines an elegant look with the perfection of a lightweight, high-tech material.

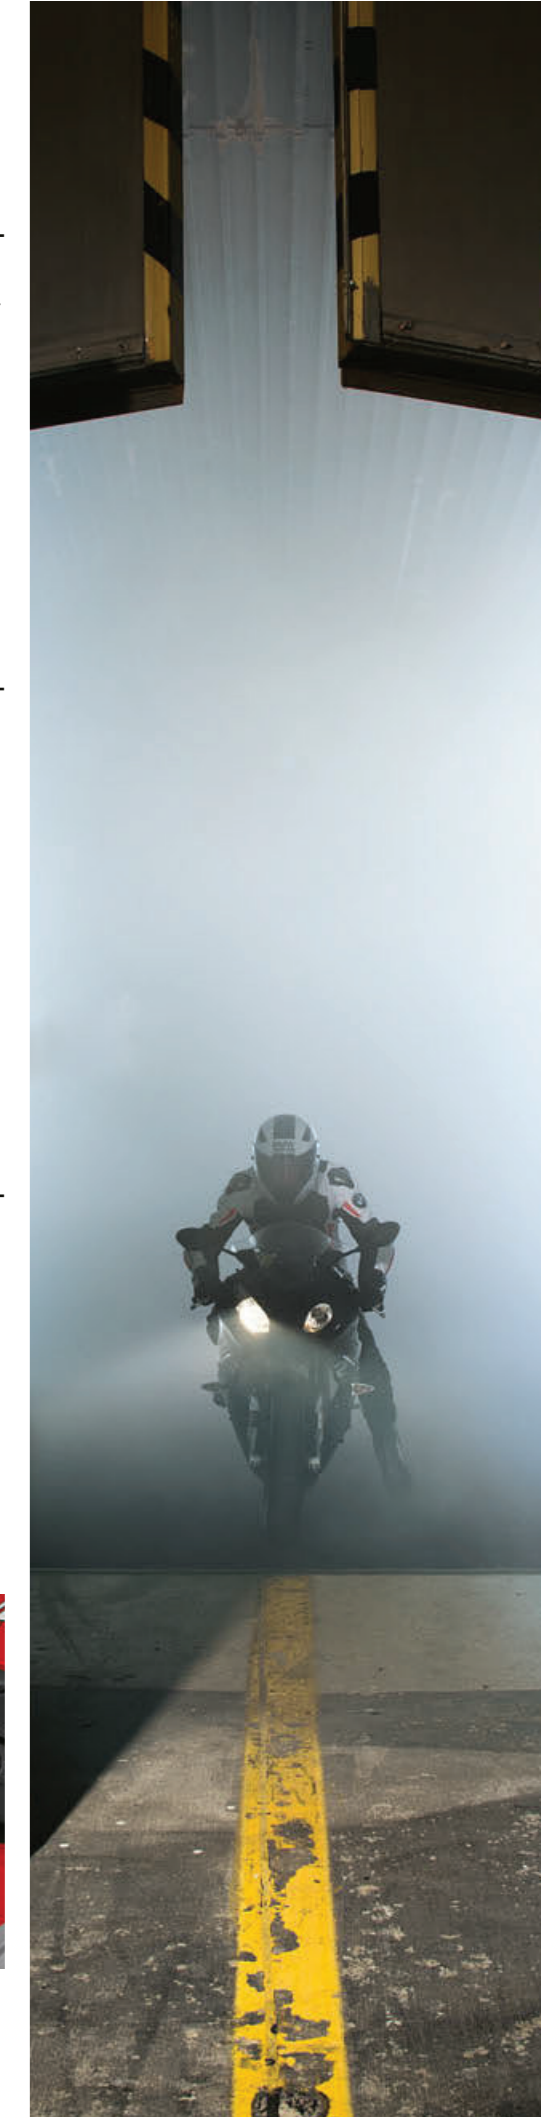

Front Part nr.: 77 31 8 550 749

Rear Part nr.: 77 31 8 550 748

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

Original BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer. Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

Available at BMW Motorrad dealers.

HP CARBON CHAIN GUARD

Part nr.: 71 60 7 714 596

Available for:

- S 1000 R
- S 1000 RR
- HP 4

The high-quality HP carbon chain guard combines an elegant look with the perfection of a lightweight, high-tech material.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

HP LABEL

Part nr.: 71 60 7 708 659

Available for:

- S 1000 RR
- HP 4

Not available for model codes 0D50, 0D60

With the self-adhesive HP label, the HP carbon parts can be further customised on request.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

Available at BMW Motorrad dealers.

HP CARBON TANK TRIM/FUEL FILLER CAP COVER

Available for:

- S 1000 R
- S 1000 RR
- HP 4

The HP carbon tank cover with its particularly impact-resistant and UV-resistant high-gloss paintwork is an unmistakable highlight in terms of sportiness.

Left Part nr.: 77 31 8 550 751

Right Part nr.: 77 31 8 550 750

Available at BMW Motorrad dealers.

HP CARBON AIRBOX COVER

Part nr.: 77 31 8 537 855

Available for:

- S 1000 R
- S 1000 RR

Not available for model codes 0507, 0517, 0524, 0534

The airbox provides optimal air supply—the HP carbon airbox cover the matching look, thus highlighting the sporty design.

Available at BMW Motorrad dealers.

HP CARBON ENGINE SPOILER AND HEAT PROTECTION SHIELD

1 Available for:

- S 1000 RR

Only available for model codes 0D10, 0D21

2 Available for:

- HP 4

Engine spoiler heat protection shield (not shown) available for:

- S 1000 R

For simultaneous fitting of engine spoiler and HP titanium exhaust system.

Engine spoiler heat protection shield (not shown) available for:

- S 1000 RR

Only available for model codes 0D10, 0D21, 0D50, 0D60

Available at BMW Motorrad dealers.

1 HP carbon engine spoiler

Part nr.: 77 31 8 551 228

Available at BMW Motorrad dealers.

2 HP carbon engine spoiler, long

Part nr.: 46 63 8 531 281

BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

Available at BMW Motorrad dealers.

HP CARBON SPROCKET COVER

Part nr.: 77 31 8 555 880

Available for:

- S 1000 R
- S 1000 RR

Available at BMW Motorrad dealers.

HP CARBON WINDSCREEN

Part nr.: 77 31 8 559 259

Available for:

- S 1000 R

The high-quality HP carbon windscreen signals sportiness with its look. It is coated with UV-resistant high-gloss paintwork and is therefore particularly impact-proof. The high-quality carbon design also makes the windscreen very light and thus reduces the overall weight of the motorbike.

Available at BMW Motorrad dealers.

HP TYRE WARMERS

Part nr.: 77 02 8 543 059

Available for:

- S 1000 RR
- HP 4

The professional HP tyre warmers allow quick and even heating of tyre and rim for maximum grip.

Available at BMW Motorrad dealers.

HP COVER KIT

Part nr.: 77 31 8 520 178

Available for:

- S 1000 R
- S 1000 RR
- HP 4

When the mirrors, turn indicators and licence plate holder are removed for use on the racetrack, the corresponding mounts can be covered with the HP cover kit. It contains two covers each for the mirrors and turn indicators at the front as well as another one for the rear underside.

Available at BMW Motorrad dealers.

HP RIDER SEAT

Part nr.: 77 34 8 546 602

Available for:

- S 1000 R
- S 1000 RR
- HP 4

The HP rider's seat has been specially designed for racetrack use and, thanks to its optimised contour and anti-slip surface, offers significantly more support when accelerating, braking and cornering. In addition, the seat, which rises to the rear, offers a 20 millimetres higher seat position.

Available at BMW Motorrad dealers.

HP BRAKE PADS

Part nr.: 77 23 8 535 423

Available for:

- S 1000 RR

The HP brake pads impress with features optimised for the racetrack. Without vehicle type approval.

Only for track use (not homologated for road use).

Available at BMW Motorrad dealers.

HP BRAKE BLEED VALVE AND AID

Part nr.: 77 02 8 543 065

Available for:

- S 1000 RR
- HP 4

Not available for model codes OD10, OD21

The HP brake bleed assistant with vacuum bellows, hose adapter and hose facilitates the bleeding of the brake system by means of vacuum. For this purpose, the compressed bellows and the transparent silicone hose are attached to the bleed valve. The system is then bled by pumping with the brake lever.

Available at BMW Motorrad dealers.

CALIBRATION KIT

Available for:

- S 1000 RR
- HP 4

Not available for model codes 0524, 0534, OD10, OD21, OD50, OD60
Only for track use (not homologated for road use).

HP Race calibration kit 3 (not shown) available for:

- S 1000 RR

Only available for model codes OD10, OD21, OD50, OD60
Part nr.: 77 53 8 546 642

HP Race calibration kit diagnostic cable (not shown) available for:

- S 1000 RR

Only available for model codes OD50, OD60

Allows riders to customize a range of engine management parameters and fine-tune performance on the racetrack.

Available at BMW Motorrad dealers.

HP DATA LOGGER

Part nr.: 77 53 8 526 204

Available for:

- S 1000 R
- S 1000 RR
- HP 4

The HP data logger permanently stores the relevant riding data, which can then be analysed to improve lap times.

Available at BMW Motorrad dealers.

HP GEAR-SHIFT ASSIST

Part nr.: 77 25 8 528 774

Available for:

- S 1000 R
- S 1000 RR
- HP 4

Not available for model codes OD10, OD21, OD50, OD60

Change gears like the pros on the track: the HP gear-shift assist minimizes shift times, and enables faster upshifts without throttle release or use of the clutch.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

**HP CARBON CROSSBEAM
(NOT SHOWN)**

**HP carbon peg
available for:**

- S 1000 R

Only available in conjunction with HP titanium exhaust system.
Part nr.: 77 11 8 537 834

**HP carbon peg
available for:**

- S 1000 RR
- HP 4

Not available for model codes OD10, OD21, OD50, OD60
Only in conjunction with HP titanium exhaust system/HP power kit.
Part nr.: 77 11 8 521 689

**HP carbon peg
available for:**

- S 1000 RR

Only available for model codes OD10, OD21
Only in conjunction with HP titanium exhaust system, HP power kit or HP sports silencer.
Part nr.: 77 11 8 554 343

The lightweight HP carbon peg in the racing look is intended for mounting the rear silencer when the passenger footrest system is removed.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

STORAGE

Available at BMW Motorrad dealers.

TANK BAG

Part nr.: 77 45 8 545 898

Available for:

- S 1000 R
- S 1000 RR

Not available for model codes 0507, 0517, 0524, 0534

The tank bag with a waterproof main compartment and strap fastening holds 13 litres and is adapted to the tank geometry.

For information on speed and load limitations, please refer to the instruction booklet.

Available at BMW Motorrad dealers.

REAR BAG 25-32 L

Part nr.: 77 49 8 545 894

Available for:

- S 1000 R
- S 1000 RR

Not available for model codes 0507, 0517, 0524, 0534

The robust rear bag with its waterproof main compartment and water-repellent outer pockets offers a volume from 25 to 32 litres.

Not available in conjunction with the comfort passenger seat or passenger seat cover. For information on speed and load limitations, please refer to the instruction booklet.

Available at BMW Motorrad dealers.

SADDLE BAGS

Part nr.: 77 40 2 446 914

Available for:

- S 1000 R
- S 1000 RR

Not available for model codes 0507, 0517, 0524, 0534

The stowage space of the saddlebags made of durable polyester can be expanded from around 10 to up to 16 litres per side.

For information on speed and load limitations, please refer to the instruction booklet.

Available at BMW Motorrad dealers.

BAG FOR PASSENGER SEAT

Part nr.: 77 49 8 562 631

Available for:

- S 1000 R
- S 1000 RR

Not available for model codes 0507, 0517, 0524, 0534

The waterproof passenger seat bag with 2.5 litre stowage space can be expanded to 5.5 litres—just the right size for a day trip.

Not available in conjunction with the passenger seat cover. For information on speed and load limitations, please refer to the instruction booklet.

BMW Motorrad equipment is available from your authorised BMW Motorrad Retailer.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

DESIGN

Available at BMW Motorrad dealers.

LED INDICATORS

Part nr.: On request

Available for:

- S 1000 R
- S 1000 RR
- HP 4

The elegant LED indicators with white indicator glass set standards in terms of design and function.

Note the differences in national-market versions.
To be fitted and/or enabled in a specialist workshop,
ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

ENGINE SPOILER AND ATTACHMENT SET

Erhältlich für:

- S 1000 R

Motorspoiler Lightwhite & Befestigung für Motorspoiler (ohne Abbildung) erhältlich für:

The engine spoiler upgrades the bike and highlights its dynamic character.

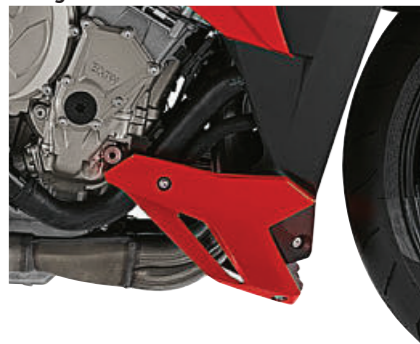

1&2

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

1 Engine spoiler, Racing red

Left Part nr.: 46 63 8 549 525
Right Part nr.: 46 63 8 549 526

Available at BMW Motorrad dealers.

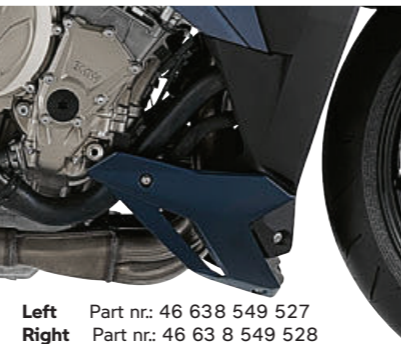

2 Engine spoiler, Black storm metallic

Left Part nr.: 46 638 542 627
Right Part nr.: 46 63 8 542 628

Available at BMW Motorrad dealers.

3 Engine spoiler, Frozen dark blue metallic

Left Part nr.: 46 638 549 527
Right Part nr.: 46 63 8 549 528

Available at BMW Motorrad dealers.

SEAT HUMP COVER

Available for:

- S 1000 R
- S 1000 RR

Not available for model codes
0507, 0517, 0524, 0534

Not available in conjunction with the rear bag or
passenger seat bag.

The high-quality seat hump cover allows the double seat to be quickly and easily converted into a sporty single-seater.

Available in these colours:

Alpine white, Frozen dark blue metallic, Granite grey metallic matt, Light grey metallic, Racing red, Sapphire black metallic, Thunder grey metallic and Black storm metallic.

Available at BMW Motorrad dealers.

1 Tail-hump cover, Racing red

Part nr.: 77 31 8 556 214

Available at BMW Motorrad dealers.

2 Tail-hump cover, Racing red

Part nr.: 77 31 8 556 214

ERGONOMICS & COMFORT

Available at BMW Motorrad dealers.

TINTED WINDSCREEN

1 Available for:

- S 1000 RR
- Not available for model codes 0507, 0517, 0524, 0534

The tinted windscreen emphasises the sporty look of the motorcycle. The special coating also permanently prevents scratches.

2 Available for:

- S 1000 RR
- HP 4

Only available for model codes 0524, 0534, 0D01, 0D11

Available at BMW Motorrad dealers.

SPORT WINDSCREEN, TINTED

Part nr.: 46 63 8 546 224

Available for:

- S 1000 R

The tinted sport windscreen underlines the dynamic appearance of the motorcycle and offers good protection against wind and weather.

Note the differences in national-market versions. To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

1 Tinted windscreen

Part nr.: 46 63 8 540 846

Available at BMW Motorrad dealers.

HIGH WINDSCREEN

Part nr.: 77 33 8 550 074

Available for:

- S 1000 RR

Not available for model codes 0507, 0517, 0524, 0534

The high windscreen in typical racing bubble form noticeably relieves wind pressure from the upper body at higher speeds and increases comfort.

Available at BMW Motorrad dealers.

2 Tinted windscreen

Part nr.: 77 33 8 522 258

Available at BMW Motorrad dealers.

HIGH WINDSCREEN, TINTED

1 Available for:

- S 1000 RR
- Not available for model codes 0507, 0517, 0524, 0534

2 Available for:

- S 1000 RR
 - HP 4
- Only available for model codes 0507, 0517, 0524, 0534, 0D01, 0D11

Available at BMW Motorrad dealers.

1 High windscreen, tinted

Part nr.: 77 33 8 550 075

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

Available at BMW Motorrad dealers.

2 High windscreen, tinted

Part nr.: 77 33 7 719 839

Available at BMW Motorrad dealers.

COMFORT SEAT AND COMFORT PASSENGER SEAT

Available for:

- S 1000 R
- S 1000 RR
- HP 4

Not available for model codes 0507, 0517

2

Not available in conjunction with the rear bag

The comfort seat with its additional padding and a seat height increased by 35 mm to 850 mm offers noticeable benefits in seating comfort and therefore even more carefree miles for the rider. Their three colours (black, red and white) also enhances the appearance of the motorcycle.

Available at BMW Motorrad dealers.

1 Comfort seat

Part nr.: 77 34 8 544 942

Available at BMW Motorrad dealers.

CRUISE CONTROL RETROFIT SET (NOT SHOWN)

Part nr.: On request

Available for:

- S 1000 R
- S 1000 RR

Only available for model codes 0D02, 0D12, 0D10, 0D21

The electronic cruise control can be activated from 30 km/h and keeps the riding speed constant. This makes it possible to enjoy longer motorway stretches in a relaxed style. The function is deactivated on braking, and the selected speed is automatically adopted after activating the Resume button.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

Available at BMW Motorrad dealers.

HEATED GRIPS AND SWITCHES (NOT SHOWN)

Part nr.: On request

Heated grips

available for:

- S 1000 RR
- HP 4

Only available for model codes 0524, 0534, 0D01, 0D11

Grip heating for vehicles with and without cruise control, available for:

- S 1000 R
- S 1000 RR

Not available for model codes 0507, 0517, 0524, 0534

Keep your hands as warm as you like with retrofittable heated grips.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

2 Comfort rear seat

Part nr.: 77 34 8 549 541

Available at BMW Motorrad dealers.

PRO GEAR - SHIFT ASSIST (NOT SHOWN)

Part nr.: 23 41 8 549 125

Available for:

- S 1000 R
- S 1000 RR

Not available for model codes 0507, 0517, 0524, 0534

The shift assistant Pro allows shifting up and down in almost all load ranges and engine speed ranges without clutch control. The assistant thus ensures noticeably reduced shifting times, a relief of the clutch hand and thus greater comfort and dynamics.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

PRO RIDING MODES RETROFIT SET (NOT SHOWN)

Part nr.: 13 61 8 534 237

Available for:

- S 1000 RR

Not available for model codes 0507, 0517, 0524, 0534

The Pro riding modes can be retrofitted using an activation code. Riders without Pro riding modes therefore do not have to do without modern safety features. Pro riding modes including dynamic traction control (DTC) or Pro riding modes including ABS Pro suitable for cornering can be retrofitted.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

NAVIGATION & COMMUNICATION

Available at BMW Motorrad dealers.

BMW MOTORRAD NAVIGATOR VI (INCL. 4-BUTTON CRADLE MOUNT)

Part nr.: 77 52 8 355 749

Available for:

- S 1000 R

With the multifunctional Navigator VI, route planning becomes child's play. The system with 16GB flash memory and a five-inch touch screen always shows the right way, and the waterproof display is easy to read even in direct sunlight. The high-resolution screen provides all the essential information and ensures that you can see the big picture required in every situation. Numerous additional functions make planning and touring an exciting experience. Plan your routes can be created according to your personal preferences and enjoy driving on winding and quiet side roads. In unknown terrain, the "round trip" option is a good choice as it reliably guides the rider at the end of the tour back to the starting point. The Bluetooth connection to the BMW Motorrad communication system and the optional Smartphone Link app enable multimedia on the go: navigation announcements, telephone calls and music streaming as well as the retrieval of weather forecasts or traffic jam information are no problem. Operation is via the stable Mount Cradle; the four buttons can also be accurately controlled while wearing gloves. Choose the pre-installed map data, and you will always be up to date thanks to lifelong, free map updates.

Please note the specifications for different countries.
Only in combination with bracket for BMW Motorrad navigation devices.

Available at BMW Motorrad dealers.

BMW MOTORRAD SMARTPHONE CRADLE

Part nr.: 77 52 8 563 125

Available for:

- S 1000 R

BMW Motorrad's robust smartphone cradle provides a safe and protected place for your smartphone. This means that useful functions such as navigation information and online information can also be used while you are on the move. Thanks to the handy charging function, your smartphone is also always ready for action on extended bike tours.

Only in combination with bracket for BMW Motorrad navigation devices.

Available at BMW Motorrad dealers.

BRACKET FOR BMW MOTORRAD NAVIGATION SYSTEMS (NOT SHOWN)

Part nr.: 77 52 7 724 487

Available for:

- S 1000 R

The BMW Motorrad navigation device holder is mounted on the handlebar clamping block in the rider's field of view.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Prices include VAT, do not include assembly of parts. Prices are subject to change without a prior notice.

SAFETY

Available at BMW Motorrad dealers.

ANTI-THEFT ALARM RETROFIT SET (NOT SHOWN)

Part nr.: 77 53 9 443 591

Available for:

- S 1000 RR
- HP 4

Not available for model codes OD10, OD21, OD50, OD60

If the anti-theft alarm system is moved or struck violently, the system responds with a clearly audible signal and a hazard warning indicator lamp.

Note the differences in national-market versions.
To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

ABS PRO RETROFIT SET (NOT SHOWN)

Part nr.: 77 23 8 546 512

Available for:

- S 1000 R
- S 1000 RR
- HP 4

Only available for model codes OD02, OD12, OD10, OD21, OD01, OD11

The BMW Motorrad ABS Pro is available in all riding modes and also adapts the ABS control to the motorcycle's lean angle. The system is perfectly adapted to the selected riding mode and ensures optimum braking performance even in bends. The motorcycle does not right itself and remains on course.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

HIGHER-CAPACITY BATTERY (12V/10AH) (NOT SHOWN)

Part nr.: 61 21 7 726 563

Available for:

- S 1000 R
- S 1000 RR
- HP 4

The higher-capacity battery (12V/10Ah) with maintenance-free AGM technology has a significantly longer service life than conventional lead acid batteries.

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.

Available at BMW Motorrad dealers.

ACTIVATION CODE FOR DTC (NOT SHOWN)

Part nr.: 13 61 8 550 119

Available for:

- S 1000 R
- S 1000 RR

Only available for model codes OD02, OD12, OD10, OD21

Dynamic Traction Control (DTC) ensures greater riding stability and controls wheel slip even when leaning into corners to prevent the rear wheel from spinning. Depending on the riding mode, DTC allows more or less slip and thus guarantees the maximum safety and riding dynamics on different routes.

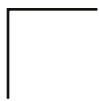

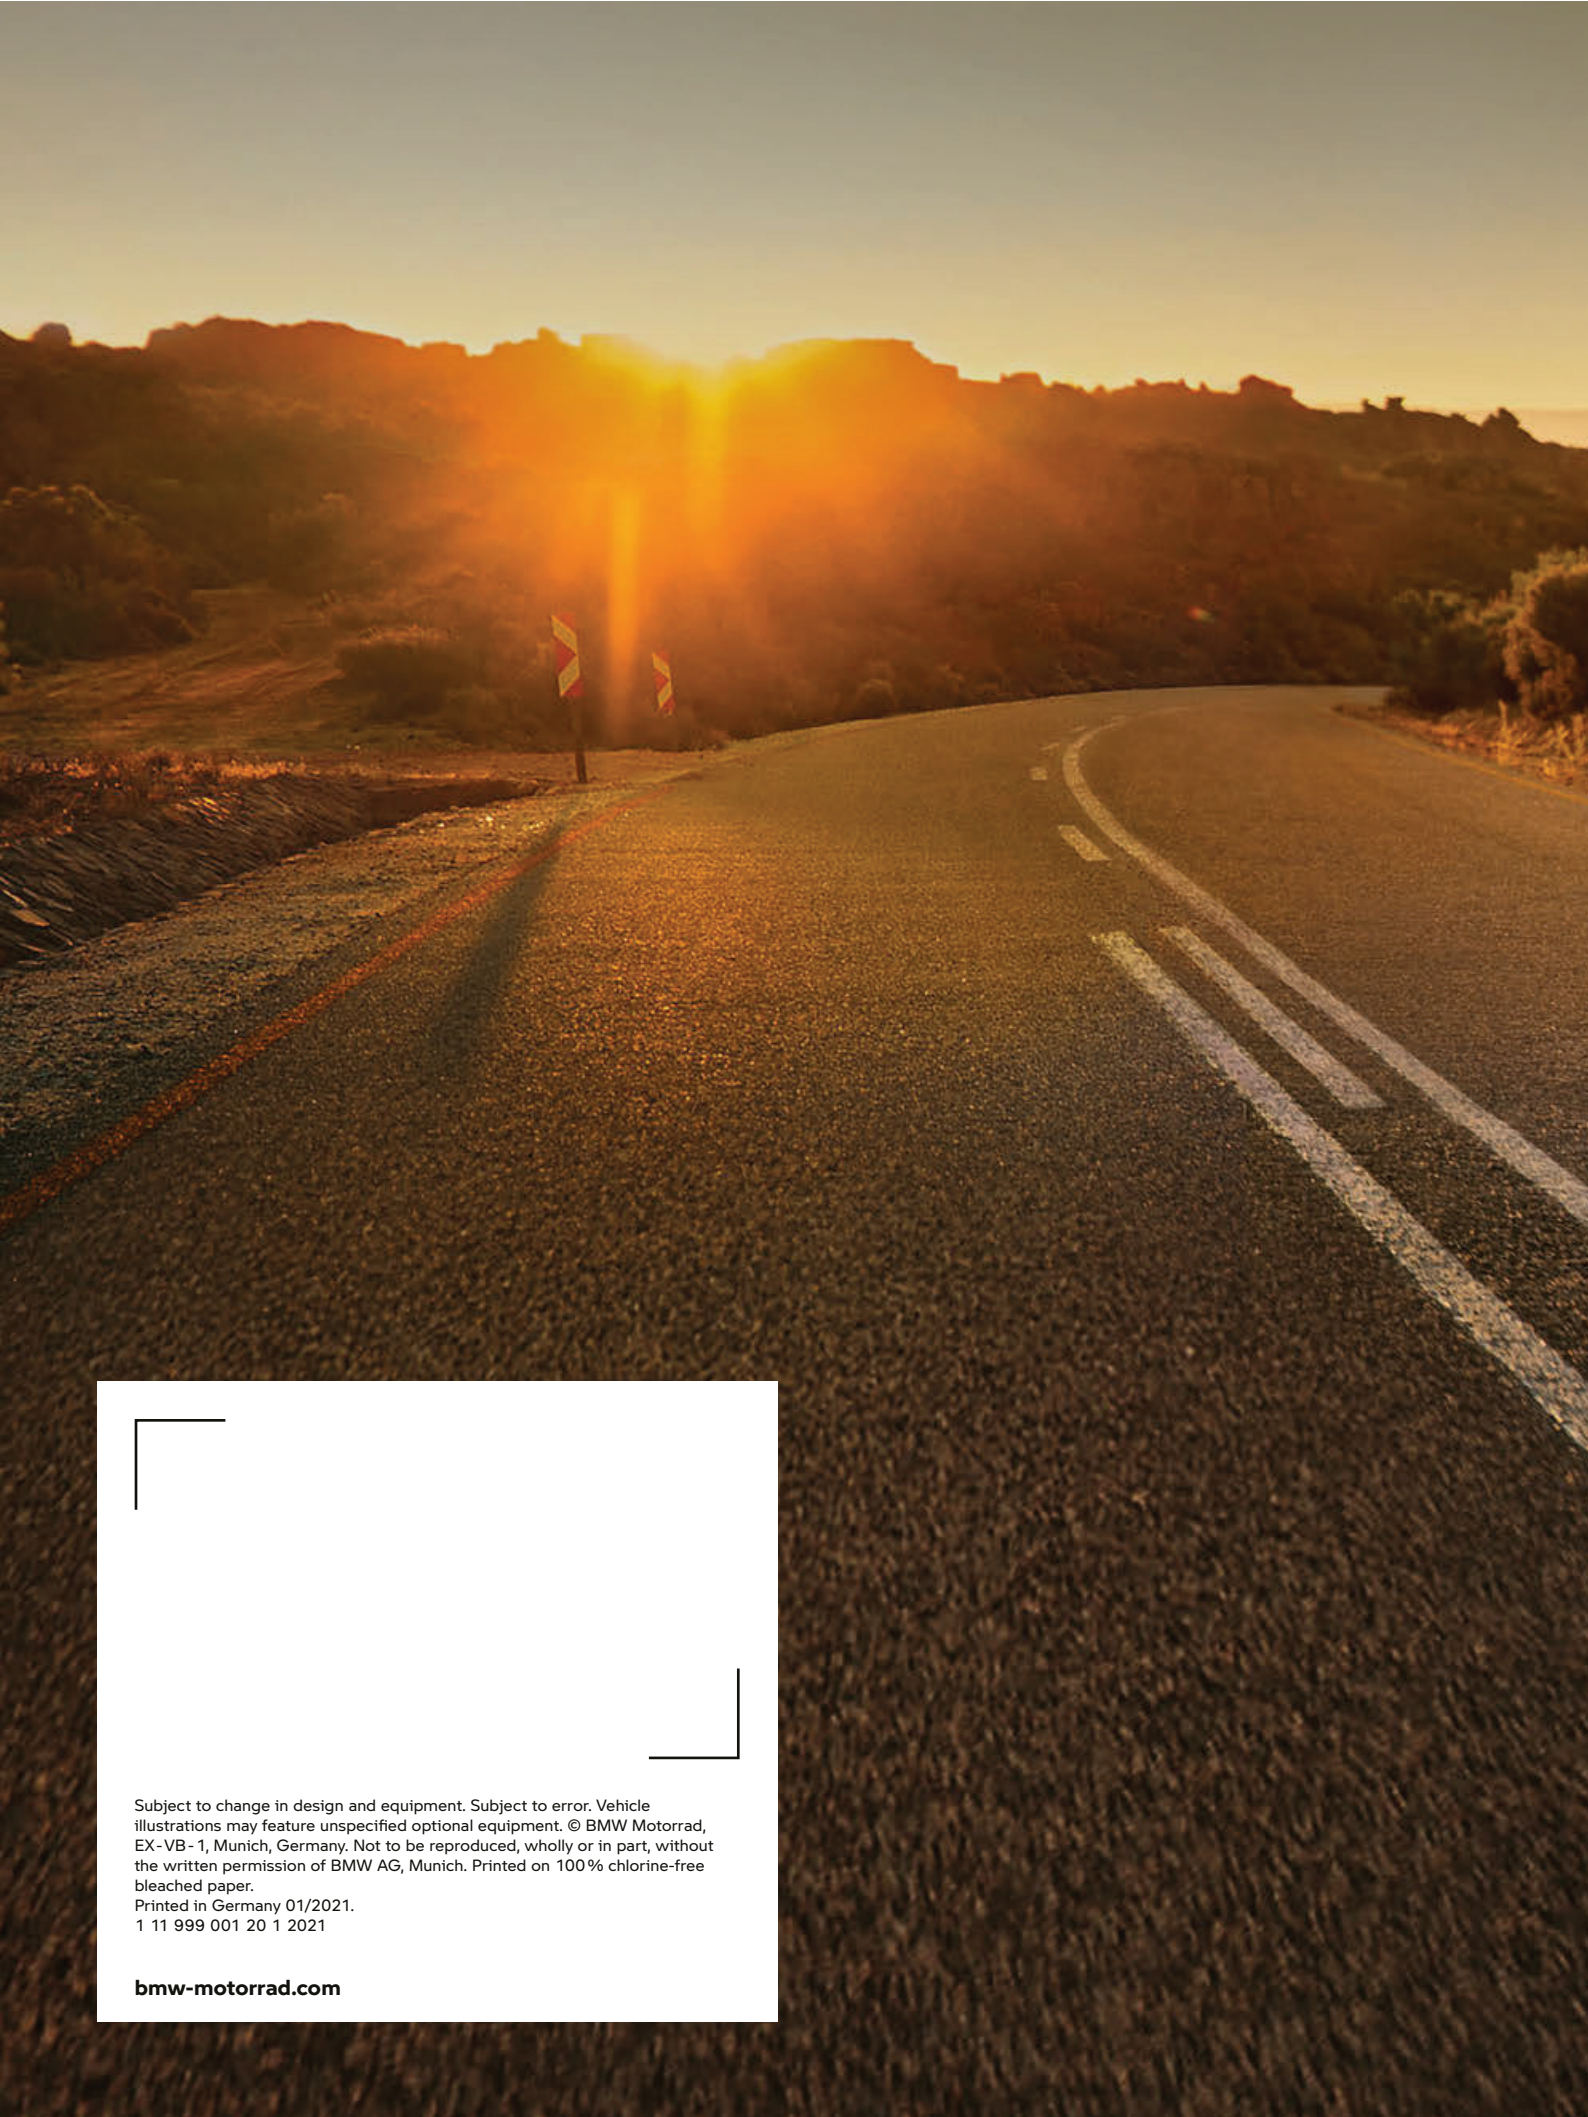

To be fitted and/or enabled in a specialist workshop, ideally at your authorised BMW Motorrad Retailer.
